Sec. 29.45.010. GENERAL PROPERTY TAX. A General law or home rule borough, other than a unified municipality, may levy (1) an areawide property tax for areawide functions, and (2) a property tax limited to the area outside cities for functions limited to the area outside cities. A unified municipality may levy areawide and nonareawide property taxes. ~~A property tax if levied must be assessed, levied and collected as provided in this chapter, on~~ ^{*}~~real and personal property, or either,~~ [?]

EXPLANATION: This section has been clarified as the the fact that a unified municipality may levy both areawide and nonareawide taxes. Limited the use of areawide taxes to areawide functions and nonareawide taxes of nonareawide functions makes little sense. It is made clear that taxes may be levied on personal and real property or either.

A tax if levied on real property, personal property, or both must be assessed, levied and collected as provided in this chapter.

Sec. 29.45.020. TAXPAYER NOTICE. (a) If a municipality levies and collects real and personal property taxes, or either, the governing body shall provide the following notice:...

EXPLANATION: The language "real and personal property taxes, or either," was added to conform to 29.45.010.

Sec. 29.45.030. REQUIRED EXEMPTIONS. (a) The following property is exempt from general taxation:

(1) municipal, state or federally owned property, except that a private leasehold, contract, or other interest in the property shall be taxable to the extent of the interest;

(2) household furniture of the head of a family or household;

(4) property of a nonbusiness organization or its auxiliary composed entirely of persons with 90 days or more of active service in the armed forces of the United States whose conditions of service and separation were other than dishonorable;

(b) (3) lots or portions of lots supporting and adjacent to a structure or residence mentioned in (1) or (2) of this subsection which are necessary to convenient use;

(c) Property described in (a) or (b) of this section from which income is derived is exempt only if that income is solely from use of the property by nonprofit religious, charitable, hospital or educational groups. If used by nonprofit educational groups, the property is exempt only if used exclusively for classroom space.

(f) No exemption may be granted under (e) of this section except upon written application for the exemption on a form prescribed by the state assessor for use by local assessors. The claimant must file the application no later than January 15 or a date provided by ordinance which is not later than March 31, of the assessment year for which the exemption is sought, ...
...If a claimant whose failure to file by January 15, or a date provided by ordinance which is not later than March 31...

EXPLANATION: Based on Alaska Association of Assessing Officers (AAAO) recommendations:

1. (a)(2): deletes \$500 limit on exemption of household furniture.

2. (b)(3): narrows the language so that only portions of lots necessary ~~of~~ convenient use are exempt.

3. (c): clarifies that "exclusively for classroom space" limitations on rental income under (c) only applies to rental use by an "educational group" and does not preclude the exemption when the income is derived from use by nonprofit religious, charitable, or hospital groups.

4. (f): clarifies filing of a claim for exemption is a requirement for only the senior citizen exemption under (e), and not for the other exemptions addressed in the section. Adds flexibility so that a local government may establish a date later than January 15 for filing for a senior citizen exemption.

Sec. 29.45.050. OPTIONAL EXEMPTIONS AND EXCLUSIONS. *(a) No change*

(b) A municipality may by ordinance

(1) classify boats and vessels for the purposes of taxation and may establish the assessed valuation of boats and vessels on the basis of their registered or certificated net tonnage. ~~[X]~~ *← To hand to look all these up.*

(2) classify and exempt from taxation

(A) ... [THE HOUSEHOLD FURNITURE OVER \$500 IN VALUE AND THE EFFECTS OF THE HEAD OF A FAMILY OR A HOUSEHOLDER]... *(The rest of the subparagraph is left intact.)*

↑ Type in explanation.

EXPLANATION: Eliminates in (b)(1) the \$5 and \$15 limitations, since with these limits, collecting a tax on boats does not pay administrative costs. Modifies and expands existing (a)(2)(A) relating to optional exemption of household furniture and effects, based on recommendations of AAAO, since assessors currently do not include household furnishings and personal effects of family members.

Sec. 29.45.140. INDEPENDENT INVESTIGATION. *(a) No change.*

(b) For investigation, the assessor or his agent may enter any premise during reasonable hours and may examine property on the premises. He may examine all property records involved. A person shall, upon request, furnish to the assessor or his agent every facility and assistance for the purposes of the investigation. The assessor may seek a court order to compel entry and production of records.

