MEMORANDUM

TO: Sheila Peterson
Legislative Assistant to
Senator Dick Eliason

FROM: Kerry D. Bonesturg
Executive Director

DATE: February 4, 1985

Following is the language which we discussed concerning amending the loan law to provide for more discretion in the awarding of student loans.

Amend AS 14.43.125 (b) by adding a new paragraph (4), to read:

- (4) has been granted an exemption from this section as the result of at least a two-thirds vote of the Commission acting upon written appeal of the applicant.

Senator Richard Eliason

Juneau, Ak

Dear Senator Eliason,

This letter is in response to recently learned information regarding the student loan program. I believe the law as it now reads is quite unfair to those students who choose to attend Christian secondary schools outside Alaska.

As in the case of my children, James and Diana, who are now attending a Seventh-Day Adventist College in College Place, Washington, we moved to Sitka, Alaska in June, 1980. James and Diana came with us and in the fall of 1980, they enrolled in a Seventh-Day Adventist boarding school for secondary students in Spangle, Washington, from which they graduated in 1981 and 1983, respectively. They returned home to Sitka each summer and Christmas vacation to work here in Sitka. As the law now reads, they are ineligible to receive any student loan money for their college expenses because they were unable to be physically present for one full year in Alaska. I can't understand why they are considered Alaska residents and receive the permanent fund dividend, yet are unable to receive the student loan appropriations. It seems to me that some provision should be made for those students who with their parents are Alaska residents and choose to attend such schools outside because of religious preference, especially since there are no such schools available in Alaska.

I would hope this will be presented to the Senate.

Cordially,

Pastor James Ball

HOUSE BILL 185

House Bill 185 is legislation requested by the Postsecondary Commission. Last year it was introduced as SB 385. HB 185 is a shortened version of the final version of SB 385 (CSSB 385(Fin) am).

This bill deals with two sections of AS 14.43. The first (AS 14.43.120(k)), deals with "Conditions of Loans" - specifically deferral of repayment. The second section (AS 14.43.125) deals with eligibility for the student loan program.

DEFERRAL OF REPAYMENT - This bill defines a maximum length of time (6 years) for which a person can have repayment of their student loan deferred because they are on active duty as a member of the armed forces of the United States.

SB 385 originally had a deferral period of 4 years. This was increased to 6 years in the Senate Finance amended version after discussion in committee of initial service periods which last 6 years rather than 4.

ELIGIBILITY - Language is added making certain provisions by which a person could have been out of state within the last two years and still be eligible for a student loan. These provisions include required medical care, attendance school outside of Alaska as a fulltime student etc. Currently, military service is one of the only allowable absences.

At present the Postsecondary Commission has no statutory authority to grant Alaska Student Loan eligibility to anyone who has been out of the state in the 2 years immediately prior to applying for a student loan. There is a Postsecondary Commission regulation to allow absences out of state of not more than 8 consecutive weeks or no more than 16 total weeks, but even students who have been receiving Alaska student loans and who have been going to school fulltime outside the state are not, under current statute made clearly eligible for the Alaska Student Loan program.

In Section 3 (B) a dependent must have been present in the state for at least one year of the immediately preceeding 5 years because that is a requirement Senate Judiciary included in the omnibus residence bill (HB323). (Now AS 14.43.125)

I have included a copy of the referenced existing statutes for your convenience.

Revisor's notes. — AS 14.43.125 was substituted for AS 14.40.765 to conform to the renumbering of that section by the revisor of statutes under AS 01.05.031.

Effect of amendments. — The 1981 amendment substituted "\$7,000" for "\$5,000" following "not to exceed."

Sec. 14.43.120. Conditions of loans. (a) Proceeds from scholarship loans may only be used for books, tuition and required fees, and for room and board.

(b) The loans may only be used to attend a career education program or a college or university approved by the commission, and, if the loans are federally insured, by the United States Commissioner of Education.

(c) To maintain a loan the student must continue to be enrolled as a full-time student in good standing in a career education program, college or university designated under (b) of this section. The commission shall adopt regulations defining "good standing" for purposes of this subsection.

