Dear Mr. Richards:

On March 19 at 1:30 p.m., the Senate Special Committee on Oil and Gas will be hearing SB 448, An Act approving the sale of Kuparuk River Unit royalty oil by the State of Alaska to the Petro Star Valdez Refinery Joint Venture. Per your conversation with my staff, Ginny Fay, the committee would like information from Alyeska regarding oil spill response services provided by Alyeska for the proposed new refinery.
