BANK OFFICIALS LOSE BETS, WIN PIES IN THE FACE

Alaska National Bank of the North's senior loan administrator Harold Olson, left, and commercial loan officer Scott Santee bet two of their fellow employees the Denver Broncos would win the Super Bowl. The stakes: a pie in the face. Dallas won. So Monday night, the two lined up while the winners of the bet, assistant

vice president manager Marianne Holiday and assistant Ed Leon, pushed the mushy goo into Olson's selected Jemommerlogue. Santee chose the woman in the picture at right is Ms. Holli

Sen. Orsini Hires Californians For His Staff

JUNEAU (AP) — State Sen. Joe Orsini of Anchorage has hired two non-residents to work for the 1978 Legislature.

A check of Legislative Affairs Agency records shows that the two are apparently the only out-of-state residents among the 153 staffers hired by lawmakers this year.

The two are Steve Mizera, a former monthly newspaper publisher and Amtrak train conductor from Pollock Pines, Calif., and Terri Ann Brest, a secretary from North Highlands, Calif.

Mizera was hired by Orsini, a Republican, to serve as administrative assistant to the Senate GOP caucus. Ms. Brest was hired as a secretary to the Senate Community and Regional Affairs Committee, which Orsini chairs.

Orsini, a former Californian, said he hired Mizera because he was a long-time friend and asked him to bring along a good secretary if he knew of one.

Mizera will be paid \$18 a day while Ms. Brest will earn \$52 a day. Legislative staffers are paid for seven days a week even if they only work five.

To the voters of
South Anchorage —

Once again I am privileged to represent you during the legislative session which begins on January 9 in Juneau. Please write to me at Pouch V, Juneau 99811, if you have questions or concerns about what is going on, or if there are things you think I should know in order to cast a more informed vote. I look forward to hearing from you.

Lisa Rudd

Representative, District 11

(Election District 11 — South Anchorage — is generally south of Tudor Rd., east of Campbell Lake, and includes Indian and Girdwood.)

Paid for by Lisa Rudd, 2827 Lore Rd, Anchorage, Ak, 99507

Paid for By
Bob Bradley for Lt. Governor (Committee)
Roger Lang-Treasurer
2240 Paxson Dr., Anchorage, AK. 99504

THE BOTTOMLINE

By Representative Bob Bradley

Thomas Jefferson, father of the democratic party, who places his trust in the yeoman farmer, would like the idea. Alexander Hamilton, who called the people "that great beast" and labeled democracy "our real disease" would oppose it - right along with Jay Hammond, our Governor.

The idea is contained in House Bill 188, a bill passed last session by the Legislature and arrogantly vetoed in June by Governor Hammond. Among other things, HB 188 would allow voters to register and vote on election day. Currently, if you fail to register at least 31 days before an election, you summarily lose your right to vote in that contest.

The amendment was introduced to eliminate an unworthy administration impediment to suffrage which constitutes one of the last patent interferences with the peoples sacred right to participate in a democracy. It succeeds women's suffrage and the abolition of literacy tests and poll taxes, as the next logical step in a 200 year struggle to maximize the franchise.

Why would anyone want to tamper with an American citizen's birthright? Jay Hammond offered two reasons in his June 9, 1978 veto message which merit discussion.

First, he advanced a curious version of the so-called Informed Voter Argument which holds that arbitrary registration requirements are legitimate because people who fail to meet registration deadlines are automatically irresponsible and uninformed. Excluding these voters from the polls is practically a public service. They don't deserve to vote. Hamilton would live this one.

Hammond goes one more and gives it an Alaska twist by concentrating on the infamous "new resident". These folks he assumes, do not understand Alaska and probably won't stay here anyway. It is therefore, "questionable public policy" to allow them to vote at all, especially if they "consider it too burdensome to register 30 days in advance of an election."

Of course, other residents will be excluded as well. But so what, he might respond. Everyone should be punished for tardiness. It's a sign of ignorance and bad faith. After all, you can almost hear him say, voting is a privilege and not a right.

Shame on you, Governor. Registration defaults can be inadvertent or unavoidable. More importantly, literacy tests are out. The Supreme Court has declared that in our system you don't have to be informed or sincere to vote. You need only be 18 years old and a resident - even new residency is protected. Voting is a right and not a privilege. It should take more than a missed deadline to lose it.

So much for the informed voter argument.

Let's try the other one. Hammond also suggests that election registration would "result in voter confusion and increase the opportunity and probability of fraud." Why? He doesn't tell us, but let me guess.

Under existing law, it could be argued, the Lieutenant Governor has at least 30 days before an election to verify voter qualifications. If voters are allowed to register on the day of the election, this safeguard would be jeopardized.

On the contrary. The anti-fraud procedures outlined in HB 188 are just as effective, if not more so. For example, they provide that those who register at the time of voting must execute an affidavit of voter qualification and submit a driver's license "or other document which proves identification and residence." Right now, all you have to do is walk in and sign up. No affidavit or proof of identification is required.

HB 188 also mandates that the ballots of those registering on election day be treated as "questioned ballots." They cannot be counted until all qualifying information has been verified by the Lieutenant Governor. This issue is merely when and not whether the information is authenticated. No vote is deemed valid without the Lieutenant Governor's seal of approval.

If you do break the law, and it's possible under either version, you must pay the price; a price which is significantly inflated under HB 188. Current law gets you up to one year and/or \$1,000. HB 188 threatens up to 5 years and/or \$3,000 for first convictions, up to 10 years and \$15,000 the second time around. If punishment and deterrence are your concerns, HB 188 is a better mousetrap.

So much for voter fraud.

There may be another possible reason for his surprising veto of HB 188 - an ulterior one. Republicans are afraid of election day registration. They think it will benefit Democrats who are more in tune with the apathetic masses. Maybe. As far as I'm concerned, it could go either way. Besides, that's not the point.

In any case, Hammond, a maverick republican who makes a lot of other republicans mad, could have vetoed HB 188 in the spirit of Republican friendship and cooperation; a cynical giveaway, tendered by a transparent "leader" who talks like a populist and acts like Alexander Hamilton.

So much for HB 188? Not quite. We have one more shot. If 40 Legislators vote to override the Governor's veto by Friday, January 13, 1978, HB 188 becomes law.

This is a serious matter unfairly confused by the Hammond Administration. The vote, the very essence of democracy, is sacrosanct - not voter registration as vote, the very essence of democracy, is sacrosanct - not voter registration as Jay Hammond would like you to believe. The right to vote necessarily includes the right to unfettered access to the polls; potential costs, delays, and confusion notwithstanding.

The people, all the people, must come first. Obstacles which unjustifiably limit voter participation inexcusably deny our democratic idea. We have a solemn duty to remove them.

I will vote to override the Governor's misplaced veto. And that vote is the bottom line.

Bob Bradley is a rural business developer and state representative from East Anchorage (Mountain View, Muldoon, Eagle River and Chugiak). He is presently chairman of the House State Affairs Committee.

Johnson said, the threats to the were voiced. Someone, she testified, would let them rot first, before we'd let them." Johnson also said "there are threats of burning the artifacts."

Johnson's testimony was corroborated by Woodrow, who said some of the people there were chanting "burn 'em, burn 'em." Woodrow Johnson said "they'd rather they died with the people there in Klukwan. They said they'd rather burn them than see the village."

