CHAPTER 28. CONTRIBUTORY JUDICIAL RETIREMENT SYSTEM.

Sec. 22.28.010. **APPLICATION.** Each justice or judge appointed before January 1, 1976 shall accrue benefits under the provisions of ch. 25 of this title. Each justice or judge appointed after that date and who has not accrued benefits under ch. 25 of this title shall accrue benefits under the system provided in this chapter.

Sec. 22.28.020. **ADMINISTRATION.** The commissioner of administration is responsible for the administration of the system.

Sec. 22.28.030. **REGULATIONS.** The commissioner may promulgate regulations to implement the provisions of this chapter. Regulations adopted by the commissioner under this chapter relate to the internal management of state agencies and their adoption is not subject to the Administrative Procedure Act (AS 44.62).

Sec. 22.28.040. **CONTRIBUTIONS.** While participating in the system each justice and judge shall contribute seven per cent of his compensation to the retirement system.

Sec. 22.28.050. **RETIREMENT OF JUSTICES AND JUDGES.** (a) A justice or judge shall be retired on the date that he reaches the age of 70. He is eligible for retirement pay if he has had five or more years of service at the time of retirement as a justice or judge.

(b) A justice or judge may be retired for incapacity as provided by law. He is eligible for retirement pay if

he has had two or more years of service at the time of retirement for incapacity. The effective date of retirement under this subsection is the first day of the month coinciding with or after the date upon which the governor with respect to a justice, or the supreme court with respect to a judge files with the commissioner of administration a written declaration to the effect that a designated justice or judge was retired for incapacity. A duplicate copy of the declaration shall be filed with the judicial council.

(c) A justice or judge who served for a period of five years, and who believes that he has become so incapacitated as to prevent him from efficiently performing his judicial duties may file with the governor a written application for retirement which contains a sworn statement of his service and of his incapacity. When an application is filed, the governor shall appoint a board of three persons to inquire into the circumstances, and may, upon the board's recommendation, retire the justice or judge. The effective date of the retirement shall be as provided in (b) of this section.

(d) A justice or judge may voluntarily retire at any time and shall have a vested right to his accrued retirement pay if he has served five or more years. Retirement pay shall not commence until he has reached age 60, except that an actuarially equivalent retirement pay may be commenced after he has reached age 55 or upon his serving 20 years as a justice or judge. The provisions of (b) of this section are an exception to this rule. A justice or judge desiring to retire under this subsection shall file with the commissioner of administration a notice of his desire. If a justice or judge is eligible to receive retirement pay at the time of his retirement, his retirement pay shall commence on the first day of the month coinciding with or after the date the notice is filed with the commissioner of administration. If a justice or judge is not eligible to receive retirement pay at the time of his retirement, his retirement pay shall commence on the first day of the month he reaches age 60 or the month he becomes eligible for an actuarial equivalent if he has applied for this option.

(e) In the computation of service for retirement under this chapter, the time served by a justice or judge of any court of the state is added to the time served by him, if any, on any other court of the state.

(f) The word "justice" means a supreme court justice, and the word "judge", unless the context clearly indicates otherwise, means a superior court or district court judge.

Sec. 22.28.060. **RETIREMENT PAY.** A retired justice or judge eligible for retirement pay shall receive from the date of his eligibility until his death monthly compensation equal to five per cent per year of service, to a maximum of 75 per cent, of the monthly salary authorized for justices and judges, respectively, at the time each retirement payment is made.

Sec. 22.28.070. **SURVIVORS' BENEFITS.** (a) Upon the death of a justice or judge who has served for at least two years, the surviving spouse is entitled to receive monthly compensation equal to one-half of the monthly retirement pay

the justice or judge would thereafter have been entitled to receive if retired at the time of death. If at death the justice or judge was not yet entitled to retirement pay, or was or would have been entitled to less than 60 per cent of the monthly salary authorized for his office, the surviving spouse is entitled to monthly compensation equal to 30 per cent of the salary authorized for justices or judges, respectively, at the time each monthly payment is made.

(b) To be eligible for the survivors' benefits, the surviving spouse must have been married to the justice or judge for at least two years immediately preceding the death of the justice or judge. The benefits continue until the remarriage or death of the surviving spouse.

(c) If there is no surviving spouse, or if the surviving spouse does not meet the requirements of (b) of this section, or upon the remarriage or death of the surviving spouse, the surviving dependent child or children of the justice or judge are entitled to receive in equal shares 50 per cent of the amount of the survivors' benefits specified under (a) of this section.

