Fiscal Note Analysis
Prepared by Division of Retirement & Benefits

October 30, 1985

Analysis: Passage of this bill would decrease the current monthly salary for legislators and would consequently reduce monthly benefit payments to some members of the Elected Public Officers Retirement System (EPORS). Seventeen current EPORS retirees would receive reduced benefits and, for this analysis, we have estimated that three of the six members eligible to retire in FY 87 would also be affected by this bill.

The FY 87 savings to the state of \$59.2 is calculated by applying the reduction in salary to the EPORS benefit formula and recalculating the FY 87 cost for each EPORS retiree.

The savings for FY 87 are projected for five months. Savings in successive fiscal years are for full years and increase at a rate of 8%.

This fiscal note reflects cost savings relating to EPORS only. Savings in PERS and TRS benefits will presumably be reflected in the fiscal note prepared by Legislative Affairs Agency in the Personal Services Component since these costs are charged as a percent of salary.

Dear Ms. Firestone:

Re: Comparison of Legislative Retirement Benefits

In response to our phone conversation of September 25, I am enclosing a comparison chart which outlines the differences between the Alaska Public Employees' (PERS), Teachers' (TRS), and Elected Public Officers (EPORS) retirement systems. Also enclosed is a comparison chart showing the differences between legislative retirement systems in California, Michigan, New York and Pennsylvania.

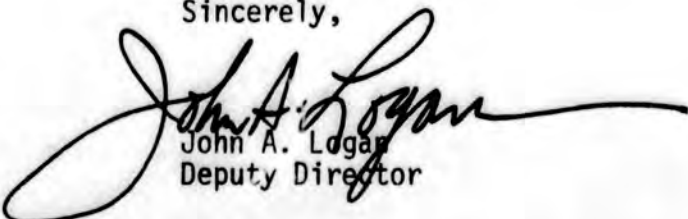

Of the 60 active legislators in Alaska, 42 have elected coverage under the PERS, three are covered under the TRS, 10 are covered under the EPORS, and five have waived participation in the PERS and, therefore, have no coverage.

The PERS was established effective January 1, 1961, and the TRS July 1, 1955. These systems were created to encourage qualified individuals to enter and remain in employment in Alaska. The PERS provides retirement coverage to public employees of the State and participating political subdivisions. The TRS provides coverage to teachers in public schools in Alaska.

The EPORS was established effective January 1, 1976, but was repealed by voter referendum on October 14, 1976. However, the Supreme Court later ruled that the repeal should not affect those elected officials who were at that time participating in the EPORS. Covered under this system are the governor, lieutenant governor, and legislators who were participating prior to the October 14, 1976 repeal.

I hope this information is helpful. If I can be of further assistance, please let me know.

Sincerely,

John A. Logan
Deputy Director

3 (a) Subject to AS 14.25.167, a [A] member is eligible for a
4 normal retirement salary at age 55 with at least two years membership
5 service if the member also is eligible for a normal retirement benefit
6 under the public employees' retirement system (AS 39.35).

7 * Sec. 4. AS 14.25.125(b) is amended to read:

8 (b) Subject to AS 14.25.167, a [A] member is eligible for an
9 early retirement salary at age 50 with at least two years of member-
10 ship service if the member also is eligible for an early retirement
11 benefit under the public employees' retirement system (AS 39.35).

12 * Sec. 5. AS 14.25.150 is amended to read:

13 Sec. 14.25.150. REFUND UPON TERMINATION. (a) Except as pro-
14 vided in (b) of this section, a [A] terminated member is entitled to a
15 refund of the balance of the member contribution account. A member is
16 not entitled to a refund of supplemental contributions except as pro-
17 vided in AS 14.25.160(a).

18 * Sec. 6. AS 14.25.150 is amended by adding a new subsection to read:

19 (b) A member who is terminated and is a vested member, deferred
20 vested member, or who is entitled to benefits under AS 14.25.125, and
21 who is married at the time of application for a refund or whose rights
22 to a refund are subject to a qualified domestic relations order is
23 entitled to receive a refund of the balance of the member contribution
24 account only if the member's spouse and each person entitled under the
25 order consents to the refund in writing on a form provided by the
26 administrator. The administrator may waive written consent from the
27 person entitled under the order if the administrator determines that
28 the person cannot be located or for other reasons established by
29 regulation. The administrator may waive written consent from the

1 spouse if the administrator determines that

2 (1) the member was not married to the spouse during any
3 period of the member's employment with an employer;

4 (2) the spouse has no rights to benefits under this chapter
5 because of the terms of a qualified domestic relations order;

6 (3) the spouse cannot be located; or

7 (4) for other reasons established by regulation.

8 * Sec. 7. AS 14.25 is amended by adding a new section to read:

9 Sec. 14.25.153. RIGHTS UNDER QUALIFIED DOMESTIC RELATIONS ORDER.

10 In this chapter the rights of a person under a qualified domestic
11 relations order take precedence over the rights of a spouse, surviving
12 spouse, or dependent child to the extent required by the order. A
13 person granted rights under a qualified domestic relations order shall
14 be treated as a spouse or surviving spouse under this chapter to the
15 extent required by the order. Rights under the order do not take
16 effect until the order is filed with the administrator.

17 * Sec. 8. AS 14.25.155(c) is amended to read:

18 (c) If the death of a vested member or deferred vested member
19 occurs and the proximate cause of death is not a bodily injury sus-
20 tained or hazard undergone while in the performance and within the
21 scope of the member's duties of employment, the surviving spouse may
22 elect to receive either the benefits described in (b) of this section
23 or a 50 percent joint and survivor option as provided under AS 14.25.-
24 167(a)(2) based on credited service to the date of the member's ter-
25 mination. If no spouse survives a vested or deferred vested member,
26 or if a person other than the spouse is designated as beneficiary in
27 accordance with AS 14.25.166, the administrator shall pay [,] the
28 designated beneficiary [SHALL BE PAID] the benefits described in
29 AS 14.25.160(b) and (c). Benefits accrue from the first day of the

1 month following the member's death and are payable the last day of the
2 month.