Johnson's testimony, which was to come this week, is expected to center on the fact that no threats would have been made against the artifacts would have been made if the Johnsons had not tried to sneak them out of the village.

Lanche Warning

National Weather Service warns that danger will be high in Juneau on Tuesday. The weather service said temperatures and heavy rain will now cover above the 1,000 foot level.

Two Judges Named

By The Associated Press
A Hanunond today picked a trial judge from Kodiak and a public defender from Kodiak to fill two vacant judgeships in Anchorage and Fairbanks.
Stouter, 35, of Kodiak was named to the court bench in Anchorage to fill a vacancy created by the retirement of Judge

C.J. O'Connell.
Stephen Cline, 35, of Ketchikan was appointed to a Fairbanks district court judgeship which had been authorized but never filled before.
Stouter has been in private practice in Kodiak since 1976, specializing in general trial, administrative, appellate and business law.

Recluse Dead After 24 Years

The city was a row boat, which he had hand made oars.
When Washington state he built his cabin in the Three Hays area of the Back Channel. He left "once, and occasionally," the Sentinel said. Except for an occasional package from a mail-order house, he had no mail.
Trappers Ralph and Mary Fenner said that Chisholm was in trouble last Christmas, when the old

Reasoning that possibly Chisholm had left the area for the Christmas holidays, the Fenners continued tending their trap lines in the area. After a week, they notified authorities, who on Jan. 17 found Chisholm's body in his sparsely furnished cabin.
"Literally all evidence indicates suicide," said District Court Judge Robin Taylor of Ketchikan, who was among the group to investigate the death. "From what we could tell

"it appears his entire activity was chopping wood," Taylor said.
Chisholm's life apparently was as simple as a man's could be. He kept his tiny 10-by-10-foot cabin neat, with the floor kept swept and the clothes washed and neatly folded. He slept on a handmade bunk. His heat was provided by a 50-gallon drum he had converted to a wood stove. Even the ax and saw he used to split wood were handmade, as were his two fishing

He returned to Washington state, where he worked for Weyerhaeuser for 12 years.
Then, suddenly, he left for Alaska without saying a word to any of his friends or relatives. He apparently settled in his Back Channel spot, where he built the small cabin on Forest Service land.
Though the legend was that visitors more often were welcomed with a view of the business end of a .22 rifle, many Wrangell resi-

SUBJECT: Handling of Committee Mail
TO: All Committee Staff Assistants
FROM: M. R. Charney, Director
Administrative Services *M.R.C.*

A question has come up with regard to the handling of Committee mail. The following is an excerpt from Legislator's Handbook - January 1977:

→ || "Outgoing Mail. Mail originating from committees should be placed in pickup baskets which are provided at designated places on each floor in each building occupied by the legislature. Postage for this mail is a responsibility of the State. This mail will be picked up twice a day by a mail clerk and taken to the mail room for processing. Only envelopes indicating a return address of a committee may be processed this way."

Please note that the State pays the postage for committee mail but unless all envelopes are clearly marked as committee mail, they will not be processed in this manner, and may be returned to sender.

Juneau, Alaska 99811

Subject: Hydroelectric Project Funding

Dear Senator Orsini:

The City of Ketchikan dba Ketchikan Public Utilities (KPU) and other Utilities and communities are vitally concerned with the future well being of Alaskan citizens and the State's economic growth. We, and others, have addressed and stressed our views regarding the Permanent Fund revenues, and the other revenues which will accrue to the State through mineral lease rentals, royalty sale proceeds, Federal mineral revenue sharing payments, and bonuses, all of which will be derived from non-renewable resources.

We strongly feel that the investment of certain of the aforementioned revenues in hydroelectric generating projects which are captive enterprises to the State, and which use a renewable resource, is most environmentally sound, can forestall the energy crisis, and will yet provide the lowest possible electric rates to the citizens of the State, and is the one most wise investment.

We, and those communities, Utilities and citizens represented by the enclosed resolutions and letters respectfully urge the legislature and administration to make the No. 1 priority of their deliberations and actions the funding of hydroelectric and potable water projects currently in progress, and providing for long term adequate funding for these and such future projects to the advantage of the people of our State.

We most specifically solicit your support for House Bill No. 906 introduced by the House Finance Committee on March 22, 1978, copy enclosed.

Very truly yours,

Donald D. Bowey
Assistant Utilities Manager
Chairman, CAEPUC

CHARLES R. WHITE, *Superintendent*

March 27, 1978

The Honorable Joseph Orsini
Alaska State Legislature
Pouch V
Juneau, Alaska 99811

Dear Senator Orsini:

The Lake and Peninsula School Board recently considered several items of legislation. At the last official Board meeting they acted to endorse or discourage passage of the following bills, which affect public schools of the state. As elected school officials, representing the parents of this district, they ask your careful consideration of this collective judgement.

Strongly Favor Passage

Senate Bill #447 (We are for)

Passage of this \$72,000,000 BOND ISSUE bill is essential for operation of mandated high schools next year. It is really a minimal amount.

Senate Bill #469 (We are for)

This bill makes RECALL of school board members more objective, and prevents arbitrary acts of recall.

Senate Bill #485 (We are for)

Let's finally get the bottleneck out of SCHOOL CONSTRUCTION. Let REAA School Boards assume responsibility for their own building, as in other districts. We're grown up now!

Senate Bill #464 a m (We are for)

This straightens up some needed housekeeping for SCHOOL BOARD ELECTIONS.

Senate Bill #468 (We are for)

JUDICIAL REVIEW regarding due process is desirable in in cases where Boards have ruled unfavorably toward teachers.

March 27, 1978
Page Two

WE STRONGLY DISCOURAGE PASSAGE OF THE FOLLOWING:

Senate Bill #482 (We are AGAINST)

This is a ridiculous bill, full of regulations, which should not be in bill form. Mandating this SPECIAL EDUCATION LEGISLATION would cost over \$40 million, and create another educational hierarchy outside of the Department of Education. PLEASE defeat this bill!

Senate Bill #526 (We are AGAINST)

We firmly believe that the functions of PTPC have changed, and that present grievance procedures and due process provisions have made that organization obsolete. We oppose spending tax dollars on something whose time has passed.

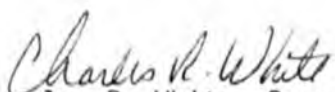

Be it known that we are adamantly against any bill that provides for collective bargaining in the school sector. It is not in the public interest.

We are grateful for your action on our behalf.

Mar 29, 1978

The Honorable Joseph Orsini
Alaska State Senate
Pouch V
Juneau, Alaska 99811

Dear Sir:

The Copper River School District Board, by unanimous vote, has directed me to write the entire Alaska legislature of our total opposition to SB 482 and HB 848. An act relating to special education by Sumner, Croft, Ferguson, Huber and Rodey in the Senate and Meekins in the House. This is a 37 page blue print for the destruction of all education in Alaska. If you intend to, or if it is possible you may vote for this legislation, please read it. If you cannot take the time to wade through all 37 pages, at the very least you should read paragraph B under non-discrimination on page 28 starting on line 25 which contains the words "If a report made under sec. 233(c) of this chapter shows a substantial discrepancy in the occurrence of the characteristics of sex, national origin, race, and religion between children in special education classes in contrast to the remainder of the children in a city or borough school district or rural educational attendance area, the department shall file a complaint with the State Commission for Human Rights alleging discriminatory conduct prohibited by AS 18.80.255."

