18 ~~Sec. 29.24.060.~~ Sec. 29.24.060. ASSEMBLY COMPOSITION AND APPORTIONMENT. [Effective
 19 January 1, 1981].

20 (a) Assembly composition and apportionment shall be consistent
 21 with the equal representation standards of the Constitution of the United
 22 States.

23 (b) The assembly of a newly incorporated borough is, after incor-
 24 poration and until the adoption of an ordinance providing for a change in
 25 composition or apportionment, composed of the number of members and appor-
 26 tioned as set out in the incorporation petition approved by the voters. If
 27 the borough is already incorporated, the assembly shall be composed and
 28 apportioned in a manner that is consistent with the requirements of this
 29 section and prescribed by charter or ordinance.

1 (c) An assembly may not provide for weighted voting.

2 (d) A member of the assembly of a borough may not be elected or
3 appointed by and from the council of a city in the borough.

4 Sec.29.24.070. COMPOSITION AND FORM OF REPRESENTATION. (a) The
5 borough assembly shall provide for its composition and for the form of its
6 representation.

7 (b) Not later than the first regular election which occurs after
8 the report of a federal decennial census, the assembly shall propose and
9 submit to the voters of the borough, at that regular election or at a special
10 election called for the purpose, one or more forms of borough assembly
11 representation. The forms of representation which the assembly may submit
12 to the voters are:

13 (1) election of members of the borough assembly at large by
14 the qualified voters throughout the borough;

15 (2) election of members of the borough assembly by district,
16 including

17 (A) election at large by the qualified voters throughout
18 the borough, but with a requirement that a candidate live within
19 an election district established by the borough for election of

29 as required by AS 29.24.080.

1 (d) The borough assembly shall, within 30 days of certification
 2 of the results of the election held on a proposed form of representation
 3 under this section, adopt an ordinance providing for its composition and the
 4 form of assembly representation, and, if applicable, the apportionment of
 5 assembly seats which corresponds to the proposed form of representation
 6 which received the most votes at the election.

7 (e) This section does not apply

8 (1) to a unified municipality incorporated under AS 29.12.190

9 - 29.12.390

10 (2) to a home rule borough if the borough charter contains
 11 procedures for changing assembly composition and form of representation.

12 Sec. 29.24.080. ASSEMBLY RECOMPOSITION AND REAPPORTIONMENT. (a) Not
 13 later than two months after the official report of a federal decennial
 14 census, the borough assembly shall determine and declare by resolution
 15 whether the existing apportionment of the borough assembly meets the standards
 16 of AS 29.24.060. If the borough assembly submits to the voters a form of
 17 representation which includes election of borough assembly members under
 18 AS 29.24.070(b)(2) or (b)(3) the assembly shall submit with the proposition
 19 of a proposed plan of apportionment which corresponds to the form of represen-
 20 tation proposed. The assembly shall describe the plan of apportionment in
 21 the ballot proposition, and may present the plan in any manner which it
 22 believes accurately describes the apportionment which is proposed under the
 23 form of representation. If the borough assembly determines that its existing
 24 apportionment meets the standards of AS 29.24.060 the assembly may include
 25 the existing apportionment as a proposed plan of apportionment of assembly
 26 seats which corresponds to a form of representation which is proposed.

27 (b) The borough assembly shall provide, by ordinance, for a
 28 change in an existing apportionment of the borough assembly whenever it
 29 determines that the apportionment does not meet the standards of AS 29.24.060.

1 At the same time, the borough assembly may, by ordinance, change the com-
2 position of the assembly.

3 (c) If a petition signed by not less than 50 registered voters who
4 are residents of the borough request the borough assembly to determine
5 whether the existing apportionment meets the standards for apportionment in
6 AS 29.24.060, and the petition contains evidence that the existing apportion-
7 ment does not meet those standards, the assembly may make the determination
8 requested. The borough assembly shall make a determination required by this
9 subsection within two months of receipt of a petition which meets the require-
10 ments of this subsection.

11 (d) An ordinance adopted by the assembly under (b) or (c) of this
12 section shall be submitted to the voters for approval. In order for the
13 ordinance to be approved it must receive the approval of a majority of the
14 votes cast.

15 (e) Within six months of a determination by the borough assembly
16 under (b) or (c) of this section that the current apportionment does not
17 meet the standards of AS 29.24.060 the borough assembly shall adopt an
18 ordinance providing for reapportionment, and submit the ordinance to the
19 voters. If, at the end of the six-month time period, an ordinance providing
20 for reapportionment has not been approved by the voters, the commissioner of
21 the Department of Community and Regional Affairs shall provide for the
22 reapportionment in accordance with the standards of AS 29.24.060 by preparing
23 an order of reapportionment and delivering the order to the borough mayor.

24 Sec. 29.24.090. APPORTIONMENT APPEALS. (a) A reapportionment ordinance
25 approved by the voters, or a decision of the borough assembly that the
26 standards of AS 29.24.060 do not require a change in apportionment, may be
27 appealed to the commissioner of the Department of Community and Regional
28 Affairs. Fifty registered voters who are residents of the borough may
29 submit a petition to the commissioner of community and regional affairs

1 requesting the commissioner to determine whether the proposed reapportionment ordinance approved by the voters meets the standards of AS 29.24.060
2 or whether a decision of the borough assembly that the standards of AS
3 29.24.060 do not require a change of apportionment is correct. If the
4 petition asks the commissioner of community and regional affairs to review
5 an ordinance approved by the voters under AS 29.24.080(e), the petition
6 shall be delivered to the commissioner not later than 20 days after certification
7 of the election. If the petition asks the commissioner of community
8 and regional affairs to review a decision of the borough assembly under AS
9 29.24.080(c), the petition shall be delivered to the commissioner within 20
10 days of the decision of the borough assembly.
11

12 (b) The commissioner of community and regional affairs shall
13 review the petition and may make the determination requested. The commissioner shall provide copies of his determination to the persons petitioning
14 for appeal and to borough officials not later than 60 days after he receives
15 the petition.
16

17 (c) If the commissioner of community and regional affairs determines that the proposed reapportionment ordinance approved by the voters
18 does not meet the standards of AS 29.24.060, or if he determines that the
19 decision of the borough assembly that the standards of AS 29.24.060 do not
20 require a change of apportionment is not correct, the commissioner shall, by
21 order, direct the borough assembly to prepare a reapportionment ordinance
22 which meets the standards of AS 29.24.060 and submit the ordinance to the
23 voters.
24

25 (d) When the borough assembly has been directed by the commissioner of community and regional affairs to prepare a reapportionment
26 ordinance under (c) of this section, the borough assembly shall, within two
27 months of its receipt of the commissioner's order, adopt an ordinance
28 providing for reapportionment. The borough assembly shall submit an
29

1 ordinance adopted under this subsection to the voters at a regular election
 2 or special election held within 60 days of the date of adoption of the
 3 reapportionment ordinance.

4 (e) If at the end of the time period provided under (d) of this
 5 section an ordinance providing for reapportionment has not been approved by
 6 the voters, the commissioner of community and regional affairs shall provide
 7 for the reapportionment of the borough assembly in accordance with the
 8 standards of AS 29.24.060 by preparing an order of reapportionment and
 9 delivering the order to the borough mayor.

10 Sec. 29.24.100. JUDICIAL REVIEW AND RELIEF. (a) The commissioner of
 11 community and regional affairs may request the superior court to enforce a

3 (2) the delivery to the mayor of a reapportionment order of
4 the commissioner of community and regional affairs under AS 29.24.090(d).

