(c) In addition to powers conferred by (b) of this section, a second class borough may, on an areawide basis or in the area outside cities, exercise any other power and may provide other services or facilities not otherwise prohibited by law on an areawide basis provided that such power has been transferred by a city and approved by the borough assembly for exercise within the city or has been acquired by election under Sec. .190 of this chapter, or in the area outside cities, provided it has been acquired by election under Sec. .190.

Sec. 29.33.170. CITIES WITHIN ORGANIZED BOROUGHES. (a) In addition to the power conferred under Sec. .010, a first or second class city within an organized borough may exercise any power not otherwise prohibited by law. In accordance with Sec. .110, a city may not exercise a power once that power is being exercised by a borough.

Sec. 29.33.180. CITIES OUTSIDE ORGANIZED BOROUGHES. (a) Cities outside an organized borough may exercise any power not otherwise prohibited by law.

(b) Cities outside an organized borough may assess, levy and collect a general property tax and a sales or use tax. A property, sales or use tax if levied must be assessed, levied and collected as provided by Chapter 45 of this title for boroughs.

Sec. 29.33.190. ACQUISITION OF ADDITIONAL POWERS. (a) A borough acquires additional powers by holding an election on the question as provided by this section. A petition under this section shall be filed with the borough clerk who shall certify to the assembly whether the petition contains sufficient signatures. (c) In the case of acquisition of additional areawide borough powers, the borough mayor shall certify the election results to the Department of Community and Regional Affairs. The vote on the question of adding an areawide power shall be tabulated in two separate classifications. One shall consist of all votes cast in the home rule and first class cities *why - no difference in powers within borough* of the borough. The other shall consist of all votes cast in the remaining borough area. If the majority of the votes cast in each classification is favorable, the borough shall assume the added power within 30 days of certification of the election results. Upon acquisition of an areawide power the borough succeeds to all of the rights, powers and duties of any city or service area with respect to that power. The borough succeeds to claims, franchises and other contractual obligations, liability for bonded and all other indebtedness and to all of the right, title and interest in the real and personal property held by the city or service area for the exercise of the power. The borough assembly may levy and collect special charges, taxes or assessments including interest for the purpose of amortizing bonded indebtedness previously incurred by the city or service area for continuing services in the area. When a city or service area had previously incurred bonded indebtedness, no less than all property that was within the city or service area at the time the bonds were issued shall remain subject to taxation to pay the principal of and interest on the

bond for as long as they remain outstanding. Upon acquisition of additional areawide powers the borough, in consultation with the city or service area personnel, shall arrange for an orderly and equitable transfer of rights, assets, liabilities, powers, duties and other matters related to acquisition of the areawide powers. This subsection applies to home rule and general law cities.

Article 4. CONSTRUCTION OF POWERS

(Chapter 48. Article 5. CONSTRUCTION OF POWERS)

Sec. 29.33.200. (Sec. 29.48.310.) GENERAL CONSTRUCTION. A liberal construction shall be given to all powers and functions of boroughs and cities conferred in this title.

Sec. 29.33.210. (Sec. 29.48.320.) EXTENT OF POWERS. Unless otherwise limited by law, boroughs and cities have and may exercise all powers and functions necessarily or fairly implied in or incident to the object or purpose of all powers and functions conferred in this title.

Sec. 29.33.220. (Sec. 29.48.330.) ENUMERATION OF POWERS. Specific examples within an enumerated power or function conferred upon boroughs or cities in this title are illustrative of the object and not a limitation on or exclusion from the exercise of the power or function.

is there a present problem w/ present "liberal" construction language?

TECHNICAL GROUP RECOMMENDATIONS - 05 JAN 81

Sec. 29.06.010. HOME RULE. A home rule municipality is a municipal corporation and political subdivision. It is a city or an organized borough which has adopted a home rule charter, or it is a municipality unified in accordance with AS 29.12.190 - 29.12.350. A home rule municipality has all the legislative powers not prohibited by law or charter.

Sec. 29.06.030. CLASSES OF GENERAL LAW. General law municipalities are of four classes:

- (1) first class boroughs;
- (2) second class boroughs;
- (3) repeal
- (4) first class cities;
- (5) second class cities.

Sec. 29.06.040. RECLASSIFICATION. Section unchanged to:

(g) A second class borough may reclassify as a first class borough in the manner provided by AS 29.36.110 - 29.36.130 for the addition of powers by boroughs, except that the petition or proposal requests reclassification instead of requesting addition of powers.

- (h) repeal.
- (i) repeal.
- (j) repeal.

Sec. 29.06.050. TRANSITION. (a) A third class borough existing on the effective date of this act shall continue as a third class borough under the conditions established by law prior to the effective date of this act until it becomes reclassified in accordance with this section.

(b) A third class borough may reclassify as a first or second class borough in the manner provided by AS 29.36.110 - 29.36.130 for the addition of powers by boroughs, except the petition or proposal requests reclassification instead of requesting addition of powers. If reclassification is approved, a school board shall be elected in conformity with AS 14.12 at the next regular election if it occurs within 90 days of the date of the

TECHNICAL GROUP RECOMMENDATIONS - 05 JAN 81

reclassification election, or at a special election within 90 days of the date of the reclassification election. Expiration dates of terms of members elected at a special election must coincide with the date of the regular election. Until a board is elected and qualified, the assembly continues to serve as the board.

EXPLANATION; Third class boroughs are eliminated. A transition section provides that the existing third class borough retain its status until it is reclassified. The option of allowing the assembly to continue to serve as school board of a borough which is reclassified from third to first or second class currently contained in AS 29.06.030(i) has been eliminated, so that if the third class borough changes its classification it must elect a school board. (NOTE: This was prepared as a request of the Policy Group to eliminate third class boroughs. If it is approved upon reconsideration, additional technical drafting changes will be required to eliminate references to third class boroughs in other sections.)

TECHNICAL GROUP RECOMMENDATIONS - 05 JAN 81

Sec. 29.09.180. ORGANIZATIONAL GRANTS. (a) For the purpose of defraying the cost of transition to a municipal form of government and in order to provide for initial government operations, each municipality incorporated after January 1, 1981, or for a second class city reclassified after January 1, 1981, is entitled to an organizational grant of \$150,000, except that a municipality which is merged, consolidated, or unified under AS 29.12. is not entitled to an organizational grant.