If you need more information, I have prepared a critical assessment of the entire bill which will be sent to you if you desire.

Sincerely,

Joseph A. Roche, Legislative Chairman
Copper River School District Board

Re: CAEPUC Resolution dated January 13, 1978

Dear Mr. Bowey:

The Wrangell City Council reviewed the final draft of the referenced resolution at their meeting held January 24, 1978. They unanimously endorsed the resolution as presented.

Very truly yours,

RESOLUTION

WHEREAS, the State of Alaska has growing energy problems and energy shortages which are of deep concern to Alaskan Electric Power utilities, and the Citizens of Alaska; and

WHEREAS, the State of Alaska has abundant undeveloped hydroelectric resources that may be developed to satisfy many of these energy problems and energy shortages; and

WHEREAS, The State of Alaska has the financial resources in the form of the Permanent Fund and its earnings, the Renewable Resources Development Fund, and the General Fund; and

WHEREAS, financial assistance is needed by Alaskan utilities to build hydroelectric projects.

NOW, THEREFORE, BE IT RESOLVED that we, the undersigned, urge the Alaska State Legislature and the Executive branch to provide the financial means and support from the Permanent Fund through the Alaska Power Authority, Water Resources Revolving Loan Fund or other existing government agencies to develop the hydroelectric resources of the State of Alaska.

BE IT FURTHER RESOLVED that the agency designated shall evaluate every means to provide long-term capital on sufficient terms to permit the Citizens of Alaska the advantages of hydroelectric power development.

DATED this 25th day of January, 1978 in Juneau, Alaska.

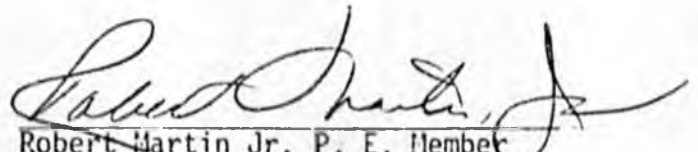

Respectfully submitted by: Concerned Alaska Electric Power Utilities Committee (CAEPUC).

RESOLUTION 78-5

A RESOLUTION URGING THE SUPPORT OF THE STATE LEGISLATURE AND EXECUTIVE BRANCH OF GOVERNMENT OF THE STATE OF ALASKA TO USE THE STATE FINANCIAL RESOURCES TO DEVELOP HYDRO-ELECTRIC POWER

WHEREAS, the City of Cordova's electrical energy is supplied by diesel driven generators and

WHEREAS, said generators are expensive to operate and are subject to mechanical failure such as occurred on December 17-20, 1977 when Cordova was on emergency power, and

WHEREAS, there is abundant hydro-electric resource potential within the State of Alaska,

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Cordova, Alaska that the following Resolution be recommended for adoption by the Legislature of the State of Alaska and be supported by the Executive Branch of Government.

RESOLUTION

WHEREAS, the State of Alaska has growing energy problems and energy shortages which are of deep concern to Alaskan electric power utilities, and the Citizens of Alaska; and

WHEREAS, the State of Alaska has abundant undeveloped hydroelectric resources that may be developed to satisfy many of these energy problems and energy shortages; and

WHEREAS, the State of Alaska has the financial resources in the form of the Permanent Fund and its earnings, the Renewable Resources Development Fund, and the General Fund; and

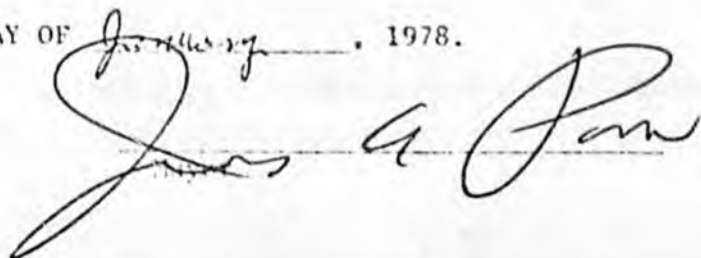

WHEREAS, financial assistance is needed by Alaskan utilities to build hydroelectric projects;

NOW, THEREFORE, BE IT RESOLVED that we, the undersigned, urge the Alaska State Legislature and the Executive Branch to provide the financial means and support from the Permanent Fund through the Alaska Power Authority, Water Resources Revolving Loan Fund or other existing government agencies to develop the hydroelectric resources of the State of Alaska.

BE IT FURTHER RESOLVED that the agency designated shall evaluate every means to provide long-term capital on sufficient terms to permit the Citizens of Alaska the advantages of hydroelectric power development.

PASSED AND APPROVED THIS 16th DAY OF January, 1978.

Attest:

RESOLUTION No. 1089

WHEREAS, the City of Ketchikan and other communities in Alaska have growing energy problems and future energy shortages; and

WHEREAS, to meet future electrical energy demands the City of Ketchikan (City) dba Ketchikan Public Utilities (KPU) must presently rely on high cost, fossil fired generating means, using a non-renewable resource; and

WHEREAS, the City/KPU, in company with other communities and Utilities, are unable to carry the burden of financing new hydroelectric projects while also carrying the burden of alternate high cost generation, or the time period from inception of a hydroelectric project to the project being placed in service; and

WHEREAS, the State of Alaska has abundant undeveloped hydroelectric, renewable resources, as for example, the City/KPU Swan Lake hydroelectric project; and

WHEREAS, financial assistance is needed by the City/KPU to build its Swan Lake hydroelectric project; and

WHEREAS, other communities and Utilities are in the same financial plight as evidenced by the Resolution of the Concerned Alaska Electric Power Utilities Committee (CAEPUC).

NOW, THEREFORE, BE IT RESOLVED that the Council of the City of Ketchikan, Alaska hereby endorses by reference the attached Resolution of the Concerned Alaska Electric Power Utilities Committee (CAEPUC).

Be it further resolved, that the Legislative and Administrative branches of the Alaska State Government assure continuity of loan funding to those municipalities and Utilities presently embarked on hydroelectric projects and whose present source of loan funding is the Water Resources Revolving Loan Fund.

PASSED AND APPROVED this 2nd day of February, 1978.

William G. Moran, Mayor

ATTEST:

GOLDEN VALLEY ELECTRIC ASSOCIATION, INC.

Fairbanks, Alaska

RESOLUTION

WHEREAS, the State of Alaska has growing energy problems and energy shortages which are of deep concern to Alaskan Electric Power utilities, and the Citizens of Alaska; and

WHEREAS, the State of Alaska has abundant undeveloped hydroelectric resources that may be developed to satisfy many of these energy problems and energy shortages; and

WHEREAS, the State of Alaska has the financial resources in the form of the Permanent Fund and its earnings, the Renewable Resources Development Fund, and the General Fund; and

WHEREAS, financial assistance is needed by Alaskan utilities to build hydroelectric projects.

NOW, THEREFORE, BE IT RESOLVED that Golden Valley Electric Association, Inc. urges the Alaska State Legislature and the Executive Branch to provide the financial means and support from the Permanent Fund through the Alaska Power Authority, Water Resources Revolving Loan Fund or other existing government agencies to develop the hydroelectric resources of the State of Alaska.

BE IT FURTHER RESOLVED that the agency designated shall evaluate every means to provide long-term capital on sufficient terms to permit the Citizens of Alaska the advantages of hydroelectric power development.