5 (b) The provisions of (a) of this section do not apply to a
6 borough in which a change in assembly composition or apportionment is subject
7 to review and approval or determination of nonobjection by the Attorney
8 General of the United States under the Voting Rights Act of 1965, as amended,
9 (42 U.S.C. 1971 - 1974). A change in assembly composition or apportionment

Sec. 29.24.050. GENERAL LEGISLATIVE POWER. The legislative power of a borough is vested in the assembly. The legislative power of a city is vested in the council.

EXPLANATION: The second sentence is added. Rather than dealing with assemblies in one article and councils in another, this article will deal with both legislative bodies. No substantive change.

Sec. 29.24.125. CITY COUNCIL COMPOSITION. Each first class city has a council of six members elected by the voters at large. Each second class city has a council of seven members elected by the voters at large. The council of a first or second class city may by ordinance provide for election of members other than on an at-large basis for all members.

EXPLANATION: This section contains material now found in AS 29.23.200(a). The material currently in (b) has been moved to the section on qualifications. No substantive change.

DRAFTED CHANGES RECOMMENDED BY TECHNICAL COMMITTEE - 10 OCTOBER 1980

Sec. 29.24.140. QUALIFICATIONS. (a) A borough voter is eligible to be a member of the assembly and a city voter is eligible to be a member of the council. A member of the assembly who ceases to be a qualified borough voter ^{immediately} forfeits his office. A member of the council who ceases to be a qualified city voter ^{immediately} forfeits his office. ^{ordinance}

(b) A ~~legislative~~ ^{governing} body may by ordinance establish a durational residency requirement for its members not to exceed three years.

(c) An assembly or council member who represents an area less than that of the total borough or city and who becomes a resident of another area within the municipality may continue to serve until the next regular election unless provided otherwise by ordinance.

(d) A municipality may by ordinance establish district residency requirements for members of its ~~legislative~~ ^{governing} body.

EXPLANATION: The qualification for members of the council or assembly are combined since they are identical. Subsection (c) has been altered to allow a municipality the flexibility of providing otherwise by ordinance. Subsection (d) has been added to allow a municipality to impose additional district residency requirements.

DRAFTED CHANGES RECOMMENDED BY TECHNICAL COMMITTEE - 10 OCTOBER 1980

Sec. 29.24.145. TERM OF OFFICE. (a) Assembly and council members are elected for three year terms and until their successors have qualified unless different terms ^{not exceeding four years} are prescribed by charter or ordinance.

(b) Except when otherwise required by a change in ^{governing} composition or apportionment, if the term of a member of a ~~legislative~~ body is changed by charter or ordinance the term of an official holding office at the time the change becomes effective is not affected.

(c) The regular term of office begins on the first Monday following certification of the election, unless a different date is prescribed by charter or ordinance.

EXPLANATION: The term of both assembly and council members is combined into one section. ~~Under existing law different terms not exceeding four years may be prescribed. The four year maximum has been eliminated for greater flexibility.~~ The section is no longer mandatory for home rule municipalities.

Sec. 29.24.150. PROCEDURES OF ^{GOVERNING} LEGISLATIVE BODIES. (a) The assembly shall elect from among its members a presiding officer and a deputy presiding officer to serve at the pleasure of the members, except that in a borough which has adopted the manager form of government under AS 29.24.550, the mayor serves as presiding officer. In a city the mayor serves as presiding officer. If the presiding officer is not present or disqualifies himself, the deputy presiding officer shall preside.

(b) A municipal ~~legislative~~ ^{governing} body shall hold at least one regular meeting every month, unless otherwise provided by ordinance. A special meeting may be held at the call of the presiding officer or at least one-third of the members provided a majority of the members are given at least 24 hours oral or written notice and reasonable efforts are made to notify all members. A special meeting may be conducted with less than 24 hours notice if all members are present or if absent members have waived in writing the required notice. Waiver of notice can be made before or after the special meeting is held. A waiver shall be made a part of the journal for the meeting.

(c) A majority of the total membership of a ~~legislative~~ ^{governing} body authorized by law shall constitute a quorum. A member disqualified by law from voting on a question may be considered present for purposes of constituting a quorum. In the absence of a quorum, any number of members may recess or adjourn the meeting to a later date.

(d) Actions of a ~~legislative~~ ^{governing} body are adopted by a majority of ^{the members of the body} ~~members authorized to vote on the question~~. All members present shall vote on every question unless they are required to abstain from voting on a question by law. The final vote on every ordinance, resolution or substantive motion shall be recorded "yes" or "no", except that if the vote is unanimous it is necessary only to so state.

(e) A ~~legislative~~ ^{governing} body shall maintain a journal of its official proceedings which shall be a public record.

(f) A ~~legislative~~ ^{governing} body may, consistent with law or charter, determine by ordinance its own rules of procedure and order of business.

Sec. 29.24.150.

EXPLANATION: Combines the procedures to be followed by both assemblies and councils. Allows a special meeting to be held if a majority of members receive actual notice whereas existing law allows for a meeting only if all members receive notice and if an emergency exists. Reference to the fact that meetings are public is deleted because that requirement is contained in AS 29.24.020. A requirement that the journal maintained by the legislative body be public was added in (e). The material concerned with the expulsion of members for committing a corrupt practice was moved to AS 29.23.070.

EXPLANATION: This section contains material currently found in AS 29.23.130(a), AS 29.23.260, and AS 29.23.160. No substantive change.

(1) fails to qualify or take office within 30 days after his election or appointment;

(2) ~~unless excused by the assembly or council~~, is ^{physically} absent for 90 days; ^{consecutive}

(3) resigns and his resignation is accepted;

(c) ^{Now} ~~In~~ a second class city, the office of mayor is filled by and from the council, ~~and retains his seat in the municipality.~~

(B) No longer physically resides in the municipality.

EXPLANATION: This section is enlarged to deal with a vacancy occurring in the office of city as well as borough mayor. Allows the legislative body to establish the manner in which a vacancy occurs in the office of mayor and supplies situations which may result in vacancy if the body does not provide an alternative.

Sec. 29.24.420. SCHOOL BOARDS. ^{(a) municipal} Each ~~borough and city~~ school district has a school board. ~~Members~~ are elected at the regular election held annually on the first Tuesday of October, unless a different election date or interval of years is provided by ordinance. Members are elected for three-year terms and until their successors take office. ~~All board members are elected at large.~~ *unless a different method of election has been approved by the voters in a regular election.*

EXPLANATION; The provision that school zones may be established as provided by Sec. 100 is deleted. AS 29.23.100 was repealed in 1972.

- ① ~~The number of members shall be determined by ordinance subject to voter approval.~~
- ② ~~The election of board members shall be the same as provided by members of the governing body unless provided otherwise by ordinance ratified by the voters.~~

Sec. 29.24.430. OTHER BOARDS AND COMMISSIONS. (a) The ~~assembly or council of a municipality~~ may, by ordinance, establish advisory, administrative, technical, or quasi-judicial boards and commissions.

(b) Members of boards and commissions, except for members of the board of adjustment and assembly members serving on the board of equalization, are appointed by the mayor and confirmed by the ~~assembly or council~~.

EXPLANATION: This is a new section authorizing the assembly or council to establish boards and commissions.

Sec. 29.24.480. APPOINTMENT OF OFFICERS. Unless otherwise provided by ordinance, the municipal clerk, attorney, treasurer, and police chief are appointed by the chief administrative officer. Unless otherwise provided by ordinance, officers described in this section serve at the pleasure of their appointing authority and, if appointed by the chief administrative officer, must be confirmed by the governing body.

