Enclosed are contract and billing for your work for the House Special Permanent Fund Committee. Please sign both and return originals to us as soon as possible. Billing cannot be processed until we have signed contract on hand.

Also enclosed is copy of transcript of your testimony on 3/27. Tape was fuzzy in parts, so some sentences are not verbatim, but I hope I captured the essence of what you said. Please review and let me know if you want any changes made. Probably easiest way to handle that would be for you to call me and tell me about any corrections over the phone, rather than take the time to write.

The billing cannot be processed until we have the signed contract on hand. Also enclosed are some per diem and transportation reimbursement forms. Speaking of your billing, Jim had a question about the updated billing for 4/9-10. I think he assumed you'd bill for those days as a half-day each. He'll call you soon to talk about that. REPRESENTATIVE HUGH MALONE

April 27, 1979

The Honorable Terry Gardiner
Speaker of the House
Alaska State Legislature
Juneau, Alaska 99811

Dear Mr. Speaker:

My staff, in drafting contracts for services rendered to the House Special Committee on the Permanent Fund, inadvertently over-charged the Permanent Fund Committee's account. The reason is they did not know that the amounts encumbered would be the contract maximums (which are rounded-off figures determined before actual billings were made), rather than the actual amounts billed to us (which in all cases are less than the max). One way to remediate this is to amend the contracts so maximums reflect actual billings, but contract amendments are time-consuming and would cause further delays before billings can be processed.

A simpler, faster way to alleviate this situation would be to charge one contract against the in-session budget, which would free up enough Permanent Fund Committee money to cover the other contract maximums and also leave approximately \$2400 after bills are paid for a contingency fund. Therefore, I request your permission to have the contract for Samuel L. Plaia charged against the in-session budget account rather than the Permanent Fund Committee account. This contract has a \$5600 maximum but the actual amount billed will not exceed \$3000.

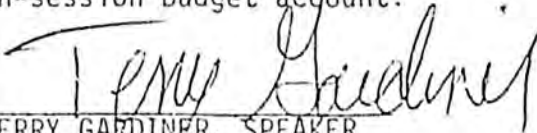

If this meets with your approval, please sign below and forward this letter to Pat Costello as soon as possible.

Thank you for giving this your attention.

Sincerely,

Hugh Malone