3 * Sec. 9. AS 14.25.157(a) is amended to read:

4 (a) If (1) the death of a member occurs before the member first
5 attains eligibility for normal retirement, and (2) the proximate cause
6 of death is a bodily injury sustained or hazard undergone while in the
7 performance and within the scope of the member's duties of employment,
8 and (3) the injury or hazard is not the proximate result of wilful
9 negligence on the part of the member, the administrator shall pay a
10 monthly survivor's pension equal to 40 percent of the member's base
11 salary at the time of termination of employment, divided by 12, [SHALL
12 BE PAID] to the member's surviving spouse. If there is no surviving
13 spouse, the administrator shall pay the monthly survivor's pension
14 [SHALL BE PAID] in equal parts to the dependent children of the mem-
15 ber. On the date the normal retirement of the member would have
16 occurred if the member had lived, monthly payments must [SHALL] equal
17 the monthly amount of the normal retirement benefit to which the mem-
18 ber, had the member lived and continued employment until the member's
19 normal retirement date, would have been entitled with an average base
20 salary as existed at the member's death and the credited service to
21 which the member would have been entitled. If the member does not
22 have a [NO SURVIVING] spouse or dependent children [EXIST] at the time
23 of death or if the member designates as beneficiary under AS 14.25.166
24 someone other than the surviving spouse or dependent children, the
25 administrator shall pay the member's designated beneficiary [SHALL BE
26 PAID] those benefits available to a beneficiary under AS 14.25.160(b)
27 and (c) and may not pay a [NO] benefit [WILL BE PAID] to the surviving
28 spouse or dependent children.

29 * Sec. 10. AS 14.25.166(a) is amended to read:

1 (a) Each member shall designate the beneficiary or beneficiaries
2 to whom the administrator shall distribute benefits payable under this
3 chapter as a consequence of the member's death. Notwithstanding a
4 previous designation of beneficiary, a person who is the spouse of a
5 member at the time of the member's death automatically becomes the
6 designated beneficiary if the spouse was married to the member during
7 part of the member's employment for an employer

8 (1) except to the extent a qualified domestic relations
9 order filed with the administrator provides for payment to a former
10 spouse or other dependent of the member; or

11 (2) unless the member files a revocation of beneficiary
12 accompanied by a written consent to the revocation from the spouse and
13 each person entitled under the order [SHALL BE DISTRIBUTED].

14 * Sec. 11. AS 14.25.166(b) is amended to read:

15 (b) Except as provided in (a) of this section, the member may
16 change or revoke the [THE] designation [MAY BE CHANGED OR REVOKED BY
17 THE MEMBER] without notice to the beneficiary or beneficiaries at any
18 time. If a member designates more than one beneficiary, each shares
19 [SHALL SHARE] equally unless the member specifies a different allo-
20 cation or preference. The designation of a beneficiary, [AND] a
21 change or revocation of a beneficiary, and a consent to revocation of
22 a beneficiary shall be made on a form provided by the administrator
23 and is not effective until filed with the administrator.

24 * Sec. 12. AS 14.25.166 is amended by adding a new subsection to read:

25 (d) A person claiming entitlement to benefits payable under this
26 chapter as a consequence of a member's death shall provide the admin-
27 istrator with a marriage certificate, divorce or dissolution judgment,
28 or other evidence of entitlement. Documents establishing entitlement
29 may be filed with the administrator immediately after a change in the

1 member's marital status. If the administrator does not receive noti-
2 fication of a claim before the date 10 days after the member's death,
3 the person claiming entitlement is not entitled to receive from the
4 division of retirement and benefits any benefit already paid by the
5 administrator.

6 * Sec. 13. AS 14.25.167(a) is repealed and reenacted to read:

7 (a) Benefits payable under this section are in place of benefits
8 payable under AS 14.25.110, 14.25.125, 14.25.155, 14.25.157, 14.25.-
9 160, 14.25.162, or 14.25.164. Upon filing an application for retire-
10 ment with the administrator, or when a disabled member becomes eligi-
11 ble for normal retirement under AS 14.25.130(e), the member shall
12 designate the person who is the member's spouse at the time of ap-
13 pointment to retirement as the contingent beneficiary. However, if
14 the designation of the spouse is revoked under (c) of this section,
15 the member may designate a dependent approved by the administrator as
16 the contingent beneficiary or may take normal or early retirement
17 under AS 14.25.110 or 14.25.125. The administrator shall pay benefits
18 under the option elected by the member. The member may elect an
19 option that provides that

20 (1) the member is entitled to receive a reduced benefit
21 payable for life, and, after the member's death, the contingent ben-
22 efiary is entitled to receive payments in the amount of 75 percent
23 of the reduced benefit for life;

24 (2) the member is entitled to receive a reduced benefit
25 payable for life, and, after the member's death, the contingent ben-
26 efiary is entitled to receive payments in the amount of 50 percent
27 of the reduced benefit for life; or

28 (3) the member is entitled to receive a reduced benefit
29 payable during the joint lifetime of the member and the contingent

1 beneficiary, and, after the death of either the member or the contin-
2 gent beneficiary, the survivor is entitled to receive payments in the
3 amount of 66-2/3 percent of the reduced benefit for life.

4 * Sec. 14. AS 14.25.167(c) is amended to read:

5 (c) A member may elect or [,] change [, OR REVOKE] an option
6 without the approval of the administrator if the member's election or
7 [,] change [, OR REVOCATION] is filed in writing with the administra-
8 tor before the effective date of the member's retirement. A member
9 may revoke a joint and survivor option if the member files with the
10 administrator before the effective date of the member's retirement a
11 revocation and a consent to the revocation signed by the member's
12 spouse and each person entitled to benefits under a qualified domestic
13 relations order on forms provided by the administrator. The adminis-
14 trator may waive the requirement for written consent from

15 (1) a person entitled under the order if the person cannot
16 be located or for other reasons established by regulation; or

17 (2) the spouse if the member is not married, the member was
18 not married to the spouse during any period of the member's employment
19 with an employer, the spouse has no rights to the option because of
20 the terms of a qualified domestic relations order, the spouse cannot
21 be located, or for other reasons established by regulation.

22 * Sec. 15. AS 14.25.167 is amended by adding new subsections to read:

23 (f) The member and any person claiming to be a contingent bene-
24 ficiary shall file with the administrator a marriage certificate,
25 divorce or dissolution judgment, or other evidence necessary to deter-
26 mine the applicability of this section and the identity of any contin-
27 gent beneficiary.

28 (g) If the administrator determines, based on the affidavit of
29 the member and other evidence, that a member is eligible to elect a

1 form of payment other than a joint and survivor option under this
2 section, and no contrary evidence is presented to the administrator
3 within 60 days after the effective date of the member's retirement, no
4 claim under this section, made by a spouse or former spouse of the
5 member, may be paid if payment would result in an increase in actuari-
6 al liability to the system.

7 (h) If a member fails to elect an option under (a) of this
8 section and no effective revocation is filed with the administrator,
9 the member is considered to have elected the option provided in (a)(2)
10 of this section.

11 * Sec. 16. AS 14.25.200(a) is amended to read:

5 * Sec. 37. AS 39.35.450(c) is amended to read:

6 (c) An employee may elect or [,] change [, OR REVOKE] an option
7 without the approval of the administrator if the election or [,]
8 change [, OR REVOCATION] is filed in writing with the administrator

11 administrator before the effective date of the employee's retirement a
12 revocation and consent to the revocation signed by the employee's
13 spouse and each person entitled to benefits under a qualified domestic
14 relations order on forms provided by the administrator. The adminis-

16 (1) a person entitled under the order if the person cannot
17 be located or for other reason established by regulation; or

29 gent beneficiary.