EXPLANATION: This section has been technically redrafted. The only substantive change is that the confirmation of officers appointed by the administrator is not required if an ordinance is adopted directing otherwise. This section determines a method of appointment if none is provided by ordinance.

Sec. 29.24.510. MUNICIPAL TREASURER. (a) Except as provided in AS 14.14.060, the treasurer is the custodian of all municipal funds. He shall keep an itemized account of money received and disbursed. He shall pay money on vouchers drawn against appropriations.

(b) The treasurer shall give bond to the municipality in a sum which the ~~assembly or council~~ directs.

EXPLANATION: Reference to 14.14.060 is added since that section demands that the custodian of a centralized treasury containing school money be the borough administrator.

Sec. 29.24.160. ✓ DEPARTMENTS. Repeal.

Sec. 29.24.515. DEPARTMENTS. (a) The governing body of a municipality may establish departments and distribute functions among them.

(b) Each department is administered by a department head. With the consent of the governing body, the mayor may serve as head of one or more departments or a single administrator may serve as head of two or more departments.

EXPLANATION: This new section is virtually identical to AS 29.24.160 except that stylistic changes apply this section to both cities and boroughs.

Sec. 29.24.570. ELECTION. Upon receipt of the petition or upon its own motion, the ~~assembly or council~~ shall provide by ordinance or resolution for a vote on the question at the next regular or special election.

EXPLANATION: Last line of existing section deleted due to possible confusion over notice requirements for elections contained in other sections which conflict.

DRAFTED CHANGES RECOMMENDED BY THE TECHNICAL COMMITTEE
06 December 1980

Sec. 29.24.690. PERSONNEL SYSTEM. Repeal

Sec. 29.24.530. PERSONNEL SYSTEM. (a) Except as provided by (b) of this section, all appointments and promotions of municipal employees are made on the basis of merit. The ~~assembly or council~~ may provide for a personnel system and classified service.

(b) By ordinance the governing body may designate positions which are wholly or partially exempt from the classified service filled by persons who serve at the pleasure of their appointing authority and whose terms of employment are determined by their appointing authority.

EXPLANATION: Subsection (a) is essentially the same as the existing provisions of AS 29.24.690 except that officers are no longer required to be appointed on the basis of merit. Subsection (b) is new; this subsection allows the governing body to designate certain positions as executive positions and exempt persons occupying those positions from the classified service. This addition would allow municipalities to enact so called "executive plans" governing the wages, hours, and other terms and conditions of employment of high level executive employees.

Sec. 29.24.450. APPOINTMENT. The ~~assembly~~ ^{assembly or council} shall appoint a manager by a majority vote of its membership. He is chosen ~~solely~~ on the basis of his ~~executive and~~ administrative qualifications and receives the compensation set by the ~~assembly or council~~. An elected municipal official may not be appointed manager of the municipality sooner than one year after leaving office, except that, by a vote of three-fourths of its authorized membership, the ~~assembly or council~~ may at any time appoint one of its members or other elected municipal official as manager.

EXPLANATION: The word "officials" in the last line is changed to "official" so that it is clear that a committee of officials may not serve as manager.

DRAFTED CHANGES RECOMMENDED BY THE TECHNICAL COMMITTEE
06 December 1980

Sec. 29.24.620. REPEAL. A municipality may repeal the manager plan in the same manner used for its adoption. Within 60 days after repeal, the ~~assembly or council~~ shall enact provisions for the reorganization of the municipal executive and administrative functions.

EXPLANATION: To allow for notice, 60 days is added. Otherwise this section may not comply with notice requirements for ordinances.

Sec. 29.24.390. POWERS AND DUTIES OF A CITY MANAGER.
Repeal.

Sec 29.24.630. POWERS AND DUTIES OF A MANAGER. As chief
administrative officer the manager shall

(1) appoint, ^{or suspend or remove} municipal employees and administrative
officers, except as provided otherwise in this title and AS
14.14.065; he may hire necessary administrative assistants and
may authorize an administrative officer to appoint, suspend, or
remove subordinates;

(2) supervise the enforcement of municipal law
and carry out the directives of the governing body;

(3) prepare and submit an annual budget and
capital improvement program for consideration by the governing
body and execute the budget and capital improvement program
adopted;

(4) make monthly financial reports and other
reports on municipal finances and operations ^{as} required by the
governing body;

(5) exercise care and custody over all real and
personal property of the municipality except as provided otherwise
in AS 29.36.040; and

(6) perform other duties required by law or by
action of the governing body. ^{and}

*(7) serve as personnel officer unless the governing
body authorize him to appoint a personnel officer.*

EXPLANATION: This new section is derived from AS 29.24.210
and 29.24.390 dealing with the duties of the borough administrator
and with the duties of the city manager. Provisions relating
to appointment and discipline of municipal employees have
been consolidated into paragraph (1). Paragraph (5) is
derived from AS 29.23.140 allowing the manager to exercise
care and custody over municipal property. A similar provision
does not appear now with reference to the city manager and
it is felt that this duty ought to apply. The language of
AS 29.23.140(c)(10) relating to construction, maintenance,
and operation of roads and public works is felt to be
adequately covered by paragraph (3) directing the manager to
execute the budget and capital improvement program.

Sec. 29.24.200 (e) Repeal.

Sec. 29.24.640. INTERGOVERNMENT APPOINTMENTS. A borough adopting a manager plan may, by agreement with a city, enter into a contract providing for the manager of a city located within the borough to serve also as borough manager. A city adopting a manager plan, may by agreement with a borough, enter into a contract providing for the manager of a borough within which the city is located to serve also as city manager. Appointment and service of the manager shall be as otherwise provided for managers in this chapter. Nothing in this subsection affects the authority of the ~~assembly or council~~ to provide for other dual officeholding if the dual offices held are compatible, or otherwise to appoint officers and employees in accordance with law.

EXPLANATION: This section is derived intact from AS 29.24.200(e).

DRAFTED CHANGES RECOMMENDED BY THE TECHNICAL COMMITTEE
06 December 1980

Sec. 29.24.670. SALARIES OF ELECTED OFFICERS. The ~~assembly~~ or council shall by ordinance provide a method of determining the salaries of elected officers. The salary of the mayor may not be reduced during his term of office unless during his term a manager plan is adopted. An elected officer may not receive any other compensation for service to the municipality unless otherwise provided by ordinance. Per diem payments or reimbursements for expenses are not compensation under this section.

EXPLANATION: This change allows a local government the flexibility of establishing a salary commission or other method of determining salaries. Allows the mayor's salary to be reduced to reflect the change in his duties if a manager form of government is adopted. Grants flexibility to a municipality to allow an officer to receive other compensation for service to the municipality. This is important in small communities where the mayor, for example, may be the only electrician in town.

Sec. 29.24.680. PROHIBITIONS. (a) Repeal.

(b) Repeal.

(c) No change. Remove last sentence, ~~etc with tee.~~

(d) No change.

EXPLANATION: (a) and (b) are deleted because other state and federal laws mandate nondiscrimination and those provisions may not be identical to (a), which could create confusion. For example, (a) does not cover age, handicaps, or marital status. (a) might also create constitutional problems if interpreted to forbid affirmative action programs.

4 municipality shall adopt a conflicts-of-interest ordinance which provides
5 that a member of a legislative body shall declare a substantial financial
6 interest he has in an official action and ask to be excused from a vote on
7 the matter. The presiding officer shall rule on the question. His decision
8 may be overridden by the majority vote of the governing body.