(d) Scholarship loans may not be made to a student

(1) for more than five years of undergraduate study;

(2) for more than five years of graduate study;

(3) for more than a total of eight years of undergraduate and graduate study.

(e) Loans are interest bearing while a student is enrolled under (c) of this section or is receiving a deferment of payments under (k) of this section; however, a student is entitled to have a portion of the interest paid in accordance with (1) of this section.

(f) Interest on a loan given under AS 14.43.090 — 14.43.160 is at the rate of five per cent a year.

(g) Repayment of the principal and interest on the loan begins no later than one year after the borrower's studies are terminated. The loan shall provide for repayment of the total amount owed in periodic installments in not more than 10 years from the commencement of repayment, except as provided in (k) and (m) of this section. If the commission and the borrower agree to a different repayment schedule, the borrower shall repay the loan in accordance with the agreement. A borrower may make payments earlier than required by this subsection.

(h) Security may not be required for the loans; however, provision shall be made for payment of attorney fees and costs of court if either or both are incurred in collection of the amount owed on the loan.

(i) If a loan is in default, the commission shall notify the borrower that repayment of the remaining balance is accelerated and due by sending the borrower a notice by registered or certified mail.

(j) A portion of a loan shall be paid on behalf of the borrower by the state if, upon completion of the course of study for which the loan was granted, the borrower is a resident of the state for at least two years. The portion of the loan that shall be paid by the state is the following percentages of the total loan received plus interest up to a total of 50 percent of the total loan:

- (1) two — three years residence in the state, 10 percent;
 - (2) three — four years residence in the state, an additional 10 percent;
 - (3) four — five years residence in the state, an additional 10 percent;
 - (4) five — six years residence in the state, an additional 10 percent;
 - (5) over six years residence in the state, an additional 10 percent.
- (k) Periodic installments of principal shall be deferred, but interest shall accrue and be paid unless the student is eligible for interest payment benefits under (1) of this section during any of the following:
- (1) return to student status as provided in (c) of this section;
 - (2) serving on active duty as a member of the armed forces of the United States;
 - (3) serving, for up to three years, as a full-time volunteer under the Peace Corps Act;
 - (4) serving, for up to three years, as a full-time volunteer under the Domestic Volunteer Service Act of 1973;
 - (5) for a one-time period up to 12 months in which the borrower is seeking and unable to find employment in the United States; or
 - (6) if the borrower becomes 50 percent or more disabled as certified by competent medical authority.
- (l) The state will pay the interest on that portion of a loan that is not federally insured during
- (1) the period before the beginning of the repayment period of the loan; and
 - (2) deferments under (k) of this section.
- (m) In case of hardship, the committee may extend repayment of a loan for an additional period of up to five years in increments no longer than 12 months each.
- (n) Repealed by § 11 ch 89 SLA 1981.
- (o) The provisions of (j) of this section do not apply to a loan to a borrower named in a complaint as a defendant in an action by the state or by the commission to secure payment of the unpaid balance of a loan made under AS 14.43.110 or 14.43.115.
- (p) For purposes of this section, a person qualifies as a resident if the person is physically present in the state with the intent to remain permanently in the state or, if not physically present in the state, the person intends to return to the state and is absent due to military service. Revisor's notes. — In ch. 98, SLA 1971, AS 14.43.120(j)(2) read "four — five years ...". This was a typographical error occurring for the first time in the enrolled version of the bill (CSHB 415 (Finance am

The amendment also rewrote subsections (g) and (j), added subsections (o) and (p) and repealed subsection (n) which read "Each year spent

attending a college or university in Alaska qualifies as a year of employment and residency under (j) of this section, if the borrower resides no less than three years in Alaska after completion of the course for which the loan was granted, and has a total Alaskan residency of ten years time."

SUBJECT: Sectional analysis of HB 185 (student loans)

TO: Representative Niilo Koponen
Chairman, Health, Education and Social
Services Committee

FROM: Keith B. Levy
Legislative Counsel

The following is a sectional analysis of HB 185, relating to the student loan program.