(d) The surviving child or children are entitled to the survivors' benefits under (c) of this section during the period of their dependency. Dependency exists with respect to any child of a justice or judge who is either (1) a minor under the laws of Alaska, (2) under the age of 23 and is a student attending on a full-time basis an accredited educational or technical institution recognized by the Department of Education, or (3) so mentally or physically incapacitated as to be unable to provide for self-care.

(e) If there are both an eligible surviving spouse and surviving dependent children, but who reside in separate households, the surviving spouse and dependent children will share equally in the benefits payable under (a) of this section.

Sec. 22.28.080. TAX EXEMPTION. Benefits paid under this chapter are exempt from state and municipal taxes.

Sec. 22.28.090. APPROPRIATIONS. An estimated amount sufficient to pay all benefits, including interest credited to individual accounts, anticipated to be paid under this chapter in each fiscal year shall be included in the annual appropriation to the Department of Administration. If the actual authorized benefits necessary to be paid in any fiscal year exceed the sum appropriated, the benefits due shall nevertheless be paid from general funds of the state not otherwise appropriated.

Sec. 22.28.100. ACCOUNTING. (a) The contributory judicial retirement account shall be established to which all appropriations under this chapter shall be credited.

(b) An individual account shall be maintained for each justice or judge to which the amount of his mandatory contributions collected under this chapter shall be credited as of the date of deduction or payment, as the case may be. As of the last day of each calendar year and each fiscal year beginning with June 30, 1976, this account shall be credited

with interest by applying one-half of the prescribed rate of interest to the balance in the account as of that date.

(c) Upon commencement of retirement pay to a justice or judge, the balance in his individual account shall be transferred to the contributory judicial retirement account.

Sec. 22.28.110. REFUNDS. Upon termination of judicial service, application may be made for a refund of the balance in the individual's account. Upon withdrawal of the balance, all rights to benefits terminate.

Sec. 22.28.120. PRIOR SERVICE CREDIT. In the event a justice or judge who has withdrawn the balance of his individual account returns to permanent active service, he shall receive credit for his prior period or periods of service only if he repays within one year of the date of return all refunded contributions with interest at the prevailing prescribed rate.

The effective date of the retirement shall be the first day of the month following the recommendation of the board.

Sec. 39.37.040. VOLUNTARY RETIREMENT. (a) An elected public officer may voluntarily retire at any time and shall have a vested right to his accrued retirement pay if he has served five years or more. Retirement pay shall not begin until he has reached age 60, except that an actuarially equivalent retirement pay may be begun after he has reached age 55 or upon attaining 20 years of creditable service. The provisions of sec. 30 of this chapter are an exception to this rule.

At the time the official applies for retirement, he shall elect to have his benefits computed under either (1) or (2) of this subsection. The election is irrevocable.

(b) The per cent shall be five per cent per year of membership service and the per cent per year of other creditable service equal to the benefit formula used for years of creditable service under ch. 35 of this title prevailing at the time of retirement.

(c) The total percentage under (b) of this section shall not exceed 75 per cent.

Sec. 39.37.060. SURVIVORS' BENEFITS. (a) Upon the death of an elected public officer who has served at least two years, the surviving spouse is entitled to receive monthly compensation equal to one-half of the monthly retirement pay the elected public officer would thereafter have been entitled to receive if retired at the time of death. If at death the elected public officer was not yet entitled to retirement pay, or was or would have been entitled to less than 60 per cent of the monthly salary authorized for his office, the surviving spouse is entitled to monthly compensation equal to 30 per cent of the monthly salary authorized for the office at the time each retirement payment is made or 30 per cent of his average monthly compensation as defined in AS 39.35.680.

(b) To be eligible for the survivors' benefits, the surviving spouse must have been married to the elected public officer for at least two years immediately preceding the death of the elected public officer. The benefits continue until the remarriage or death of the surviving spouse.

(c) If there is no surviving spouse, or if the surviving spouse does not meet the requirements of (b) of this section, or upon the remarriage or death of the surviving spouse, the surviving dependent child or children of the elected public officer are entitled to receive in equal shares 50 per cent of the amount of the survivors' benefits specified under (a) of this section.