9 Sec. 29.24.020. MEETINGS PUBLIC. Meetings of all municipal bodies
10 shall be public as provided in AS 44.62.310. The assembly and council shall

24 poration and until the adoption of an ordinance providing for a change in
25 composition or apportionment, composed of the number of members and appor-
26 tioned as set out in the incorporation petition approved by the voters. If
27 the borough is already incorporated, the assembly shall be composed and

7 (b) Not later than the first regular election which occurs after
8 the report of a federal decennial census, the assembly shall propose and
9 submit to the voters of the borough, at that regular election or at a special
10 election called for the purpose, one or more forms of borough assembly
11 representation. The forms of representation which the assembly may submit
12 to the voters are:

13 (1) election of members of the borough assembly at large by
14 the qualified voters throughout the borough;

15 (2) election of members of the borough assembly by district,
16 including

27 election of borough assembly members under (b)(2) or (b)(3) of this section

1 (d) The borough assembly shall, within 30 days of certification
 2 of the results of the election held on a proposed form of representation
 3 under this section, adopt an ordinance providing for its composition and the
 4 form of assembly representation, and, if applicable, the apportionment of
 5 assembly seats which corresponds to the proposed form of representation
 6 which received the most votes at the election.

7 (e) This section does not apply

8 (1) to a unified municipality incorporated under AS 29.12.190

9 - 29.12.390

10 (2) to a home rule borough if the borough charter contains
 11 procedures for changing assembly composition and form of representation.

12 Sec. 29.24.080. ASSEMBLY RECOMPOSITION AND REAPPORTIONMENT. (a) Not
 13 later than two months after the official report of a federal decennial
 14 census, the borough assembly shall determine and declare by resolution
 15 whether the existing apportionment of the borough assembly meets the standards
 16 of AS 29.24.060. If the borough assembly submits to the voters a form of
 17 representation which includes election of borough assembly members under AS
 18 29.24.070(b)(2) or (b)(3) the assembly shall submit with the proposition of
 19 a proposed plan of apportionment which corresponds to the form of represen-
 20 tation proposed. The assembly shall describe the plan of apportionment in
 21 the ballot proposition, and may present the plan in any manner which it
 22 believes accurately describes the apportionment which is proposed under the
 23 form of representation. If the borough assembly determines that its existing
 24 apportionment meets the standards of AS 29.24.060 the assembly may include
 25 the existing apportionment as a proposed plan of apportionment of assembly
 26 seats which corresponds to a form of representation which is proposed.

27 (b) The borough assembly shall provide, by ordinance, for a
 28 change in an existing apportionment of the borough assembly whenever it
 29 determines that the apportionment does not meet the standards of AS 29.24.060.

1 At the same time, the borough assembly may, by ordinance, change the composition
2 of the assembly.

3 (c) If a petition signed by not less than 50 registered voters who
4 are residents of the borough request the borough assembly to determine
5 whether the existing apportionment meets the standards for apportionment in
6 AS 29.24.060 ~~(AS 29.23.021)~~, and the petition contains evidence that the
7 existing apportionment does not meet those standards, the assembly may make
8 the determination requested. The borough assembly shall make a determination
9 required by this subsection within two months of receipt of a petition which
10 meets the requirements of this subsection.

11 (d) An ordinance adopted by the assembly under (b) or (c) of this
12 section shall be submitted to the voters for approval. In order for the
13 ordinance to be approved it must receive the approval of a majority of the
14 votes cast.

15 (e) Within six months of a determination by the borough assembly
16 under (b) or (c) of this section that the current apportionment does not
17 meet the standards of AS 29.24.060 the borough assembly shall adopt an
18 ordinance providing for reapportionment, and submit the ordinance to the
19 voters. If, at the end of the six-month time period, an ordinance providing
20 for reapportionment has not been approved by the voters, the commissioner of
21 the Department of Community and Regional Affairs shall provide for the
22 reapportionment in accordance with the standards of AS 29.24.060 by preparing
23 an order of reapportionment and delivering the order to the borough mayor.

24 Sec. 29.24.090. APPORTIONMENT APPEALS. (a) A reapportionment ordinance
25 approved by the voters, or a decision of the borough assembly that the
26 standards of AS 29.24.060 do not require a change in apportionment, may be
27 appealed to the commissioner of the Department of Community and Regional
28 Affairs. Fifty registered voters who are residents of the borough may

1 requesting the commissioner to determine whether the proposed reapportionment
2 ordinance approved by the voters meets the standards of AS 29.24.060 or
3 whether a decision of the borough assembly that the standards of AS 29.24.060
4 do not require a change of apportionment is correct. If the petition asks
5 the commissioner of community and regional affairs to review an ordinance
6 approved by the voters under AS 29.24.080(e), the petition shall be delivered
7 to the commissioner not later than 20 days after certification of the election.
8 If the petition asks the commissioner of community and regional affairs to
9 review a decision of the borough assembly under AS 29.24.080(c), the petition
10 shall be delivered to the commissioner within 20 days of the decision of the
11 borough assembly.

12 (b) The commissioner of community and regional affairs shall
13 review the petition and may make the determination requested. The commissioner
14 shall provide copies of his determination to the persons petitioning for
15 appeal and to borough officials not later than 60 days after he receives the
16 petition.

17 (c) If the commissioner of community and regional affairs deter-
18 mines that the proposed reapportionment ordinance approved by the voters
19 does not meet the standards of AS 29.24.060, or if he determines that the
20 decision of the borough assembly that the standards of AS 29.24.060 do not
21 require a change of apportionment is not correct, the commissioner shall, by
22 order, direct the borough assembly to prepare a reapportionment ordinance
23 which meets the standards of AS 29.24.060 and submit the ordinance to the
24 voters.

25 (d) When the borough assembly has been directed by the commis-
26 sioner of community and regional affairs to prepare a reapportionment
27 ordinance under (c) of this section, the borough assembly shall, within two
28 months of its receipt of the commissioner's order, adopt an ordinance
29 providing for reapportionment. The borough assembly shall submit an

1 ordinance adopted under this subsection to the voters at a regular election
2 or special election held within 60 days of the date of adoption of the
3 reapportionment ordinance.

4 (e) If at the end of the time period provided under (d) of this
5 section an ordinance providing for reapportionment has not been approved by
6 the voters, the commissioner of community and regional affairs shall provide
7 for the reapportionment of the borough assembly in accordance with the
8 standards of AS 29.24.060 by preparing an order of reapportionment and
9 delivering the order to the borough mayor.

10 Sec. 29.24.100. JUDICIAL REVIEW AND RELIEF. (a) The commissioner of
11 community and regional affairs may request the superior court to enforce a
12 reapportionment order issued under AS 29.24.090(e).

13 (b) Each of the following is subject to judicial review:

- 14 (1) a plan of reapportionment approved by the voters under
15 AS 29.24.080(a);
- 16 (2) a determination by the borough assembly under AS 29.24.080
17 that the standards of AS 29.24.060 do not require a change in apportionment;
- 18 (3) a reapportionment ordinance approved by the voters under
19 AS 29.24.080(d);
- 20 (4) a reapportionment order of the commissioner of community
21 and regional affairs made under AS 29.24.090(c);
- 22 (5) a reapportionment ordinance approved by the voters under
23 AS 29.24.090(d); and
- 24 (6) a reapportionment order of the commissioner of community
25 and regional affairs made under AS 29.24.090(e);

26 Sec. 29.24.110 EFFECTIVE DATE OF APPORTIONMENT. (a) A change in
27 assembly apportionment or composition under AS 29.23.080 or AS 29.24.090 is
28 effective beginning with the first regular election for members of the
29 assembly which is held more than 60 days after the later of:

1 (1) approval of a reapportionment ordinance by the voters
2 under AS 29.24.080(a), AS 29.24.080(e), or AS 29.24.090(d); or

3 (2) the delivery to the mayor of a reapportionment order of
4 the commissioner of community and regional affairs under AS 29.24.090(d).