EXPLANATION: It was felt that the assessor ought to be able to seek production of records, as well as to compel entry, whether refused entry or not.

Sec. 29.45.150. PENALTY. A person who knowingly fails to file a statement required by ordinance or who knowingly makes a false affidavit to a statement required by a tax ordinance relative to the amount, location, kind or value of property subject to taxation with intent to evade the taxation is guilty of a class B misdemeanor.

EXPLANATION: This section was changed to classify the misdemeanor to conform with the criminal code. A class B misdemeanor carries a possible fine of \$1,000 and term of imprisonment of 90 days, somewhat more severe than existing law.

Sec. 29.45.250. TAX LEVY AND RATE. (a) The power granted to the assembly to assess, levy and collect a general property tax shall be exercised by means of a general ordinance. ~~but~~ The rate of levy, the date of equalization and the date when taxes become delinquent shall be fixed by ordinance or resolution. X

(b) ^{No change} ~~The~~ assembly shall annually determine the rate of levy on or before June 15. By July 1 the tax collected shall mail tax statements setting out the levy, dates when taxes are payable and delinquent, and penalties and interest.

EXPLANATION: Allows rate of levy, date of equalization, date of delinquency to be fixed by ordinance as well as resolution

Sec. 29.45.260. RATES OF PENALTY AND INTEREST. (a) If the taxpayer is required to pay the entire tax on the due date set by the assembly, a penalty not to exceed 20 percent may be added to all delinquent taxes, and interest at the rate of 15 percent a year shall accrue upon all unpaid taxes, not including penalty, from the due date until paid in full. If the taxpayer is given the right to pay the tax in two installments penalty and interest on an unpaid installment accrues from the date the installment becomes due.

(b) No changes.

(c) Repeal.

EXPLANATION: The penalty and interest rates are raised, so that people will not deliberately avoid paying taxes due to the high cost of borrowing from other sources. Penalty and interest on an unpaid installment accrues only from the date the installment is due. (c) is repealed as redundant. Since (a) provides for interest and penalty on all types of taxes, there is no need for special treatment of property taxes.

Sec. 29.45.210. BOARD OF EQUALIZATION. (a) The assembly sits as a board of equalization for the purpose of hearing an appeal from a determination of the assessor, or it may delegate this authority to one or more boards appointed by it. An appointed board may be composed of not less than three persons, who may be members of the assembly or other municipal residents. The assembly shall by ordinance establish the qualifications for membership.

(b) The board is governed in its proceedings by rules adopted by ordinance which are consistent with general rules of administrative procedure. The board may alter an assessment of a lot or parcel only pursuant to an appeal filed as to the particular lot or parcel.

(c) Notwithstanding other provisions in this section, a determination of the assessor as to whether property is taxable under law may be appealed directly to the superior court.

EXPLANATION: Removes the requirement that the board consist of a number over that required for a quorum of the assembly in favor of requiring not less than three members. Requires that an assessment be altered only as a result of an appeal filed as to the lot in question. Allows a determination of the taxability of property (for example, land held by Indians or in trust for Indians may not be taxable at all under federal law) to be appealed to the superior court.

Sec. 29.45.240. TAX ADJUSTMENTS ON PROPERTY AFFECTED BY A NATURAL DISASTER. (a) No change.

(b) No change.

(c) No change.

(d) No change.

(e) In this section "disaster" means a major disaster declared by the President of the United States under the provisions of the Federal Disaster Act of 1950, Title 42, United States Code, sec. 1855-1855g or other federal law, or a disaster declared by the governor under AS 26.23.010-110.

EXPLANATION: Makes provision for special treatment of property affected by a disaster applicable if the governor, as well as the president, declares a disaster.

DRAFTED CHANGES RECOMMENDED BY THE TECHNICAL COMMITTEE
06 December 1980

Sec. 29.45.240. TAX ADJUSTMENTS ON PROPERTY AFFECTED BY A
NATURAL DISASTER. (a) No change.

(b) No change.

(c) No change.

(d) No change.

(e) In this section "disaster" means a major disaster declared by the President of the United States under the provisions of the Federal Disaster Act of 1950, Title 42, United States Code, sec. 1855-1855g or other federal law, or a disaster declared by the governor under AS 26.23.010-110.