EXPLANATION: This section is being resubmitted as the recommendation of the Technical Group after considering legislation on the matter proposed by Community and Regional Affairs.

Sec. 29.12.390. POWERS OF A UNIFIED MUNICIPALITY. A municipality organized under AS 29.12.190 - 29.12.390 shall have all the powers

- (1) not prohibited it by law or charter;
- (2) granted to home rule boroughs.

EXPLANATION: Existing language in (2) is confusing in that the reference to cities may imply a limitation of some sort on the powers of a unified municipality. This is a clearer statement of existing law.

TECHNICAL GROUP RECOMMENDATIONS - 05 JAN 81

Sec. 29.24.010. CONFLICTS OF INTEREST. Each home rule and general law municipality shall adopt a conflicts of interest ordinance which other provisions of this chapter notwithstanding, includes provision that an officer or employee shall disqualify himself from participating in any official action in which he has a substantial financial interest.

EXPLANATION: The second sentence is deleted as redundant. After considering the alternative proposed by the Policy Group, the Technical Group reasserts its original recommendation. It is felt that a person should not vote on a matter in which he has a substantial financial interest and that disclosure of the interest is not adequate protection for the public.

Sec. 29.24.170. VACANCIES. The governing body may provide by ordinance the manner in which a vacancy occurs in any elected office except the office of mayor and member of the school board. Unless otherwise provided by ordinance the governing body shall declare an elective office, other than the office of mayor or member of the school board, vacant when the person elected.

(The rest of the section was previously approved by the Policy Group).

EXPLANATION: The Technical Group upon reconsideration recommends that the governing body not be allowed to declare the office of a school board member vacant. Current law allows the members to determine vacancy on the school board.

TECHNICAL GROUP RECOMMENDATIONS - 05 JAN 81

Sec. 29.24.430. OTHER BOARDS AND COMMISSIONS. The governing body may, by ordinance, establish advisory or quasi-judicial boards and commissions.

EXPLANATION: Upon reconsideration, the Technical Committee would like to limit specific authority to set up boards to exclude administrative boards. In addition, subsection (b) is deleted from the draft which was originally approved by the Policy Group because it is felt that appointment power is adequately included under general separation of powers principles and ought not to be further restricted in an inflexible statute applying to every type of board.

Sec. 29.24.590. APPOINTMENT. The governing body shall appoint a manager by a majority vote of its membership. He is chosen on the basis of his administrative qualifications and receives the compensation set by the governing body. A member of the governing body may not be appointed manager of the municipality sooner than one year after leaving office except by a vote of three-fourths of the authorized membership of the governing body.

EXPLANATION: Upon reconsideration, it is felt that the prohibition against serving as manager ought not to apply to officials other than members of the legislative body. This change would allow the governing body to appoint a municipal official to the office of manager without the one year or super majority restriction.

Sec. 29.27.050. CODES OF REGULATION. The governing body may in a single ordinance adopt or amend by reference provisions of a standard published code of regulations. The regular ordinance procedure applies except that neither the ordinance nor its amendments need be distributed to the public or read in full at the hearings. For a period of 15 days before adoption at least five copies of the code must be made available for public inspection at a time and place set out in the hearing notice. Only the adopted ordinance need be printed after adoption. The governing body shall provide for the adopted code to be made available to the public at no more than cost.

EXPLANATION: The Policy Group previously approved changes made to the last line of this section - "The governing body shall provide for the adopted code to be sold or made available at no charge to the public." It is felt that this would be more flexible in that a municipality would also have the option of collecting a fee which represents only a part of the cost.

Sec. 29.27.080. PENALTIES. (a) For the violation of an ordinance the governing body may prescribed penalties not to exceed those imposed for a class B misdemeanor and may require mandatory, nonsuspendable imprisonment not to exceed five days.

(b) The municipality or an aggrieved person may institute a civil action against a person who violates an ordinance. In addition to injunctive and compensatory relief, a civil penalty not to exceed \$1,000 may be imposed for each violation. An action to enjoin a violation may be brought notwithstanding the availability of any other remedy. Upon application for injunctive relief and a finding of a violation or a threatened violation, the superior court shall grant the injunction. Every day upon which a violation of an ordinance continues shall constitute a separate violation.

(c) The penalties authorized under this section may be imposed only if copies of the ordinance are made available for distribution to the public at no more than cost.

EXPLANATION: Technical drafting changes with no substantive impact on the section as previously approved by the Policy Group in (a) and (b). Subsection (c) has been changed from the language previously approved so that a municipality has the option of charging less than full cost.

(a) Unless substantially the same measure is adopted, when a petition seeks an initiative vote the clerk shall submit the matter to all of the municipal voters at the next regular or special election occurring no sooner than 45 days after certification of the petition.

Other subsections as previously approved.

EXPLANATION: The Technical Committee wishes to reassert its first recommendation that no special election be required in the initiative process. In rejecting this suggestion, the Policy Group appears to have felt that the initiative process should be treated the same as the recall and referendum processes, both of which require a special election if a regular election is not held within a given time period. The Technical committee feels that the initiative process, seeking to establish new law, is not as much of an emergency situation as the recall of an official or the repeal of an unpopular law, and therefore that the expense and inconvenience of holding a special election on an initiative ought not to be placed on municipalities.

Sec. 29.30.300. ELECTION NOTICE. At least 20 days notice of an election to recall an official shall be given notwithstanding an ordinance or charter provision to the contrary.

Sec. 29.30.330. SUCCESSORS. (a) If an official is recalled from the governing body his office becomes vacant and is filled in accordance with AS 29.24.175.

(b) Notwithstanding subsection (a), if all members of the governing body are recalled, the governor shall appoint three qualified persons to the governing body. The appointees shall appoint additional members to fill remaining vacancies in accordance with AS 29.24.175.

(c) If all officials are recalled from a school board the governor shall appoint three qualified persons to the school board. The appointees shall appoint additional members to fill remaining vacancies.

(d) A person appointed under (a) - (c) of this section shall serve until a successor is elected and takes office.

(e) If an official is recalled the clerk, without further action by the governing body, shall conduct an election for a successor to fill the unexpired portion of the term. The election shall be held not more than 60 days from the date the recall election is certified, except that if a regular election occurs within 75 days after certification the successor shall be chosen at that election.

(f) Nominations for a successor may be filed until seven days prior to the last date upon which a first notice of the election must be published. Nominations may not be filed before the certification of the recall election.

