Sec. 22.28.020. **ADMINISTRATION.** The commissioner of administration is responsible for the administration of the system.

Sec. 22.28.050. **RETIREMENT OF JUSTICES AND JUDGES.**
(a) A justice or judge shall be retired on the date that he reaches the age of 70. He is eligible for retirement pay if he has had five or more years of service at the time of retirement as a justice or judge.

(b) A justice or judge may be retired for incapacity as provided by law. He is eligible for retirement pay if

he has had two or more years of service at the time of retirement for incapacity. The effective date of retirement under this subsection is the first day of the month coinciding with or after the date upon which the governor with respect to a justice, or the supreme court with respect to a judge files with the commissioner of administration a written declaration to the effect that a designated justice or judge was retired for incapacity. A duplicate copy of the declaration shall be filed with the judicial council.

(c) A justice or judge who served for a period of five years, and who believes that he has become so incapacitated as to prevent him from efficiently performing his judicial duties may file with the governor a written application for retirement which contains a sworn statement of his service and of his incapacity. When an application is filed, the governor shall appoint a board of three persons to inquire into the circumstances, and may, upon the board's recommendation, retire the justice or judge. The effective date of the retirement shall be as provided in (b) of this section.

(d) A justice or judge may voluntarily retire at any time and shall have a vested right to his accrued retirement pay if he has served five or more years. The provisions of (b) of this section are an exception to this rule. A justice or judge desiring to retire under this subsection shall file with the commissioner of administration a notice of his desire. If a justice or judge is eligible to receive retirement pay at the time of his retirement, his retirement pay shall commence on the first day of the month coinciding with or after the date the notice is filed with the commissioner of administration. Sec. 22.28.060. **RETIREMENT PAY.** A retired justice or judge eligible for retirement pay shall receive from the date of his eligibility until his death monthly compensation equal to five per cent per year of service, to a maximum of 75 per cent, of the monthly salary authorized for justices and judges, respectively, at the time each retirement payment is made.

the justice or judge would thereafter have been entitled to receive if retired at the time of death. If at death the justice or judge was not yet entitled to retirement pay, or was or would have been entitled to less than 60 per cent of the monthly salary authorized for his office, the surviving spouse is entitled to monthly compensation equal to 30 per cent of the salary authorized for justices or judges, respectively, at the time each monthly payment is made.

An estimated amount sufficient to pay all benefits, including interest credited to individual accounts, anticipated to be paid under this chapter in each fiscal year shall be included in the annual appropriation to the Department of Administration. If the actual authorized benefits necessary to be paid in any fiscal year exceed the sum appropriated, the benefits due shall nevertheless be paid from general funds of the state not otherwise appropriated.

Sec. 22.28.100. ACCOUNTING. (a) The contributory judicial retirement account shall be established to which all appropriations under this chapter shall be credited.

(b) An individual account shall be maintained for each justice or judge to which the amount of his mandatory contributions collected under this chapter shall be credited as of the date of deduction or payment, as the case may be. As of the last day of each calendar year and each fiscal year beginning with June 30, 1976, this account shall be credited

with interest by applying one-half of the prescribed rate of interest to the balance in the account as of that date.

(c) The total percentage under (b) of this section shall not exceed 75 per cent.

Sec. 39.37.060. SURVIVORS' BENEFITS. (a) Upon the death of an elected public officer who has served at least two years, the surviving spouse is entitled to receive monthly compensation equal to one-half of the monthly retirement pay the elected public officer would thereafter have been entitled to receive if retired at the time of death. If at death the elected public officer was not yet entitled to retirement pay, or was or would have been entitled to less than 60 per cent of the monthly salary authorized for his office, the surviving spouse is entitled to monthly compensation equal to 30 per cent of the monthly salary authorized for the office at the time each retirement payment is made or 30 per cent of his average monthly compensation as defined in AS 39.35.680.

the period of their dependency. Dependency exists with respect to any child of an elected public officer who is either (1) a minor under the laws of Alaska; (2) under the age of 23 and is a student attending on a full-time basis an accredited educational or technical institution recognized by the Department of Education; or (3) so mentally or physically incapacitated as to be unable to provide for self-care.

(e) If there are both an eligible surviving spouse and surviving dependent children, but who reside in separate households, the surviving spouse will receive one-half of the benefits payable under (a) of this section and the dependent children will share equally in the remainder of the benefits.

(g) The contribution is made in the form of a payroll deduction and is made notwithstanding that the compensation paid in cash to the elected public officer is reduced below the minimum prescribed by law. Each elected public officer is considered to consent to the deduction made from his compensation. Payment of compensation less the deduction prescribed in (a) of this section and other payroll deductions constitutes a full and complete discharge and satisfaction of all claims and demands for the services rendered by him during the period covered by the payment, except as to the benefits provided for under this chapter.

Sec. 39.37.080. ADMINISTRATION. The commissioner of administration is responsible for the administration of the system.

(b) An individual account shall be maintained for each elected public officer to which the amount of his mandatory contributions collected under this chapter shall be credited as of the date of deduction or payment, as the case may be. As of the last day of each calendar year and each fiscal year beginning with June 30, 1976, this account shall be credited with interest by applying one-half of the prescribed rate of interest to the balance in the account as of that date.