CERTIFICATION

I, Sandra Rosenberg do hereby certify that I am the Secretary of Golden Valley Electric Association, Inc., an electric non-profit cooperative membership corporation organized and existing under the laws of the State of Alaska; that the foregoing is a complete and correct copy of a resolution adopted at a meeting of the Board of Directors of this corporation, duly and properly called and held on the 27th day of February, 19 78, that a quorum was present at the meeting; that the resolution is set forth in the minutes of the meeting and has not been rescinded or modified.

IN WITNESS WHEREOF, I have hereunto subscribed my name and affixed the seal of this corporation this 27th day of February, 19 78.

RESOLUTION # 163

WHEREAS: Nushagak Electric Cooperative, Inc. has promoted the concept of developing local hydro facilities since 1961 and

WHEREAS: utilization of a renewable resource such as water power would help to lessen dependence on rapidly depleting high cost middle distillate fuels and

WHEREAS: costs of funding potential hydro projects exceed financial capabilities of most Alaskan electric utilities including Nushagak Electric Cooperative, Inc. and

WHEREAS: Federal and State assistance to date in the development of renewable resource utilization has had only limited effectiveness

BE IT THEREFORE RESOLVED: that the Board of Directors of Nushagak Electric Cooperative, Inc. hereby endorses by reference the attached Resolution of the Concerned Alaska Electric Power Utilities Committee (CAEPUC).

BE IT FURTHER RESOLVED: that the Legislative and Administrative branches of the Alaska State Government assure continuity of loan funding to those municipalities and Utilities presently embarked on hydroelectric projects and whose present source of loan funding is the Water Resource Revolving Loan Fund.

CERTIFICATION

I, Ward I. Jones, Secretary of Nushagak Electric Cooperative, Inc., do hereby certify that this resolution is a true and correct copy of the resolution adopted at the regular meeting of the Board of Directors of Nushagak Electric Cooperative, Inc. of Dillingham, Alaska, held this 13th day of February, 1978, as the resolution appears in the minutes book of the corporation, and that it has not been rescinded or modified.

1-23-78

F: 1) SPEECH
2) U.S.A

MR. PRESIDENT, I WOULD LIKE TO SPEAK THIS MORNING CONCERNING THE UNIVERSITY OF ALASKA. THERE...SERIOUS BUDGETARY AND ADMINISTRATIVE PROBLEMS HAVE RESULTED IN THE UNIVERSITY'S BOARD OF REGENTS DISMISSING A NUMBER OF SCHOOL OFFICIALS.

NO ONE IN ALASKA...MUCH LESS MEMBERS OF THE LEGISLATORS...CAN VIEW THE UNIVERSITY'S DEEPLY DISTURBED SITUATION WITHOUT GREAT CONCERN. OBVIOUSLY SERIOUS MISTAKES HAVE BEEN MADE. THE UNIVERSITY'S REPUTATION HAS BEEN IMPAIRED. ITS FINANCIAL STANDING HAS BEEN PUT INTO QUESTION, AND THE CAREERS OF MANY OF ITS ADMINISTRATIVE PERSONNEL DAMAGED.

INSTITUTIONS ARE BASICALLY FRAGILE CREATIONS THAT REQUIRE TIME AND PATIENT WORK TO GROW INTO VIGOROUS AND SELF-SUSTAINING BODIES. IN TIMES OF STRESS AND CRISIS, THEY CAN EASILY BE SHATTERED BY WELL-MEANING...IF INAPPROPRIATE...EFFORTS BY OUTSIDE ORGANIZATIONS TO SET THINGS STRAIGHT.

IN THIS CASE I AM REFERRING TO THE RECOMMENDATION MADE BY A MEMBER OF THIS BODY THAT THE LEGISLATIVE BUDGET AND AUDIT COMMITTEE STAFF BE INSTRUCTED TO INVESTIGATE THE CONDITIONS SURROUNDING THE DISMISSAL OF THE CHANCELLOR OF THE UNIVERSITY'S JUNEAU CAMPUS BY THE BOARD OF REGENTS.

I UNDERSTAND AND SYMPATHIZE WITH THE CONCERN WHICH HAS MOTIVATED THIS RECOMMENDATION. RECENT EVENTS AT THE ANCHORAGE AND FAIRBANKS CAMPUSES.. AS WELL AS AT JUNEAU...HAVE BEEN PAINFUL TO ALL OF US.

HOWEVER...THE BOARD OF REGENTS IS ESTABLISHED BY THE CONSTITUTION OF THE STATE OF ALASKA... AND FULLY EMPOWERED BY STATE STATUTE...TO EXERCISE THE POWER TO DISMISS UNIVERSITY OFFICIALS.

THIS AUTHORITY IS SPECIFICALLY GRANTED IN ALASKA STATUTE SECTION 14.40.230 WHICH STATES: "THE BOARD OF REGENTS MAY REMOVE FROM OFFICE ANY OFFICER OF THE INSTITUTION BY A MAJORITY VOTE OF THE WHOLE BOARD WHEN IN ITS JUDGEMENT THE GOOD OF THE UNIVERSITY REQUIRES IT."

THE UNIVERSITY OF ALASKA IS CLEARLY UNDERGOING THE MOST SERIOUS CRISIS IN ITS HISTORY AND IS BEING SHAKEN TO ITS ROOTS. BUT WE MUST RECOGNIZE THAT IF THESE ROOTS ARE RIPPED OUT...THE INSTITUTION WILL DIE.

THE LEGISLATIVE BUDGET AND AUDIT COMMITTEE HAS WORKED DILIGENTLY IN REVIEWING AND AUDITING THE UNIVERSITY'S FINANCIAL AND OPERATIONAL STRUCTURE. IT IS NOT...HOWEVER...THE APPROPRIATE AGENCY TO UNDERTAKE AN INVESTIGATION OF THE DISMISSAL OF ONE OF THE UNIVERSITY'S CHANCELLORS.

page three

NOR...FOR THAT MATTER...IS THE LEGISLATURE ITSELF THE APPROPRIATE BODY TO ADMINISTER AND MANAGE THE UNIVERSITY. WE ARE A POLICY-MAKING AND BUDGET-SETTING GROUP. WE CANNOT ATTEMPT TO APPOINT OR FIRE THE UNIVERSITY'S OFFICERS... OR RUN ITS ADMINISTRATIVE AFFAIRS.

I FEAR THAT IF WE IN THE LEGISLATURE INTERVENE... OR CALL ON NON-UNIVERSITY ORGANIZATIONS TO INTERVENE IN THE MANAGEMENT OF THE UNIVERSITY... WE RUN THE RISK OF CRIPPLING AN ALREADY BELEAGUERED INSTITUTION.

THE BOARD OF REGENTS IS ACTING VIGOROUSLY TO CORRECT THE PROBLEMS AT THE UNIVERSITY...AS IN LAW THE BOARD IS REQUIRED TO DO. AS BAD AS THE SITUATION MAY BE, I BELIEVE WE CAN ONLY MAKE IT WORSE IF WE ATTEMPT TO CIRCUMVENT THE BODIES WHICH ARE LEGALLY DESIGNATED TO CARRY OUT THE ADMINISTRATION OF THE UNIVERSITY.