EXPLANATION: Redrafted at the request of the Policy Group. This would provide that vacancies in a governing body resulting from recall would be filled as any other vacancy, unless all members of the body are recalled, in which case the governor shall appoint members so that local government can continue to function. If all members of a school board are recalled, the governor would have the same power of appointment to that board.

Sec. 29.42.100. DELEGATIONS. The assembly may by ordinance authorize the planning commission and the platting authority to delegate powers to hear and decide cases under this chapter in a manner authorized by the ordinance, including but not limited to delegations to one or more members of the planning commission or platting authority, to other boards or commissions or to a hearing officer designated by the planning commission or platting authority.

EXPLANATION: The Technical Committee originally recommended repeal of this section. Upon reconsideration, it is recommended that it be retained in a slightly redrafted form to insure that there is no question that hearing officers may be used by the planning commission and platting authority to hear individual cases.

TECHNICAL GROUP RECOMMENDATIONS - 05 JAN 81

Sec. 29.45.610. POWER OF LEVY. (a) A city within a borough which levies and collects areawide sales or use taxes may levy sales or use taxes on all sources taxed by the borough in the manner provided for boroughs, except that the assembly may by ordinance authorize a city to levy and collect sales or use taxes on other sources.

(b) A city within a borough which does not levy and collect areawide sales or use taxes may levy and collect sales or use taxes in the manner provided for boroughs.

Sec. 29.45.620. POWER OF LEVY AND COLLECTION. Repeal.

EXPLANATION: Subsection (a) is altered to allow a city to levy taxes on other sources if authorized by a borough. It is felt that borough authorization should be required since the borough does the collecting and would experience added administrative difficulties if the city and borough tax differ. Subsection (b) contains the material formerly in AS 29.45.620.

Sec. 29.33.200. MUNICIPAL PROPERTIES. (Section as previously approved by the Policy Group with the following new subsection:)

(g) Dedication of streets, rights of way, easements or other areas for public use shall not be construed to require the municipality to maintain, improve or provide for municipal services in the area dedicated and the dedication shall not impose any liability on the municipality for the condition of the area dedicated.

EXPLANATION: Since the municipality may be the recipient of land deeded over by a private person without the municipality's approval, it is felt that the municipality should not be liable for the condition of property just as the result of dedication. This would not affect the liability of a municipality for the condition of land which it undertakes to improve or maintain.

CHAPTER 03. THE UNORGANIZED BOROUGH.

Sec. 29.03.010. ESTABLISHMENT. Areas of the state which are not within the boundaries of an organized borough constitute a single unorganized borough.

Sec. 29.03.020. SERVICE AREAS. Allowing for maximum local participation, the legislature may establish, alter, or abolish service areas within the unorganized borough to provide special services, which may include but are not limited to schools, utilities, land use regulations and fire protection. A new service area may not be established if the new service can be provided by an existing service area, by incorporation as a city, or by annexation to a city.

1 CHAPTER 06. CLASSIFICATION OF MUNICIPALITIES.

2 ****Sec. 29.06.010. HOME RULE. A home rule municipality is a municipal
3 corporation and political subdivision. It is a city of the first class or
4 an organized borough which has adopted a home rule charter, or it is a
5 municipality unified in accordance with AS 29.12.190 - 29.12.350. A home
6 rule municipality has all legislative powers not prohibited by law or charter.

7 Sec. 29.06.020. GENERAL LAW. A general law municipality is a municipa
8 corporation and political subdivision and is an unchartered borough or city.
9 It has legislative powers conferred by law.

10 Sec 29.06.030. CLASSES OF GENERAL LAW. General law municipalities
11 are of five classes:

- 12 (1) first class boroughs;
13 (2) second class boroughs;
14 (3) third class boroughs;
15 (4) first class cities;
16 (5) second class cities.

17 Sec. 29.06.040. RECLASSIFICATION. (a) A second class city may be
18 reclassified as a first class city by holding an election on the question as
19 provided in this subsection, if the Department of Community and Regional
20 Affairs determines from the best figures available that the population of
21 the city has reached 400 permanent residents.

22 (b) An election on the question of reclassification may be initiated
23 in two ways:

24 (1) a number of voters equal to 15 percent of the number of
25 votes cast in the city at the preceding regular election may file a petition
26 with the council; or

27 (2) the council may propose reclassification.

28 (c) The council shall hold at least one public hearing within the
29

1 city on the question. The council shall then evaluate the ability of the
2 city to assume first class status and make its findings public.

3 (d) The council shall, within 30 days after its findings have
4 been made public, order an election to be held on the question. The election
5 shall be held at least 30 days after the order and not later than the next
6 regular election occurring after the 30-day period.

7 (e) If more than one question is to be voted on at the election,
8 each appears separately on the ballot.

9 (f) The council shall certify the election results to the Depart-
10 ment of Community and Regional Affairs. If the majority of votes cast on
11 the question is favorable, the city shall be considered reclassified to
12 first class status 30 days after certification of the election results.

13 (g) A second class borough may reclassify as a first class or
14 third class borough, and a third class borough may reclassify as a first
15 class or second class borough, in the manner provided by AS 29.36.110
16 -29.36.130 for the addition of powers by boroughs,
17 except the petition or proposal requests reclassification instead of
18 requesting addition of powers.

19 (h) At the time of voting on reclassification of a second class
20 borough to third class status, borough voters in conformity with AS 29.36,
21 shall elect an assembly to serve as the combined assembly and
22 school board of the third class borough if reclassification is approved.

23 (i) At the time of voting on reclassification of a third class
24 borough to second class or first class status, borough voters shall vote
25 also on the question whether the borough shall upon reclassification retain
26 a combined assembly and school board or a separate assembly and board as
27 otherwise provided for first and second class boroughs. If the majority of
28 votes cast on the question favors retention of the combined assembly and
29 board, the assembly serving at the time of the reclassification election

1 continues to serve as the assembly and board upon voter approval of reclas-
2 sification and until terms of assemblymen expire as provided before reclas-
3 sification. If a separate board and assembly are approved at the reclas-
4 sification election, a school board shall be elected in conformity with AS
5 14.12 at the next regular municipal election, if it occurs within 90 days of
6 the date of the reclassification election, or otherwise at a special
7 election within that time called by the assembly with expiration dates of
8 terms of members elected at the special election to coincide with the date
9 of the regular municipal election. Until a board is elected and qualified,
10 the assembly continues to serve as the board.