1 (g) If the administrator determines, based on the affidavit of
2 the employee and other evidence that an employee is eligible to elect
3 a form of payment other than a joint and survivor option under this
4 section, and no contrary evidence is presented to the administrator
5 within 60 days after the effective date of the employee's retirement,
6 no claim under this section, made by a spouse or former spouse of the
7 member, may be paid if payment would result in an increase in actuari-
8 al liability to the system.

9 (h) If an employee fails to elect an option under this section,
10 and if no effective revocation is filed with the administrator, the
11 employee is considered to have elected the option provided in (a)(2)
12 of this section.

17 spouse, or dependent child to the extent required by the order. A
18 person granted rights under a qualified domestic relations order shall
19 be treated as a spouse or surviving spouse to the extent required by
20 the order. Rights under the order are effective when the order is
21 filed with the administrator.

22 * Sec. 40. AS 39.35.490 is amended to read:

24 shall designate the beneficiary or beneficiaries to whom the adminis-
25 trator shall distribute benefits payable under this chapter as a
26 consequence of the employee's death. Notwithstanding a previous
27 designation of beneficiary, a person who is the spouse of an employee
28 at the time of the employee's death automatically becomes the desig-
29 minated beneficiary if the spouse was married to the employee during

1 part of the employee's employment for an employer

2 (1) except to the extent a qualified domestic relations
3 order filed with the administrator provides for payment to a former
4 spouse or other dependent of the employee; or

5 (2) unless the employee files a revocation of beneficiary
6 accompanied by a written consent to the revocation signed by the
7 spouse and each person entitled under the order [SHALL BE DISTRI-
8 BUTED].

9 (b) Except as provided in (a) of this section, the [THE] desig-
10 nation may be changed or revoked by the employee without notice to the
11 beneficiary or beneficiaries at any time. If an employee designates
12 more than one beneficiary, each shares [SHALL SHARE] equally unless
13 the employee specifies a different allocation or preference. The
14 member shall make a designation of [A] beneficiary, [AND] a change or
15 revocation of a beneficiary, or a consent to a revocation of a benefi-
16 ciary shall be made on a form provided by the administrator and is not
17 effective until filed with the administrator.

18 (c) If an employee fails to designate a beneficiary, or if no
19 designated beneficiary survives the employee, the administrator shall

21 (1) to the surviving spouse or, if there is none surviving,

22 (2) to the surviving children in equal parts or, if there
23 is none surviving,

1 administrator with a marriage certificate, divorce or dissolution
2 decree, or other evidence of entitlement. Documents establishing
3 entitlement may be filed with the administrator immediately after a
4 change in the employee's marital status. If the administrator does
5 not receive notification of a claim before the date 10 days after the
6 employee's death, the person claiming entitlement to the benefits is
7 not entitled to receive from the division of retirement and benefits
8 any benefit already paid by the administrator.

9 * Sec. 42. AS 39.35.500 is amended to read:

10 Sec. 39.35.500. SAFEGUARD OF EMPLOYEE FUNDS HELD BY THE SYSTEM.

12 exempt from Alaska state and local taxes. Amounts held on behalf of,
13 or payable to, any employee or other person who is or may become
14 eligible for benefits under the system are not subject to anticipa-
15 tion, alienation, sale, transfer, assignment, pledge, encumbrance, or
16 charge of any kind, either voluntary or involuntary, before being
17 received by the person entitled to the amount under the terms of the
18 system. An attempt to anticipate, alienate, sell, transfer, assign,
19 pledge, encumber, charge, or otherwise dispose of a right to amounts
20 held under the system is void. However, an employee's right to re-
21 ceive benefits may be assigned under a qualified domestic relations
22 order.

23 * Sec. 43. AS 39.35.680 is amended by adding a new paragraph to read:

3 if any, of the employee and of each alternate payee covered by
4 the order;

15 of actuarial value; and

16 (G) does not require the payment to an alternate payee
17 of benefits that are required to be paid to another alternate
18 payee under another order previously determined to be a qualified
19 domestic relations order.

20 * Sec. 44. Within 90 days after the effective date of this section, the
21 Department of Administration shall publish notice of the provisions of this
22 Act in the regularly published newsletters of the division of retirement
23 and benefits and in newspapers of general distribution in each judicial
24 district of the state, and shall make available the forms necessary to

18 contributions shall be treated as employer contributions under
19 26 U.S.C. 414(h)(2).

20 * Sec. 2. AS 39.35.340(a) is amended to read:

21 (a) A vested employee is entitled to credited service for active
22 military service in the armed forces of the United States, either by
23 enlistment or induction, if the employee received a discharge under
24 honorable conditions and is not entitled to receive benefits from the
25 United States government for the same service [DID NOT RECEIVE A
26 DISHONORABLE DISCHARGE]. The credited service allowed may not exceed
27 an aggregate period of five years. Benefits are not payable on cred-
28 ited service for military service unless the employee makes retroac-
29 tive contributions to the system for the period of time that service

1 credit is claimed. However, if the employee was in the employ of an
2 employer on the date of entry into the armed forces and returned to
3 the employ of an employer within 90 days after the date of discharge
4 from military service, the employee is not required to make retroac-
5 tive contributions under this system for the period of credited ser-
6 vice.

7 * Sec. 3. AS 39.35.340(b) is repealed and reenacted to read:

8 (b) In order to obtain credited service under this section, an
9 employee shall make an election to do so and shall verify the period
10 of military service. When eligibility for credited service for mili-
11 tary service has been established, an indebtedness shall be determined
12 as follows: (1) the employee's actual compensation, or the cal-
13 culated annual compensation for those employees working less than 12
14 months, during the calendar year 1976 or the year in which an employee
15 first becomes vested under this chapter, whichever is later, multi-
16 plied by (2) the number of years of military service credited under
17 this section and this product multiplied by (3) six percent for
18 members who are first eligible to claim this military service before
19 January 1, 1986, or nine percent for members who are first eligible to
20 claim this military service on or after January 1, 1986. Interest as
21 prescribed by regulation accrues on this indebtedness beginning on
22 July 1, 1977, or one year following the date a person first becomes
23 vested, whichever is later. Any outstanding indebtedness that exists
24 at the time a person is appointed to retirement will necessitate an
25 actuarial adjustment to the benefits payable based upon that military
26 service.