5 (b) The provisions of (a) of this section do not apply to a
6 borough in which a change in assembly composition or apportionment is subject
7 to review and approval or determination of nonobjection by the Attorney
8 General of the United States under the Voting Rights Act of 1965, as amended,
9 (42 U.S.C. 1971 - 1974). A change in assembly composition or apportionment
10 subject to review under the Voting Rights Act of 1965, as amended, is effective
11 beginning with the first regular election for members of the assembly which
12 is held more than 60 days after

13 (1) receipt by the borough assembly of approval by the
14 Attorney General of the United States of the proposed change in the composi-
15 tion or apportionment of the assembly; or

16 (2) the delivery to the mayor of a reapportionment order of
17 the commissioner of community and regional affairs under AS 29.24.090(e).

18 (3) the last day on which the Attorney General of the United
19 States may review a proposed change in the composition or apportionment of
20 the assembly.

21 Sec. 29.24.120. APPLICABILITY OF APPORTIONMENT PROVISIONS. The
22 provisions of AS 29.24.080-29.24.110 do not apply

23 (1) to a unified municipality incorporated under AS 29.12.190 -
24 29.12.390;

25 (2) to a home rule borough if the borough, by charter,
26 provides for reapportionment of the borough assembly.

27 ***Sec. 29.24.125. CITY COUNCIL COMPOSITION. Each first class city has a
28 council of six members elected by the voters at large. Each second class
29 city has a council of seven members elected by the voters at large. The

1 council of a first or second class city may by ordinance provide for election
2 of members other than on an at-large basis for all members.

3 Sec. 29.24.130. REGULAR TERM OF OFFICE. (a) Assemblymen are selected
4 for three-year terms and until their successors are selected and have qualified
5 unless different terms not exceeding four years are prescribed by borough
6 charter or ordinance. Except when otherwise required by a change of composition
7 or apportionment, if the term of an assemblyman is changed by charter or
8 ordinance, the term of an assemblyman holding office at the time the change
9 takes effect is not affected by that change.

10 (b) The regular term of office begins on the first Monday following
11 certification of the election, unless a different date is prescribed by
12 borough charter or ordinance.

13 (c) This section applies to home rule and general law boroughs.

14 ****Sec. 29.24.140 QUALIFICATIONS. (a) A borough voter is eligible to be
15 a member of the assembly and a city voter is eligible to be a member of the
16 council. A member of the assembly who ceases to be a qualified voter immediately
17 forfeits his office. A member of the council who ceases to be a qualified
18 city voter immediately forfeits his office.

19 (b) A governing body may by ordinance establish a durational
20 residency requirement for its members not to exceed three years.

21 (c) An assembly or council member who represents an area less
22 than that of the total borough or city and who becomes a resident of another
23 area within the municipality may continue to serve until the next regular
24 election unless provided otherwise by ordinance.

25 (d) A municipality may by ordinance establish district residency
26 requirements for members of its governing body.

1 If the borough is already incorporated, the assembly shall be composed and
2 apportioned in a manner that is consistent with the requirements of this
3 section and prescribed by charter or ordinance.

4 (c) An assembly may not provide for weighted voting.

5 (d) A member of the assembly of a borough may not be elected or
6 appointed by and from the council of a city in the borough.

7 Sec.29.24.070. (Sec. 29.23.023.) COMPOSITION AND FORM OF
8 REPRESENTATION. (a) The borough assembly shall provide for its composition
9 and for the form of its representation.

10 (b) Not later than the first regular election which occurs after
11 the report of a federal decennial census, the assembly shall propose and
12 submit to the voters of the borough, at that regular election or at a
13 special election called for the purpose, one or more forms of borough
14 assembly representation. The forms of representation which the assembly may
15 submit to the voters are:

16 (1) election of members of the borough assembly at large by
17 the qualified voters throughout the borough;

18 (2) election of members of the borough assembly by district,
19 including

20 (A) election at large by the qualified voters
21 throughout the borough, but with a requirement that a candidate
22 live within an election district established by the borough for
23 election of assembly members; or

24 (b) election from election districts established by the
25 borough for the election of assembly members by the qualified
26 voters of a district;

27 (3) election of members of the borough assembly both at
28 large and by district.

1 (c) A form of borough assembly representation which includes
2 election of borough assembly members under (b)(2) or (b)(3) of this section
3 shall be submitted to the voters of the borough with a plan of apportionment
4 as required by AS 29.24.080 [AS 29.23.025(a)].

5 (d) The borough assembly shall, within 30 days of certification
6 of the results of the election held on a proposed form of representation
7 under this section, adopt an ordinance providing for its composition and the
8 form of assembly representation, and, if applicable, the apportionment of
9 assembly seats which corresponds to the proposed form of representation
10 which received the most votes at the election.

11 (e) This section does not apply

12 (1) to a unified municipality incorporated under AS
13 29.12.190-29.12.390 (AS 29.68.240-29.68.440);

14 (2) to a home rule borough if the borough charter contains
15 procedures for changing assembly composition and form of representation.

16 Sec. 29.24.080. (Sec. 29.23.025.) ASSEMBLY RECOMPOSITION AND REAPPOR-
17 TIONMENT. (a) Not later than two months after the official report of a
18 federal decennial census, the borough assembly shall determine and declare
19 by resolution whether the existing apportionment of the borough assembly
20 meets the standards of AS 29.24.060 (AS 29.23.021). If the borough assembly
21 submits to the voters a form of representation which includes election of
22 borough assembly members under AS 29.24.070(L)(2) or (b)(3) [AS
23 29.23.023(b)(2) or (b)(3)], the assembly shall submit with the proposition
24 of a proposed plan of apportionment which corresponds to the form of
25 representation proposed. The assembly shall describe the plan of
26 apportionment in the ballot proposition, and may present the plan in any
27 manner which it believes accurately describes the apportionment which is
28 proposed under the form of representation. If the borough assembly
29

1 determines that its existing apportionment meets the standards of AS
2 29.24.060 (AS 29.23.021), the assembly may include the existing
3 apportionment as a proposed plan of apportionment of assembly seats which
4 corresponds to a form of representation which is proposed.

5 (b) The borough assembly shall provide, by ordinance, for a
6 change in an existing apportionment of the borough assembly whenever it
7 determines that the apportionment does not meet the standards of AS
8 29.24.060 (AS 29.23.021). At the same time, the borough assembly may, by
9 ordinance, change the composition of the assembly.

10 (c) If a petition signed by not less than 50 registered voters who
11 are residents of the borough request the borough assembly to determine
12 whether the existing apportionment meets the standards for apportionment in
13 AS 29.24.060 (AS 29.23.021), and the petition contains evidence that the
14 existing apportionment does not meet those standards, the assembly may make
15 the determination requested. The borough assembly shall make a
16 determination required by this subsection within two months of receipt of a
17 petition which meets the requirements of this subsection.

18 (d) An ordinance adopted by the assembly under (b) or (c) of this
19 section shall be submitted to the voters for approval. In order for the
20 ordinance to be approved it must receive the approval of a majority of the
21 votes cast.