11 (j) The effective date of reclassification of a borough for which
12 reclassification is approved under (h) of this section is the first day of
13 the borough's fiscal year which begins at least six months after the date on
14 which the reclassification proposition has been approved by the voters.

1 CHAPTER 09. INCORPORATION.

2 ARTICLE 1. REQUIREMENTS.

3 Sec. 29.09.010. INCORPORATION OF CITIES. (a) A community which meets
4 the following standards may incorporate as a first class city:

5 (1) the community has 400 or more permanent residents;

6 (2) the boundaries of the proposed city include all areas
7 necessary to provide municipal services on an efficient scale;

8 (3) the economy of the community includes the human and
9 financial resources necessary to provide local services; in considering the
10 economy of the community, the Local Boundary Commission shall consider
11 property valuations, economic base, personal income, resource and commercial
12 development, anticipated functions, and the expenses and income of the
13 proposed city, including the ability of the community to generate local
14 revenue;

15 (4) the population of the community is stable enough to
16 support local government;

17 (5) there is a demonstrated need for local government.

18 (b) A community which meets all the standards established in (a)
19 of this section except (a)(1) may incorporate as a second class city.

20 Sec. 29.09.020. LIMITATIONS ON INCORPORATION OF CITIES. (a) A com-
21 munity within the unorganized borough may not incorporate as a city if the
22 services may be provided by annexation to an existing city.

23 (b) A community within an organized borough may not incorporate
24 as a city if the services could be provided on an areawide or nonareawide
25 basis by the borough in which it is located or by annexation to an existing
26 city.

27 Sec. 29.09.030. ORGANIZED BOROUGHES. An area may incorporate as an
28 organized borough if it conforms to the following standards:
29

1 (1) the population of the area is interrelated and integrated
2 as to its social, cultural, and economic activities, and is large and stable
3 enough to support organized borough government;

4 (2) the boundaries of the proposed borough conform generally
5 to natural geography and include all areas necessary for full development of
6 local services;

7 (3) the economy of the area includes the human and financial
8 resources capable of providing local services; evaluation of an area's

24 tionment of the assembly or council;

25 (5) for a first class borough, a designation of areawide
26 powers to be exercised;

27 (6) for a second class borough, a designation of
28 areawide and nonareawide powers to be exercised;
29

(7) maps, documents, and other information required by the Department of Community and Regional Affairs;

(8) for first class city incorporation, the signatures and resident address of 50 permanent resident voters or of 15 percent of the permanent resident voters within the proposed municipality, whichever is greater, based on the number who voted in the area in the last general election;

(9) for second class city incorporation, the signature and resident address of 25 permanent resident voters or of 15 percent of the permanent resident voters within the proposed municipality, whichever is greater, based on the number who voted in the area in the last general election;

(10) for borough incorporation, the signature and resident address of 15 percent of the permanent resident voters in each first class city and 15 percent of voters in the area outside first class cities based on the number who voted in the respective areas in the last general election;

(11) for a city, a designation of the powers proposed by the petitioners to be exercised;

(12) a proposed operating budget for the municipality projecting sources of income and items of expenditure through the first full fiscal year of operation.

Sec. 29.09.070. REVIEW. The Department of Community and Regional Affairs shall review petitions for content and signatures and shall return deficient petitions for correction and completion.

Sec. 29.09.080. INVESTIGATION. (a) If the petition contains the required information and signatures, the Department of Community and Regional Affairs shall investigate the proposal.

1 (b) The department may combine petitions for incorporation from
2 the same general area.

3 (c) The department shall hold at least one public hearing in the
4 area proposed for incorporation.

5 Sec. 29.09.090. REPORT AND HEARING. (a) The Department of Community
6 and Regional Affairs shall report its findings to the Local Boundary Commission
7 with its recommendations regarding the incorporation.

8 (b) The Local Boundary Commission shall hold at least one public
9 hearing in the area proposed to be incorporated for the purpose of receiving
10 testimony and evidence on the proposal.

11 Sec. 29.09.100. DECISION ON BOROUGH INCORPORATION. (a) If the Local
12 Boundary Commission determines that a proposed municipality fails to meet
13 the standards for incorporation, it shall reject the petition. If the
14 commission determines that the proposed municipality meets the standards, it
15 shall accept the petition. If the commission determines that the proposed
16 boundaries can be altered to meet the standards, it may alter the boundaries
17 and accept the petition.

18 (b) A commission decision under this section may be appealed
19 under the Administrative Procedure Act (AS 44.62).

20 Sec. 29.09.110. INCORPORATION ELECTION. (a) The Local Boundary Com-
21 mission shall immediately notify the lieutenant governor of its acceptance
22 of an incorporation petition. Within 30 days after notification, the
23 lieutenant governor shall order an election in the proposed municipality to
24 determine whether the voters desire incorporation and, if so, to elect the
25 initial officers in the same election. If incorporation is rejected, no
26 officers are elected. The election is held not less than 30 nor more than
27 90 days after the date of the election order. The election order must
28 specify the dates during which nomination petitions for election of initial
29 officers may be filed.

1 (b) An Alaska voter who has been a resident of the area within
2 the proposed municipality for 30 days before the date of the election order
3 may vote.

4 (c) Areawide borough powers included in the incorporation petition
5 are considered to be part of the incorporation question. In an election for
6 the incorporation of a second class borough, each power to be exercised
7 outside cities only is placed separately on the ballot. Adoption of a
8 nonareawide power requires a majority of the votes cast on the question, and
9 the vote is limited to the voters residing outside cities.

10 (d) The lieutenant governor shall supervise the election in the
11 general manner prescribed by the Alaska Election Code (AS 15.05 - 15.60). The
12 state shall pay all election costs under this section.

13 Sec.29.09.120. ELECTION OF INITIAL OFFICERS (a) Repealed by Sec. 4 ch.
14 23 SLA 1976.

15 (b) Nominations for initial officers are made by petition. The
16 petition is in the form prescribed by the lieutenant governor and includes
17 the name and address of the nominee and a statement of the nominee that he
18 is qualified under the provisions of this title for the office that he
19 seeks. A person may file for and occupy more than one office, but he may not
20 serve simultaneously as borough mayor and as a member of the borough assembly
21 or as mayor and as a member of the council of a home rule or first class
22 city. Petitions to nominate officers of a second class city must include the
23 signature and resident address of 10 voters in the area of the proposed
24 city. Petitions to nominate elected municipal officers must include the
25 signature and resident address of 50 voters in the area of the proposed
26 municipality, or that area of the proposed municipality from which the
27 officers are to be elected under the composition and apportionment set out
28 in the accepted incorporation petition.
29

1 (c) The lieutenant governor shall supervise the election in the
2 general manner prescribed by the Alaska Election Code (AS 15.05 - 15.60).
3 The state shall pay all election costs under (a) - (c) of this section.