27 * Sec. 4. AS 39.35.360(i) is amended to read:

28 (i) An employee who completes three years of credited service
29 with an employer, for which the employee makes contributions required

1 by this chapter, is entitled to credited service on a year-for-year
2 basis for service credited in the Civil Service Retirement System,
3 rendered as an employee of an Alaska Bureau of Indian Affairs (BIA)
4 school, other than service as a teacher. Retroactive credited service
5 under this section must be claimed before the employee retires. When
6 eligibility for retroactive credited service under this section has
7 been established, an indebtedness of the employee to the system shall
8 be determined as follows: (1) [ESTABLISHED. THE AMOUNT OF THIS
9 INDEBTEDNESS IS DETERMINED BY MULTIPLYING SIX PERCENT OF] the employ-
10 ee's actual annual compensation, or the calculated annual compensation
11 for an employee who works fewer than 12 months, for the most recent
12 calendar year in which service is rendered to an employer before the
13 calendar year in which the employee first becomes eligible to claim
14 service under this subsection, multiplied by (2) the number of years
15 of service in Alaska BIA schools that is credited under this subsec-
16 tion, and this product multiplied by (3) six percent for employees
17 first eligible to claim this service before January 1, 1986, or nine
18 percent for employees first eligible to claim this service on or after
19 January 1, 1986. Interest as prescribed by regulation accrues on the
20 indebtedness beginning on the date the employee may first claim the
21 retroactive credited service. Any outstanding indebtedness that
22 exists at the time the employee retires requires an actuarial adjust-
23 ment to the benefits that are based on retroactive credited service
24 under this section. Service may not be claimed under this subsection
25 and benefits may not be paid for service claimed under this subsection
26 if the employee has, at any point in time, enough service credit in
27 the Civil Service Retirement System to be eligible for a retirement
28 benefit under that system.

29 * Sec. 5. AS 39.35.370(a) is amended to read:

1 (a) A terminated employee is eligible for a normal retirement
2 benefit (1) at age 60 [55] with at least five years credited service,
3 or (2) with at least 20 years of credited service as a peace officer
4 or fireman, or (3) with at least 30 years of credited service for all
5 other employees.

6 * Sec. 6. AS 39.35.370(b) is amended to read:

7 (b) A terminated employee is eligible for an early retirement
8 benefit at age 55 [50] with at least five years credited service. An
9 actuarial adjustment must be made to retirement benefits paid under
10 this section for an early retirement benefit.

11 * Sec. 7. AS 39.35.370(c) is amended to read:

12 (c) The monthly amount of a retirement benefit for a peace
13 officer or fireman is two percent of the average monthly compensation
14 times the years of credited service [UP] through 10 years, plus two
15 and one-half percent of the average monthly compensation times the
16 years of service over 10 years. For all other employees it is

17 (1) two percent of the average monthly compensation times
18 all [THE] years of service before July 1, 1985, and for years of
19 service through a total of 10 years; plus

20 (2) two and one-quarter percent of the average monthly
21 compensation times all years of service after June 30, 1985, over 10
22 years of total service through 20 years; plus

23 (3) two and one-half percent of the average monthly compen-
24 sation times all years of service after June 30, 1985, over 20 years
25 of total servi = [AN ACTUARIAL ADJUSTMENT MUST BE MADE FOR AN EARLY
26 RETIREMENT BENEFIT].

27 * Sec. 8. AS 39.35.385(a) is amended to read:

28 (a) An employee is eligible for a normal retirement benefit at
29 age 60 [55] with at least two years of credited service if the

1 employee also is eligible for a normal retirement salary under the
2 teachers' retirement system (AS 14.25).

3 * Sec. 9. AS 39.35.385(b) is amended to read:

4 (b) An employee is eligible for an early retirement benefit at
5 age 55 [50] with at least two years of credited service if the em-
6 ployee also is eligible for an early retirement salary under the
7 teachers' retirement system (AS 14.25).

8 * Sec. 10. AS 39.35.385(f) is amended to read:

9 (f) An employee is eligible for a normal retirement benefit at
10 age 60 [55] or an early retirement benefit at age 55 [50] if the
11 employee has at least 60 days of credited service as a temporary
12 employee of the legislature during each of five legislative sessions.

13 * Sec. 11. AS 39.35.475 is repealed and reenacted to read:

14 Sec. 39.35.475. POST-RETIREMENT PENSION ADJUSTMENT. (a) Once
15 each year the administrator shall increase benefit payments to eligi-
16 ble disabled members and to persons age 60 or older receiving benefits
17 under this system in the preceding calendar year.

18 (b) The increase in benefit payments applies to total benefit
19 payments except for the cost-of-living allowance under AS 39.35.480.
20 The amount of the increase is a percentage of the current benefit
21 equal to

22 (1) the lesser of 75 percent of the increase in the cost of
23 living in the preceding calendar year or nine percent, for recipients
24 who on July 1 are at least 65 years old and for members receiving
25 disability benefits; and

26 (2) the lesser of 50 percent of the increase in the cost of
27 living in the preceding calendar year or six percent, for recipients
28 who on July 1 are at least 60 but less than 65 years old.

29 (c) If a recipient was not receiving benefits during the entire

1 preceding calendar year, the increase in benefits under this section
2 shall be adjusted by multiplying it by the fraction whose numerator is
3 the number of months for which benefits were received in the preceding
4 calendar year and whose denominator is 12.

5 (d) If at the time of first receiving a retirement benefit a
6 member was receiving a disability benefit under this system, the
7 administrator shall, at the time the member is appointed to retire-
8 ment, increase the retirement benefit by a percentage equal to the
9 total cumulative percentage increase that has been applied to the
10 member's disability benefit under this section.

11 (e) When computing an occupational death benefit under AS 39.-
12 35.430 or 39.35.440 or a survivor's benefit under AS 39.35.450, ad-
13 justments granted to the deceased member or survivor under this sec-
14 tion shall be included.

15 (f) An increase in benefit payments under this section is effec-
16 tive July 1 of each year and is based on the percentage increase in
17 the consumer price index for urban wage earners and clerical workers
18 for Anchorage, Alaska during the previous calendar year as determined
19 by the United States Department of Labor, Bureau of Labor Statistics.

20 * Sec. 12. AS 39.35.480(a) is amended to read:

21 (a) While residing in the state, a person receiving a benefit
22 under this chapter who is 65 years of age or older or who is receiving
23 a disability benefit is entitled to receive a monthly cost-of-living
24 allowance in addition to the basic benefit. The amount of this allow-
25 ance shall be \$50 or 10 percent of the basic benefit, whichever is
26 greater.

27 * Sec. 13. AS 39.35.535 is amended to read:

28 Sec. 39.35.535. MEDICAL BENEFITS. (a) If a benefit recipient
29 elects major medical insurance coverage under this section, the [THE]

1 following persons are entitled to [MAJOR MEDICAL INSURANCE] coverage:

2 (1) a person receiving a monthly benefit from the system;

3 (2) the spouse of a person receiving a monthly benefit from
4 the system;

5 (3) a natural or adopted child of a person receiving a
6 monthly benefit from the system, if the child is a dependent child
7 under AS 39.35.680(11).