22 (e) Within six months of a determination by the borough assembly
23 under (b) or (c) of this section that the current apportionment does not
24 meet the standards of AS 29.24.060 (AS 29.23.021), the borough assembly
25 shall adopt an ordinance providing for reapportionment, and submit the
26 ordinance to the voters. If, at the end of the six-month time period, an
27 ordinance providing for reapportionment has not been approved by the voters,
28 the commissioner of the Department of Community and Regional Affairs shall
29 provide for the reapportionment in accordance with the standards of AS

1 29.24.060 (AS 29.23.021) by preparing an order of reapportionment and
2 delivering the order to the borough mayor.

3 Sec. 29.24.090. (Sec. 29.23.027) APPORTIONMENT APPEALS. (a) A
4 reapportionment ordinance approved by the voters, or a decision of the
5 borough assembly that the standards of AS 29.24.060 (AS 29.23.021) do not
6 require a change in apportionment, may be appealed to the commissioner of
7 the Department of Community and Regional Affairs. Fifty registered voters
8 who are residents of the borough may submit a petition to the commissioner
9 of community and regional affairs requesting the commissioner to determine
10 whether the proposed reapportionment ordinance approved by the voters meets
11 the standards of AS 29.24.060 (AS 29.23.021), or whether a decision of the
12 borough assembly that the standards of AS 29.24.060 (AS 29.23.021) do not
13 require a change of apportionment is correct. If the petition asks the
14 commissioner of community and regional affairs to review an ordinance
15 approved by the voters under AS 29.24.080(e) [AS 29.23.025(e)], the petition
16 shall be delivered to the commissioner not later than 20 days after
17 certification of the election. If the petition asks the commissioner of
18 community and regional affairs to review a decision of the borough assembly
19 under AS 29.24.080(c) [AS 29.23.025(c)], the petition shall be delivered to
20 the commissioner within 20 days of the decision of the borough assembly.

21 (b) The commissioner of community and regional affairs shall
22 review the petition and may make the determination requested. The
23 commissioner shall provide copies of his determination to the persons
24 petitioning for appeal and to borough officials not later than 60 days after
25 he receives the petition.

26 (c) If the commissioner of community and regional affairs deter-
27 mines that the proposed reapportionment ordinance approved by the voters
28 does not meet the standards of AS 29.24.060 (AS 29.23.021), or if he
29 determines that the decision of the borough assembly that the standards of

1 AS 29.24.060 (AS 29.23.021) do not require a change of apportionment is not
 2 correct, the commissioner shall, by order, direct the borough assembly to
 3 prepare a reapportionment ordinance which meets the standards of AS
 4 29.24.060 (AS 29.23.021) and submit the ordinance to the voters.

5 (d) When the borough assembly has been directed by the
 6 commissioner of community and regional affairs to prepare a reapportionment
 7 ordinance under (c) of this section, the borough assembly shall, within two
 8 months of its receipt of the commissioner's order, adopt an ordinance
 9 providing for reapportionment. The borough assembly shall submit an
 10 ordinance adopted under this subsection to the voters at a regular election
 11 or special election held within 60 days of the date of adoption of the
 12 reapportionment ordinance.

13 (e) If at the end of the time period provided under (d) of this
 14 section an ordinance providing for reapportionment has not been approved by
 15 the voters, the commissioner of community and regional affairs shall provide
 16 for the reapportionment of the borough assembly in accordance with the
 17 standards of AS 29.24.060 (AS 29.23.021) by preparing an order of
 18 reapportionment and delivering the order to the borough mayor.

19 Sec. 29.24.100. (Sec. 29.23.029) JUDICIAL REVIEW AND RELIEF. (a) The
 20 commissioner of community and regional affairs may request the superior
 21 court to enforce a reapportionment order issued under AS 29.24.090(e) [AS
 22 29.23.027(e)].

23 (b) Each of the following is subject to judicial review:

24 (1) a plan of reapportionment approved by the voters under
 25 AS 29.24.080(a) [AS 29.23.025(a)];

26 (2) a determination by the borough assembly under AS
 27 29.24.080 [AS 29.23.025(c)] that the standards of AS 29.24.060 (AS
 28 29.23.021) do not require a change in apportionment;

1 (3) a reapportionment ordinance approved by the voters under
2 AS 29.24.080(d) [AS 29.23.025(d)];

3 (4) a reapportionment order of the commissioner of community
4 and regional affairs made under AS 29.24.090(e) [AS 29.23.027(c)];

5 (5) a reapportionment ordinance approved by the voters under
6 AS 29.24.090(d) [AS 29.23.027(d)]; and

7 (6) a reapportionment order of the commissioner of community
8 and regional affairs made under AS 29.24.090 (e) [AS 29.23.027(e)].

9 Sec. 29.24.110 (Sec. 29.23.031) EFFECTIVE DATE OF APPORTIONMENT. (a)
10 A change in assembly apportionment or composition under AS 29.23.080 (AS
11 29.23.025) or AS 29.24.090 (AS 29.23.027) is effective beginning with the
12 first regular election for members of the assembly which is held more than
13 60 days after the later of:

14 (1) approval of a reapportionment ordinance by the voters
15 under AS 29.24.080(a) [29.23.025(a)], AS 29.24.080(e) [29.23.025(e)], or AS
16 29.24.090(d) [29.23.027(d)]; or

17 (2) the delivery to the mayor of a reapportionment order of
18 the commissioner of community and regional affairs under AS 29.24.090(d)
19 [29.23.027(e)].

20 (b) The provisions of (a) of this section do not apply to a
21 borough in which a change in assembly composition or apportionment is
22 subject to review and approval or determination of nonobjection by the
23 Attorney General of the United States under the Voting Rights Act of 1965,
24 as amended, (42 U.S.C. 1971 - 1974). A change in assembly composition or
25 apportionment subject to review under the Voting Rights Act of 1965, as
26 amended, is effective beginning with the first regular election for members
27 of the assembly which is held more than 60 days after

28 (1) receipt by the borough assembly of approval by the
29 Attorney General of the United States of the proposed change in the
composition or apportionment of the assembly; or

1 (2) the delivery to the mayor of a reapportionment order of
2 the commissioner of community and regional affairs under AS 29.24.090(e) [AS
3 29.23.027(e)].

4 (3) the last day on which the Attorney General of the United
5 States may review a proposed change in the composition or apportionment of
6 the assembly.

7 Sec. 29.24.120. (Sec. 29.23.033) APPLICABILITY OF APPORTIONMENT
8 PROVISIONS. The provisions of AS 29.24.080-29.24.110 (AS 29.23.025 -
9 29.23.031) do not apply

10 (1) to a unified municipality incorporated under AS
11 29.12.190-29.12.390 (AS 29.68.240 - 29.68.440);

12 (2) to a home rule borough if the borough, by charter,
13 provides for reapportionment of the borough assembly.

14 Sec. 29.24.130. (Sec. 29.23.040.) REGULAR TERM OF OFFICE. (a)
15 Assemblymen are selected for three-year terms and until their successors are
16 selected and have qualified, unless different terms not exceeding four years
17 are prescribed by borough charter or ordinance. Except when otherwise
18 required by a change of composition or apportionment, if the term of an
19 assemblyman is changed by charter or ordinance, the term of an assemblyman
20 holding office at the time the change takes effect is not affected by that
21 change.

22 (b) The regular term of office begins on the first Monday
23 following certification of the election, unless a different date is
24 prescribed by borough charter or ordinance.