(d) The surviving child or children are entitled to the survivors' benefits under (c) of this section during

the period of their dependency. Dependency exists with respect to any child of an elected public officer who is either (1) a minor under the laws of Alaska; (2) under the age of 23 and is a student attending on a full-time basis an accredited educational or technical institution recognized by the Department of Education; or (3) so mentally or physically incapacitated as to be unable to provide for self-care.

(e) If there are both an eligible surviving spouse and surviving dependent children, but who reside in separate households, the surviving spouse will receive one-half of the benefits payable under (a) of this section and the dependent children will share equally in the remainder of the benefits.

Sec. 39.37.070. CONTRIBUTIONS. (a) Each elected public officer shall contribute seven per cent of his compensation to the retirement system.

(b) An elected public officer participating in the retirement system established under this chapter is entitled to service credit for creditable service to the state, territory, or political subdivision before the effective date of this chapter for each year of such service for which he has accrued service credit under ch. 35 of this title.

(c) An elected public officer participating in the retirement system established under this chapter may become entitled to service credit for creditable service to the state, territory or political subdivision before the effective date of this chapter for which he has not accrued service credit under ch. 35 of this title by complying with the following:

(1) if the prior creditable service was covered under ch. 35 of this title at the time it was rendered, he shall pay contributions for each year of seven per cent of the compensation received at the time service was rendered; or

(2) if the prior creditable service was not covered under ch. 35 of this title at the time service was rendered, he shall pay contributions of seven per cent of his compensation at the time he makes application under (d) of this section; or

(3) if the service was as an elected public officer, he shall pay contributions at the rate of seven per cent of the amount of salary actually paid during the period.

(d) To receive service credit under (c) of this section, an elected public officer must make application within 60 days of becoming a participant in the retirement system established under this chapter.

(e) Each public officer who has accrued five years or more of membership service shall contribute to this retirement system seven per cent of compensation received thereafter for all creditable service and is entitled to benefits as provided in this chapter.

(f) The compensation applicable to a member of the legislature making a contribution under (a) of this section is the sum of the legislative salary and additional allowances established under AS 24.15.020 and 24.15.030.

(g) The contribution is made in the form of a payroll deduction and is made notwithstanding that the compensation paid in cash to the elected public officer is reduced below the minimum prescribed by law. Each elected public officer is considered to consent to the deduction made from his compensation. Payment of compensation less the deduction prescribed in (a) of this section and other payroll deductions constitutes a full and complete discharge and satisfaction of all claims and demands for the services rendered by him during the period covered by the payment, except as to the benefits provided for under this chapter.

Sec. 39.37.080. ADMINISTRATION. The commissioner of administration is responsible for the administration of the system.

Sec. 39.37.090. REGULATIONS. The commissioner may promulgate regulations to implement the provisions of this chapter. Sec. 39.37.110. APPROPRIATIONS. An estimated amount sufficient to pay all benefits, including interest credited to individual accounts, anticipated to be paid under this chapter in each fiscal year shall be included in the annual appropriation to the Department of Administration. If the actual authorized benefits necessary to be paid in any fiscal year exceed the sum appropriated, the benefits due shall nevertheless be paid from general funds of the state not otherwise appropriated.

Sec. 39.37.120. ACCOUNTING. (a) The elected public officers retirement account shall be established to which all appropriations under this chapter shall be credited.

(b) An individual account shall be maintained for each elected public officer to which the amount of his mandatory contributions collected under this chapter shall be credited as of the date of deduction or payment, as the case may be. As of the last day of each calendar year and each fiscal year beginning with June 30, 1976, this account shall be credited with interest by applying one-half of the prescribed rate of interest to the balance in the account as of that date.

(c) Upon commencement of retirement pay to an elected public officer, the balance in his individual account shall be transferred to the elected public officers retirement account.

(d) Upon commencement of participation in this retirement system, any balance in an elected public officer's

individual account under ch. 35 of this title is transferred to his individual account under this section.

Sec. 39.37.130. REFUNDS. Upon termination of creditable service, application may be made for a refund of the balance in the individual's account. Upon withdrawal of the balance, all rights to benefits terminate.

Sec. 39.37.140. PRIOR SERVICE CREDIT. In the event an elected public officer who has withdrawn the balance of his individual account returns to elected public office, he shall receive credit for his prior period or periods of service only if he repays within one year of the date of return all refunded contributions with interest at the prevailing prescribed rate.

Legislators should not expect payment for costs not specifically covered in this policy without prior written approval from the Council chairman or a designate.