8 (b) After an election of coverage under this section, major
9 [MAJOR] medical insurance coverage takes effect on the same date that
10 [AS RETIREMENT] benefits begin, and stops when the member [RETIRED
11 EMPLOYEE] or survivor is no longer eligible to receive a monthly
12 benefit. The coverage for persons age 65 or older is the same cover-
13 age available for a person under 65. The benefits payable to [THOSE]
14 persons age 65 or older supplement any benefits provided under the
15 federal old age, survivors and disability insurance program.

16 * Sec. 14. AS 39.35.535 is amended by adding a new subsection to read:

17 (c) A benefit recipient may elect major medical insurance cover-
18 age in accordance with regulations and under the following conditions:

19 (1) a person who is younger than 60 years of age must pay
20 an amount equal to the full monthly group premium for retiree major
21 medical insurance coverage;

22 (2) a person who is at least 60 years of age but is younger
23 than 65 years of age must pay an amount equal to one-half of the full
24 monthly group premium for retiree major medical insurance coverage;

25 (3) a disabled member or a person 65 years of age or older
26 is not required to make premium payments.

27 * Sec. 15. AS 39.35.680(8) is amended to read:

28 (8) "compensation" means the total remuneration earned by
29 an employee for personal services rendered, including employee

1 contributions under AS 39.35.160, cost-of-living differentials, pay-
2 ments for leave that is actually used by the employee, the amount by
3 which the employee's wages are reduced under AS 39.30.150(c), and any
4 amount deferred under an employer-sponsored deferred compensation
5 plan, but does not include retirement benefits, welfare benefits, per
6 diem, expense allowances, workers' compensation payments or payments
7 for leave not used by the employee whether those leave payments are
8 scheduled payments, lump-sum payments, donations, or cash-ins;

9 * Sec. 16. AS 39.35.680(13) is amended to read:

10 (13) "early retirement" means retirement for a member who is
11 not eligible for normal retirement and who is at least 55 [50] years
12 old and is eligible to receive benefits under AS 39.35.370(b) or under

5 A BILL

6 For an Act entitled: "An Act relating to temporary service credit with the
7 public employees' retirement system; and providing
8 for an effective date."

9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

10 * Section 1. AS 39.35.345 is amended to read:

11 Sec. 39.35.345. TEMPORARY SERVICE CREDIT. (a) A vested em-
12 ployee is entitled to credited service for periods in which the em-
13 ployee regularly rendered full-time personal service to an employer
14 but was not qualified to participate in the system because of the
15 exclusion of temporary workers as described in AS 39.35.680(21)(C)-
16 (iii). If an employee claims retroactive credited service under this
17 section, the employee becomes indebted to the system. The amount of
18 indebtedness is equal to the contributions the employee would have
19 made during the periods of employment for which the credited service
20 is claimed if the employee had been a member of the system during
21 those periods. Benefits are not payable on [THIS] credited service
22 claimed under this section unless the employee makes retroactive
23 contributions to the system to discharge the indebtedness for the
24 period of time that credited service is claimed. [THE RETROACTIVE
25 CONTRIBUTION IS THE FULL ACTUARIAL COST OF PROVIDING BENEFITS FOR THE
26 CREDITED SERVICE CLAIMED.]

27 (b) To obtain credited service under this section, an employee
28 must elect to do so and must verify the period of temporary service
29 before July 1, 1986 [1981], or within one year following the date when

1 the employee first becomes vested under this chapter, if later. When
2 eligibility for temporary service credit has been established, an
3 indebtedness shall be determined as provided in (a) of this section.
4 Interest as prescribed by regulation accrues on that indebtedness
5 beginning July 1, 1986 [1981], or one year following the date an
6 employee first becomes vested, whichever is later. Any outstanding
7 indebtedness existing at the time an employee retires will require an
8 actuarial adjustment to the benefits payable based on the temporary
9 service.

10 (c) A deferred vested employee on July 1, 1985 [1980], is eligi-
11 ble to claim credited service under (a) of this section. To obtain
12 credited service under this section, a deferred vested employee must
13 elect to do so and must verify the period of temporary service before
14 July 1, 1986 [1981]. When eligibility for temporary service credit
15 has been established, an indebtedness shall be determined as provided
16 in (a) of this section. Interest as prescribed by regulation accrues
17 on that indebtedness beginning July 1, 1986 [1981]. Any outstanding
18 indebtedness existing at the time a deferred vested employee retires
19 will require an actuarial adjustment to the benefits payable based on
20 the temporary service.

21 (d) The credited service granted under this section may [NOT] be
22 used to satisfy the credited service requirements for normal or early
23 retirement.

24 * Sec. 2. The department shall recompute the indebtedness of an em-
25 ployee who claimed retroactive credited service under AS 39.35.345 after
26 June 30, 1980, and before the effective date of this Act. The department
27 shall refund any overpayment of retroactive contributions and interest paid
28 on the indebtedness to the employee.

SB 121

SENATE BILL NO. 121 by the Rules Committee by request of the Governor, entitled:

"An Act making miscellaneous amendments to the retirement statutes."

was read the first time and referred to the State Affairs Committee and the Finance Committee.

Fiscal note appears in Supplement No. 11.

Governor's transmittal letter dated February 1:

Dear Senator Bennett:

Under the authority of art. III, sec. 18, of the Alaska Constitution, I am transmitting a bill making miscellaneous amendments to the retirement statutes. This bill clarifies certain provisions in the retirement statutes; it also codifies policies and practices adopted by the Department of Administration or the retirement boards in implementing those statutes.

Section 1 of the bill clarifies the initiation date for charging interest on arrearage indebtedness for creditable outside, military, and BIA service. This provides for equitable and sound administration, and it conforms to the intent of the statute and the department's current practices.

Section 2 of the bill amends the definition of "credited service" in AS 14.25.220(10). The amendment clarifies that, for purposes of determining whether a person is eligible for benefits (i.e., has served for enough years to have a vested interest in a benefit), only paid-up years are credited. This is also consistent with Teachers' Retirement Board regulation no. 82-1.

Section 3 of the bill amends the definition of "outside service" in AS 14.25.220(25) to clarify that only full years of outside service may be claimed as credited service. This is consistent with the intent of the original legislation and is necessary now because of subsequent changes allowing partial credit for membership and Alaska BIA service.

Section 4 of the bill amends the definition of "teacher or member" in AS 14.25.220(38). The amendment of that section clarifies that only persons described are included in the definition.

SB 121 cont'd

Consistent with sec. 3 of the bill, sec. 5 of the bill repeals and reenacts the definition of "year of service" in AS 14.25.220(40) to clarify that partial-year service credit is given only for membership and BIA service. This amendment does not affect years of service or partial-year credit available for service in the armed forces under AS 14.25.100, or for territorial service under Teachers' Retirement Board regulation no. 80-15.