25 (c) This section applies to home rule and general law boroughs.

26 Sec. 29.24.140. (Sec. 29.23.050.) QUALIFICATIONS. A resident of the
27 borough is eligible to be an assemblyman if he is a borough voter. An
28 assemblyman who ceases to be a borough voter immediately forfeits his
29 office. An assemblyman elected from or selected to represent a borough area

1 less than the borough area at large and who becomes a resident of another
2 area may continue to serve only until the next regular election. The
3 assembly may by ordinance establish residence requirements for assemblymen
4 not exceeding three years. This section applies to home rule and general
5 law boroughs.

6 Sec. 29.24.150. (Sec. 29.23.060.) PROCEDURE. (a) The assembly shall
7 meet at least once every month, unless otherwise provided by ordinance. All
8 meetings shall be public meetings. Special meetings may be held on the call
9 of the chairman, the presiding officer, or one-third of the members, upon
10 not less than 24 hours written or oral notice communicated to each member.
11 In an emergency a special meeting shall be a legal meeting if all members
12 are present or there is a quorum and all absent members have waived in
13 writing the required notice. A waiver may be either before or after the
14 time of the meeting. The waiver shall be attached to and made a part of the
15 journal for that meeting.

16 (b) The assembly shall elect from among its members a presiding
17 officer and a deputy presiding officer to serve at its pleasure, except that
18 in manager plan boroughs the borough mayor serves as presiding officer. If
19 the presiding officer is not present or disqualifies himself, the deputy
20 presiding officer shall preside.

21 (c) The assembly shall determine its own rules and order of
22 business and provide for keeping a journal of its proceedings. The assembly
23 is the judge of the election and qualification of its members and, with the
24 concurrence of two-thirds of its members, may expel a member for conviction
25 of a felony or misdemeanor described in AS 15.56 as a corrupt practice. The
26 assembly shall consider a conviction of a member for a felony or misdemeanor
27 described in AS 15.56 as a corrupt practice at its first meeting following
28 the final determination of the conviction.
29

1 (d) A majority of the membership authorized by law constitutes a
2 quorum. In the absence of a quorum, any number less than a quorum may recess
3 or adjourn the meeting to a later date. Actions of the assembly are adopted
4 by a majority of the votes authorized on the question. All assemblymen
5 present shall vote unless the assembly for special reasons permits a member
6 to abstain, except no assemblyman may vote on a question in which he has a
7 substantial direct or indirect financial interest.

8 (e) The final vote on each ordinance, resolution, or substantive
9 motion is a recorded "yes" or "no", except that if the vote is unanimous it
10 is necessary only so to state.

11 (f) Repealed by Sec. 16 ch 118 SLA 1972.

12 (g) Repealed by Sec. 16 ch 118 SLA 1972.

13 (h) Repealed by Sec. 16 ch 118 SLA 1972.

14 (j) Repealed by Sec. 16 ch 118 SLA 1972.

15 Sec. 29.24.160. (Sec. 29.23.070.) DEPARTMENTS. (a) The assembly may
16 establish departments and distribute administrative functions among them.

17 (b) Each department is administered by a department head. With
18 the consent of the assembly, the borough mayor may serve as the head of one
19 or more departments or may appoint one person as the head of two or more
20 departments.

21 Sec. 29.24.170. (Sec. 29.23.080.) ASSEMBLY VACANCIES. The assembly
22 shall provide by ordinance the manner in which a vacancy in assembly
23 representation occurs. A vacancy is filled by the majority of the remaining
24 assemblymen, who designate a voter and, if the assembly seat vacated is
25 other than an at-large seat, a resident of the borough area to which the
26 seat was apportioned, to serve until the next regular election. However, if
27 under a borough apportionment city councilmen are appointed as assemblymen
28 or elected to dual assemblycouncil seats, a vacancy in a councilman's seat
29

1 on the assembly shall be filled by a councilman designated by a majority of
2 the remaining membership of the council to serve until the next regular
3 election.

4 Article 3. BOROUGH EXECUTIVE AND ADMINISTRATOR

5 (Article 2. BOROUGH EXECUTIVE AND ADMINISTRATOR

6 Sec. 29.24.200. (Sec. 29.23.130.) POWER GENERALLY. (a) If the
7 borough has not adopted a manager plan, the borough executive and
8 administrative power is vested in an elected borough mayor. If the borough
9 has adopted a manager plan, the administrative power is vested in an
10 appointed manager and the executive power in an elected borough mayor who
11 has the same functions as those of the mayor of a manager-plan city under
12 Sec. 330 (Sec. 240) of this chapter.

13 (b) A borough voter is eligible to be borough mayor. The assembly
14 may by ordinance establish residency requirements for candidates for borough
15 mayor not exceeding three years.

16 (c) The borough mayor's regular term of office is three years and
17 until a successor is elected and has qualified and begins on the first
18 Monday following certification of the mayor's election. The assembly may
19 provide by ordinance for a different term not to exceed four years, except
20 that the current term of an incumbent borough mayor may not be altered.

21 (d) A borough may adopt or abandon a manager plan at any time, as
22 provided in Secs. 550-620 (Secs. 410-480) of this chapter. The borough
23 mayor may not veto an ordinance or resolution calling for an election on
24 this question. The manager has all the powers and duties of the borough
25 mayor as chief administrative officer. The borough mayor then serves as
26 borough executive.

27 (e) A borough adopting a manager plan may, by agreement with a
28 city, enter into a contract providing for the manager of a city located
29 within the borough to serve also as borough manager. A city adopting a

1 manager plan may, by agreement with a borough, enter into a contract
2 providing for the manager of a borough within which the city is located to
3 serve also as city manager. Appointment and service of the manager shall be
4 as otherwise provided for managers in Secs. 200-220 (Secs. 130-150) and
5 Secs. 590-610 (Secs. 450 - 470) of this chapter. Nothing in this subsection
6 affects the authority of the assembly or council to provide for other dual
7 officeholding if the dual offices held are compatible or otherwise to
8 appoint officers and employees in accordance with law.

9 (f) The assembly, with the concurrence of two-thirds of its
10 members, may remove the borough mayor from office for a conviction of a
11 felony or misdemeanor described in AS 15.56 as a corrupt practice. The
12 assembly shall consider a conviction of the borough mayor of a felony or
13 misdemeanor described in AS 15.56 as a corrupt practice at its first meeting
14 following the final determination of the conviction.

15 Sec. 29.24.210. (Sec. 29.23.140.) POWERS AND DUTIES OF BOROUGH
16 ADMINISTRATOR. The borough mayor or manager as the case may be, as the
17 chief administrative officer, is responsible for the proper administration
18 of all borough affairs. The mayor or manager of the borough shall

19 (1) appoint borough employees and administrative officers, except
20 as provided otherwise in Sec. 480 (Sec. 360) of this chapter and (AS
21 29.33.050); he may hire necessary administrative assistants and may
22 authorize an appointive administrative officer to appoint, suspend, or
23 remove subordinates in his department;

24 (2) suspend or remove by written order borough employees and
25 administrative officers, except as provided otherwise in Sec. 480 (Sec. 360)
26 of this chapter and (AS 29.33.050);

27 (3) supervise enforcement of borough law;

28 (4) prepare the annual budget and capital improvements program
29 for the assembly;

1 (5) execute the budget and capital improvement program as adopted;

2 (6) make monthly reports to the assembly on borough finances and
3 operations;

4 (7) report to the assembly at the end of each fiscal year on the
5 finances and administrative activities of the borough;

6 (8) prepare and make available for public distribution an annual
7 report on borough affairs;

8 (9) serve as borough personnel officer unless the assembly
9 authorizes him to appoint a personnel officer;

10 (10) direct and supervise the administration of

11 (A) the functions of all borough officers and employees
12 except as provided otherwise in this title;

13 (B) the care and custody of all borough buildings and of
14 all real and personal property of the borough, except as provided
15 otherwise by AS (29.33.050);

16 (C) the construction, maintenance, and operation of all
17 borough roads, bridges, drains, buildings and other public works;

18 (11) execute other powers or duties specified in this title or
19 lawfully prescribed by the assembly.