I. MOVING

LAA will pay for the actual and necessary expenses charged by a commercial mover for packing, transporting, and unpacking up to 10,000 pounds of household goods and personal effects, including in-transit insurance up to \$1.25 per pound, and in-transit storage up to 30 days.

Storage for household goods and personal effects only in the capital city during the interim is an allowable cost.

Storage for household goods and personal effects in the legislator's home city during the session is an allowable cost.

A pick-up by a moving company is allowed only at a legislator's home. If a legislator wishes to have a pick-up made at an additional stop, he or she is responsible for paying the entire shipping bill related to that extra stop.

Office moves to Anchorage and Fairbanks will be coordinated by LAA and the Legislative Information Offices. Office moves should not be consolidated with legislators' personal and household moves. To avoid paying minimum freight charges for each legislator, there will be one consolidated office move from Anchorage and one from Fairbanks. Legislators will be notified by the Information Offices as to the dates of these moves.

Legislators establishing offices in locations other than Anchorage or Fairbanks may combine their office moves with their personal moves. An additional stop by a moving company at the Capitol Building is allowed. Office materials are not applied toward a legislator's 10,000 pound limit.

Items that may be shipped as household goods and personal effects at state expense include the following: household furnishings, appliances, clothing, books and similar items belonging to a member, spouse or dependent which can be legally accepted and transported as household goods and personal effects by an authorized commercial carrier in accordance with rules and

regulations established or approved by the Legislative Council. Also included are spare parts for privately owned motor vehicles, such as extra tires, wheels, tire chains, tools, battery chargers, accessories, etc. Household pets, up to a maximum of three, are included in this section.

Items that may not be shipped as household goods and personal effects at state expense include the following:

- A. Any article not belonging to or owned by the member, his or her spouse or dependents;
- B. Cordwood, firewood, or building materials;
- C. Property for the primary purpose of resale, disposal, or commercial use rather than for personal use by the member and his or her spouse or dependents;
- D. Articles acquired after the effective date of adjournment of the legislative session;
- E. Articles which in normal use form an integral part of a building or structure and which in normal use cannot be taken from the premises without damage to the rest of the property on the premises.

LAA will pay the cost of renting trailers or trucks, plus mileage at the rate of twenty-five cents (25¢) per mile, to move household goods and personal effects and/or charges by a commercial hauler to tow house trailers containing the household goods and personal effects of a legislator, provided that the total cost of the move is not in excess of the cost of moving 10,000 pounds of household goods and personal effects by a commercial carrier. House trailers are considered to be part of the 10,000 pounds if they are put in closed containers or barged to their destination, unless it is necessary to do so in order to reach the nearest point that connects with the State highway or ferry system.

II. TRAVEL AND VEHICLES

A motor vehicle is not considered part of the 10,000 pound weight limit on household goods and personal effects if the transportation costs are paid under this section. A legislator may receive payment for transportation costs for not more than two motor vehicles which are registered in the name of the legislator, his or her spouse or dependent.

Allowable costs include:

- A. The cost of air or barge transportation for the vehicle(s) from the legislator's residence to the nearest point that connects with the state highway or ferry system;
- B. Highway mileage at the rate of twenty-five cents (25¢) per mile for each car owned by the legislator, his or her spouse or dependent up to two vehicles;

- C. A ticket for transportation on the Alaska State Marine Highway System for each motor vehicle, including the cost of a trailer being towed by a vehicle;
- D. Tourist class airfare or a ticket for transportation on the Alaska State Marine Highway System for the legislator and his or her spouse or dependents. Up to three bags in excess of airline limitations are eligible for reimbursement; and
- E. A standard per diem for the legislator, half of the standard per diem for his or her spouse, and an eighteen dollar (\$18) per day per diem for each of his or her dependents while en route, up to a maximum of 5 days per person. Upon arrival at the capital, a newly elected or appointed legislator, his or her spouse and dependents are entitled to per diem at the same rate as per diem while en route for not more than fifteen (15) days while looking for permanent housing.

Transportation of a motor vehicle in an enclosed container, except as permitted in II (A) above, is not an allowable cost.

III. SPECIAL LEGISLATIVE SESSION.

Each member of the Legislature is entitled to receive one round-trip transportation fare equal to the cost of tourist-class airline fare from his or her place of residence in his or her home district to the capital for purposes of attending special sessions of the Legislature. A standard per diem for each legislator will be allowed for his or her travel. Each member is also entitled to an allowance equal to the cost of two hundred (200) pounds air freight each way.