Section 6 of the bill amends AS 22.25.048 to provide that the fund for the judicial retirement system is established as a separate fund, rather than as a special account in the general fund. The department considers this to constitute a sounder funding practice for a pension plan, providing for greater security for the fund and for more accurate crediting of investment income back into the fund. For the same reasons, sec. 7 of the bill amends AS 26.05.228(a) to provide that the fund for the Alaska National Guard retirement system is established as a separate fund, rather than as a special account in the general fund. These changes do not offend the "dedicated fund" prohibition in art. II, sec. 7, of the Alaska Constitution because the money in these pension funds is money that the state is holding in trust for the numerous individual employees. In other words, it is money that "belongs" to the employees, not the state.

The definition of "governmental unit" for purposes of determining eligibility to participate in the state's group health and life benefits fund is amended in sec. 8 of the bill to expressly include school districts. This is to clarify that a school district is treated as a distinct governmental unit of the state and is allowed to participate in the State's Group Health and Life Plan.

Section 9 amends AS 39.35.680(4) to substitute "payroll" years for "calendar" years for purposes of determining an employee's average monthly compensation for computation of the amount of the retirement benefit. This change was made necessary by the fact that a number of employers who participate in the public employees' retirement system use pay periods that do not exactly coincide with the calendar year.

AS 39.35.680(8) is amended in sec. 10 of the bill to provide that severance pay and other separation bonuses are not included in the definition of "compensation." Exclusion of severance pay, like the exclusion of payments for unused leave which is already set out in the definition, prevents a retiree's benefit from being unduly increased by a windfall separation payment that does not reflect the retiree's actual average monthly compensation.

February 1, 1985

SB 121 cont'd

Section 11 amends AS 39.35.680 to add a definition of "payroll year," which is used in the amendment in sec. 9 of this bill.

SB 122

SENATE BILL NO. 122 by the Rules Committee by request of the Governor, entitled:

"An Act placing division of geological and geophysical surveys petroleum engineers and petroleum geologists in the exempt service; and providing for an effective date."

was read the first time and referred to the State Affairs Committee.

Fiscal note is zero.

Governor's transmittal letter dated February 1:

Dear Senator Bennett:

Under the authority of art. III, sec. 18, of the Alaska Constitution, I am transmitting a bill relating to petroleum engineers and petroleum geologists in state service. Current law provides that these professionals are in the exempt service, except for those employed in the division of geological and geophysical surveys (GGS) in the Department of Natural Resources. The attached bill would delete this exception, thus bringing all these professionals within the exempt service.

The petroleum engineers and geologists employed in the division of geological and geophysical surveys handle sensitive and confidential oil and gas data, and are involved in deciding what tracts the state should lease. It is important that the state have the flexibility to employ the best professionals available for these positions. The petroleum engineer and geologist positions within the GGS division have evolved to a level of responsibility commensurate with those professionals employed elsewhere in the

SB 122 cont'd

Department of Natural Resources and by the Oil and Gas Conservation Commission -- all of whom are presently in the exempt service. There is no reason to exempt some of these positions but not all of them.

Sincerely,

Bill Sheffield
Governor

Governor's transmittal letter dated February 1:

Dear Senator Bennett:

Under the authority of art. III, sec. 18, of the Alaska Constitution, I am transmitting a bill that amends statutes pertaining to the Alaska Power Authority.

The attached bill does two things. It changes the due date for the annual report from the authority to the governor and the legislature, and places the report on a fiscal year basis. This change will simplify the inclusion of fiscal year audit and financial statements. It will also allow time for administrative and legislative review of the report before the beginning of the next legislative session.

The bill also amends the energy-program-for-Alaska statutes relating to the power development fund to permit return of investment income to the fund. This amendment will lessen the total of annual appropriations necessary to achieve a \$2 billion equity investment in Susitna. It should be noted that return of investment income to a separate fund is subject to a challenge under the dedicated-fund prohibition in art. IX, sec. 7, of the Alaska Constitution. However, the Department of Law has indicated that it will defend statutes providing for such a practice.

Sincerely,

Bill Sheffield
Governor

FOURTEENTH LEGISLATURE - FIRST SESSION

A BILL

6 For an Act entitled: "An Act relating to calculation of the cost-of-living
7 and pay step differentials for the compensation and
8 retirement benefits of certain public employees;
9 classification system; limiting the state's power to
10 change the cost to the state of compensation for
11 certain positions; and providing for an effective
12 date."

13 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

14 * Section 1. AS 23.40 is amended by adding a new section to read:

15 Sec. 23.40.075. ITEMS NOT SUBJECT TO BARGAINING. The parties
16 may not negotiate terms contrary to the limitations on state personnel
17 actions under AS 37.07.085 or on pay step differential calculations
18 under AS 39.27.020(d).

19 * Sec. 2. AS 37.07 is amended by adding new sections to read:

20 Sec. 37.07.085. LIMITATIONS ON STATE PERSONNEL ACTIONS. (a)
21 Unless the budget specifically provides or the legislature approves,
22 the state may not

23 (1) reclassify a position to a higher salary range after
24 September 1, 1985 unless the reclassification is consistent with
25 policies established in AS 39.25.150(1) for a position classification
26 plan;

27 (2) change the salary range of a job class unless the
28 change is required to comply with AS 18.80.220(a)(5), AS 39.25.010 or
29 39.25.150(2); or

1 (3) promote a person to the next step of a flexibly staffed
2 position if the person was first hired in the flexibly-staffed posi-
3 tion after the effective date of this section.

4 (b) In this section, "state" means the executive, legislative
5 and judicial branches of state government and includes the University
6 of Alaska.

7 Sec. 37.07.087. LISTING OF PERMANENT POSITIONS. (a) On or
8 before September 15 of each year, each department shall deliver to the
9 division of budget review in the Office of Management and Budget a
10 list of permanent positions in the department on July 31 of that year.
11 The list shall include for each position the position control number
12 (PCN), title, salary range, pay step, location, time status, bargain-
13 ing unit if any, and position funding source. A department shall
14 remove from the list a PCN that is not funded and shall revise the
15 listing of other PCN's to be consistent with the positions authorized
16 in the budget. The department shall report to the legislature each
17 year the positions removed from its list.

18 (b) After conforming the list of permanent positions to the
19 budget, a department may not establish a new permanent PCN or change
20 the salary range, pay step, location, or time status of an existing
21 PCN unless the division of budget review concurs.

22 (c) A department shall maintain the master list of the depart-
23 ment's positions as an automated position accounting control system
24 file in accordance with instructions from the Office of Management and
25 Budget.