ACCORDINGLY, I AM FORMALLY AND OFFICIALLY REQUESTING THAT THE LEGISLATIVE BUDGET AND AUDIT COMMITTEE NOT INVESTIGATE THE DISMISSAL OF THE CHANCELLOR OF THE JUNEAU CAMPUS AS REQUESTED EARLIER BY A MEMBER OF THIS BODY.

MEMORANDUM TO: Community and Regional Affairs Committee
Subject: Governor's appointments

The President referred the following appointees to your committee for hearings, report and recommendation in accordance with AS 39.05.080:

MUNICIPAL BOND BANK BOARD

Lance Anderson, Kotzebue, term expiring July 15, 1981

Lance now lives in Anchorage and works for IBEW. He formerly worked for the accounting firm of Pete Marwick & Mitchell AS a CPA then worked for NANA Regional Corp as ~~President of Finance~~ Secretary of the Senate. He did a good job for P.M. & M. and for NANA. Has a good education and is knowledgeable about high finance and served on the Municipal Bond Bank for approx 2-3 years. This is a reappointment. *Do you have any comments on him?*

SUMMARY OF QUALIFICATIONS

Nature of
Background:

Over 12 years of progressive assignments in private and public accounting sectors.

Capabilities:

Highlights of experience and qualifications:

...Budgets and forecasts...Accounting & Business Systems Development...Accounting Control...Management Reports & Advisory Services...Consolidations...Tax Preparation... Credit & Collection Management...Personnel Supervision... Data Processing Applications...Cost Accounting...Cash Flow Control...Financial Statements...Financial Planning... Commercial Real Estate Management and Development...

Personal
Characteristics:

Ability to effectively plan and direct the work of support personnel, communicate effectively with management at all levels and establish well-structured financial and business controls to assure profit return.

Employment
Experience:

Property Manager and Trust C.P.A. for Alaska Electrical Trust Funds 1977-1978. Presently employed with Alaska Electrical Trust Funds, the Taft Hartley multiemployer pension, health and welfare, legal aid and apprenticeship programs jointly sponsored and managed by IBEW Local 1547 and National Electrical Contractors Association.
Responsible for management of Real Estate ventures of Pension Trust including 40,000 square foot office building and proposed 125,000 square foot office building. Also responsible for supervision of accounting and financial activities.

Vice-President-Finance for NANA Corporation 1974-1977.
Recently resigned as Vice-President, Finance of Corporation with over \$30,000,000 in assets and revenues of approximately \$30,000,000. Corporation was profitable during all three years of employment.

Responsible for total supervision of all accounting activities and procedures. During period of employment centralized all accounting functions and substantially converted them to a real-time computerized system. Company revenues during this period of time grew from approximately \$700,000 to the current

\$30,000,000 plus and accounting staff which grew from four to twenty-five.

Collateral activities included establishment of financial policies, determination of investment objectives, development of banking and auditing relationships and providing counseling to key executives regarding new commercial ventures.

Manager-Tax Department- Peat, Marwick, Mitchell & Co.
1971-1974

Employed three years in the tax department of Peat, Marwick, Mitchell & Co. in Anchorage. Entered tax department under PMM accelerated tax training program. Responsibilities included account tax supervision for many accounts including:

Alaska International Industries, Inc.
Reeve Aleutian Airways, Inc.
Alaska Mutual Savings Bank
Yukon Office Supply, Inc.

Other activities included responsibility for Kodiak practice of PM&M, estate tax returns, and in-house tax training program.

Supervisor-Audit Department- Peat, Marwick, Mitchell & Co.
1965-1971

Joined PM&M in August of 1965 and was promoted to supervisor in July, 1968. Responsibilities included management supervision of audit clients including direct responsibility for field work. Audit client responsibilities included the following clients:

Alaska Mutual Savings Bank
Alaska State Bank
First National Bank of Fairbanks
B&B Fisheries, Inc.
Automotive Parts and Equipment, Inc.
Alaska Federation of Natives

Also participated in management group activities including business development, staff evaluation and long-range planning.

Education:

Graduate of West Anchorage High School in 1962 and the University of Washington in 1965 with a major in accounting and a minor in finance. Attended numerous PM&M training courses as well as courses offered by the Alaska Society of CPA's several of which I also taught. Awarded a CPA certificate in 1967 and am a member of the Alaska Society of CPA's and the American Institute of CPA's.

Personal

Data:

Age: 34; Married, three children - ages 6, 10 and 13. Lifelong resident of Anchorage.

MANAGE-
MENT

Jenks Named Lands Trustee

The former president of the Interior Village Association, Robert L. Jenks of Fairbanks, has been appointed to the position of Municipal Lands Trustee in the Alaska Department of Community and Regional Affairs. "Under the terms of the Alaska Native Claims Settlement Act, the municipal lands trustee is in charge of village corporation conveyance to the state or local municipality of land for future community expansion and public uses.

Presently, there are about 90 unincorporated villages which must convey lands to the state. Approximately 100,000 acres of municipal trust lands are involved, according to the Department of Community and Regional Affairs.

Jenks is a former Land Office Manager and Chief Land Adjudicator for the U.S. Bureau of Land Management's Fairbanks District Office, a former land director for the Tanana Chiefs Conference and a former vice-president for lands with Doyon, Ltd., a native corporation.

"His years of experience in all aspects of land management in Alaska, his close working knowledge of the (Alaska Native Claims) Settlement Act and, most

important, his personal familiarity with rural communities ideally equip him to manage the trust program," according to Community and Regional Affairs Commissioner Lee McAnerney.

April Mild And Wet

At Juneau International Airport two new daily maximum temperatures were set in April, according to the National Weather Service Forecast Office here. On the 22nd the high temperature was 62 degrees. The previous high for that date was 56, set in 1956. The highest temperature for the month was 64 degrees on the 25th. This was also a new high for that date.

The lowest temperature was 31 degrees on the 21st.

The extreme temperatures for April vary from 6 above, set in 1963, to 71, set in 1958.

Rainfall for the month was 4.02 inches. This is 1.03 inches above normal.

Only a trace of snow was recorded at the airport during April. Normal snowfall for the month is 5.2 inches.

DATE: March 28, 1977

FROM: Sen. Joe Orsini
Chairman, Senate
CRA Committee

RE: Interim Extension
of the Senate CRA
Committee, Subcommittee
on Section 14(c)(3)
of the ANCSA
(AS 44.47.150)

One of the less active sections of the Alaska Native Claims Settlement ACT (ANCSA) has been those provisions of Section 14(c)(3) and (4), relating to the reconveyance of Village land to governmental agencies (see enclosed copy of this Section). However, as the land conveyance process approaches completion, this reconveyance portion of the ANCSA will undoubtedly become more of an issue.

The language of Section 14(c)(3) was notably vague in two respects: defining specifically who should do the selection; and defining criteria for the type of land selected. The provisions of state law pertaining to the subject, contained in AS 44.47.150 (enclosed), are similarly vague in these two respects.

The Department of Community and Regional Affairs, (DCRA), in their FY '78 budget, has an administrative position designated to supervise the reconveyance program; they are also in the process of drafting policies on the subject and beginning their municipal/village contact program. A rather thoughtful but brief analysis of the situation, prepared by Mr. Robert Dupere (enclosed), indicates some of the problems that may be encountered by improper selection and some possible recommendations regarding the selection process.

In an effort to develop a Legislative policy position on the issue, the Senate Community and Regional Affairs Committee requests to be allowed to have an interim three man subcommittee, composed of Senators Orsini, Hackney, Ferguson/Sumner (depending on their respective availabilities).