4 (d) The initial elected municipal officials take office on the
5 first Monday following certification of their election.

6 (e) The initial elected borough assembly and city council members
7 shall determine by lot the length of their terms of office so that a pro-
8 portionate number of terms expire each year, resulting in staggered terms of
9 office for members subsequently elected.

10 Sec. 29.09.130. INTEGRATION OF SPECIAL DISTRICTS AND SERVICE AREAS.

11 Service areas in a newly incorporated borough or city shall be integrated
12 into the borough or city within two years after the date of incorporation.
13 On integration the borough or city succeeds to all the rights, powers,
14 duties, assets and liabilities of the service areas. After integration, the
15 borough assembly or city council may exercise within a former service area
16 all of the rights and powers exercised by the service area at the time of
17 integration, and may levy and collect special charges, taxes, or assessments
18 to amortize bonded indebtedness incurred by the service area or by a borough
19 or city as successor to the service area. Upon integration no less than all
20 property in the service area at the time of integration remains subject to
21 taxation to pay the principal of and interest on the bonds. The provisions
22 of this section apply to all organized boroughs whether incorporated or
23 organized before or after September 10, 1972.

24 Sec. 29.09.140. TRANSITION. (a) The powers and functions exercised by
25 home rule or general law cities and service areas which are succeeded to by
26 a newly incorporated borough or city are exercised by them until the new
27 borough or city assumes the powers and functions, which may not exceed two
28 years after the date of incorporation. Ordinances, rules, resolutions,
29 procedures, and orders in effect before the transfer remain in effect until
superseded by the action of the new borough or city.

1 (b) The borough or city shall give written notice of its assump-
2 tion of the powers, duties and other items enumerated in Secs. 130-140 of
3 this chapter, to the city, and service area concerned before the assumption.
4 Borough or city officials shall consult with the officials of the city and
5 service area concerned, and arrange an orderly transfer.

6 (c) After the incorporation of a new borough or city, no service
7 area within it may assume new bonded indebtedness, make any contract, or
8 transfer any assets without the consent of the assembly or council.

9 Sec. 29.09.150. CHALLENGE OF LEGALITY. No person may challenge the
10 formation of a municipality except within six months of the date of its
11 incorporation.

12 ARTICLE 03. TRANSITIONAL ASSISTANCE.

13 Sec. 29.09.180. ORGANIZATION GRANTS. (a) For the purpose of defraying
14 the cost of transition to borough or city government and in order to provide
15 for development and interim governmental operations, each borough and city
16 incorporated after January 1, 1968, or, in the case of a second class city,
17 incorporated or reclassified after January 1, 1968, other than a unified
18 municipality incorporated under the provisions of (AS 29.85), or a munici-
19 pality otherwise incorporated by consolidation, is entitled to an organization
20 grant equal to \$10 for every voter who voted in the borough or city incor-
21 poration election. However, each incorporated borough and each first class
22 city incorporated or established by reclassification outside an organized
23 borough is entitled to at least \$25,000.

24 (b) Within 30 days after the date of incorporation of a borough
25 or city after September 10, 1972, the Department of Community and Regional
26 Affairs shall determine the number of voters in the borough or city who
27 voted in the incorporation election.
28
29

1 (c) Within 30 days after the completion of its findings, or as
2 soon thereafter as money is appropriated to it for the purpose, the Depart-
3 ment of Community and Regional Affairs shall transmit to the borough or city
4 the total amount of money to which the borough or city is entitled.

CHAPTER 12. ALTERATION OF MUNICIPALITIES.

ARTICLE 1. CHANGE OF NAME.

Sec. 29.12.010. CHANGE OF MUNICIPAL NAME. (a) The governing body of a home rule or general law municipality may change the official municipal name by adopting an ordinance for the purpose and filing the ordinance with the office of the lieutenant governor. Upon receipt of a legally adopted ordinance ratified by the qualified voters voting on the question at a regular or special election, the lieutenant governor shall issue an appropriate order to the municipality changing its existing name. The name change shall become effective on a date fixed in the order and occurring within 45 days of receipt of the ordinance. A copy of the order shall be transmitted to the Department of Community and Regional Affairs.

(b) If an ordinance adopted under (a) of this section which results in an order changing the municipal name is subsequently repealed, the lieutenant governor shall issue a further order reinstating the former municipal name within 45 days of the date of the order, unless a different municipal name is adopted by ordinance and transmitted to the lieutenant governor for implementation as provided in (a) of this section.

(c) When a municipal name change takes effect by means of an order issued under (a) or (b) of this section, civil or criminal suits, applications, petitions, hearings and other proceedings to which the municipality is a party and pending at or brought after the date the name change takes effect shall proceed in the name of the municipality as changed by the order.

ARTICLE 2. ANNEXATION AND EXCLUSION.

Sec. 29.12.040. LOCAL BOUNDARY COMMISSION. (a) The Local Boundary Commission may consider any proposed local government boundary change. It may present proposed changes to the legislature during the first 10 days of any regular session. The change shall become effective 45 days after presen-

1 tation or at the end of the session, whichever is earlier, unless disap-
2 proved by a resolution concurred in by a majority of the members of each
3 house.

4 (b) In addition to the regulations governing annexation by local
5 action adopted under AS 44.19.260, the Local Boundary Commission shall,
6 within 90 days of September 10, 1972, establish procedures for annexation
7 and exclusion of territory by cities and boroughs by local action. The pro-
8 cedures established under this subsection shall include

9 (1) a provision requiring that a proposed annexation and
10 exclusion must be approved by a majority of the voters voting on the question
11 residing within the area proposed to be annexed or excluded;

12 (2) provisions that municipally-owned property adjoining the
13 municipality may be annexed by ordinance without voter approval; and

14 (3) provisions that an area adjoining the municipality may
15 be annexed by ordinance without an election if all property owners and
16 voters within the area petition the assembly or council.