26 * Sec. 3. AS 39.25.010(b) is amended to read:

27 (b) The merit principle of employment includes the following:

28 (1) recruiting, selecting, and advancing employees on the
29 basis of their relative ability, knowledge, and skills, including open

1 consideration of qualified applicants for initial appointment;

2 (2) regular integrated salary programs based on the nature
3 of the work performed;

4 (3) retention of employees with permanent status on the
5 basis of the adequacy of their performance, reasonable efforts of
6 temporary duration for correction in inadequate performance, and
7 separation for cause;

8 (4) equal treatment of applicants and employees with regard
9 only to consideration within the merit principles of employment; [AND]

10 (5) selection and retention of an employee's position
11 secure from political influences; and

12 (6) classification and pay plans designed to provide pay
13 equity by using judgments and factors free of biases based on race or
14 sex and determining job worth for all job classifications based on a
15 single set of criteria.

16 * Sec. 4. AS 39.27.020 is amended by adding a new subsection to read:

17 (d) If an employee's basic annual salary is no more than
18 \$30,000, the pay step differential shall be calculated using the
19 employee's basic salary. If the employee's basic annual salary is
20 greater than \$30,000, then the employee's pay step differential shall
21 be calculated on the differential for a basic salary of \$30,000.

22 * Sec. 5. AS 39.35 is amended by adding a new section to read:

23 Sec. 39.35.675. INCLUSION OF COST-OF-LIVING DIFFERENTIALS IN
24 COMPENSATION AND BENEFITS. (a) An employee shall make contributions
25 to the system based on compensation including a cost-of-living differ-
26 ential.

27 (b) The amount of a cost-of-living differential may not be in-
28 cluded in the employee's compensation for purposes of calculating
29 benefits paid under this chapter unless the employee has received a

1 cost-of-living differential in a comparable amount or of at least that
2 many steps for at least 50 percent of the employee's credited service.

3 (c) When an employee receives a benefit, and if the employee's
4 compensation for purposes of calculating the benefit does not include
5 a cost-of-living differential, then the administrator shall refund to
6 the employee the amount of contributions the employee made based on
7 the differential.

8 (d) In this section "cost-of-living differential" means an
9 adjustment to salary based on the cost of living in the geographic
10 region where the employee works and includes a pay step differential
11 under AS 39.27.020.

12 * Sec. 6. AS 39.35.680(8) is amended to read:

13 (8) "compensation" means the total remuneration earned by
14 an employee for personal services rendered, including cost-of-living
15 differentials only as provided in AS 39.35.675, payments for leave
16 that is actually used by the employee, the amount by which the em-
17 ployee's wages are reduced under AS 39.30.150(c), and any amount
18 deferred under an employer-sponsored deferred compensation plan, but
19 does not include retirement benefits, welfare benefits, per diem,
20 expense allowances, workers' compensation payments or payments for
21 leave not used by the employee whether those leave payments are sched-
22 uled payments, lump-sum payments, donations, or cash-ins;

23 * Sec. 7. The legislature shall review the pay step differentials
24 provided under AS 39 27.020 and under collective bargaining contracts
25 between the state and employee bargaining organizations following the
26 release of a comprehensive study of the geographic differentials by the
27 state.

28 * Sec. 8. By September 15, 1985, the division of budget review in the
29 Office of Management and Budget shall develop a master position control

1 system with the capability of matching permanent positions listed in an
2 automated position accounting control system against the state's master
3 payroll record.

4 * Sec. 9. The amendments made by secs. 5 and 6 of this Act apply only
5 to members first hired under the Public Employees' Retirement System on or
6 after the effective date of secs. 5 and 6 of this Act.

7 * Sec. 10. Nothing in this Act terminates or modifies a collective
8 bargaining agreement in existence on the effective date contained in
9 sec. 13 of this Act.

10 * Sec. 11. If any provision of this Act, or the application thereof to
11 any person or circumstance is held invalid, the remainder of this Act and
12 the application to other persons or circumstances shall not be affected
13 thereby.

14 * Sec. 12. Sections 5, 6, and 9 of this Act take effect January 1,
15 1987.

16 * Sec. 13. Sections 1 - 4, 7, 8, 10, and 11 of this Act take effect
17 immediately in accordance with AS 01.10.070(c).

10 Sec. 23.40.210. AGREEMENT. Upon the completion of negotiations
11 between an organization and a public employer, if a settlement is
12 reached, the employer shall reduce it to writing in the form of an
13 agreement. The agreement may include a term for which it will remain
14 in effect, not to exceed three years. The agreement shall include a
15 pay plan designed to provide for a cost-of-living differential between
16 the salaries paid employees residing in the state and employees resid-
17 ing outside the state. The cost-of-living differential or other
18 geographic cost-of-living adjustment may not be considered part of the
19 basic salary for purposes of calculating overtime compensation or
20 other salary adjustments. The plan shall provide that the salaries
21 paid, as of August 26, 1977, to employees residing outside the state
22 shall remain unchanged until the difference between those salaries and
23 the salaries paid employees residing in the state reflects the differ-
24 ence between the cost of living in Alaska and living in Seattle,
25 Washington. The agreement shall include a grievance procedure which
26 shall have binding arbitration as its final step. Either party to the
27 agreement has a right of action to enforce the agreement by petition

29 * Sec. 2. AS 39.27.020 is amended by adding a new subsection to read:

1 (d) If an employee's basic annual salary is no more than
2 \$30,000, the pay step differential shall be calculated using the

4 greater than \$30,000, then the employee's pay step differential shall
5 be calculated on the differential for a basic salary of \$30,000.

6 * Sec. 3. AS 39.27 is amended by adding a new section to read:

MEMORANDUM

April 1, 1985

SUBJECT: CSSB 207 (Finance) (Geographical
Differentials)

TO: Senator John Sackett
Co-Chair, Senate Finance Committee

FROM: Teresa B. Cramer *IBC*
Legislative Counsel

You have asked for suggestions for changing the geographical differential provisions in section 2 of CSSB 207 (Finance). Two approaches occurred to me.

The first approach is similar to the current provision in the bill.

(a) A person whose basic salary is \$30,000 or less (or any other amount) receives the pay step differential set out in AS 39.27.020.

(b) A person whose basic salary exceeds that amount receives a differential equal to the amount set out in statute less one-half (or any other fraction) the value of the last step in the differential.

This formula should apply only to differentials equal to or greater than one. For positions in other states, to which a minus six differential applies, the formula should be changed so that positions paid more than \$30,000 have the value of an additional half step subtracted from their salaries.

This approach could be used to establish a three-tiered system by setting two cut-off points (for example, a basic salary of \$30,000 or less, a basic salary greater than \$30,000 but less than \$40,000, and a basic salary equal to or greater than \$40,000) and two fractional values (for example, two-thirds of the final step for employees paid

Senator John Sackett
April 1, 1985
page 2

\$30,000 - \$40,000 and one-third of the final step for employees paid \$40,000 or more).