The approach would be to rely heavily on correspondence to serve as a means of assuring awareness and understanding of the issue at hand on the part of the 221 Village Corporations and 111 municipalities involved.

After assurance is received of a general awareness of the issue, the subcommittee would conduct public hearings in the Southeast, Southwest and Interior/Northwest portions of the state. Particular locations would be chosen based on Village Corporations' size and location, and municipal size and location. Villages both within municipal boundaries and outside of municipal boundaries would be included. Liaison would be maintained with the DCRA, and hearings would be coordinated where appropriate.

It should be noted that this issue concerns approximately a quarter of a million acres of the potentially most valuable land in the state, land where future generations of Alaskans will have their homes, schools and businesses. The economic and social viability of a great many of our present and future municipalities will be heavily dependent on the 14(c)(3) reconveyances, and the state will be spending sizable sums of money on this issue in the future, one way or another. It is important that both the selection process and selection criteria be defined as soon as possible, before adamant and possibly antagonistic decisions are made by those concerned.

Upon discussion with Mr. Myrt Charney, the following interim subcommittee budget figures are proposed:

Per diem - 60 man-days	\$ 3,870
Travel	\$ 6,230
Secretarial, mailing, phone	\$ 1,500
	<u>\$11,600</u>

The budget total is an outside figure and hopefully, by using on-going LAA staff and coordinating travel schedules, a portion of this total will not be expended.

February 25, 1977

MEMORANDUM

To: Senator Joe Orsini, Chairman
Community and Regional Affairs Committee

From: Robert J. Dupere

Subject: Statutory Guidelines Concerning Conveyance of
Lands Under Public Law 92-203 (Alaska Native Claims
Settlement Act, December 18, 1971)

Background

Under Section 14(c) of the Act, two sections pertain to conveyance of lands to the public sector in order that the normal governmental infrastructure and services may be provided on an orderly, planned, and, I assume, cost effective basis. Thus the Federal government in the Act was making an in-kind contribution to provide public services in the areas outlined in the Act. These are quoted:

14. (c) "Each patent issued pursuant to subsections (a) and (b) shall be subject to the requirements of this subsection. Upon receipt of a patent or patents:

(3) "the Village Corporation shall then convey to any Municipal Corporation in the Native village or to the State in trust for any Municipal Corporation established in the Native village in the future, title to the remaining surface estate of the improved land on which the Native village is located and as much additional land as is necessary for community expansion, and appropriate rights-of-way for public use, and other foreseeable community needs: Provided, That the amount of lands to be transferred to the Municipal Corporation or in trust shall be no less than 1,230 acres;

(4) "the Village Corporation shall convey to the Federal Government, State or to the appropriate Municipal Corporation, title to the surface estate for existing airport sites, airway beacons, and other navigation aids, together with such additional acreage and/or easements as are necessary to provide related services and to insure safe approaches to airport runways; and"

Section 17 of the Act established a Joint Federal-State Land Use Planning Commission for Alaska which was to cease to exist according to the Act as of December 31, 1976. It is assumed that its near final report due January 31 as of each year is now available to the Legislature.

Community Plans Required

It would appear to comply with the intent generally outlined in the Federal statutes that the first item of planning for each community would be a "Comprehensive Community Plan." The various elements of a Comprehensive Community Plan, if performed correctly, would be a guide as to the location and amount of acreage required for the various functions of local government [identified as powers in AS 29.48.030 (1) - (22)] and those functions and services provided directly by the State; i.e., Court facilities, airports, general services and those by the Federal government; i.e., hospitals, fish and wildlife, regulatory and research.

Of course, a competent plan allocates areas and acreage for the private sector to include commercial enterprise, heavy and light industry after considering the present and future economic base.

However, in both the Federal Statute and the State law, Chapter 119 IA 1975, (AS 44.47.150) there are no guidelines provided for:

1. A requirement that the acreage outlined in the Comprehensive Plan be transferred in either location or amount of needs.
2. In the absence of a competent Comprehensive Community Plan, no guidelines allocating the acreage for the functions of government outlined in AS 29.48.030 (1) - (22) which, in turn, would allocate between the municipality responsible for providing the service; i.e. ---

...Boroughs -- education and other areawide powers
...Cities within the Borough -- the nonareawide powers

Unguided and poor allocations can lead to costly corrective actions when the construction of public facilities becomes necessary and can lead to poorly located facilities in regards to serving the community.

Example: Assume an elementary school according to the State guideline should have for this purpose 10 acres. While originally there was 10 acres available and the initially available site was centrally located, it could lose 8 acres due to poor planning guidelines to a "commercial site." Three years later when either the State agency or the Borough is ready for construction of this school, it must either: (a) Buy the 8 acres which could now be in private hands through sale or long-term lease; or (b) Locate in an area not centrally located involving costly busing for the remaining life of the school.

This State has a warehouse of examples of blind land disposal which then resulted in nonconforming use and encroachments on public areas. An example: the many airports which due to the lack of advance land acquisition or early erroneous disposal required reacquisition of the land at inflated prices.

Recommendations

1. The Department of Community and Regional Affairs be given, by statute, planning review of all village transfers required by Section 14 (c) (3) and (4).
2. That Community and Regional Affairs either approve or disapprove the subsequent community plats and/or land allocations which will be presented the Bureau of Land Management for allocation or transfer of the 1,280 acres.
3. That in the absence of an approved plan, guidelines be provided which allocates the 1,280 acres to various functions possible on a percentage basis. (Input here should be from the Community Planning Division of Community and Regional Affairs and other agencies involved.)
4. That in the event a plan is disapproved the municipalities involved, be it cities or borough, are prohibited from investing public funds in potentially inefficient and ineffective facilities without a specific objective review by Community and Regional Affairs which shall base its approval upon a suggestion of revisions to the Community Plan.
5. That where there is a substantial disagreement as to what is a competent Community Comprehensive Plan by the Village Corporation, a three-man mediation committee resolve the differences. The committee appointed be one person selected by the Village Corporation, one by Community and Regional Affairs and the third by the two so appointed.
6. When borough and city planning staffs exist, then services should be available to the Village Corporation in providing the resources for a competent Comprehensive Plan.
7. Where no local planning staff exists, Community and Regional Affairs should be responsible to provide the "local" staff planning by in-house or contract in order to competently administer its trust responsibilities per AS 44.47.
8. That the transfer of the 1,280 acres be to the cities and boroughs according to the Plan or a percentage guideline according to the powers exercised per AS 29.48.030 (1) - (22).

Senator Joe Orsini

Page 4

February 25, 1977

Conclusion

While the above does appear to be a broad-brush approach, it is hoped that it is enough to stimulate a more aggressive approach in recognizing that poor planning and delivery of public facilities and services in rural Alaska will result in hindering private investment therein. Indeed, private investment by the Village Corporation will be more costly and less profitable. The inefficiencies built into the government sector will thereafter have to be paid -- from property taxes on the huge acreage received from the Settlement Act.

RJD

finds is qualified for land benefits under this Act, the Secretary shall issue to the Village Corporation a patent to the surface estate in the number of acres shown in the following table:

If the village had on the 1970 census enumeration date a Native population between—	It shall be entitled to a patent to an area of public lands equal to—
25 and 99.....	69,120 acres.
100 and 199.....	92,160 acres.
200 and 399.....	115,200 acres.
400 and 599.....	138,240 acres.
600 or more.....	161,280 acres.