17 (c) A boundary change effected under (a) of this section prevails
18 over a boundary change initiated by local action, without regard to priority
19 in time.

20 Sec. 29.12.050. ANNEXATION OF MILITARY RESERVATIONS. A military
21 reservation may be annexed to a city or borough in the same manner as pre-
22 scribed for any other territory under Sec. 040 of this chapter. If
23 a city within an organized borough annexes a military reservation under this
24 section, the territory encompassing the military reservation automatically
25 is annexed to the borough of which the city is a part.

26 ARTICLE 3. MERGER AND CONSOLIDATION.

27 Sec. 29.12.080. METHODS OF MERGER AND CONSOLIDATION. Two methods may
28 be used to initiate merger or consolidation of home rule and general law
29 municipalities:

1 (1) petition to the Local Boundary Commission under regulations
2 adopted by the commission, or

3 (2) the local option method specified in Secs. 090-160 of this
4 chapter .

5 Sec. 29.12.090. PETITION. (a) Residents of two or more municipalities
6 may file a merger or consolidation petition with the Department of Community
7 and Regional Affairs. The petition must be signed by a number of municipal
8 voters of each municipality equal to at least 25 percent of the number of
9 votes cast in its last regular election.

10 (b) The petition includes

11 (1) the name and class of each municipality;

12 (2) the name and class of the proposed municipality;

13 (3) the proposed composition and apportionment of the assem-
14 bly or council;

15 (4) maps, documents, and other information which show that
16 the proposed municipality meets the standards for municipal incorporation .

17 Sec. 29.12.100. REVIEW. The Department of Community and Regional
18 Affairs shall review a petition for content and signatures and shall return
19 a deficient petition for correction or completion.

20 Sec. 29.12.110. INVESTIGATION. If the petition contains the required
21 information and signatures, the Department of Community and Regional Affairs
22 shall investigate the proposal.

23 Sec. 29.12.120. REPORT AND HEARING. (a) The Department of Community
24 and Regional Affairs shall report its findings to the Local Boundary Commission
25 with its recommendations regarding the merger or consolidation.

26 (b) The Local Boundary Commission shall hold at least one public
27 hearing in each of the municipalities included in the merger or consolida-
28 tion petition, unless officials of the municipalities agree to a single
29 hearing.

1 Sec. 29.12.130. DECISION. If the Local Boundary Commission determines
2 that the proposed municipality fails to meet the standards for incorporation.
3 it shall reject the petition. If the commission determines that the proposed
4 municipality meets these standards, it shall accept the petition. If the
5 commission determines that the proposed boundaries or the composition and
6 apportionment of the assembly or council can be altered to meet the standards,
7 it may change the proposal and accept the petition. The decision may be
8 appealed under the Administrative Procedure Act (AS 44.62).

9 Sec. 29.12.140. ELECTION. (a) The Local Boundary Commission shall
10 immediately notify the lieutenant governor of its acceptance of a merger or
11 consolidation petition. Within 30 days after notification, the lieutenant
12 governor shall order an election within the area to be included in the new
13 municipality to determine whether the voters desire merger or consolidation.
14 The election is held not less than 30 nor more than 90 days after the election
15 order.

16 (b) A voter who is a resident of the area to be included within
17 the proposed municipality may vote.

18 (c) The lieutenant governor shall supervise the election in the
19 general manner prescribed by the Alaska Election Code (AS 15.05 -15.60).
20 The state shall pay all election costs.

21 (d) The lieutenant governor shall certify the election results.
22 If merger or consolidation is approved, he shall, within 10 days, set a date
23 for election of officers of the new municipality under AS 29.09.120. The
24 election date is not less than 60 nor more than 90 days after the election
25 order. This date is the effective date for the merger or consolidation.

26 Sec. 29.12.150. ASSETS AND LIABILITIES. (a) When two or more munici-
27 palities merge, one municipality succeeds to the rights, powers, duties,
28 assets and liabilities of the others.
29

(b) When two or more municipalities consolidate, the newly incorporated municipality succeeds to the rights, powers, duties, assets and liabilities of the consolidated municipalities.

Sec. 29.12.160. ORDINANCES. The ordinances, resolutions, rules, regulations, procedures and orders of the former municipalities remain in force within their respective territories until superseded by the action of the successor municipality.

ARTICLE 4. UNIFICATION OF LOCAL GOVERNMENTS.

Sec. 29.12.190. UNIFICATION OF LOCAL GOVERNMENTS AUTHORIZED. An organized borough and all cities within the borough may unite to form a single unit of home rule local government by complying with this chapter.

14 immediately returned to the person who initiated the petition with a statement
15 indicating which requirements have not been satisfied.

16 Sec. 29.12.230 CALL FOR CHARTER COMMISSION NOMINATIONS. Once it is
17 determined by the borough assembly that a petition meets the requirements of
18 Sec. 200 of this chapter, or the assembly by its resolution proposes an

20 commission shall elect from among its members a chairman and a deputy chairman.

21 (b) A majority of the total membership of the charter commission
22 constitutes a quorum. No decision of the commission is valid or binding
23 unless approved by that number of members necessary to constitute a quorum.

25 outside all first class and home rule cities and a majority of the votes

20 in accordance with the charter.

21 Sec. 29.12.360. ASSETS AND LIABILITIES. A municipality created by
22 unification shall succeed to all the assets and liabilities of the local

26 ordinance if the governing body determines that the asset for which the
27 bonded indebtedness or other debt was incurred was used for the benefit of
28 the larger area before unification, or is so used after unification.
29 However, preunification bonded indebtedness or other debt for sewage col-

1 lection systems, water distribution systems, and streets, even if determined
2 to be used for the benefit of a larger area than that which incurred the

13 municipality meets the standards for dissolution.

15 section, a municipality may petition for dissolution when

16 (1) it is free of debt, or if in debt, each of its creditors
17 is satisfied with a method of repayment; and

18 (2) either it no longer meets the minimum standards prescribed
19 for incorporation by ch. 09 of this title, or it ceases to use each and
20 every one of its mandatory powers.

21 (b) A home rule or general law city in a borough may petition for
22 dissolution if the borough consents to assume the city's rights, powers,

ARTICLE 1. CHARTERS.