EXPLANATION: Makes provision for special treatment of property affected by a disaster applicable if the governor, as well as the president, declares a disaster.

Sec. 29.45.300. TAX LIABILITY. (a) No change.

(b) Property taxes, together with penalty and interest, are a lien upon the property assessed, and the lien is prior and paramount to all other liens or encumbrances against the property.

EXPLANATION: The change makes it clear that a lien exists on personal as well as real property.

Sec. 29.45.310. ENFORCEMENT OF PERSONAL PROPERTY TAX LIENS BY DISTRAINT AND SALE. The lien of personal property taxes may be enforced by distraint and sale of the property. The assembly shall provide the procedure for distraint and sale by ordinance. No seizure, levy or distraint is legal unless demand is first made of the person assessed for the amount of the tax, penalty and interest, and no sale is valid unless made at public auction after 15 days notice given by posting or publication. The seizure is made by virtue of a warrant issued by the borough clerk to a peace officer. If the property sold is not sufficient to satisfy the tax, penalty, interest, and costs of sale, the warrant may authorize the seizure of other personal property sufficient to satisfy the tax, penalty, interest and costs of sale. If the property is sold for more money than is needed to satisfy the tax, upon presentation of a proper claim, the municipality shall remit the excess to the former record owner. A claim for the excess filed after six months of the date of sale is forever barred.

EXPLANATION: Allows the return of excess money received over the amount needed for the tax when property is sold to satisfy a tax lien.

Sec. 29.45.320. REAL PROPERTY TAX COLLECTION. (a) No change.

(b) If the tax on property described in AS 29.45.080 or on a taxable interest in tax exempt property is not paid when due, a borough may enforce the tax by a personal action against the delinquent taxpayer brought in the district or superior court, in addition to other remedies available to the borough to enforce the lien.

EXPLANTION: The word "taxable" is substituted for "leasehold" so that any interest in tax exempt property which can be taxed can be enforced.

Sec. 29.45.400. REDEMPTION PERIOD. (a) No change.

(b) Repeal.

EXPLANATION: (b) is eliminated so that a person holding a lien on only part of a lot or parcel may no longer redeem just that part. This avoids the problem of splitting lots or parcels into what might be illegal subdivisions.

Sec. 29.45.410. EFFECT. Receipt of redemption money by the borough releases the judgment obtained under AS 29.45.380. The clerk or his designee shall record the redemption and issue a certificate containing a property description, the redemption amount, and the dates of judgment and decree of foreclosure. The clerk or his designee shall collect the recording fee at the time of redemption and shall file the certificate with the record as part of the judgment roll.

EXPLANATION: Changed so that all claims of the borough are not released, i.e., improvement assessments. Redemption releases only the judgement obtained for delinquent taxes.

Sec. 29.45.440. EXPIRATION. (a) At least 30 days before the expiration of the redemption period the clerk or his designee shall publish a redemption period expiration notice. The notice shall contain the date of judgment, the date of expiration or the period of redemption and a warning to the effect that all properties ordered sold under the judgment, unless redeemed, shall be deeded to the borough or city immediately in expiration of the period of redemption and that every right or interest of any person in the properties will be forfeited forever to the borough or city. The notice is published once a week for four consecutive weeks in a newspaper of general circulation distributed within the borough. If there is no newspaper of general circulation distributed within the borough, the notice is posted in three public places for at least four consecutive weeks. The clerk shall send a copy of the published notice by certified mail to each record owner of property against which a judgement of foreclosure has been taken and, if the assessed value of the property is more than \$100,000, to all holders of mortgages or other liens of record on the property. The notice shall be mailed within five days of the first publication. The mailing shall be sufficient if mailed to the property owner and to the holder of a mortgage or recorded lien at the last address of record. The right of redemption shall expire 30 days after the date of the first publication notice.

(b) No change.

EXPLANATION: Based on recommendation of AAAO; raises assessed value of property which triggers duty of clerk to advise holders of security of judgement of foreclosure. Burden placed on lienholder to protect his interest.

Sec. 29.45.450. DEED TO BOROUGH OR CITY. (a) No change.

(b) Conveyance gives the borough or the city clear title except for prior recorded tax liens of the United States and the state.

(c) No change.