The lands patented shall be those selected by the Village Corporation pursuant to subsection 12(a). In addition, the Secretary shall issue to the Village Corporation a patent to the surface estate in the lands selected pursuant to subsection 12(b).

(b) Immediately after selection by any Village Corporation for a Native village listed in section 16 which the Secretary finds is qualified for land benefits under this Act, the Secretary shall issue to the Village Corporation a patent to the surface estate to 23,040 acres. The lands patented shall be the lands within the township or townships that enclose the Native village, and any additional lands selected by the Village Corporation from the surrounding townships withdrawn for the Native village by subsection 16(a).

Patent requirements.

(c) Each patent issued pursuant to subsections (a) and (b) shall be subject to the requirements of this subsection. Upon receipt of a patent or patents:

(1) the Village Corporation shall first convey to any Native or non-Native occupant, without consideration, title to the surface estate in the tract occupied as a primary place of residence, or as a primary place of business, or as a subsistence campsite, or as headquarters for reindeer husbandry;

(2) the Village Corporation shall then convey to the occupant, either without consideration or upon payment of an amount not in excess of fair market value, determined as of the date of initial occupancy and without regard to any improvements thereon, title to the surface estate in any tract occupied by a nonprofit organization;

(3) the Village Corporation shall then convey to any Municipal Corporation in the Native village or to the State in trust for any Municipal Corporation established in the Native village in the future, title to the remaining surface estate of the improved land on which the Native village is located and as much additional land as is necessary for community expansion, and appropriate rights-of-way for public use, and other foreseeable community needs: *Provided*, That the amount of lands to be transferred to the Municipal Corporation or in trust shall be no less than 1,280 acres;

(4) the Village Corporation shall convey to the Federal Government, State or to the appropriate Municipal Corporation, title to the surface estate for existing airport sites, airway beacons, and other navigation aids, together with such additional acreage and/or easements as are necessary to provide related services and to insure safe approaches to airport runways; and

(5) for a period of ten years after the date of enactment of this Act, the Regional Corporation shall be afforded the opportunity to review and render advice to the Village Corporations on all land sales, leases or other transactions prior to any final commitment.

Sec. 44.47.150. Village land conveyed in trust. (a) The commissioner of the Department of Community and Regional Affairs is designated to accept, administer, and dispose of land conveyed to the state in trust by village corporations under § 14(c)(3) of the Alaska Native Claims Settlement Act (P.L. 92-203, 85 Stat. 703) for the purposes specified in that section.

(b) Transfer of land by sale, lease, right-of-way, easement, or permit, including transfer of surface resources, may be made by the commissioner only after approval of an appropriate village entity such as the traditional council, a village meeting, or a village referendum. Such approval shall be by resolution filed with the department.

(c) Within one complete state fiscal year after the incorporation of a municipality in the village or of a municipality which includes all or part of the village, land acquired under this section shall be conveyed without cost to the municipality, and the municipality shall succeed to all the entrusted interest in the land.

(d) Separate accounts shall be maintained in the name of each village for the land, including the revenues from the land, acquired from each village corporation under this section, and within 90 days of the close of each state fiscal year a statement of the account for each municipality shall be prepared by the commissioner and be made available to the village and to the public upon request.

(e) Upon the conveyance of land to a municipality under this section, the commissioner shall account to the municipality for all profits including interest from the land, and the municipality may then request that the governor submit a request to the legislature for an appropriation for the amount due it.

(f) No title or interest to lands acquired by the department under this section may be acquired by adverse possession or prescription.

(g) For the purposes of this chapter, the term municipality includes only first and second class cities incorporated under the laws of the state. (§ 1 ch 119 SLA 1975)

1. In the unorganized borough only.
2. This service is optional. If planning, platting and zoning functions are not assumed by the borough, the State Division of Lands shall act on platting requests.
3. This service is optional for second class cities in the unorganized borough and in third class boroughs not exercising this service.
4. Some statutory ambiguity.

	<u>Definition</u>	<u>Involves</u>	<u>Initiated By</u>	<u>Voter Approval</u>	<u>Sales Tax Limitation</u>	<u>Home Rule</u>
Unification	"An organized borough and all cities within the borough may unite to form a single unit of home rule local government" (AS 29.68.240).	A borough and <u>all</u> cities within that borough.	Assembly resolution or by petition (AS 29.68.250).	Majority of <u>all</u> voters residing in first class and home rule cities, and a majority of voters in the remaining area of the borough must approve the creation of a charter commission and at a later date the charter (AS 29.68.330 and AS 29.68.390).	No statutory limitation, but the charter may limit the sales tax rate (AS 29.13.100).	Yes
Consolidation	"Consolidation means dissolution of two or more municipalities and their incorporation as a new municipality" (AS 29.78.010(4)).*	Two or more municipalities.*	Petition only (AS 29.68.030).	Majority of voters residing in the municipalities (AS 29.68.090).	Three percent (AS 29.53.415 and AS 29.53.440).	No**
Merger	"Merger means dissolution of a municipality and its absorption by another municipality" (AS 29.78.010(6)).*	Two or more municipalities.*	Petition only (AS 29.68.030).	Majority of voters residing in the municipalities (AS 29.68.090).	Three percent (AS 29.53.415 and AS 29.53.440).	No***

*"Municipality means a general law municipal corporation and political subdivision, which is a first or second class borough or city, or a third class borough, incorporated under the laws of the state" (AS 29.78.010(8)).

**A municipality incorporates first as a general law municipality and if it is a first class municipality it may adopt a home rule charter (see AS 29.13.010).

***Unless the absorbing municipality is a home rule municipality.

prepare another proposed charter to be submitted to the voters at a regular or special election to be held within one year after the date of the first charter election. If the second proposed charter is also rejected, the charter commission shall be dissolved and the question of adoption of a charter shall be treated as if it had never been proposed or approved. (§ 2 ch 118 SLA 1972; am § 9 ch 200 SLA 1972)

Effect of amendment. — The 1972 amendment, effective July 1, 1972, substituted "Department of Community and Regional Affairs" for "Local Affairs Agency" in paragraph (2) of subsection (a).

Sec. 29.13.080. Charter amendment. A municipal charter may be amended as provided in the charter or by initiative referendum as provided in AS 29.28.060—29.28.110, except that no amendment shall be effective unless ratified by the voters. (§ 2 ch 118 SLA 1972)

Article 2. Home Rule Limitations.