* Sec. 29.15.010. MUNICIPAL CHARTER ADOPTION. A first or second class municipality may adopt a charter for its own government. A home rule municipality may amend its charter or adopt a new one. A charter is framed by a charter commission of seven members chosen by the municipal voters at a regular or special election. A candidate for the commission shall be a qualified voter of the municipality and a resident of the municipality for three years immediately preceding the election. A charter commission election is called by filing a petition with the borough assembly or the city council, or by resolution of the borough assembly or city council. The petition shall be signed by a number of municipal voters equal to 15 percent of the votes cast in the last regular election of the municipality.

Sec 29.15.020. NOMINATION. (a) Charter commission candidates are nominated by petitions signed by 50 voters or the number of qualified municipal voters equal to 10 percent of the number of votes cast in the last regular election, whichever is less.

**** (b) A nomination petition shall be filed with the borough or city clerk on or before a date to be fixed by the borough assembly or council. If at least seven nominations for qualified charter commission candidates are not filed, the petition or resolution calling for a charter commission is void and no election on the question shall be held.

Sec. 29.15.030. ELECTION. At the charter commission election the voters shall consider the question "Shall a charter commission be elected to frame a proposed new charter?" and shall select the members of the commission. If the question is approved, the seven candidates receiving the highest number of votes shall immediately organize as a charter commission.

Sec. 29.15.040. PREPARATION OF CHARTER. The charter commission shall, within one year, prepare a municipal charter. The proposed charter shall be

1 signed by a majority of the charter commissioners and filed in the office of

10 shall provide procedures for initiative and referendum.

11 (b) A charter may not require an initiative or referendum petition
12 to have a number of signatures greater than 25 percent of the total votes
13 cast at the last regular municipal election.

14 (c) A charter may not permit the initiative and referendum to be
15 used for a purpose prohibited by Sec. 7, art. XI of the state constitution.

16 Sec. 29.15.060. CHARTER ELECTION. The charter shall be submitted to
17 the municipal voters at a regular or special election held not less than 30
18 days nor more than 90 days from the publication of the charter.

19 Sec. 29.15.070. CHARTER ADOPTION. (a) If a majority of those voting
20 on the question favor the proposed charter, it becomes the organic law of
21 the municipality. Thereafter, the court shall take judicial notice of the
22 charter. The municipality shall file the indicated number of copies of the
23 charter with the

- 24 (1) lieutenant governor - two copies;
25 (2) Department of Community and Regional Affairs - two
26 copies;
27 (3) district recorder - one copy;
28 (4) municipal clerk - one copy.
29

(b) If a proposed charter is rejected, the charter commission shall prepare another proposed charter to be submitted to the voters at a regular or special election to be held within one year after the date of the first charter election. If the second proposed charter is also rejected, the charter commission shall be dissolved and the question of adoption of a charter shall be treated as if it had never been proposed or approved.

* Sec. 29.15.080. CHARTER AMENDMENT. A municipal charter may be amended as provided in the charter except that no amendment shall be effective unless ratified by the voters.

Sec. 29.21.030. CITY COUNCIL. (a) Until council members elected by the residents of the capital city take office as provided in AS 29.21.060 the council of the capital city shall have five members, four of whom shall be appointed by the governor and shall serve at the pleasure of the governor. The development corporation shall designate one person to serve as a member of the council. The council members appointed by the governor or designated by the development corporation shall serve an initial term which expires on the Monday following the first Tuesday in October of the calendar year following the calendar year of initial appointment or designation. Council members may be reappointed by the governor or redesignated by the development corporation. Except as provided in AS 29.21.160 the successors of the initial appointees and designee shall serve for a term of two years commencing on the date the initial appointments and designation expire. Each appointee and designee shall hold office for the term of his appointment and until his successor has been appointed or designated and has qualified.

(b) Council members appointed by the governor or designated by the development corporation need not be residents of the capital city.

(c) The council shall elect a chairman from among its membership. The chairman presides at council meetings, determines the agenda for council meetings, and carries out the other duties specified by ordinance.

Sec. 29.21.040. FILLING A VACANCY. If a vacancy occurs among the members appointed by the governor, the governor shall designate the replacement who shall serve for the unexpired portion of the term.

1 Sec. 29.21.050. APPOINTMENT OF CITY OFFICIALS. Until a mayor is
2 elected in accordance with AS 29.21.060, the council shall appoint a city
3 manager for the capital city to serve at the pleasure of the council. The

5 Sec. 29.21.060. TRANSITION. (a) When the capital city attains a
6 population of 400 permanent residents, as certified by the lieutenant governor
7 based on the best information available, the lieutenant governor shall
8 notify the council of this determination. The lieutenant governor shall
9 specify an election date which shall be the first Tuesday of October following
10 the notification, except that if it is less than six months from the date of
11 the certification to the first Tuesday of October then the election date
12 shall be the first Tuesday of October of the year following. The elected
13 members shall take office on the Monday following the election.

12 integral parts of the capital city infrastructure. Before January 1, 1985,
13 the development corporation and the council of the capital city shall jointly
14 retain independent consultants to study and determine an orderly schedule
15 for transfer of these utilities and facilities to the capital city. The
16 study shall consider the capabilities of the capital city and its existing
17 and anticipated residents to finance the cost of these utilities and other
18 facilities and their operating expenses. The consultants shall propose a
19 recommended schedule for and terms of transfer which are commensurate with
20 the capital city's existing and anticipated population, tax base and any
21 other factors relating to its capability to finance and operate these
22 facilities as they consider appropriate. The development corporation shall,
23 after considering the consultants' report, propose a schedule of and terms
24 and conditions of the transfer to the capital city, which shall, upon review
25 and approval by the council, be included in an agreement between the
26 development corporation and the capital city. If the development corporation
27 and the capital city are unable to agree within six months after the

1 which shall consider the proposal, and if the committee considers it approp-
2 riate to do so, shall recommend to the legislature legislation it considers
3 desirable for the disposition of the utilities and other facilities. If the
4 legislature does not enact legislation regarding the disposition within one

12 Sec. 29.24.080. ASSEMBLY RECOMPOSITION AND REAPPORTIONMENT. (a) Not
13 later than two months after the official report of a federal decennial
14 census, the borough assembly shall determine and declare by resolution
15 whether the existing apportionment of the borough assembly meets the standards
16 of AS 29.24.060. If the borough assembly submits to the voters a form of
17 representation which includes election of borough assembly members under
18 AS 29.24.070(b)(2) or (b)(3) the assembly shall submit with the proposition
19 of a proposed plan of apportionment which corresponds to the form of represen-
20 tation proposed. The assembly shall describe the plan of apportionment in
21 the ballot proposition, and may present the plan in any manner which it
22 believes accurately describes the apportionment which is proposed under the
23 form of representation. If the borough assembly determines that its existing
24 apportionment meets the standards of AS 29.24.060 the assembly may include
25 the existing apportionment as a proposed plan of apportionment of assembly
26 seats which corresponds to a form of representation which is proposed.