Section 1. Existing law allows a deferral of the repayment of student loans for certain activities including service on active duty as a member of the armed forces. This section limits the military service deferral to an initial period of service of up to six years (AS 14.43.120(k)).

Section 2. This section rewrites the eligibility requirements for a student loan (AS 14.43.125). To be eligible, a person must meet three requirements. First, the person must either be enrolled as a full-time student in a career education, associate, baccalaureate, or graduate program, or a high school graduate, or scheduled for graduation from high school within six months. Second, the person may not be delinquent or in default on a previously awarded loan. Third, the person must be a resident of the state at the time of application. To qualify as a resident, the person must either (1) have been physically present in the state for two years before applying; (2) have been present in the state for one year of the preceding five and be dependent on a parent or guardian who has been present in the state for two years before the application; or (3) have been present in the state for two years or be dependent on a parent or guardian who has been present in the state for two years before the person was absent from the state if the absence was due solely to one of the justifications listed in the statute. The justifications for absence include

military service, Peace Corps service, volunteer service under the Domestic Volunteer Service Act of 1973, participating in a foreign exchange student program, attending school as a full-time student, full-time employment by the state, working as or being employed full-time by the state's congressional delegation, medical care for the applicant or the applicant's immediate family, and accompanying a spouse who qualifies under these provisions. A person does not qualify as a resident if that person establishes residence in another state during the absence.

Section 3. This section provides for an immediate effective date.

RE: Student Loans Legislation
DATE: February 5, 1985

You will find a copy of legislation pertaining to the Alaska Student Loan program attached. I intend to introduce this legislation on Friday, February 4. You may wish to co-sponsor this legislation.

This bill deals with two sections of AS 14.43. The first (AS 14.43.120(k)), deals with "Conditions of Loans" - specifically deferral of repayment. The second section (AS 14.43.125) deals with eligibility for the student loan program.

DEFERRAL OF REPAYMENT - This bill defines a maximum length of time (6 years) for which a person can have repayment of their student loan deferred because they are on active duty as a member of the armed forces of the United States.

ELIGIBILITY - Language is added making certain provisions by which a person could have been out of state within the last two years and still be eligible for a student loan. These provisions include required medical care, attendance school outside of Alaska as a fulltime student etc. Currently, military service is the only allowable absence.

^{one of} ~~only~~ ^{only} ~~absence~~ ^{absences in statute.}
I have included a copy of the referenced existing statutes for your convenience. Please contact my staff person, Lisa McLaren, if you wish to be added as a co-sponsor.

Re: House Bill No. 185 and House Bill No. 197 (Student Loans)

I am writing to urge you to pass on to the House as swiftly as possible the two Bills mentioned above. I would hope that this might be done so that the Full House might act on them and process them on through the Legislature and Governor so that they might become law during this session.

I request this for the following reasons: (1) I have discovered the shortcomings of the law(s) regarding the present rules on the student loan program through a lengthy appeal process in behalf of our daughter, Anne. (2) I discovered that the requirements for residency to enter the loan program as stated on the 1984-1985 forms were not what the law(s) read. This created confusion and frustration for an applicant who was denied, as well as for the Commission on Postsecondary Education as it sought to work under the law(s). (3) I have read carefully House Bill No. 185 and I am in full agreement with it. It covers all of the concerns I raised in the appeal process regarding the law(s) presently in effect, i.e., absence due to being in college out of State, the power of the Commission to act (by 2/3 majority) to admit persons to the loan program when there are unusual circumstances affecting their entrance into the program, loss of use of the program when a person becomes a resident of another state during absence from Alaska. (4) The change in the law made in 1983 which required one year in the last five of personal presence in the State might have seemed to be generous; however, it gave a person four years after leaving the State to continue in the loan program and denied a person who moved here with her family and left for college in the fall the opportunity to enter it. It also would have eliminated a person who attended four years of college and one year of graduate school outside of the State from continued use of the program, if the "letter of the law" had been enforced. The law preserved a person's right to use the program but made it difficult to enter it. (5) This Bill will allow the goals of the Alaska Student Loan Program to be met; and (6) I have read the rules for eligibility regarding residency as printed in the forms for use in 1985-1986 and they will need the passage of House Bill No. 185 to match the law(s) of the State of Alaska.