(d) No deed is invalid for irregularities, omissions or defects in the proceedings under this chapter unless the former owner has been misled to his injury. After two years from the date of the deed, its validity is conclusively presumed and any claim of the former owner or other person having an interest in the property is forever barred.

EXPLANATION: (b) changes to clear title except for tax liens. (d) changed to include the interests in property of persons other than the owner within the limitation period. This clears the title.

Sec. 29.45.460. DISPOSITION AND SALE OF FORECLOSED PROPERTIES.

(a) No change.

(b) No change.

(c) The clerk or his designee shall send a copy of the published notice of hearing of an ordinance to consider a determination required by (a) or (b) of this section by certified mail to the former record owner of the parcel of property which is the subject of the ordinance. The notice shall be mailed within five days of its first publication and shall be sufficient if mailed to the last record owner of the property as his name appears on the assessment rolls of the municipality.

(d) No change.

EXPLANATION: Language of (a) inserted into last line of (c) for consistency. No substantive change.

Sec. 29.45.470. REPURCHASE BY RECORD OWNER. (a) The record owner at the time of tax foreclosure of property acquired by a borough or city, or his assigns, may, at any time before the sale or contract of sale of the tax-foreclosed property by the borough or city, repurchase the property. The borough or city shall sell the property for the full amount applicable to the property under the judgment and decree, with interest at the rate of eight percent a year from the date of entry of the judgement of foreclosure to the date of repurchase, delinquent taxes, including penalty and interest assessed and levied as though it had continued in private ownership, and costs of foreclosure and sale, including, but not limited to, costs of publication of notice and any costs associated with the determination of holders of mortgages and other liens of record under Sec. 350 (a) of this chapter.

(b) No change.

EXPLANATION: Makes it clear that penalty and interest on due taxes continue to accumulate until the date of repurchase.

DRAFTED CHANGES RECOMMENDED BY THE TECHNICAL COMMITTEE
06 December 1980

Sec. 29.45.470. REPURCHASE BY RECORD OWNER. (a) The record owner at the time of tax foreclosure of property acquired by a borough or city, or his assigns, may, at any time before the sale or contract of sale of the tax-foreclosed property by the borough or city, repurchase the property. The borough or city shall sell the property for the full amount applicable to the property under the judgment and decree, with interest at the rate of eight percent a year from the date of entry of the judgement of foreclosure to the date of repurchase, delinquent taxes, including penalty and interest assessed and levied as though it had continued in private ownership, and costs of foreclosure and sale, including, but not limited to, costs of publication of notice and any costs associated with the determination of holders of mortgages and other liens of record under Sec. 350 (a) of this chapter.

(b) No change.

EXPLANATION: Makes it clear that penalty and interest on due taxes continue to accumulate until the date of repurchase.

Sec. 29.45.545. COMBINING PROPERTY TAX WITH INCORPORATION.

A petition for second class city incorporation may request that a property tax proposal be placed on the same ballot. The petition must state the proposed tax rate. The petition may request that incorporation be dependent upon the passage of the property tax proposition. If so, the incorporation proposition fails if the property tax fails.

EXPLANATION: This is a new section similar to the provision in 29.45.630 allowing an incorporation petition to be tied to imposition of a sales tax.

Sec. 29.45.570. SALES AND USE TAX. (a) A borough may levy and collect a sales tax not exceeding six percent on sales, rents, and on services made within the borough. The sales tax may apply to any or all of these sources. Exemptions may be granted by ordinance.

(b) No change.

(c) No change.

(d) If the assembly of a home rule or general law borough charges interest on sales taxes not paid when due, the rate of interest may not exceed 15 percent a year upon the delinquent taxes and shall be charged from the due date until paid in full.

(e) A borough may provide for the creation, recording, and notice of a lien on real or personal property to secure the payment of a sales or use tax, and for interest, penalties and administration costs in the event of delinquencies. A lien established under this section has the force, priority and duration of a judgment lien.

EXPLANATION: (a) changed to make it clear that tax can be levied on sales and rents, not just one or the other. (d) interest rate raised from eight to 15 percent. (e) added to allow liens for the collection of sales and use taxes.

Sec. 29.45.590. REFERENDUM, ADOPTION AND MODIFICATION. A new sales tax or an increase in the rate of levy of a sales tax approved by the assembly by ordinance shall not take effect until ratified by a majority of the voters voting on the question at a regular or special election.