The second approach would be a more radical change to the current system. The legislature could establish a specific value for a pay step differential. For example, the pay step between Range 15A (\$2410) and 15B (\$2498) as set out in AS 39.27.011 is \$88. Using that amount as the value of a pay step differential, an employee who lives in election district 12 (which has a pay step differential of 7 under AS 39.27.020) would receive a differential of \$616 per month regardless of the salary range at which the employee was paid. This approach would increase the differential paid to persons in the lower salary ranges and decrease the differential paid to persons in the higher salary ranges.

The collective bargaining agreements for the General Government Unit and the Supervisory Unit of the Alaska Public Employees Association contain detailed provisions for geographic differentials. The terms of the contracts cannot be amended by legislative action, and therefore a statutory change would not apply to employees within those units until the expiration of the contracts. I have not reviewed the terms of other collective bargaining agreements to determine whether they address this issue.

As discussed in my memorandum of March 13, 1985, section 2 of the committee substitute raises constitutional questions relating to legislative infringement of administrative powers of the executive and judicial branches and of the University of Alaska.

Sections 3 and 4 of the committee substitute raise equal protection questions. Employees who worked 50% of the time in locations which received a geographical differential may claim the geographical differential as part of their salaries and therefore receive higher retirement benefits than employees who received geographical differentials for less than 50% of their employment. The difference cannot be justified on the basis of the cost of living in the retired person's current place of residence, since payment does not depend on where the retired person lives.

If I may be of further assistance, please advise.

MEMORANDUM

April 26, 1985

SUBJECT: Sectional analysis of CSSB 207 (Fin)
TO: Representative Katie Hurley
Chair, House State Affairs Committee
FROM: Teresa B. Cramer *TBC*
Legislative Counsel

You have asked for a sectional analysis of CSSB 207 (Fin), relating to certain kinds of compensation for public employees.

Section 1 prohibits the state and employee bargaining organizations representing state employees from entering a collective bargaining contract that is contrary to the terms of sections 2 or 4 of the bill.

Section 2 forbids the state, including the executive, legislative, judicial branches and the University of Alaska, from making changes to positions, job classes, or salaries as listed in the section. The regulation of employment practices may be viewed as a legislative infringement on the power of the governor and the chief justice of the Supreme Court to administer those branches of government and the power of the board of regents to administer the University of Alaska. See memo to the Senate Finance Committee dated March 13, 1985, discussion of section 6.

Section 37.07.087 requires departments to provide information on PCN's to the Office of Management and Budget and to revise that information based on current budget authorization. The departments may not change the list unless the division of budget review in OMB concurs.

Section 3 includes determination of job worth based on a single set of criteria within the merit principle of employment.

Representative Katie Hurley
April 26, 1985
Page 2

Section 4 limits the amount that an employee may receive as a pay step differential. The maximum differential would be calculated on a basic salary of \$30,000.

Sections 5 and 6 require an employee to make contributions to the Public Employment Retirement System based on the employee's entire compensation including a cost-of-living differential. However, the employee's benefits will be based on the entire compensation only if the employee received a comparable cost-of-living differential for at least 50 percent of the employee's credited service. If the employee does not receive benefits based on salary including cost-of-living differentials, then the division must refund the amount of contributions the employee made for the differentials. These sections raise equal protection questions. (See memo to the Senate Finance Committee April 1, 1985.)

Section 7 requires that the legislature review geographic pay step differentials after release of a state study on the subject.

Section 8 requires the division of budget review in OMB to develop a master position control system that can match permanent positions against the state's master payroll record.

Section 9 provides that the amendments to the Public Employees' Retirement System only apply to members first hired after the effective date of the sections amending the PERS. (January 1, 1987 -- see section 12)

Section 10 provides that the bill does not terminate or modify a collective bargaining agreement that was in effect on the effective date established in section 13.

Section 11 is a severability clause consistent with AS 01.10.030 which applies to all laws passed by the legislature unless it is specifically exempted.

Section 12 is an effective date for sections 5, 6, and 9.

Section 13 provides that the bill, except for sections 5, 6, and 9, takes effect immediately.

If I may be of further assistance, please advise.

MEMORANDUM

TO: Representative Katie Hurley

FROM: Employees Political Information Committee

SUBJECT: Senate Bill 207 - Changes to the Geographic
Differential System

DATE: April 23, 1985

The Employees Political Information Committee, the political action arm of the Alaska Public Employees Association, is opposed to Senate Bill 207. It not only discriminates against employees working and living in rural areas, it impinges upon and erodes the concept of collective bargaining.

This legislation defeats the intent of the negotiated geographic differential system. The differentials were implemented in the first collective bargaining contract in 1974 to compensate for the high cost of living in certain areas of the state. The system was established to equalize the purchasing power of the wages earned by the state employees no matter in what area they live. If this bill passes, it automatically curtails negotiations surrounding geographic differential and negates a collective bargaining precedent that was set in 1974.

Limiting the geographic adjustment for the first \$30,000 of salary

This would affect employees in range 10 and above. Unlike employees working in urban areas, they would be unable to maintain their current living standards. The system was designed to increase an employee's salary in an amount equal to the difference in living cost between Anchorage and the worksite location. If the differential is limited to a portion of salary, the result will be pay adjustment equal to less than the difference of living cost.

Side Effects on Communities

The reduction of current salaries in the rural areas would have an effect on the economy of the community itself. If the buying power of the state employee is cut, then business in the communities would have to anticipate a decline in their revenues at a time when growth in Alaska is the key phrase of the Administration.

Geographic Differential Study underway

The state is currently conducting a geographic differential study to determine the validity of the current schedule. The report on the study will possibly be released sometime next month. It would seem appropriate and prudent to read the report before contemplating changes to the system.

Differential not calculated for retirement purposes

The legislation proposes that the differential not be included for the purpose of calculating retirement benefits unless the employee has received a differential in a comparable amount, or, of at least that many steps for at least 50 percent of the employee's credited service. This will create two classes of beneficiaries and will pose considerable problems in the administration of funds. These proposed changes will be challenged as they establish residency requirements for retirement benefits not unlike the longevity bonus program which the courts have rejected unconstitutional.

Legislative approval on classification, ranges and flexing

This will undoubtedly be challenged as an unconstitutional intrusion by the legislature on the administrative powers of the executive branch, the court system and the university.

Dear Representative Hurley:

On behalf of the Employees Political Information Committee (EPIC), I wish to bring to your attention the attached position paper pertaining to Senate Bill 207.

As you know this legislation deals with changes to the geographic differential compensation system for public employees working in rural areas.

EPIC, APEA's political action arm, is opposed to SB 207. The committee respectfully urges you to consider the ramifications to collective bargaining that this bill evokes and to support the public employees in their opposition to it.

Sincerely,

Cherie Shelley
Executive Director, Alaska Public Employees Association