We have an excellent Student Loan Program in the State of Alaska. The passage of these two bills will clarify several issues which need legal clarification if the program is to continue to be fair and just.

I would hope that no changes would be made to these Bills as they proceed toward law. Some may want to limit the program to recent high school graduates. I believe that would be a mistake, and it would open the program to legal battles which could destroy it. It would prevent persons from getting a loan who need further education to continue their work or who need to change work because of injury or changes in economic conditions or of unemployment in their chosen field. Interest may need to be increased and the forgiveness provision may need to be re-examined, but the whole program should not be changed. In an effort to save money for the State we may be looking at areas which should be left alone. I would hope that we could increase our efforts to collect from those who use the program and default in their payments. Thank you for listening to my concerns.

Sincerely,

Ronald D. Martinson

HB 161
Analysis of Fiscal Impact

Assumptions

(1) % of borrowers entering repayment:

<u>Percent</u>	<u>Years after borrowing</u>
0.0	one year
22.4	two years
21.3	three years
21.8	four years
32.3	five years
<u>2.2</u>	six or more years
100.0	

(2) Borrowing averages will be:

FY86	\$4,775	FY89	\$5,725
FY87	\$5,050	FY90	\$5,900
FY88	\$5,400		

(3) Loan volumes are at current projection levels and program is fully funded. Adjustments made will be the result of program changes.

Impacts

- (1) Increasing loan interest from 5% to 8% (Section 1 of the bill).
 (a) The increase will not affect loan volume.
 (b) Increased interest will impact the fund over time in the following manner:

<u>Year of Impact</u>	<u>Borrowing Year</u>				<u>Total New Revenue</u>
	FY86	FY87	FY88	FY89	
FY86	\$ -0-	\$ -0-	\$ -0-	\$ -0-	\$ -0-
FY87	-0-	-0-	-0-	-0-	-0-
FY88	56.7	-0-	-0-	-0-	56.7
FY89	108.2	60.7	-0-	-0-	168.9
FY90	168.5	118.5	62.3	-0-	349.3
FY91	247.9	177.6	121.6	58.5	605.6
FY92	253.5	265.1	182.3	114.2	815.1
FY93	253.5	271.1	272.2	171.1	967.9
FY94	253.5	271.1	278.3	255.5	1,058.4

(2) Eliminating the forgiveness benefits (Section 6 of the bill)

- (a) Elimination of forgiveness will not affect loan volume
(b) The impact of eliminating forgiveness will be realized over time, in the following manner:

<u>Year</u>	<u>Principal</u>	<u>Interest</u>	<u>Total Additional Revenue</u>
FY86	\$ -0-	\$ -0-	\$ -0-
FY87	-0-	-0-	\$ -0-
FY88	378.7	94.7	\$ 473.4
FY89	1,143.2	285.8	\$1,429.0
FY90	1,648.8	412.2	\$2,061.0
FY91	3,814.0	953.5	\$4,767.5

(3) Changing eligibility requirements (Section 2 of the bill)

- (a) Requiring graduation from an Alaska high school would greatly reduce the number of borrowers eligible for the loan program. Based upon high school enrollment projections provided by the Department of Education, and based upon attendance patterns, the potential number of borrowers would be:

<u>Year</u>	<u>Potential New Borrowers</u>	<u>Total Reduction in Borrowers</u>
FY86	3,517	3,977
FY87	3,664	4,278
FY88	3,753	4,581
FY89	4,402	5,031
FY90	4,805	5,288

The fiscal savings of this requirement would be:

<u>Year</u>	<u>Reduction in Borrowers</u>	<u>Savings</u>
FY86	3,977	\$18,990.2
FY87	4,278	\$21,603.9
FY88	4,581	\$24,737.4
FY89	5,031	\$28,802.5
FY90	5,288	\$31,992.2

- (b) Providing aid on a need-based system would allow some borrowers, excluded by the high school requirement, to borrow. We have no good estimate on the number of students qualifying for need on a need-test analysis. The estimate is that only about one in four could qualify. Hence, the reduction in borrowers would be decreased by about 25%.