EXPLANATION: Simplifies the section and eliminates the provision that propositions may be brought only once a year.

Sec. 29.45.610. POWER OF LEVY. (a) A city within a borough which levies and collects a sales or use tax for areawide functions may levy a sales or use tax upon all sources taxed by the borough in the manner provided for a borough and may provide for a lien to secure payment of the tax as provided for a borough.

(b) A city within a borough which does not levy and collect a sales or use tax for areawide functions may levy and collect a sales or use tax in the manner provided for a borough and may provide for a lien to secure payment of the tax as provided for a borough.

Sec. 29.45.620. POWER OF LEVY AND COLLECTION. Repeal.

EXPLANATION: Material contained in AS 29.45.620 has been combined into AS 29.45.610. The section has been altered to insure that a city may create a lien to secure payment of a sales and use tax as is recommended in AS 29.45.570 for boroughs.

Sec. 29.45.220. HEARING. (a) No change.

(b) No change.

(c) The only grounds for adjustment is proof of unequal, excessive, improper, or under valuation based on facts which are stated in a valid written appeal or ~~proved~~^{proven} at the appeal hearing. If a valuation is found to be too low, the board of equalization may raise the assessment.

(d) No change.

(e) Except as to supplementary assessments, the assessor shall enter the changes and certify the final assessment roll by June 1.

(f) The appellant or the assessor may appeal the board's determination to the superior court as provided by rules of court applicable to appeals from the decisions of administrative agencies. Appeals are heard on the record established at the hearing before the board of equalization.

EXPLANATION: Change in (c) makes it clear that an assessment can be raised as the result of an appeal. Change in (e) to allow for supplementary assessments after June 1. Change in (f) so that appeals to the superior court will be heard on the record rather than de novo, as is now the case.

CHANGE REQUESTED BY AAAO

Sec. 29.45.100. TAX LIMITATIONS. (a) No change.

(b) No municipality, or combination of municipalities occupying the same geographical area, in whole or in part, may levy taxes (1) which will result in tax revenues from all sources exceeding \$1,500 a year for each person residing within their boundaries or (2) upon values which, when combined with the value of property otherwise taxable by the municipality, exceed the product of 225 percent of the average per capita assessed full and true value of property in the state multiplied by the number of residents of the taxing municipality. If two or more municipalities occupying the same geographical area, in whole or in part, attempt to levy a tax (1) the combined levy of which would result in tax revenues from all sources exceeding \$1,500 a year for each person residing within their boundaries or (2) upon value which, when combined with the value of the property otherwise taxable by the municipality, exceed the product of 225 percent of the average per capita assessed full and true value of property in the state multiplied by the residents of the taxing municipality, the commissioner of community and regional affairs shall apportion the lawful levy and equitably divide these revenues on the basis of need, services performed and other considerations in the public interest. For the purpose of this subsection, population shall be determined by the commissioner of community and regional affairs based on the latest statistics of the United States bureau of the census or on other reliable population data. For purposes of this subsection the average per capita assessed full and true value of the property in the state shall be calculated without regard to the assessed value of taxable property under AS 43.58.

EXPLANATION: Change requested by AAAO. No recommendation by the Technical Group.

note: \$1000 + \$500.

Walker

Explanation: This section has been clarified as to the fact that a unified municipality may levy both areawide and nonareawide taxes. Limiting the use of areawide taxes to areawide functions and nonareawide taxes to nonareawide functions makes little sense. It is made clear that taxes may be levied on personal and real property or either.

(e) The real property owned and occupied as a permanent place of abode by a resident 65 years of age or over is exempt from taxation of the assessed value of the real property. Only one exemption may be granted with respect to the same property and, if two or more persons are eligible for an exemption with respect to the same property, the parties shall decide between or among themselves which shall receive the benefit of the exemption. No real property may be exempted under this subsection which the assessor determines, after notice and hearing to the parties concerned, has been conveyed to the applicant primarily for the purpose of obtaining the exemption. The determination of the assessor is appealable under AS 44.62.560-44.62.570.