27 (b) The borough assembly shall provide, by ordinance, for a
28 change in an existing apportionment of the borough assembly whenever it
29 determines that the apportionment does not meet the standards of AS 29.24.060.

1 (d) The borough assembly shall, within 30 days of certification
2 of the results of the election held on a proposed form of representation
3 under this section, adopt an ordinance providing for its composition and the
4 form of assembly representation, and, if applicable, the apportionment of
5 assembly seats which corresponds to the proposed form of representation
6 which received the most votes at the election.

7 (e) This section does not apply

8 (1) to a unified municipality incorporated under AS 29.12.190
9 - 29.12.390

10 (2) to a home rule borough if the borough charter contains
11 procedures for changing assembly composition and form of representation.

12 Sec. 29.24.080. ASSEMBLY RECOMPOSITION AND REAPPORTIONMENT. (a) Not
13 later than two months after the official report of a federal decennial
14 census, the borough assembly shall determine and declare by resolution
15 whether the existing apportionment of the borough assembly meets the standards
16 of AS 29.24.060. If the borough assembly submits to the voters a form of
17 representation which includes election of borough assembly members under
18 AS 29.24.070(b)(2) or (b)(3) the assembly shall submit with the proposition
19 of a proposed plan of apportionment which corresponds to the form of represen-
20 tation proposed. The assembly shall describe the plan of apportionment in
21 the ballot proposition, and may present the plan in any manner which it
22 believes accurately describes the apportionment which is proposed under the
23 form of representation. If the borough assembly determines that its existing
24 apportionment meets the standards of AS 29.24.060 the assembly may include
25 the existing apportionment as a proposed plan of apportionment of assembly
26 seats which corresponds to a form of representation which is proposed.

27 (b) The borough assembly shall provide, by ordinance, for a
28 change in an existing apportionment of the borough assembly whenever it
29 determines that the apportionment does not meet the standards of AS 29.24.060.

1 At the same time, the borough assembly may, by ordinance, change the com-
2 position of the assembly.

3 (c) If a petition signed by not less than 50 registered voters who
4 are residents of the borough request the borough assembly to determine
5 whether the existing apportionment meets the standards for apportionment in
6 AS 29.24.060, and the petition contains evidence that the existing apportion-
7 ment does not meet those standards, the assembly may make the determination
8 requested. The borough assembly shall make a determination required by this
9 subsection within two months of receipt of a petition which meets the require-
10 ments of this subsection.

11 (d) An ordinance adopted by the assembly under (b) or (c) of this
12 section shall be submitted to the voters for approval. In order for the
13 ordinance to be approved it must receive the approval of a majority of the
14 votes cast.

15 (e) Within six months of a determination by the borough assembly
16 under (b) or (c) of this section that the current apportionment does not
17 meet the standards of AS 29.24.060 the borough assembly shall adopt an
18 ordinance providing for reapportionment, and submit the ordinance to the
19 voters. If, at the end of the six-month time period, an ordinance providing
20 for reapportionment has not been approved by the voters, the commissioner of
21 the Department of Community and Regional Affairs shall provide for the
22 reapportionment in accordance with the standards of AS 29.24.060 by preparing
23 an order of reapportionment and delivering the order to the borough mayor.

24 Sec. 29.24.090. APPORTIONMENT APPEALS. (a) A reapportionment ordinance
25 approved by the voters, or a decision of the borough assembly that the
26 standards of AS 29.24.060 do not require a change in apportionment, may be
27 appealed to the commissioner of the Department of Community and Regional
28 Affairs. Fifty registered voters who are residents of the borough may
29 submit a petition to the commissioner of community and regional affairs

1 requesting the commissioner to determine whether the proposed reappor-
2 tionment ordinance approved by the voters meets the standards of AS 29.24.060
3 or whether a decision of the borough assembly that the standards of AS
4 29.24.060 do not require a change of apportionment is correct. If the
5 petition asks the commissioner of community and regional affairs to review
6 an ordinance approved by the voters under AS 29.24.080(e), the petition
7 shall be delivered to the commissioner not later than 20 days after certifica-
8 tion of the election. If the petition asks the commissioner of community
9 and regional affairs to review a decision of the borough assembly under AS
10 29.24.080(c), the petition shall be delivered to the commissioner within 20
11 days of the decision of the borough assembly.

12 (b) The commissioner of community and regional affairs shall
13 review the petition and may make the determination requested. The commis-
14 sioner shall provide copies of his determination to the persons petitioning
15 for appeal and to borough officials not later than 60 days after he receives
16 the petition.

17 (c) If the commissioner of community and regional affairs deter-
18 mines that the proposed reapportionment ordinance approved by the voters
19 does not meet the standards of AS 29.24.060, or if he determines that the
20 decision of the borough assembly that the standards of AS 29.24.060 do not
21 require a change of apportionment is not correct, the commissioner shall, by
22 order, direct the borough assembly to prepare a reapportionment ordinance
23 which meets the standards of AS 29.24.060 and submit the ordinance to the
24 voters.

25 (d) When the borough assembly has been directed by the commis-
26 sioner of community and regional affairs to prepare a reapportionment
27 ordinance under (c) of this section, the borough assembly shall, within two
28 months of its receipt of the commissioner's order, adopt an ordinance
29 providing for reapportionment. The borough assembly shall submit an

1 ordinance adopted under this subsection to the voters at a regular election
2 or special election held within 60 days of the date of adoption of the
3 reapportionment ordinance.

4 (e) If at the end of the time period provided under (d) of this
5 section an ordinance providing for reapportionment has not been approved by
6 the voters, the commissioner of community and regional affairs shall provide
7 for the reapportionment of the borough assembly in accordance with the
8 standards of AS 29.24.060 by preparing an order of reapportionment and
9 delivering the order to the borough mayor.

10 Sec. 29.24.100. JUDICIAL REVIEW AND RELIEF. (a) The commissioner of
11 community and regional affairs may request the superior court to enforce a