20 Sec. 29.24.220. (Sec. 29.23.150.) EXECUTIVE ABSENCE. The borough
21 mayor, subject to assembly approval, shall designate a person to act as
22 mayor during the mayor's temporary absence or disability. If a manager plan
23 has been adopted, the assembly shall designate by resolution a borough
24 administrative officer to act as manager during his absence or disability.

25 Sec. 29.24.230. (Sec. 29.23.160.) ASSEMBLY PARTICIPATION. The
26 borough mayor may take part in the discussion of all matters before the
27 assembly but may not vote.

28 Sec. 29.24.240. (Sec. 29.23.170.) VETO. (a) Except as provided in
29 (b) of this section, the borough mayor may veto any ordinance, resolution,

1 motion or other action of the assembly and may, by veto, strike or reduce
2 items in appropriation ordinances except for school budget items. He shall
3 submit to the assembly at its next regular meeting a written statement
4 advising of his veto and giving his reasons. His veto may be overridden by
5 two-thirds of all the votes to which the assembly is entitled on the
6 question.

7 (b) The borough mayor may not veto actions of the assembly taken
8 under Sec. 200(d) [Sec. 130(d)] of this chapter or actions of the board of
9 equalization and the board of adjustment.

10 Sec. 29.24.250. (Sec. 29.23.180.) FILLING A VACANCY. A vacancy in
11 the office of the borough mayor occurring within six months of a regular
12 election shall be filled by the assembly. The person designated shall serve
13 until the next regular election and until a successor is elected and has
14 qualified. If an assemblyman is chosen, he shall resign his assembly seat.
15 If a vacancy occurs more than six months before a regular election, the
16 assembly shall call a special election to fill the unexpired term.

17 Article 4. CITY COUNCIL

18 (Article 3. CITY COUNCIL)

19 Sec. 29.24.280. (Sec. 29.23.200.) COMPOSITION, ELIGIBILITY, ELECTION
20 AND TERM. (a) Each first class city has a council of six members elected
21 by the voters at large. Each second class city has a council of seven
22 members elected by the voters at large. The council of a first or second
23 class city may by ordinance provide for election of members other than on an
24 at-large basis for all members.

25 (b) A city voter is eligible to hold office as a member of the
26 council. The council may by ordinance establish residence requirements for
27 council members not exceeding three years. A council member who ceases to
28 be eligible to be a city voter immediately forfeits that office.
29

1 (c) Councilmen are selected for three-year terms and until their
2 successors are elected and have qualified. The regular term of office begins
3 on the first Monday following certification of the election. The council may
4 provide by ordinance for different terms not to exceed four years, except
5 that the current term of incumbent councilmen may not be altered.

6 Sec. 29.24.290. (Sec. 29.23.210.) PROCEDURE. (a) The council shall
7 meet at least once every month, unless otherwise provided by ordinance.
8 Special meetings may be held on the call of the mayor or two councilmen upon
9 not less than 24 hours written or oral notice communicated to each member.
10 In an emergency, a special meeting called on less than 24 hours notice is a
11 legal meeting if all members are present or there is a quorum and all absent
12 members have waived in writing the required notice. A waiver may be made
13 either before or after the time of the meeting. The waiver shall be attached
14 to and made a part of the journal for that meeting.

15 (b) The council shall determine its own rules and order of
16 business and provide for keeping a journal of its proceedings. The council
17 is the judge of the election and qualification of its members and, with the
18 concurrence of two-thirds of its members, may expel a member for a
19 conviction of a felony or misdemeanor described in AS 15.56 as a corrupt
20 practice. The council shall consider that conviction during its first
21 meeting following final determination of the conviction.

22 (c) Four councilmen constitute a quorum. Four affirmative votes
23 are required for the passage of an ordinance, resolution, or motion.

24 (d) The final vote on each ordinance, resolution, or substantive
25 motion is a recorded roll call vote. All councilmen present shall vote
26 unless the council, for special reasons, permits a member to abstain.

27 Sec. 29.24.300. (Sec. 29.23.220.) FILLING A VACANCY. If a vacancy

- (5) exercise care and custody over all real and personal property of the borough except as provided otherwise in AS 29.33.050; and
- (6) perform other powers and duties provided by law or by action of the governing body.

EXPLANATION

This section is derived from AS 29.23.140 relating to the powers and duties of the borough administrator and AS 29.23.290 which describes the powers and duties of the city manager. Sections relating to appointment and discipline of municipal employees have been consolidated into subsection 1. Subsection 5 allows the manager to exercise care and custody over all real and personal property of the municipality, which section is derived from AS 29.23.140 relating to borough manager, which language is not carried over into the existing AS 29.23.290. Inasmuch as Subsection 3 directs the manager to execute the budget and capital improvement program as adopted by the governing body, retention of language contained in AS 29.23.140(10)(c) relating to construction, maintenance, and operation of borough roads, bridges, drainage, buildings and other public works is redundant and unnecessary.

Sec. 29.23.160. Intergovernment appointments. A borough adopting a manager plan may, by agreement with a city, enter into a contract providing for the manager of a city located within the borough to serve also as borough manager. A city adopting a manager plan, may by agreement with a borough, enter into a contract providing for the manager of a borough within which the city is located to serve also as city manager. Appointment and service of the manager shall be as otherwise provided for managers in §§ 115-155 of this chapter. Nothing in this subsection affects the authority of the assembly or council to provide for other dual office-holding if the dual offices held are compatible or otherwise to appoint officers and employees in accordance with law.

EXPLANATION

This section is derived in tact from AS 29.23.130(e).

Sec. 29.23.180. Municipal treasurer. (a) The treasurer is the *Ref: Title 14* custodian of all municipal funds. He shall keep an itemized account of money received and disbursed. He shall pay money on vouchers drawn against appropriations.

(b) Each department is administered by a department head. With the consent of the governing body, the mayor may serve as head of one or more

departments or a single administrator may serve as head of two or more departments.

EXPLANATION

This section is virtually identical to AS 29.23.070 except that stylistic changes apply this section to both cities and boroughs.

Sec. 29.23.190. Personnel system. (a) Except as provided by (b) below, all appointments and promotions of municipal ~~officers and~~ employees are made on the basis of merit. The ~~assembly or council~~ *governing body* may provide for a personnel system.

(b) By ordinance the governing body may designate ~~executive~~ positions filled by persons who serve at the pleasure of their appointing authority

and ~~which are wholly or partially exempt from the classified service~~ *whose terms & conditions of employment shall be as determined by the appointing authority.*

EXPLANATION

Subsection (a) is essentially the same as the existing provisions of AS 29.23.550. Subsection (b) is new; this subsection allows the governing body to designate certain positions as executive positions and exempt persons occupying those positions from the classified service. This addition would allow municipalities to enact so called "executive plans" governing the wages, hours, and other terms and conditions of employment of high level executive employees.