(f) No exemption may be granted under (e) of this section except upon written application for the exemption on a form prescribed by the state assessor for the use by local assessors. The claimant must file the application no later than January 15 of the assessment year for which the exemption is sought, but during the same year the governing body of the municipality for good cause shown may waive the claimant's failure to make timely application for the exemption for that year and authorize the assessor to accept the application as if timely filed. The claimant must file a separate application for each assessment year in which the exemption is sought. If an application is filed within the required time and is approved by the assessor, he shall allow an exemption in accordance with the provisions of this section. If a claimant whose failure to file by January 15 of the assessment year has been waived as provided in this subsection and the application for exemption is approved, the amount of tax which the claimant may have already paid for the assessment year with respect to the property exempted shall be refunded to him. The assessor may at any time require proof in the form he considers necessary of the right and amount of an exemption claimed under this section.

(g) The state shall reimburse a borough or city, as appropriate, for the real property tax revenues lost to it by the operation of (e) of this section. However, reimbursement will be made to a borough or city for revenue lost to it only to the extent that the loss exceeds an exemption which was granted by the borough or city, or which upon proper application by an individual would have been granted by the borough or city, under sec. 25(a) of this chapter.

Explanation

Comments:

Based on Alaska Association of Assessing Officers (AAAO) recommendation:

(1) Para. (a)(2): deletes \$500 limit on exemption of household furniture;

(2) (b)(3) narrows the language so that only portions of lots necessary to

(2) Para. (c): clarifies that "exclusively for classroom space" limitations on rental income under (c) only applies to rental use by an "educational group" and does not preclude the exemption when the income is derived from use by nonprofit religious, charitable, or hospital groups.

(3) Para. (f): clarifies filing of a claim for exemption is a requirement for only the senior citizen exemption under (e), and not for the other exemptions addressed in the section.

Adds flexibility so that a local government may establish a date later than Jan. 15 for filing for a senior citizen exemption.

Sec. 29.45.040. (Sec. 29.73.060.) PROPERTY TAX EQUIVALENCY PAYMENTS.

(a) A resident of the state 65 years of age or older who rents a permanent place of abode is eligible for tax equivalency payments from the state through the Department of Community and Regional Affairs.

(b) For purposes of determining payments to eligible persons, the department shall calculate a property tax equivalent percentage for each home rule or general law municipality which levies a general property tax at the rate of one percent per mil. The property tax equivalent percentage applied to the annual rent charged to the applicant equals the property tax equivalency payment payable under this section.

(c) To obtain tax equivalency payments the eligible resident must apply to the department for payment for the preceding year by January 15 of each year on forms and in the manner prescribed by the department. Each applicant shall submit with the application rental receipts or, if rental receipts are not available, other evidence satisfactory to the department for determination of the fact of payment of rent and the amount paid.

(d) If two or more persons occupy a residence as tenants, not all of whom are eligible for tax equivalency payments under this section, the assessor shall determine equitable partial payments to be made to the eligible tenants. However, tax equivalency payments to an eligible applicant may not be reduced because the spouse is less than 65 years of age. If all occupants in a residence are eligible for tax equivalency payments under this section, the occupants shall decide between and among themselves which shall receive payment.

Sec. 29.45.050. Optional exemptions and exclusions.

(a) Municipalities may exclude or exempt or partially exempt residential property from taxation by ordinance ratified by the voters at a regular or special election. An exclusion or exemption authorized by this section may not exceed \$10,000 for any one residence.

Explanation

Sec. 29.45.060. Mining claims. The assessed value of an unimproved unpatented mining claim which is not producing, and a nonproducing patented mining claim upon which the improvements originally required for patent have become useless and valueless through depreciation, removal or otherwise, is exempt [fixed at \$200 for each 20 acres or fraction of 20 acres]. If the surface ground of a claim has a separate and independent value for nonmining uses, the real and personal property is assessed at its full and true value.

delete

Formerly: ~~AS 29.53.030~~

Administrative costs exceed taxes to be realized from nonproducing mining claims. If surface ground has value, it may be assessed simply as real property.

Comments:

Deletes \$200 valuation figure. AAAO recommends deletion since administrative costs exceed taxes to be realized in carrying property at \$200 figure on roll.

1 nonfarm purpose. The assessor shall maintain records valuing the farm use
2 land for both full and true value and farm use value. Should the farm use
3 land be sold, leased, or otherwise disposed of for uses incompatible with
4 farm use or be converted to a use incompatible with farm use by the owner,
5 the owner is liable to pay an amount equal to the additional tax at the
6 current mill levy together with eight percent interest for the preceding
7 seven years, as though the land had not been assessed for farm use purposes.
8 Payment by the owner shall be made to the state to the extent of its
9 reimbursement for revenue loss under (e) of this section for the preceding
10 seven years. The balance of the payment shall be made to the city or
11 borough.

