REPRESENTATIVE GERAN TARR

HB125

“An Act relating to a veteran’s designation on an identification card or a driver’s license for Hmong veterans and Lao veterans.”

Sponsor Statement

The United States of America has long been true and faithful on our commitments made to our friends and allies, world over. Hmong veterans and Laotian veterans fought alongside US soldiers during the Vietnam War and when the war ended, were promised veteran recognition. Through HB125, we are seeking to honor that commitment through a designation on an identification card or a driver’s license.

In the 1960’s, the CIA recruited Hmong soldiers to help the US fight in Vietnam and Laos. Between 1962 and 1975, about 12,000 Hmong soldiers died fighting against the Laotians. After the US withdrawal from Vietnam in 1975, the Lao kingdom was overthrown by the communist party and the Hmong became targets. The Hmong people were displaced and relocated from Laos to Thailand, some even ending up in UN refugee camps. Some of the Hmong people were sent to re-education camps, where most ended up dying. It’s been estimated that 30,000 Hmong were killed by the communists while trying to reach Thailand. Over 100,000 Hmong people died as a result of both the Vietnam and the “Secret War.”

The Hmong people put their faith and trust in the United States government, which promised them citizenship and veteran status after the war. It has now been over fifty years later and we are asking that the promise be honored. We owe all our veterans respect for their respective efforts on behalf of this great nation. To truly and deeply acknowledge sacrifices made for the betterment of our nation, we must recognize how much our Hmong veterans and Lao veterans gave and lost for our country.

To keep the promise offered half a century ago, I ask for your support of HB125.

FISCAL NOTE ANALYSIS

STATE OF ALASKA
2017 LEGISLATIVE SESSION

BILL NO. HB 125

Analysis

HB 125 amends AS 18.65.310(l) and AS 28.15.111(c) and requires DMV to provide a veteran designator and United States flag replica on a driver's license or identification card of Hmong or Lao veterans that request the designator and meet the eligibility requirements. DMV will work with the Department of Military and Veterans' Affairs to determine what type of proof is needed to verify eligibility.

DMV may not charge an addition fee to add the designator, but may charge \$5 to replace a valid license or ID card that doesn't currently have the designator with one that does.

DMV can provide these services for minimal additional resources, therefore, a zero fiscal note is submitted.

FISCAL NOTE ANALYSIS

**STATE OF ALASKA
2017 LEGISLATIVE SESSION**

BILL NO. HB 125

Analysis

Passage of HB125 would have no material effect on the procedures, employees, and services provided by the Department of Military and Veterans Affairs as it would only be providing a process for proof of service to the Division of Motor Vehicles. Therefore, the Department of Military and Veterans' Affairs is submitting a zero fiscal note.

During the Vietnam War Hmong, Khmu, Lao, Mien, and Lahoo soldiers joined U.S. Special Forces, CIA and Air American Forces and fought along side each Other to defeat the communist regime of North Vietnam . Tens of thousands of Hmong soldiers died during the war and all that joined were promised Veteran Status from the American Government. We need to fulfill that promise by offering Hmong Veterans to have a Veteran designation on their driver license. Hmong Veterans are proud of their service and sacrifice and we should honor them. We are Requesting your support and assistance to help our Hmong Veterans and their Families. Please cosponsor this important Legislation (H.B.125) which has been Introduced in the House by Rep: Garan Tarr and (S.B 59) was introduced in the Senate by Senator Bill Wielechowki.