Section

100. Limitation of home rule powers

Sec. 29.13.100. Limitation of home rule powers. Only the following provisions of this title apply to home rule municipalities as prohibitions on acting otherwise than as provided. They supersede existing and prohibit future home rule enactments which provide otherwise:

- (1) AS 29.13.080 (charter amendment)
- (2) AS 29.18.140 (borough transition)
- (3) AS 29.23.020—29.23.050 (city representation and vote on borough assembly)
- (4) AS 29.23.250(a) (election and term of mayor)
- (5) AS 29.23.540 (prohibitions respecting appointment and removal of personnel)
- (6) AS 29.23.560 (municipal reports)
- (7) AS 29.23.580 (meetings public)
- (8) AS 29.28.010, 29.28.020(b) — 29.28.030 (municipal elections)
- (9) AS 29.28.130—29.28.250 (recall)
- (10) AS 29.33.010(b) (areawide borough powers)
- (11) AS 29.33.290(c) (acquisition of additional areawide powers)
- (12) AS 29.43.020—29.43.040 (powers of cities outside boroughs)
- (13) AS 29.48.033 (garbage and solid waste services)
- (14) AS 29.48.035(b) (effect of areawide exercise of borough power)

in cities)

- (16) AS 29.48.037 (extraterritorial jurisdiction)
- (17) AS 29.48.040—29.48.100 (utilities)
- (18) AS 29.48.180 (codification)
- (19) Repealed by § 8 ch 147 SLA 1972, effective September 10, 1972.
- (20) AS 29.48.210 (expenditure of borough revenue)
- (21) AS 29.48.220 (post audit)
- (22) AS 29.53.010—29.53.350, 29.53.400 (borough and city property tax)
- (23) AS 29.53.415(d) (interest on sales tax)
- (24) AS 29.58.180(b) (security for bonds)
- (25) AS 29.58.315 (bond attorneys, bond and financial consultants)
- (26) AS 29.68.010 (annexation and exclusion)
- (27) AS 29.68.030—29.68.110 (merger and consolidation)
- (28) AS 29.68.500—29.68.580 (dissolution)
- (29) AS 29.73.020 (eminent domain)
- (30) AS 29.73.030 (adverse possession)
- (31) AS 29.73.040 (taxation of municipalities)
- (32) AS 29.73.050 (municipal name changes)
- (33) AS 29.23.555 (conflict of interest). (§ 2 ch 118 SLA 1972; am §§ 2, 8 ch 147 SLA 1972)

Revisor's note (1972).—In ch. 118, SLA 1972, AS 29.48.035(b) was omitted from the list in AS 29.13.100. Since, by its own terms, it applies to home rule municipalities, it has been included here as AS 29.13.100(14); succeeding paragraphs (including the one added by § 2, ch. 147 SLA 1972)

have been renumbered. For specific discussion of AS 29.13.100, see 1972 House Journal, p. 1720 or 1972 Senate Journal Supplement No. 3, p. 3.

Effect of amendment. — The 1972 amendment, effective September 10, 1972, added paragraph (33) and repealed paragraph (19).

Chapter 18. Incorporation.

Article

1. Requirements (§§ 29.18.010—29.18.030)
2. Procedures (§§ 29.18.050—29.18.150)
3. Transitional Assistance (§§ 29.18.180—29.18.200)
4. Development Cities (§§ 29.18.220—29.18.460)

Article 1. Requirements.

Article 2. Home Rule Limitations.

Section

100. Limitation of home rule powers.

Sec. 29.13.100. Limitation of home rule powers. Only the following provisions of this title apply to home rule municipalities as prohibitions on acting otherwise than as provided. They supersede existing and prohibit future home rule enactments which provide otherwise:

- (3) AS 29.23.020 — 29.23.050 (borough assembly representation)
 - (34) AS 29.33.050, AS 29.41.010(a), AS 14.12.020(a) (responsibility for education on military reservations)
 - (35) AS 29.58.345 — 29.58.350 (bonded debt for school construction)
 - (36) AS 29.63.065 (exemption from special assessment)
 - (37) AS 29.33.090(c) (zoning of state land for homesite entry)
- (am § 2 ch 32 SLA 1973; am § 43 ch 53 SLA 1973; am § 2 ch 137 SLA 1975; am § 2 ch 114 SLA 1975; am § 3 ch 218 SLA 1976; am § 4 ch 142 SLA 1977)

Effect of amendments.

The first 1973 amendment added paragraph (34).

The second 1973 amendment deleted "city representation and vote on" preceding "borough assembly" and added "representation" to the end of paragraph (3).

The 1974 amendment added paragraph (35).

The 1975 amendment added paragraph (36).

The 1976 amendment substituted "AS 29.58.345" for "AS 29.58.340" at the beginning of paragraph (35).

The 1977 amendment added paragraph (37).

As the rest of the section was not affected by the amendments, it is not set out.

Editor's note. — Section 1, ch. 142, SLA 1977, provides: "PURPOSE OF ACT. The longstanding policy of the state, declared in the Constitution of the State of Alaska (art. VIII, sec. 1) and the Alaska Land Act (AS 38.05.350), has been to encourage the settlement of the state's land and the development of its resources by making

them available for maximum use consistent with the public interest. In authorizing the classification of land for settlement as homesites, this Act is intended to further that policy explicitly, by recognizing that the immediate production of revenues to the state through the auction of land to the highest bidder, virtually the only method by which state land has been made available to the public for residential use, is secondary in importance to the primary, and ultimately more beneficial and productive, goal of providing land for Alaskans to settle at a cost reasonably within their means, and that the highest and best use of some land may clearly be for habitation."

Legislative committee report. — For report on ch. 53, SLA 1973 (CSHB 382), see 1973 House Journal, pp. 793, 885.

For discussion of constitutional limitation on home-rule powers, see *Jefferson v. State*, Sup. Ct. Op. No. 1081 (File No. 2000), 527 P.2d 37 (1974).

Applied in *Roderick v. Sullivan*, Sup. Ct. Op. No. 1099 (File No. 2243), 528 P.2d 450 (1974).

LABOR COUNCIL

AFL-CIO

P. O. BOX 3187 • ANCHORAGE, ALASKA 99501

January 25, 1978

The Honorable Joseph Orsini
Pouch V
Juneau, Alaska 99811

Dear Senator Orsini:

At the election held last Thursday by the Anchorage Central Labor Council, AFL-CIO, the following officers were elected for the coming year:

President	Guy Stringham	Laborers Local 71
Vice-President	John Aexander	IBEW 1547
Secretary	Dee Fincher	Retail Clerks 1496
Treasurer	Richard Kleoep	IUOE 302
Trustees	Darryl Berkley	Machinist
	Darrel Smith	Plumbers
	Lamar Wells	Ironworkers
Sgt. At Arms	Bill Steward	Laborers 341

The Anchorage Central Labor Council meets the first and third Thursday of the month at 8:00 P.M. at the Hotel & Restaurant Workers Hall, 610 W. 6th Avenue, Anchorage, Alaska. We hope you will join us at any meeting. We will also be happy to arrange schedules for you to report to any of our Local Affiliate's Union meetings as well.

Sincerely yours,

Guy Stringham
President

Alaska State Legislature

HOUSE COMMUNITY and REGIONAL AFFAIRS COMMITTEE

Lisa Rudd, Chair

Pouch V, State Capitol
Juneau, Alaska 99811
(907) 465-3870

The House Community and Regional Affairs Committee will hold hearings on the following bills during the week of January 30, 1978.

COMMUNITY & REGIONAL AFFAIRS-Room 647, Court Building, 9:00 a.m.

January 30 - Monday

HB 509

Exempting certain items from sales tax.

HB 578

Levy and collection of sales and use tax by municipalities.

February 1 - Wednesday

Review of preliminary draft of guidelines and standards for the Coastal Management Program.

February 3 - Friday

Same schedule as for Wednesday, February 1.

The committee will meet at 9:00 a.m. in room 647 of the Court Building in Juneau (directly across the street from the State Capitol).

We would be very happy to receive testimony from you on any of these bills. You may appear in person at the hearings or you may submit written testimony to the chair at Pouch V, Juneau, Alaska 99811.