12 (b) An owner of farm use land must, to secure the assessment,
13 make application to the assessor before May 15 of each year in which the
14 assessment is desired. The application shall be made upon forms prescribed
15 by the state assessor for the use of the local assessor and shall include
16 information which may reasonably be required to determine the entitlement of
17 the applicant. If the farm use land is leased for farm use purposes, the
18 applicant shall furnish to the assessor a copy of the lease bearing the
19 signatures of both lessee and lessor along with the completed application.
20 The applicant shall furnish the assessor a copy of the lease covering the
21 period for which the exemption is requested.

22 (c) In this section "farm use" means the use of land for raising
23 and harvesting crops or for the feeding, breeding and management of
24 livestock or for dairying or another agricultural use for profit or any
25 combination thereof. To be farm use land, the owner or the lessee must be
26 actively engaged in farming the land, and derive at least 10 per cent of his
27 yearly gross income from the farm use land. The provisions of this section
28 do not apply to land respecting which the owner has granted, and has
29 outstanding, a lease or option to buy the surface rights. A property owner

5 shall file with the assessor before February 1 of the following year a
6 notarized statement of the percentage of gross income attributable to the
7 farm use land. Failure to make the filing required in this subsection
8 forfeits the exemption.

9 (d) In the event of a crop failure by an act of God the previous
10 year, the owner or lessee may submit an affidavit affirming that 10 percent
11 of his gross income for the past three years was from farming.

12 (e) Subject to legislative appropriations for the purpose, the
13 state shall reimburse a borough or city, as appropriate, for the real

15 Sec. 29.45.080. (Sec. 29.53.040.) MOBILE HOMES. Mobile homes,
16 trailers, house trailers, trailer coaches and similar property used or
17 intended to be used for residential, office or commercial purposes and

29 Department of Revenue at a rate not to exceed that which produces an amount

1 of revenue from the total municipal property tax equivalent to \$1,500 a year
2 for each person residing within its boundaries.

3 (c) A municipality may levy and collect a tax on the full and
4 true value of that portion of taxable property taxable under AS 43.56 as
5 assessed by the Department of Revenue which value, when combined with the
6 value of property otherwise taxable by the municipality, does not exceed the

9 taxing municipality. For purposes of this subsection the average per capita
10 assessed full and true value of property in the state shall be calculated
11 without regard to the assessed value of taxable property under AS 43.58.

12 (d) By February 1 of each assessment year a taxing municipality
13 must inform the Department of Revenue which method of taxation the
14 municipality will use.

15 (e) For purposes of this section, population shall be determined
16 by the commissioner of community and regional affairs based on the latest

Explanation: The penalty and interest rates are raised, so that people will not deliberately avoid paying taxes due to the high cost of borrowing from other sources. Penalty and interest on an unpaid installment accrues only from the date the installment is due. (c) is repealed as redundant. Since (a) provides for interest and penalty on all types of taxes, there is no need for special treatment of property taxes.

Sec. 29.45.370. (Sec. 29.53.280.) ANSWER AND OBJECTION. A person having an interest in a tract on the foreclosure list may file an answer within 30 days of the date of last publication, specifying his objection. The court shall make its decision in summary proceedings. The foreclosure list is prima facie evidence that the assessment and levy of the tax is valid and that the tax is unpaid.

Sec. 29.45.380. (Sec. 29.53.290.) JUDGEMENT. The court shall in a proper case give judgment and decree that the tax liens be foreclosed. It is a several judgment against and a lien on each parcel.

Sec. 29.45.390. (Sec. 29.53.300.) TRANSFER AND APPEAL. (a) Foreclosed properties are transferred to the borough for the lien amount. When answers are filed the court may enter judgment against and order the transfer to the borough of all other properties on the list pending determination of the matters in controversy. The court shall hear and determine the issues raised by the complaint and answers in the same manner and under the same rules as it hears and determines other actions.

(b) The court clerk shall deliver a certified copy of the judgment and decree to the borough clerk. The certified judgment and decree constitutes a transfer to the borough.