The fiscal impact of the needs analysis would be:

<u>Year</u>	<u>Qualifying Borrowers</u>	<u>Cost</u>
FY86	994	\$ 4,746.4
FY87	1,070	\$ 5,401.0
FY88	1,145	\$ 6,184.4
FY89	1,258	\$ 7,200.6
FY90	1,322	\$ 7,799.8

(c) Therefore, the total fiscal impact of the two factors (high school graduation and a needs test) would be:

<u>Year</u>	<u>Savings</u>
FY86	\$14,243.8
FY87	\$16,202.9
FY88	\$18,553.0
FY89	\$21,601.9
FY90	\$24,192.4

(4) Combining all changes would result in the following:

<u>Year</u>	<u>Savings (including Revenue)</u>
FY86	\$14,243.8
FY87	\$16,202.9
FY88	\$19,083.1
FY89	\$23,199.8
FY90	\$26,602.7

Additional Notes

- (1) Loan processing would be slowed greatly the first year, due to imposing the new requirements and needing to handle all loans a number of times.
- (2) Grandfathering those current borrowers from the needs test requirement was assumed in the projected fiscal impact.
- (3) Additional staff may be required to administer the needs test verification, but this is unknown until the whole process is actually finalized.

RE: Student Loans Legislation
DATE: February 5, 1985

You will find a copy of legislation pertaining to the Alaska Student Loan program attached. I intend to introduce this legislation on Friday, February 4. You may wish to co-sponsor this legislation.

This bill deals with two sections of AS 14.43. The first (AS 14.43.120(k)), deals with "Conditions of Loans" - specifically deferral of repayment. The second section (AS 14.43.125) deals with eligibility for the student loan program.

DEFERRAL OF REPAYMENT - This bill defines a maximum length of time (6 years) for which a person can have repayment of their student loan deferred because they are on active duty as a member of the armed forces of the United States.

ELIGIBILITY - Language is added making certain provisions by which a person could have been out of state within the last two years and still be eligible for a student loan. These provisions include required medical care, attendance school outside of Alaska as a fulltime student etc. Currently, military service is the ~~only~~ allowable ~~absence~~.

SUBJECT: Sectional analysis of HB 185 (student loans)

TO: Representative Niilo Koponen
Chairman, Health, Education and Social
Services Committee

FROM: Keith B. Levy
Legislative Counsel

The following is a sectional analysis of HB 185, relating to the student loan program.

Section 1. Existing law allows a deferral of the repayment of student loans for certain activities including service on active duty as a member of the armed forces. This section limits the military service deferral to an initial period of service of up to six years (AS 14.43.120(k)).

Section 2. This section rewrites the eligibility requirements for a student loan (AS 14.43.125). To be eligible, a person must meet three requirements. First, the person must either be enrolled as a full-time student in a career education, associate, baccalaureate, or graduate program, or a high school graduate, or scheduled for graduation from high school within six months. Second, the person may not be delinquent or in default on a previously awarded loan. Third, the person must be a resident of the state at the time of application. To qualify as a resident, the person must either (1) have been physically present in the state for two years before applying; (2) have been present in the state for one year of the preceding five and be dependent on a parent or guardian who has been present in the state for two years before the application; or (3) have been present in the state for two years or be dependent on a parent or guardian who has been present in the state for two years before the person was absent from the state if the absence was due solely to one of the justifications listed in the statute. The justifications for absence include

military service, Peace Corps service, volunteer service under the Domestic Volunteer Service Act of 1973, participating in a foreign exchange student program, attending school as a full-time student, full-time employment by the state, working as or being employed full-time by the state's congressional delegation, medical care for the applicant or the applicant's immediate family, and accompanying a spouse who qualifies under these provisions. A person does not qualify as a resident if that person establishes residence in another state during the absence.