Subsistence7640 - PER DIEM ALLOWANCES (1-82)

While traveling on official business and overnight lodging is obtained, employees shall be allowed a per diem allowance instead of actual expenses for subsistence. The locations where overnight lodging is obtained and the circumstances of travel determine the per diem rate that is applicable.

Four basic per diem allowances have been established in Alaska. In addition, a basic per diem allowance has been established for outside travel to and from the contiguous United States, Hawaii and Canada. Employees traveling outside the contiguous United States, Hawaii and Canada will be allowed the appropriate per diem established by the federal government for employees of the United States traveling abroad or will be reimbursed actual costs for meals and lodging. If the employee elects to be reimbursed for actual costs, amounts claimed must be supported by paid receipts or billings so far as is practical and are subject to review by the Commissioner of Administration as to their reasonableness. If the employee elects per diem, contact the Pre-Audit Section, Division of Finance, which maintains federal per diem schedules that are updated monthly, based on world money values.

The established per diem allowance is commonly referred to as the short-term rate. In addition to the short-term rate there is a long-term rate and a non-commercial rate. The circumstances of travel determine which rate will apply.

1. Short-term Rate - A short-term per diem allowance is authorized when the circumstances of travel are such that the traveler can reasonably be expected to incur expenses comparable to those arising from the use of good and moderately priced establishments catering to the general public. The short-term per diem rate is intended for trips of such duration that monthly rates are not obtainable. The short-term per diem rate may not be used after the 30th consecutive day in one location unless a continuation has been approved in advance by the Commissioner of Administration.
2. Long-term Rate - A long-term per diem allowance is authorized when the circumstances of travel are such that the traveler can reasonably be expected to incur expenses comparable to those arising from the use of establishments catering to the long-term visitor. The long-term per diem rate may not be used after six consecutive months in one location unless a continuation has been approved in advance by the Commissioner of Administration.

3. Non-commercial Rate - A per diem allowance at approximately 60% of the long term rate is authorized when the circumstances of travel are such that the traveler can reasonably be expected to incur expenses comparable to those arising from the use of non-commercial subsistence facilities such as field camping and/or the facilities of state camps and institutions. The non-commercial per diem rate may not be used after six consecutive months in one location unless a continuation has been approved in advance by the Commissioner of Administration.

TRAVEL

7642 - 7643
Rev. January 19827642 - COMPUTATION OF ALLOWANCES (1-82)

The appropriate per diem rate for a day is the rate prescribed for the community in which an employee obtains overnight lodging. However, the per diem rate that is used for the day on which an employee returns to his official duty station is the rate prescribed for the community in which the employee obtained the previous night's lodging.

The example below illustrates the appropriate per diem rate to use for a Juneau based employee who travels to Fairbanks on the first day, to Bethel on the second day and returns to Juneau on the third day.

<u>Day</u>	<u>Travel</u>	<u>Overnight Lodging</u>	<u>Prescribed Per Diem Rate</u>
1	Juneau to Fairbanks	Fairbanks	Fairbanks
2	Fairbanks to Bethel	Bethel	Bethel
3	Bethel to Juneau	Juneau	Bethel

For the purpose of calculating per diem, a day is a period of time that begins at midnight and ends at midnight on the following day. A full per diem is allowed for the day of departure, which is defined as the calendar day indicated by the departure time displayed on the inter-city common carrier's timetable. On the day of return the calendar day is divided into quarters beginning at midnight and a quarter per diem is allowed for each quarter in which an employee is in travel status for three hours or more. Refer to Exhibit 7642.

For purposes of interpretation, travel status will begin and end when the employee leaves and returns to the duty station if travel begins and ends during the employee's assigned working hours except that transportation expenses are, in addition, authorized to and from the immediate work station/office. Travel status begins and ends when the employee departs and/or returns to her/his residence if travel begins and/or ends outside the employee's assigned working hours.

7643 - MEAL ALLOWANCES (1-82)

When no overnight lodging is required, a meal allowance may be paid if the employee is in travel status at least three consecutive hours during a normal meal period. Normal meal periods are midnight to 10:00 a.m. for breakfast, 10:00 a.m. to 3:00 p.m. for lunch and 3:00 p.m. to midnight for dinner. Authorized meal allowances are:

Breakfast	\$ 6.00
Lunch	9.00
Dinner	16.00