Section 3. This section provides for an immediate effective date.

HOUSE BILL 185

House Bill 185 is legislation requested by the Postsecondary Commission. Last year it was introduced as SB 385. HB 185 is a shortened version of the final version of SB 385 (CSSB 385(Fin) am).

This bill deals with two sections of AS 14.43. The first (AS 14.43.120(k)), deals with "Conditions of Loans" - specifically deferral of repayment. The second section (AS 14.43.125) deals with eligibility for the student loan program.

DEFERRAL OF REPAYMENT - This bill defines a maximum length of time (6 years) for which a person can have repayment of their student loan deferred because they are on active duty as a member of the armed forces of the United States.

SB 385 originally had a deferral period of 4 years. This was increased to 6 years in the Senate Finance amended version after discussion in committee of initial service periods which last 6 years rather than 4.

ELIGIBILITY - Language is added making certain provisions by which a person could have been out of state within the last two years and still be eligible for a student loan. These provisions include required medical care, attendance school outside of Alaska as a fulltime student etc. Currently, military service is one of the only allowable absences.

At present the Postsecondary Commission has no statutory authority to grant Alaska Student Loan eligibility to anyone who has been out of the state in the 2 years immediately prior to applying for a student loan. There is a Postsecondary Commission regulation to allow absences out of state of not more than 8 consecutive weeks or no more than 16 total weeks, but even students who have been receiving Alaska student loans and who have been going to school fulltime outside the state are not, under current statute made clearly eligible for the Alaska Student Loan program.

In Section 3 (B) a dependent must have been present in the state for at least one year of the immediately preceding 5 years because that is a requirement Senate Judiciary included in the omnibus residence bill (HE323). (Now AS 14.43.125)

I have included a copy of the referenced existing statutes for your convenience.

Revisor's notes. — AS 14.43.125 was substituted for AS 14.40.765 to conform to the renumbering of that section by the revisor of statutes under AS 01.05.031

Effect of amendments. — The 1981 amendment substituted "\$7,000" for "\$5,000" following "not to exceed."

Sec. 14.43.120. Conditions of loans. (a) Proceeds from scholarship loans may only be used for books, tuition and required fees, and for room and board.

(b) The loans may only be used to attend a career education program or a college or university approved by the commission, and, if the loans are federally insured, by the United States Commissioner of Education.

(c) To maintain a loan the student must continue to be enrolled as a full-time student in good standing in a career education program, college or university designated under (b) of this section. The commission shall adopt regulations defining "good standing" for purposes of this subsection.

(d) Scholarship loans may not be made to a student

(1) for more than five years of undergraduate study;

(2) for more than five years of graduate study;

(3) for more than a total of eight years of undergraduate and graduate study.

(e) Loans are interest bearing while a student is enrolled under (c) of this section or is receiving a deferment of payments under (k) of this section; however, a student is entitled to have a portion of the interest paid in accordance with (1) of this section.

(f) Interest on a loan given under AS 14.43.090 — 14.43.160 is at the rate of five per cent a year.

(g) Repayment of the principal and interest on the loan begins no later than one year after the borrower's studies are terminated. The loan shall provide for repayment of the total amount owed in periodic installments in not more than 10 years from the commencement of repayment, except as provided in (k) and (m) of this section. If the commission and the borrower agree to a different repayment schedule, the borrower shall repay the loan in accordance with the agreement. A borrower may make payments earlier than required by this subsection.

(h) Security may not be required for the loans; however, provision shall be made for payment of attorney fees and costs of court if either or both are incurred in collection of the amount owed on the loan.

(i) If a loan is in default, the commission shall notify the borrower that repayment of the remaining balance is accelerated and due by sending the borrower a notice by registered or certified mail.

(j) A portion of a loan shall be paid on behalf of the borrower by the state if, upon completion of the course of study for which the loan was granted, the borrower is a resident of the state for at least two years. The portion of the loan that shall be paid by the state is the following percentages of the total loan received plus interest up to a total of 50 percent of the total loan:
