1480 SHESS SB 167 - SB 175 1980

June 1, 1980

Under none of these laws does the activity of the commission truly partake of the concept of regulation. Rather the regulation in question has been accomplished by the legislature in its enactment of the three chapters. The role of the commission is to monitor compliance with the regulations established by the legislature and to set sanctions to the extent that it has the power and to forward cases to the Department of Law where its power is lacking or the sanctions are inadequate.

It seems clear that the aspect of regulation undertaken by the commission is of a lower level than that undertaken by the Public Utilities Commission, for example. And the difference between the regulation undertaken by APOC and APUC is so different that the distinction more closely approximates a distinction in kind rather than a distinction in degree.

Having said this, the question whether this limited aspect of "regulation" qualifies to establish the commission as a section 26 commission is close.

In my view, the legislature may determine this question itself. It may characterize the responsibilities of the commission as regulatory and require compliance with sec. 26 requirements; alternatively, it may determine that the responsibilities do not rise to the level of regulation for the purposes of sec. 26 and avoid the requirements of sec. 26.

It does this in close cases not by any affirmative statement in the law itself but rather by its determination to require confirmation of the members of the commission or not.

The Bradner v. Hammond case, 553 P.2d 1 (Alaska 1976) stands for the proposition that the legislature may not undertake to require legislative confirmation of public officers of the executive branch who are not within the sweep of the confirmation power [Article III, secs. 25 and 26] under the constitution. But the case does not limit the authority of the legislature to determine for itself close questions of whether a board or commission exercises "regulatory or quasi-judicial" powers where the legislature has the power to establish the commission and grant it "regulatory or quasi-judicial" power.

Representative Terry Gardiner

Page 3

June 1, 1980

The implicit legislative determination that the members of the commission do not require legislative confirmation constitutes, in the premises, an affirmative legislative determination that the commission does not exercise "regulatory or quasi-judicial" powers.

As I have suggested above, that conclusion is supportable by an analysis of the responsibilities of the commission.

And there is no legal significance to the submission by the governor of the names of appointees to the commission for legislative confirmation, if that has occurred. See, Bradner v. Hammond, supra, at 4, n.5.

A total of four positions will be required as a result of S.B. 170. Three Electronic Technicians are required to service and maintain the additional equipment (based on one technician for 75-100 additional pieces); and one Supply Officer to work in the area of ordering, paying for, and maintaining records on the equipment included in this bill. First year (FY 82) costs include one-time maintenance and office equipment purchases. Costs beyond FY 82 are calculated at a 10% inflation factor.

SUBJECT: Proposed CS for SB 170
Telecommunications

I have attached a proposed Committee Substitute for SB 170 for your consideration.

My original bill was an attempt to provide funds for those telecommunications projects which were vetoed by the Governor last year. After further research, I discovered that many of the projects I was proposing funding for were duplicates of present services.

This proposed committee substitute has a slightly different intent, which I feel approaches the State's telecommunications needs in a logical forthright fashion. The intent of this bill is to provide instructional television (ITV) and to extend the television satellite demonstration project (TVDP) to every Alaskan community with at least 25 permanent residents, who want this service. The exception to this are those communities which presently receive commercial service. Under this bill, these communities would only be provided with ITV, in order to avoid State competition with private enterprise.

Following is a sectional analysis of the proposed CS:

Section 1

(1) This subsection would provide television receive only (TVRO) earth station, plus two mini-transmitters at \$79,000 per community.

(2) This subsection would provide TVRO and one mini-transmitter at \$65,000 per community. No television demonstration project is requested because these communities are in the Grade B transmission areas of commercial stations.

(3) This subsection would provide TVDP and two mini-transmitters at \$26,500 per community. These communities already have an earth station.

(4) This subsection would provide one mini-transmitter to enable these communities to get TVDP. All these communities have, or are funded for, ITV. The total of 46 communities includes 26 Alascom owned earth station sites, \$14,000 each (does not include Alascom's \$572 monthly lease/maintenance fee), and 20 state owned earth station sites, at \$16,000 each (includes receiver).

(5) This subsection would provide one additional mini-transmitter to provide ITV at a cost of \$14,000 per community (does not include Alascom's \$572 monthly lease/maintenance fee). These communities have earth stations and currently receive TVDP programming.

(6) This appropriation would provide funds for distribution of ITV in the urban centers of Anchorage, Fairbanks and Juneau which presently receive no state funds for this purpose.

(7) This appropriation would provide funds for reimbursement to the North Slope Borough for expenses incurred for equipment and installation costs of mini-television in Atkasuk. Break-down is: 1 each M/R modified satellite receiver at \$2,286, 1 each broadcast antenna and necessary attachments at \$340, 8 hours install technician time at \$200, 8 hours rigger time at \$200, 2 each RT transportation for \$280.

(8) This appropriation would provide 6 receivers at \$6,000 each. This will take TVDP off the microwave circuit, leaving it open for KTOO programming. The receivers will be installed at TVRP each stations funded for ITV under last years SB 165.

(9) This appropriation would provide funds to relocate the Nome Mini-TV antenna from its present location at the Alascom building to a new location at the community college. Presently, the local residents experience extreme difficulty in receiving a distinguishable signal. The appropriation would provide service as it was originally intended to at least 90% of the local user population vs. the existing 10% - 15% direct service viewers.

(10) This appropriation would provide funds for telecommunications equipment in several Southeastern logging communities. These communities all have state supported schools and are stable communities with 20 to 30 year life spans. It would

be my intent in including these communities in this bill that these communities (most probably the logging company in charge of the operation) be responsible for moving the telecommunications equipment to their new location when they relocate.

(11) This appropriation would provide funds to replace 2 out-dated TV translators (which need continuous maintenance and frequently break down) in the Upper Susitna Valley. This appropriation would also provide ITV for Talkeetna and Trappers Creek and will serve a minimum of 200 people.

(12) This appropriation would provide funds for a TV transmitter antenna and building at Tolsona Hill, which would serve over 90 people. Break-down: building to house equipment (current one is a deteriorating shack with wind bombardment) for \$6,000, transmitter for \$8,000, tower for \$5,000, gravel pad for building and road upgrade for service maintenance access for \$5,000 and freight/wiring for \$1,000.

(13) This appropriation would provide funds for a WGN tie-in for King Mountain TV. This will serve over 30 year-round residents with a heavier population of 100 in the summer.

(14) This appropriation would provide funds for an uplink and radio station in Unalakleet, which would serve over 600 people. This would vastly improve communications for Unalakleet.

(15) This appropriation would provide funds to the University of Alaska in Anchorage, Fairbanks and Juneau, for a 2-way cable distribution system for ITV. The LEARN/Alaska Instructional Telecommunications Networks would be substantially strengthened for on and off-campus use.

(16) This appropriation would provide funds for a down-link from Dillingham to Sand Point. This would replace the request for a separate public radio station at Sand Point. Residents of Sand Point strongly support the concept of satellite radio.

(17) This appropriation would provide funds for critically needed emergency medical service communications equipment for KOTZ. Break-down: equipment for KOTZ for \$10,500, tape recorder cabinet for \$400, turntables (4) for \$800, audio console boards (2) for \$18,000, bearcab scanner for \$300, utility tower for \$1,000, cart machine for \$2,700, tape machines (5) for \$13,500, program timers (3) for \$830, technic decks (3) for \$2,100, recorder couples for \$600 and transmitter refit equipment for \$3,300.

Section 2. This section would provide purchase of additional commercial television programming services for urban areas, to prevent periodic rural television transmission blackouts.

Section 3. This section would provide a toll-free number to all legislators while the legislature is in session.

Section 4. This section would provide funds for the production of programming in all academic subject areas. This would be revolutionary in the improvement of the educational quality in Northwest Arctic School District. One of the obstacles to improving education in small village school has been limited teaching staff. A fully developed ITV program would immeasurably supplement the existing curriculum. In addition, this section would provide funds for production of programs on Inupiaq art, language and heritage. Preservation of the Inupiaq skills is at a critical time and the funds will enable the Northwest Arctic School District to document and perpetuate their skills and values through the Inupiaq Heritage Program.

POSITION PAPER

SENATE BILL NO. 170

"An Act making special appropriations to the Department of Administration for capital expenses related to telecommunications; and providing for an effective date."

SB No. 170 provides \$5,123,000 to the Department of Administration for purchase of small earth stations; purchase of mini-transmitters to provide instructional television; purchase of mini-transmitters to extend the television demonstration project; incidental upgrading of existing earth stations and other facilities related to the mini-transmitters; and lease costs for a satellite television transponder.

The Department of Health and Social Services recognizes the need for this bill as it relates to the Instructional Television Network. The Department believes that instructional television is necessary to provide more educational opportunities to children and adults throughout Alaska. The Department anticipates using this system to provide training and educational programs on health and social service related issues.

Dear Senator Fisher:

Additional information was requested on the status of the Power Production Assistance Program and supplemental funding which may be provided by SB 174. The historical experience of administering the program to date in fiscal 1981 has been used as the primary basis for these projections. A key variable in any cost projection associated with this program is the voluntary nature of utility participation in the program. With the initiation of operation of this program all eligible utilities did not immediately apply, nor have all eligible utilities applied as of this date. The gradual growth of the program is illustrated by the total of \$21,324 of payments issued in October 1980, versus the \$259,348 of payments issued in January 1981. The number of participating utilities continues to grow, from 1 in October 1980 to 12 utilities presently. Available information suggests the number of utilities participating will increase to 15 or 16 before the end of fiscal 1981. Shown below is an estimate of funding required for the remainder of Fiscal Year 1981, over and above that remaining in the original appropriation.

Probable Monthly Payments to Utilities currently participating	\$273,000
Possible Monthly Payments to Utilities planning to participate	75,000
Subtotal	<u>\$348,000</u>
Months remaining in FY 1981 (as of February 1)	5
Funds Required*	\$1,740,000
Funds Remaining** and Available	796,345
Funds Presently Lacking	<u>\$ 943,655</u>
Contingency 10%***	94,365
Additional Funding Required for FY 1981 or approximately	<u><u>\$1,038,020</u></u> <u><u>\$1,050,000</u></u>

*Note the lack of seasonality. It is my opinion that consumers may adjust to lower electrical rates by increasing their electrical consumption. Until this adjustment is complete, we are not likely to see definite seasonality and when we do, it will be at a higher base level. Seasonality has been taken into consideration in the FY 1982 forecast of program costs.

If this program is continued in FY 1982, the cost will be significantly increased, as all utilities currently participating will continue to participate from the beginning of the FY 1982. It is likely to continue to grow, but the exact number of participating utilities cannot be determined due to the voluntary nature of participation in the program. To determine a forecast, I have estimated that the growth in utilities and eligible kwh's will continue at the same rate in FY 1982, as in 1981. The resulting participation of 22 utilities is well within the possible number of eligible utilities in the State. I have included an assumption of a 15% increase in power production cost, which is due to the high reliance on diesel generation in participating utilities. The resulting estimate for FY 1982 cost for the Power Production Cost Assistance Program is \$4,800,000. Seasonality of participants in the program has been difficult to assess, as some evidence exists that the resulting lower cost electricity is stimulating consumption and temporarily producing a greater than normal seasonal demand for electricity, but I have attempted to consider both seasonality and possible upward demand tendencies in the forecast.

Utilities currently participating in the Program include the Alaska Village Electric Cooperative, the Copper Valley Electric Association, the Cordova Electric Cooperative, Haines Light and Power Company, Kodiak Electric Association, Kotzebue Electric Association, Matanuska Electric Association (Unalakleet), the Tlingit Haida Electric Association, and McGrath Light and Power Company. Utilities planning to participate include Nome, North Slope Borough, Manley Hot Springs, the Village of Takotna, and other villages unknown at this time. The attached memo indicates disbursements through January 1, 1981.

If you desire any further information, please let me know.

Eric P. Yould

Sec. 15.13.010. Applicability. (a) This chapter applies in every election for governor, lieutenant governor, a member of the state legislature, a delegate to a constitutional convention, or judge seeking electoral confirmation. It also applies to every candidate for election to a municipal office in a city or borough with a population of more than 1,000 inhabitants according to the latest United States census figures or estimates of population certified as correct for administrative purposes by the Department of Community and Regional Affairs. A municipality may exempt its elected municipal officers from the requirements of this chapter if a majority of the voters voting on the question at any regular election, as defined by AS 29.78.010(14), or a special municipality-wide election called for that purpose, vote to exempt its elected municipal officers from the requirements of this chapter. The question of exemption from the requirements of this chapter may be submitted by the city council or borough assembly by ordinance or by initiative ordinance. Nothing in this chapter prohibits a municipality from regulating by ordinance campaign contributions and expenditures.

(b) Except as otherwise provided, this chapter applies to contributions, expenditures and communications made by a candidate, group, municipality or individual for the purpose of influencing the outcome of a ballot proposition or question as well as those made to influence the nomination or election of a candidate. (§ 1 ch 76 SLA 1974; am §§ 1, 2 ch 189 SLA 1975)

Effect of amendment. — The 1975 amendment designated the provisions of the section as subsection (a), and in that subsection, substituted "a delegate to a constitutional convention, or judge seeking electoral confirmation" for "or for a municipal office" at the end of the first sentence, added the present second and fourth sentences and substituted "its elected municipal officers" for "itself" and for "the municipality" and the language beginning "voting on the question" and ending "called for that purpose" for "at a general election" in the present third sentence. The amendment also added subsection (b).

Initiative substantially similar to ch. 76, SLA 1974, correctly withheld from

ballot. — Substantial similarity existed between ch. 76, SLA 1974, which enacted this chapter, relating to election campaigns, and an initiative relating to campaign contributions and expenditures, which was filed with the lieutenant governor prior to the regular 1974 session of the legislature. The act effectively displaced the initiative, and the lieutenant governor was correct in withholding the initiative from the ballot. Warren v. Boucher, Sup. Ct. Op. No. 1206 (File No. 2315), 543 P.2d 731 (1975).

For comparison of ch. 76, SLA 1974, and the initiative, see Warren v. Boucher, Sup. Ct. Op. No. 1206 (File No. 2315), 543 P.2d 731 (1975).

Sec. 15.13.020. Alaska Public Offices Commission. (a) There is created in the office of the lieutenant governor the Alaska Public Offices Commission consisting of five members.

(b) The governor shall appoint two members of each of the two political parties whose candidate for governor received the highest number of votes in the most recent preceding general election at which a governor was elected. The two appointees from each of these two parties shall be chosen from a list of four names to be submitted by the central committee of each party.

(c) The four members selected under (b) of this section shall, by a majority vote, appoint the remaining fifth member of the commission.

(d) Upon selection of the commission's fifth member, the commission's four members selected under (b) of this section shall draw lots to determine the length of their terms of office so that one commission member serves one year, one serves two years, one serves three years and one serves four years. However, the terms of no two commission members who are members of the same political party may expire in consecutive years. The term of office of the fifth member, appointed under (c) of this section, expires in the fifth year. Terms of office of the initial appointees to the commission, including the fifth member, shall date from February 1 before their appointment. After the terms of office of the initial appointees to the commission expire, the term of office of a member of the commission is five years, or until his successor is appointed and qualifies. No commission member may serve more than one term. However, initial appointees to the commission who do not serve a full five-year term and a person appointed to fill the unexpired term of his predecessor may be appointed to a successive full five-year term.

(e) No member of the commission, during tenure, may

(3) permit his name to be used, or make any contributions whatsoever, in support of or in opposition to a candidate or proposition or question that appears on any ballot in the state including but not limited to that of a municipality; however, contributions may be made to a candidate for the office of President of the United States;

(4) participate in any way in an election campaign or participate in or contribute to any political party; or

(5) lobby, employ or assist a lobbyist.

(f) Members of the commission shall receive compensation of \$50 a day while attending commission meetings and shall be entitled to travel expenses and per diem authorized by law for members of other boards and commissions.

(g) The members shall elect a chairman. Three members of the commission constitute a quorum. A vacancy does not impair the powers of the remaining members to exercise all of the powers of the commission.

(h) A vacancy on the commission shall be filled by the appropriate appointing authority within 30 days of the occurrence of the vacancy. The appointee shall serve for the remaining term of his predecessor.

(i) The commission may employ an executive director and other employees it considers necessary. Neither the executive director nor an employee may have a vote.

(j) The commission shall establish an office, which may be called a regional office, in each senate district in the state to keep on file for public inspection copies of all reports filed with the commission by candidates for statewide office and by candidates for legislative office in that district; however, where one municipality contains more than one election district, only one commission office shall be established in that municipality. The regional office shall make all forms and pertinent material available to candidates. All reports shall be filed by candidates, groups and individuals directly with the commission's central district office. The commission shall insure that copies of all reports by statewide and legislative candidates in each senate district are forwarded promptly to that district or regional office.

(k) The commission shall insure that copies of reports filed by candidates for municipal office are made available for public inspection in the appropriate municipality. (§ 1 ch 76 SLA 1974; am § 23 ch 25 SLA 1975; am §§ 3-10 ch 189 SLA 1975)

Effect of amendments. — The first 1975 amendment substituted "Alaska Public Offices Commission" for "Alaska Election Campaign Commission" in subsection (a).

The second 1975 amendment substituted "Alaska Public Offices Commission consisting of five members" for "Alaska Election Campaign Commission" at the end of subsection (a), inserted "fifth" in subsection (c), rewrote subsection (d), so changed subsections (e) and (j) as to make

a detailed comparison impracticable, and, in subsection (f), substituted "\$50" for "\$100," deleted "necessary" preceding "travel expenses," and added "authorized by law for members of other boards and commissions" to the end. The amendment also substituted "A vacancy" for "Vacancy" at the beginning of the first sentence of subsection (h), substituted "authority" for "officer" in that sentence, and added subsection (k).

Sec. 15.18.080. Duties of the commission. The commission shall

- (1) develop and provide all forms for the reports and statements required to be made under this chapter, AS 24.45 and AS 39.50;
- (2) prepare and publish a manual setting out uniform methods of bookkeeping and reporting for use by persons required to make reports and statements under this chapter and otherwise assist candidates, groups, and individuals in complying with the requirements of this chapter;
- (3) receive and hold open for public inspection reports and statements required to be made under this chapter and, upon request, furnish copies at cost to interested persons;
- (4) compile and maintain a current list of all filed reports and statements;
- (5) prepare a summary of each report filed under § 110 of this chapter and make copies of this summary available to interested persons at their actual cost;
- (6) notify, by registered or certified mail, all persons who are delinquent in filing reports and statements required to be made under this chapter;
- (7) report within 60 days after the election the names of all persons and groups who have failed to comply with any of the provisions of the chapter to the office of the attorney general;
- (8) examine, investigate and compare all reports, statements and actions required by this chapter, AS 24.45 and AS 39.50 and to report to the attorney general the names of all persons or groups which the commission has substantial reason to believe have violated this chapter, AS 24.45 or AS 39.50;
- (9) prepare and publish an annual report to the legislature concerning the activities of the commission, the effectiveness of this chapter, its enforcement by the attorney general's office, and recommendations and proposals for change;
- (10) adopt regulations necessary to implement and clarify the provisions of AS 24.45, AS 39.50 and this chapter, subject to the provisions of the Administrative Procedure Act (AS 44.62). (§ 1 ch 76 SLA 1974; am § 24 ch 25 SLA 1975; am §§ 11, 12 ch 189 SLA 1975; am §§ 3-5 ch 167 SLA 1976)

Effect of amendments. — The first 1975 amendment in paragraph (10), substituted "implement" for "effectuate," inserted "AS 39.50 and," and added "subject to the provisions of the Administrative Procedure Act (AS 44.62)" to the end.

The second 1975 amendment substituted "candidates, groups, and individuals" for "candidates and groups" in paragraph (2),

deleted "and publish" following "prepare" near the beginning of paragraph (5), and added "and make copies of this summary available to interested persons at their actual cost" at the end of that paragraph.

The 1976 amendment added "AS 24.45 and AS 39.50" at the end of paragraph (1), and in paragraph (8) substituted "examine, investigate and compare all reports" for

(e) The report required under (d) of this section shall contain the name, address, principal occupation and employer of the individual filing the report, and an itemized list of expenditures. The report shall be filed with the commission by the contributor no later than 10 days after the contribution or expenditure is made. A copy of the report shall be furnished to the candidate, campaign treasurer or deputy campaign treasurer at the time the contribution is made.

(c) Each candidate shall file the name and address of the campaign treasurer with the commission no later than seven days after the date of filing his declaration of candidacy or his nominating petition. (d) In the case of the death, resignation or removal of a campaign treasurer, the candidate shall appoint a successor as soon as practicable and file his name and address with the commission within 48 hours of the appointment. (§ 1 ch 76 SLA 1974; am §§ 16 — 19 ch 189 SLA 1975)

Effect of amendment — The 1975 amendment substituted "its" for "the" and "it registers with the commission under § 50 of" for "the first contribution or expenditure report is required to be filed by the group under" in subsection (b), inserted "seven days after" in the first sentence of

subsection (c) and "by the lieutenant governor or municipal clerk" in the second sentence of that subsection, substituted "when he has been found to have been in wilful violation of" for "if he fails to comply with" in the second sentence of subsection (d), and added subsection (f).

Sec. 15.13.070. Contributions and expenditures; amount and form of payment. (a) No person or group, including but not limited to all political committees, businesses, corporations, and labor unions, may contribute to or expend more than \$1,000 a year on behalf of or in opposition to the competing candidates for each elective office. Political parties and their subdivisions are not subject to the limitation prescribed in this subsection, but they are subject to the reporting requirements prescribed by §§ 40(b) and 110 of this chapter. Nothing in this chapter prohibits

(1) a candidate from contributing more than \$1,000 of his own money to his own campaign; or

(2) individuals or groups, including but not limited to all political committees, businesses, corporations, and labor unions, from contributing to or expending on behalf of a ballot proposition or question more than \$1,000 a year; however, these contributions and expenditures shall be reported in accordance with §§ 40 and 110 of this chapter.

(b) No contribution over \$100 may be made in cash or by cash payment and it may not be accepted by or on behalf of a candidate.

(c) No expenditures over \$100 may be made in cash or by cash payment unless a written receipt is obtained and filed with the commission.

(d) No contribution may be made, and no expenditure may be made or incurred, directly or indirectly, anonymously, in a fictitious name, or by one person or group in the name of another, to influence the election of a candidate in an election. A contribution made by a person wishing to remain anonymous, and received by a candidate, campaign treasurer or deputy campaign treasurer, may not be used or expended, but shall be returned to the donor, if his identity is known, and if no donor is found, the contribution escheats to the state if not donated by the candidate to the charity of his choice.

(e) Contributions to a candidate or a political committee may be received by, and expenditures of a candidate or political committee may be made by, only the candidate, campaign treasurer, or deputy campaign treasurer.

(f) The total amount of expenditures made by a candidate and by all groups operating under his control may not exceed (1) 40 cents times the total population of the state according to the latest United States census figures, or estimates of population certified as correct for administrative purposes by the Department of Community and Regional Affairs, if the candidacy is for governor or lieutenant governor, of which amount no more than 50 per cent may be spent in a primary election campaign and no more than 50 per cent in the general election campaign; (2) \$1 times the total population of the geographical area of the constituency according to the latest United States census figures, or estimates of population certified as correct for administrative purposes by the Department of Community and Regional Affairs, divided by the number of seats in the senate district if the candidacy is for the state senate; (3) \$1 times the total population of the geographical area of the constituency according to the latest United States census figures, or estimates of population certified as correct for administrative purposes by the Department of Community and Regional Affairs, divided by the number of seats in the house district if the candidacy is for the state house of representatives. The expenditure limitations in this section include expenditures for both a primary and a general election campaign, or for a special election.

(h) No campaign expenditure of any type whatsoever shall be made by any candidate, treasurer, or group unless the source is disclosed as required by the provisions of this chapter whether or not those funds were received prior to May 10, 1974. (§ 1 ch 76 SLA 1974; am §§ 20, 21 ch 189 SLA 1975)

Effect of amendment. — The 1975 amendment rewrote subsection (a), and in the first sentence of subsection (f), inserted the language beginning "or estimates of population" and ending "Department of Community and Regional Affairs" in clauses (1) through (3), substituted "50 per cent" for "40 per cent" and for "60 per

cent" in clause (1), and deleted "if the candidacy is for governor and no more than 50 per cent in the primary election campaign and no more than 50 per cent in the general election if the candidacy is for lieutenant governor" following "general election campaign" in that clause.

Sec. 15.13.080. Statement by contributor. A person or group contributing to a candidate over \$250 or contributing goods or services to a candidate with a value of more than \$250 to influence the election of a candidate shall furnish the commission a signed statement, on a form made available by the commission. The statement shall itemize the contributions and goods and state that the contributor is not a person or group prohibited by law from contributing and that the contribution consists of funds or property belonging to the contributor and has not been given or furnished by another person or group. The contributor's statement shall be filed with the commission by the contributor no later than 10 days after the contribution is made. A copy of the statement shall be furnished the candidate, campaign treasurer, or deputy campaign treasurer at the time the contribution is made. (§ 1 ch 76 SLA 1974; am § 29 ch 189 SLA 1975)

Effect of amendment. — The 1975 amendment substituted "\$250" for "\$100" twice in the first sentence.

Sec. 15.13.090. Identification of communication. All advertisements, billboards, handbills, paid-for television and radio announcements and other communications intended to influence the election of a candidate or outcome of a ballot proposition or question shall be clearly identified by the words "paid for by" followed by the name and address of the candidate, group or individual paying for the advertising. In addition, candidates and groups must identify the name of their campaign treasurer. (§ 1 ch 76 SLA 1974; am § 22 ch 189 SLA 1975)

Effect of amendment. — The 1975 amendment inserted "or outcome of a ballot proposition or question" in the first sentence, substituted "clearly" for "signed or" and "group or individual paying for the

advertising" for "or campaign treasurer of the candidate or group on whose behalf the communication appears" in that sentence, and added the second sentence.

Sec. 15.13.100. Expenditures before filing. No political campaign expenditure may be made or incurred by a person in an election or by a person or group with his knowledge and on his behalf before the date upon which he or she files for nomination for the office which the person seeks, except for personal travel expenses or for opinion surveys or polls. These expenditures shall be charged against the spending limitation that applies to the office for which he subsequently files, and shall be included in the first report required under this chapter after filing for office. (§ 1 ch 76 SLA 1974; am § 23 ch 189 SLA 1975)

Effect of amendment. — The 1975 amendment added the second sentence.

Sec. 15.13.110. Filing of reports. (a) Each candidate and group shall make a full report in accordance with § 40 of this chapter during the period ending three days before the due date of the report and beginning on the last day covered by the most recent previous report, or, if a first report, all contributions received and expenditures made before three days before the due date of the report. The report shall be filed at the following times:

- (1) 30 days before the election; however, this report is not required if the deadline for filing a nominating petition or declaration of candidacy is within 30 days of the election;
- (2) one week before the election;
- (3) ten days after the election; and
- (4) December 31 of each year for expenditures and contributions received which were not reported that year.

(b) Each contribution or expenditure which exceeds \$250 and which is made within one week of the election shall be reported to the commission by date, amount, and contributor or recipient within 24 hours of receipt or expenditure by the candidate or campaign treasurer.

(c) The reports of candidates shall be filed with the commission's central office. All reports required by this chapter shall be kept open to public inspection. Within 30 days after each election, the commission shall prepare a summary of each report which shall be made available to the public at cost upon request. Each summary shall use uniform categories of reporting.

(d) Within 30 days after each election, each supplier shall make a full report to the commission in accordance with § 40 of this chapter. Within 60 days after each election, the commission shall prepare a summary by candidate or group of the transactions and make the summaries public. (§ 1 ch 76 SLA 1974; am § 24 ch 189 SLA 1975)

Effect of amendment. — The 1975 amendment rewrote subsections (a) and (d), reenacted subsection (b) without change, and in subsection (c), deleted "statewide" preceding "candidates" in the first sentence, substituted "commission's central office" for "commission at the state

capital and," other reports shall be filed in the appropriate senate district office" at the end of that sentence, substituted "30 days" for "one month" in the third sentence, and substituted "use" for "utilize" in the fourth sentence.

Sec. 15.13.120. Penalty; limitations on actions. (a) A person who violates a provision of this chapter is guilty of a misdemeanor and, upon conviction, is punishable by imprisonment for not more than one year or by a fine of not more than \$5,000. A violation includes but is not limited to any of the following acts or omissions:

(1) failing to make a statement or report required to be made under this chapter, or failing to make a statement or report at the time the statement or report is required to be made under this chapter;

(2) making a campaign contribution or expenditure which exceeds the limitations of § 70(f) of this chapter;

(3) making a false statement or report under this chapter;

(b) The nomination for, or election to, an office of a candidate who violates a provision of this chapter, or whose campaign treasurer or deputy campaign treasurer violates a provision of this chapter, is void, and, if he is elected, the successful candidate may not hold office and the office shall be filled as required by law in the case of a vacancy. When a violation of this chapter is alleged, the candidate's right to the nomination or the office may be tested in an action brought in the supreme court as a matter of original jurisdiction. All cases of this nature shall be in a preferred position for purposes of argument and decision, so as to assure a speedy disposition of the matter.

(c) Promptly after the final date for filing statements and reports, the commission shall notify all persons who have become delinquent in filing them, including contributors who failed to file a statement in accordance with § 40 of this chapter, and shall make available a list of these delinquents for public inspection. The commission shall also report to the attorney general the names of all candidates in an election whose campaign treasurers have failed to file the reports required by this chapter.

(d) A person who believes a violation of this chapter has occurred may file a complaint with the commission. If the commission determines there is substantial reason to believe that a violation has occurred, it shall

expeditiously make an investigation, which may also include an investigation of reports and statements filed by the complainant if he is a candidate, of the matter complained of. When, in the judgment of the commission, after affording due notice and an opportunity for a hearing, a person has engaged or is about to engage in any acts or practices which constitute or will constitute a violation of a provision of this chapter, or a regulation or order issued under it, it shall promptly report the information to the attorney general for appropriate action. The commission shall report its determination and recommendation to the person who filed the complaint with the commission within 60 days of receiving the complaint unless circumstances require additional time to make an adequate investigation. The finding of the commission may be appealed to the superior court.

(e) Prosecution for violation of a provision of this chapter may not be commenced after four years have elapsed from the date of the alleged violation. (§ 1 ch 76 SLA 1974; am § 25 ch 189 SLA 1975)

Effect of amendment. — The 1975 amendment substituted "may" for "shall" in the second sentence and "superior court" for "supreme court" in the fifth sentence. and deleted "by the person who filed the complaint with the commission" from the end of the fifth sentence.

Sec. 15.13.122. Legal counsel. (a) The attorney general is legal counsel for the commission. He shall advise the commission in legal matters arising in the discharge of its duties and represent the commission in actions to which it is a party. If, in the opinion of the commission, the public interest warrants, the commission may request the chief justice of the supreme court to appoint a special prosecutor to represent the commission in a proceeding involving an alleged violation of this chapter and to prosecute that violation.

(b) When the public interest warrants, the commission may employ temporary legal counsel from time to time in matters in which the commission is involved. (§ 26 ch 189 SLA 1975)

Sec. 15.13.125. Civil penalty: late filing of required reports. A person who fails to file a properly completed and certified report within the time required by § 110(a)(1), (3), (4) or 110(d) of this chapter is subject to a civil penalty of not more than \$10 a day for each day the delinquency continues as determined by the commission subject to right of appeal to the superior court. A person who fails to file a properly completed and certified report within the time required by § 110(a)(2) or 110(b) of this chapter is subject to a civil penalty of not more than \$50 a day for each day the delinquency continues as determined by the commission subject to right of appeal to the superior court. An affidavit stating facts in mitigation may be submitted to the commission by a person against whom a civil penalty is assessed. However, the imposition of the penalties prescribed in this section or in § 120 of this chapter does not excuse that person from filing reports required by this chapter. (§ 6 ch 167 SLA 1976)

Effect of amendment. — The 1975 amendment added the language beginning "for retention in judicial office" to the end of paragraph (1), substituted "§ 10(b)" for "§ 123" in paragraph (2), inserted "or question" in that paragraph, added the language beginning "however,

'contribution' does not include" to the end of that paragraph, and made such changes in paragraph (3) as to make a detailed comparison impracticable. The amendment also added clause (D) to paragraph (4) and added paragraphs (5), (6) and (7).

Sec. 15.10.180. Appointment of party representatives for state canvass [Effective January 1, 1981]. The director shall appoint two persons from each political party to participate in the canvassing of the vote. Each person who is appointed and serves is entitled to compensation as provided in AS 15.15.380. Each political party may present to the director a list of three or more names from which he shall select the persons to represent the party. The list of names may be submitted in writing at least 30 days before the date of the election. The persons to represent the party on the canvassing board may be selected by the state party central committee or in any other manner prescribed by the bylaws of the party. The list of names shall be certified by the chairman of the state central committee of the party or by the person authorized by the party bylaws to act in the absence of the chairman. Effect of amendment. — The 1980 amendment, effective January 1, 1981, substituted "director" for "lieutenant governor" where it appears at the beginning of the first sentence and near the beginning of the third sentence, deleted "the same rate of preceding compensation" near the middle of the

second sentence, and substituted "as provided in AS 15.15.380" for "paid elections judges" at the end of the second sentence.

Sec. 15.13.011. Inapplicability to presidential primary [Effective January 1, 1981]. The provisions of this chapter do not apply to a presidential primary election conducted under AS 15.25.220 — 15.25.280. (§ 3 ch 20 SLA 1980)

Effective date. — Section 5, ch. 20, SLA 1980, makes this section effective January 1, 1981.

Sec. 15.13.020. Alaska Public Offices Commission. (a) There is created in the Department of Administration the Alaska Public Offices Commission consisting of five members. (am Executive Order No. 41 § 2 (1980))

Effect of amendment.

Section 2, Executive Order No. 41 (1980), effective July 1, 1980, substituted "Department of Administration" for "office of the lieutenant governor" following "There is created in the" near the beginning of subsection (a).

As the rest of the section was not affected by the amendment, it is not set out.

Subsection (j) requires forms to be made available in a regional office in each senate district. *Silides v. Thomas*, Sup. Ct. Op. No. 1362 (File Nos. 3019, 3020, 3021), 559 P.2d 80 (1977).

Furnishing forms to Nome regional office constituted compliance with law. — Nome is designated center for forms pursuant to both subsection (j) and AS 15.10.110, and since Nome is the central office for Senate District P, which encompasses House District 21 and therefore Kotzebue, the lieutenant governor complied with the law by virtue of furnishing forms to the Nome regional office, even though such forms were not available in Kotzebue. *Silides v. Thomas*, Sup. Ct. Op. No. 1362 (File Nos. 3019, 3020, 3021), 559 P.2d 80 (1977).

Sec. 15.13.030. Duties of the commission.

No regulations were necessary to implement the mandatory provisions for filing an appointment of campaign treasurer established by AS 15.15.07(c).

Sec. 15.13.060. Campaign treasurers.

(c) Each candidate for state office shall file the name and address of the campaign treasurer with the commission, or submit, in writing, the name and address of the campaign treasurer to the lieutenant governor for filing with the commission, no later than 15 days after the date of filing his declaration of candidacy or his nominating petition. Each candidate for municipal office shall file the name and address of the campaign treasurer with the commission no later than seven days after the date of filing his declaration of candidacy or his nominating petition. If the candidate does not designate a campaign treasurer, the candidate is the campaign treasurer.

(am § 1 ch 133 SLA 1977)

Effect of amendments.

The 1977 amendment rewrote subsection (c).

As the rest of the section was not affected by the amendment, it is not set out.

This section is not unconstitutional in that it sets up "invalid class legislation." *Silides v. Thomas*, Sup. Ct. Op. No. 1362 (File Nos. 3019, 3020, 3021), 559 P.2d 80 (1977).

The two groups classified by virtue of this section are those candidates who have complied with the law and those who have not; the failure to comply with this section is the dividing line. Therefore, under any possible equal protection test this section passes constitutional muster. *Silides v. Thomas*, Sup. Ct. Op. No. 1362 (File Nos. 3019, 3020, 3021), 559 P.2d 80 (1977).

Alaska's election laws and administrative practices thereunder are confusing and require revision by the legislature in order to achieve needed goals of fairness, accessibility, simplification and clarity. *Silides v. Thomas*, Sup. Ct. Op. No. 1362 (File Nos. 3019, 3020, 3021), 559 P.2d 80 (1977).

Subsection (c) should be strictly enforced. — Since it is clear from the text of subsection (c) that untimely filing of an appointment of treasurer notification is fatal to a candidacy, and that the statute vests no discretion in the lieutenant governor in the circumstance of such noncompliance, subsection (c) should be strictly enforced. *Silides v. Thomas*, Sup. Ct. Op. No. 1362 (File Nos. 3019, 3020, 3021), 559 P.2d 80 (1977).

Effect of unequal enforcement of AS 39.50.030 on enforcement of subsection (c). — Unequal enforcement of AS 39.50.030, which requires candidates to file a financial disclosure statement, did not require the conclusion that a candidate had not substantially complied with the filing requirements of subsection (c) where the record did not show any intentional or purposeful discrimination against the candidate. *Silides v. Thomas*, Sup. Ct. Op. No. 1362 (File Nos. 3019, 3020, 3021), 559 P.2d 80 (1977).

Subsection (c) requires candidates to "file" campaign treasurer statements within a specified time limit. *Silides v. Thomas*, Sup. Ct. Op. No. 1362 (File Nos. 3019, 3020, 3021), 559 P.2d 80 (1977).

The definition of "file" is well established in the law. It has been consistently held that a document is filed

only when the proper officer has received it, and that it is not considered filed when it is deposited in the mails. *Silides v. Thomas*, Sup. Ct. Op. No. 1362 (File Nos. 3019, 3020, 3021), 559 P.2d 80 (1977).

Telephone conversation not appropriate filing. — Given the text of subsection (c), the legal meaning of the term "file" and the supreme court's adoption of the doctrine that statutory election deadlines are to be strictly enforced, a telephone conversation between the candidate's treasurer and the Alaska Public Offices Commission seven days after the declaration of candidacy was filed cannot be deemed an appropriate filing within the intentment of subsection (c). *Silides v. Thomas*, Sup. Ct. Op. No. 1362 (File Nos. 3019, 3020, 3021), 559 P.2d 80 (1977).

Prohibition of subsection (c) applies to lieutenant governor. — Under subsection (c) it is the lieutenant governor who is prohibited from placing the names of candidates on the ballot if they fail to timely file. *Silides v. Thomas*, Sup. Ct. Op. No. 1362 (File Nos. 3019, 3020, 3021), 559 P.2d 80 (1977).

No regulations were necessary to implement the mandatory provisions for filing an appointment of campaign treasurer established by subsection (c) of this section. *Silides v. Thomas*, Sup. Ct. Op. No. 1362 (File Nos. 3019, 3020, 3021), 559 P.2d 80 (1977).

Due process of law did not entitle a candidate to a hearing before his name could be excluded from the ballot by the lieutenant governor since the pertinent statutes do not require a hearing and the record showed that none of the relevant facts were in dispute. *Silides v. Thomas*, Sup. Ct. Op. No. 1362 (File Nos. 3019, 3020, 3021), 559 P.2d 80 (1977).

Sec. 15.13.090. Identification of communication [Effective January 1, 1981]. All advertisements, billboards, handbills, paid-for television and radio announcements and other communications intended to influence the election of a candidate or outcome of a ballot proposition or question shall be clearly identified by the words "paid for by" followed by the name and address of the candidate, group or individual paying for the advertising. In addition, candidates and groups must identify the name of their campaign chairman. (§ 1 ch 76 SLA 1974; am § 22 ch 189 SLA 1975; am § 36 ch 100 SLA 1980)

Effect of amendment.
The 1980 amendment, effective January

1, 1981, substituted "chairman" for "treasurer" at the end of the section.

Sec. 15.13.110. Filing of reports.

(e) A group formed to sponsor an initiative, a referendum or a recall shall report 30 days after its first filing with the lieutenant governor. Thereafter each group shall report within 10 days after the end of each calendar quarter on the contributions received and expenditures made during the preceding calendar quarter until reports are due under (a) of this section.

(am § 2 ch 133 SLA 1977)

Effect of amendments.

The 1977 amendment added subsection (a).

As the rest of the section was not affected by the amendment, it is not set out.

Sec. 39.45.040. Additional benefits. The deferred compensation program established under this chapter exists and serves in addition to any existing retirement, pension, or benefit system established by the state or its political subdivisions and may not effect a reduction in benefits receivable under an existing system. (§ 1 ch 40 SLA 1973)

Revisor's note. — In ch. 40, SLA 1973, this section contained the phrase "may not affect a reduction." That appears to involve a typographical error, and "affect" has been changed to "effect" here.

Sec. 39.45.050. Tax deferred investment. The administrator of a deferred compensation program under this chapter shall invest only in contracts which allow for deferment of the state and federal income tax until benefits are receivable under the program and shall make appropriate withholding adjustments in each participating employee's payroll. (§ 1 ch 40 SLA 1973)

Sec. 39.45.060. Definitions. In this chapter "employee" means a person, whether appointed, elected or under contract, who provides services for the state or a political subdivision of the state for which compensation is given. (§ 1 ch 40 SLA 1973)

Editor's note. — Section 2, 1974 Initiative Proposal No. 2, provides: "Severability. If any provision of this chapter or portion of a provision is declared by a court of competent jurisdiction to be invalid, for any cause, such invalid provision or portion of it shall be considered to be nonexistent and the remainder of this chapter shall continue in full force and effect."

Section 2, 1974 Initiative Proposal No. 2, provides: "Repeal of Inconsistent Law. In case of conflict between provisions of this chapter and other provisions contained in the Alaska Statutes, the provisions of this chapter shall take precedence."

Sec. 39.50.010. Sec. 39.50.010. People of the State of Alaska shall have the right to (1) to a free and open business enterprise; (2) to a free and open influence; (3) to a free and open office, and to a free and open citizens' participation; (4) to a free and open access to the public services; (5) to a free and open performance of the public duties; (6) to a free and open danger of the public interests; (7) to a free and open office holding; (8) to a free and open right to the public compelling; (9) to a free and open chilling of the public officials.

Purpose of Interest law have been legitimate of Offices Com (File No. 32). The purpose of the statute is to actual and Pub. Offices 1512 (File No. 32). Financial purpose of government and fairness fact and in Pub. Offices 1512 (File No. 32). To deter disclosure of interest in extent of the strength of disclosure of Alaska Pub.

Sec. 39.50.010. Findings and purpose. (a) It is declared by the people of the State of Alaska that the purposes of this chapter are:

(1) to discourage public officials from acting upon a private or business interest in the performance of a public duty;

(2) to assure that public officials in their official acts are free of the influence of undisclosed private or business interests;

(3) to develop public confidence in persons seeking or holding public office, enhance the dignity of the offices and make them attractive to citizens who are motivated to public service; and

(4) to develop accountability in government by permitting public access to information necessary to judge the credentials and performance of those who seek and hold public office.

(b) The people of the State of Alaska declare that:

(1) public office is a public trust which should be free from the danger of conflict of interest;

(2) the public has a right to know of the financial and business interests of persons who seek or hold public office;

(3) a compelling state interest requires that candidates for office and office holders disclose their personal and business financial interests;

(4) reasonable disclosure requirements do not violate an individual's right to privacy when the individual seeks or holds public office and a compelling state interest in the disclosure exists; and

(5) reasonable disclosure requirements do not have the effect of chilling the exercise of the right of a qualified person to seek or hold public office. (1974 Initiative Proposal No. 2, § 1)

Purposes of Alaska's Conflict of Interest law as set forth in this section have been generally regarded as legitimate goals. *Falcon v. Alaska Pub. Offices Comm'n*, Sup. Ct. Op. No. 1512 (File No. 3220), 570 P.2d 469 (1977).

The purpose of the Conflict of Interest statute is to bring to light all conflicts — actual and potential. *Falcon v. Alaska Pub. Offices Comm'n*, Sup. Ct. Op. No. 1512 (File No. 3220), 570 P.2d 469 (1977).

Financial disclosure laws have the purpose of promoting efficient, ethical government and preserving the integrity and fairness of the political process both in fact and in appearance. *Falcon v. Alaska Pub. Offices Comm'n*, Sup. Ct. Op. No. 1512 (File No. 3220), 570 P.2d 469 (1977).

To determine the validity of the disclosure provisions of the Conflict of Interest law, both the nature and the extent of the privacy invasion and the strength of the state interest requiring disclosure must be considered. *Falcon v. Alaska Pub. Offices Comm'n*, Sup. Ct. Op.

No. 1512 (File No. 3220), 570 P.2d 469 (1977).

Governmental interest balanced against individual's privacy interest. — The extent to which the governmental interest in promoting fair and honest government would be impeded by not strictly complying with the Conflict of Interest law does not outweigh the individual's privacy interest — protecting sensitive personal information from public disclosure. *Falcon v. Alaska Pub. Offices Comm'n*, Sup. Ct. Op. No. 1512 (File No. 3220), 570 P.2d 469 (1977).

Certain types of information communicated in the context of the physician-patient relationship fall within a constitutionally-protected zone of privacy. *Falcon v. Alaska Pub. Offices Comm'n*, Sup. Ct. Op. No. 1512 (File No. 3220), 570 P.2d 469 (1977).

Reporting names of physician's patients. — Until appropriate regulations are promulgated, the Conflict of Interest law may not be applied so as to require

reporting the names of individual patients of a physician. *Falcon v. Alaska Pub. Offices Comm'n. Sup. Ct. Op. No. 1512 (File No. 3220), 570 P.2d 469 (1977).*

Sec. 39.50.020. Report of financial and business interests. (a) A judicial officer, commissioner, chairman or member of a state commission or board specified in AS 39.50.200(b), person hired or appointed as head or deputy head of, or director of a division within, a department in the executive branch, person appointed as assistant to the governor, and a municipal officer, shall file a statement giving his income sources and business interests, under oath and on penalty of perjury, within 30 days after he takes office as a public official. Candidates for state elective office shall file such a statement at the time of filing a declaration of candidacy or within 30 days of the filing of any nominating petition, or within 30 days of becoming a candidate by any other means. Candidates for elective municipal office shall file such a statement at the time of filing a nominating petition, declaration of candidacy, or other required filing for the elective municipal office. Refusal or failure to file within the time prescribed shall require that the candidate's filing fees, if any, and filing for office be refused or that his previously accepted filing fee be returned and his name removed from the filing records. A statement shall also be filed by public officials no later than April 15 or 15 days after the person files his federal income tax return in each following year, whichever shall come first. Persons who, on or after December 11, 1974, were members of boards or commissions not named in AS 39.50.200(b) are not required to file financial statements.

(b) The governor, lieutenant governor, members of the legislature and candidates for these offices, judicial officers, each commissioner, head or deputy head of, or director of a division within, a department in the executive branch, assistant to the governor or chairman or member of a commission or board required to report under this chapter, shall file the statement with the Alaska Public Offices Commission. Municipal officers, and candidates for elective municipal office, shall file with the municipal clerk or other municipal official designated to receive their filing for office. All statements required to be filed under this chapter are public records. (1974 Initiative Proposal No. 2, § 1; am §§ 1, 2 ch 25 SLA 1975)

The proper location for the filing of the financial disclosure statement is unclear. *Silides v. Thomas, Sup. Ct. Op. No. 1362 (File Nos. 3019, 3020, 3021), 559 P.2d 80 (1977).*

Subsection (b) of this section requires financial disclosure statements to be filed in the office of the Alaska Public Offices Commission in Anchorage, but the administrative practice of the lieutenant governor's office has been customarily to

accept financial disclosure statements from candidates and then forward the statements to the Alaska Public Offices Commission. *Silides v. Thomas, Sup. Ct. Op. No. 1362 (File Nos. 3019, 3020, 3021), 559 P.2d 80 (1977).*

Subsection (a) contemplates filing concurrent with filing of declaration of candidacy. — Subsection (a) of this section contemplates that the act of filing a financial disclosure statement by a

But such filing is impossible for Juneau resident. — It is "patently impossible" for a Juneau resident to have filed his financial disclosure statement at the same time he filed his declaration of candidacy, since the latter may be filed in Juneau (AS 15.25.040(c)) while the only authorized place of filing the former is Anchorage (this section). *Silides v. Thomas*, Sup. Ct. Op. No. 1362 (File Nos. 3019, 3020, 3021), 559 P.2d 80 (1977).

Substantial compliance with filing requirements is sufficient. — Given the lack of clarity inherent in this section and the impossibility of compliance with this section for a would-be candidate living in Juneau who files his declaration of candidacy near the June deadline, substantial compliance with the filing requirements of this section will suffice. *Silides v. Thomas*, Sup. Ct. Op. No. 1362 (File Nos. 3019, 3020, 3021), 559 P.2d 80 (1977).

Sec. 39.50.030. Contents of statements. (a) Each statement shall be an accurate representation of the financial affairs of the public official or candidate and shall contain the same information for each member of his family, as specified in (b) of this section, to the extent that it is ascertainable by the public official or candidate. An asset or liability under \$500, household goods, and personal effects need not be identified.

(b) Each statement filed by a public official or candidate under this chapter shall include:

(1) the source of all income over \$100, including capital gains, whether or not taxable, received by him or his spouse or dependent child of his or nondependent child of his who is living with him during the preceding calendar year;

(2) the identity, by name and address, of each business in which he or his spouse or dependent child of his or nondependent child of his who is living with him was a stockholder, owner, officer, director, partner, proprietor, or employee during the preceding calendar year;

(3) the identity and nature of each interest owned by him or his spouse or dependent child of his or nondependent child of his who is living with him, in any business during the preceding calendar year;

(4) the identity and nature of each interest in real property, including an option to buy, owned by him or his spouse or dependent child of his or nondependent child of his who is living with him, at any time during the preceding calendar year;

If a Juneau resident mailed his financial disclosure statement to the Alaska Public Offices Commission in Anchorage on June 1, 1976, then his name was to appear on the forthcoming primary ballot. *Silides v. Thomas*, Sup. Ct. Op. No. 1362 (File Nos. 3019, 3020, 3021), 559 P.2d 80 (1977).

Effect of unequal enforcement of this section on filing requirements of AS 15.13.060(c). — Unequal enforcement of this section did not require the conclusion that a candidate had in fact substantially complied with the filing requirements of AS 15.13.060(c) where the record did not show any intentional or purposeful discrimination against the candidate. *Silides v. Thomas*, Sup. Ct. Op. No. 1362 (File Nos. 3019, 3020, 3021), 559 P.2d 80 (1977).

(6) any loan or loan guarantee made to him or his spouse or dependent child of his or nondependent child of his who is living with him, and the identity of the maker of the loan or loan guarantor and the identity of each creditor to whom he or his spouse or dependent child of his or nondependent child of his who is living with him owed \$500 or more;

(7) a list of all contracts and offers to contract with the state, or an instrumentality of the state, during the preceding calendar year, held, bid or offered by him, his spouse, dependent child of his or nondependent child of his who is living with him, his mother or father, or a partnership or professional corporation of which he is a member, or a corporation in which he or his spouse or his children, or a combination of them, hold a controlling interest; and

(8) a list of all mineral, timber, oil, or any other natural resource lease held, or lease offer made, during the preceding calendar year by him, a dependent child of his or nondependent child of his who is living with him, his mother or father or a partnership or professional corporation of which he is a member, or a corporation in which he or his spouse or his children, or a combination of them, hold a controlling interest.

The Honorable Senator Tim Kelly

Juneau, Alaska 99811

Dear Senator Kelly:

The Alaska Public Offices Commission would like to express its appreciation for the opportunity to present its views regarding revisions to Alaska's Disclosure Laws. As you are aware, each year since its creation in 1974, the Commission has offered suggestions to eliminate many of the burdensome requirements while also safeguarding the public mandate for disclosure.

During the 1980 session the Legislature passed FOCS HB 230 which was eventually vetoed by the Governor. The Commission felt that a major portion of this Bill contained amendments which would solve many of the present criticisms; however, it also contained several sections which would have severely hampered the Commission's ability to monitor the 1980 elections, as well as, damaged the public perception of the stature of the Commission in years to come. Therefore, the Commission supported Governor Hammond's veto of FOCS HB 230.

It is the understanding of the Commission, however, that FOCS HB 230 will be used as the basic guideline for legislative changes to be made this session. Therefore, the following discussion includes the Commission's views on those sections of FOCS HB 230 which were found to be objectionable, areas the Commission supports and has expanded upon, and several further suggestions that were not addressed in the original Bill.

This discussion paper, in most instances, does not include specific language for the suggested revisions, but rather explains the problem and offers recommendations.

AMENDMENTS TO AS 15.13
CAMPAIGN DISCLOSURE LAW

Sec. 15.13.010 (Re: Applicability)

Presently all candidates who run in a municipal race, in a city with a population of more than 1,000, must register and file with the APOC. On several occasions the Commission has received requests from various clerks regarding the applicability of AS 15.13 to candidates for Service Area Boards or members of an elective board who serve in an advisory capacity. According to the clerks it is often difficult to get people to run for these positions, the candidates spend no money, and the positions are strictly of an advisory nature. A review of the reports on file with the APOC shows that ninety-nine percent of the time there are no expenditures and that when expenditures are made, they average approximately \$10.

Having such candidates file the periodic reports or the statement that will be discussed under Sec. 042 later in this paper, appears to be meaningless. Therefore, the Commission recommends that language which eliminates filing by candidates for Service Area Boards and advisory boards be included.

Sec. 15.13.020 (Re: Selection of Commission Members)

FCCS HB 230 proposed that the current five-year terms of Commission members be reduced to three years. And, that the present process of selection -- recommendation by the two major political parties -- be eliminated.

The Commission opposes elimination of party recommendation. The current process gives credence to the ideology of a bi-partisan commission and guarantees the public appropriate input into the selection of individuals who will monitor the campaign process.

The Commission agrees that the Governor should confirm the remaining fifth Commission member. However, it suggests that the Governor appoint such a member from a list of two names submitted by the four members selected under .020(b). This mechanism would protect the independent and neutral status of this fifth position as well as respect the executive and legislative roles in the appointment process.

Reduction of the term length creates major problems. First, the initial selection process becomes somewhat confusing. In order to avoid the term of two members of the same political party from expiring in consecutive years, initial appointment would be as follows: One Democrat and one Republican serve an initial one-year term; one Democrat and one Republican serve an initial three-year term; the fifth position serves an initial two-year term. This system avoids the problem of consecutive expiration; however, it also means that two new members are appointed each year. Since the major elections are held every other year, the Commission could often find itself with two members who have relatively little knowledge regarding the complex issues of the campaign process and resulting disclosure.

Therefore, the Commission suggests amending this section by 1)

retaining the current process of political party input; 2) appointment of all members by the governor -- rather than only four; 3) confirmation of all members by the legislature; and, 4) retaining five-year terms with the provision of serving no more than one full term.

Sec. 15.13.030 (Re: Limitation on Regulations)

The new subsections contained in FCCS HB 230 to .030, do not prohibit the Commission from promulgating regulations, but these sections do limit the effectiveness of such. The Commission is aware that it must be cautious, especially once the campaign process has begun, not to change guidelines which will ultimately leave candidates unaware of the requirements. However, given the time it takes to promulgate regulations, such an amendment severely hampers the Commission's ability to clarify certain areas of the law in times when it can be proven that a specific need exists.

Sec. 15.13.042 (Re: Filing a Report of Limited or No Campaign Activity)

FCCS HB 230 included language which would allow candidates who did not intend to spend money or accept contributions to file a single report at the beginning of the campaign certifying zero monetary activity. The Commission suggests retaining this exemption provision but would include language allowing candidates to receive and spend up to \$250 before the periodic reports set out in Sec. 110 would be required.

Sec. 15.13.060 (Re: Certification of Reports)

Sec. 15.13.060 requires a candidate or group to appoint a campaign treasurer and states that the treasurer or the candidate is responsible for filing the necessary reports. This requirement has caused several problems, in that, there are often times when the candidate or a group treasurer is out of town on the due date. The group may have several deputy treasurers yet none has the authority to sign the report.

Therefore, the Commission suggests that appropriate language be included in Sec. .060 which allows a deputy treasurer to sign the reports in the absence of the candidate or group treasurer.

AS 15.13.070(b) (Re: Limit on Cash Contributions)

It has been brought to the attention of the Commission that the prohibition against cash contributions which are in excess of \$100 creates problems, especially for those in the bush areas. Often there are no facilities for purchasing money orders, cashier's checks or bank drafts.

Therefore, the Commission suggests that cash contributions in excess of \$100 be allowed; however, for any contribution in excess of this amount, the candidate or group is required to issue a written receipt. By issuing a receipt, the contribution gets into the system, the paper trail begins, and the possibility of the cash being inadvertently misplaced is minimized.

Sec. 15.13.070(d) (Re: Exemption from Recording Requirements)

An amendment offered in FCCS HB 230 to AS 15.13.070(d) allows candidates to accept contributions of \$5.00 or less without recording the name of the contributor. This amendment appears harmless enough; however, it does leave a very large "loophole," should an individual choose to circumvent the law. If this language were to be enacted, there would be nothing to prevent an individual from mailing a five dollar contribution on a daily basis to the same candidate in addition to donating the maximum amount allowed by the law. Such an amendment does not appear to be in line with the intent of the Act. If the impetus for inclusion of this exemption was to eliminate the recording of the names of contributors at events such as fund-raisers where the individuals in attendance are contributing small sums of money, please note that the Commission has adopted administrative regulation 6 AAC 29.326 which pertains to record-keeping requirements for fund raisers. This regulation eliminates the need to record the names of individuals donating to a fund-raiser so long as there are 25 or more persons in attendance and the cash amount received from any individual does not exceed \$50.00.

Sec. 15.13.090 (Re: Identification of Political Communications)

Sec 15.13.090 has long been an area of criticism and concern. Presently all political advertisements must be identified with the words "paid for by" the name and address of the group and the name of the campaign chairman of the group. Many candidates and groups feel that if there is a billboard which states "Vote for John Smith," and the placard is paid for by John Smith's campaign committee, requiring a full trailer which gives the name, address and treasurer of the committee is unnecessary and tantamount to bureaucratic harassment.

However, the flip side of the coin is the advertisement which says "Vote Against John Smith" or "John Smith Opposes The Curb Your Dog Law," and the authors fail to appropriately identify who is sponsoring the communication.

This past election has given the citizens of Alaska an extensive education regarding "negative campaign" efforts. And, it remains essential that such advertising be properly identified so that the public has the appropriate information.

Therefore, the Commission would suggest .090 be separated into two categories. Category One would allow candidates or a candidate's campaign committee to identify all political communications in support of the candidate with the phrase "paid for by John Smith for House" or "paid for by the Committee to Elect John Smith."

Category Two would address all other groups or individuals paying for political advertisements. The identification on those advertisements must include the name of the group, as well as a contact address or phone number for the group.

FCCS HB 230 offered an amendment which 1) eliminated the 30-day pre-election report; 2) changed the 7-day pre-election report to a 10-day pre-election report; 3) eliminated reporting of expenditures during the 24 hour reporting period; and, 4) changed the 24 hour reporting period to a 48 hour reporting period. Although the Commission is in agreement with the latter two amendments, it strongly opposes elimination of the 30-day report and a change in the 7-day report.

This opposition is based on the following reasons: First, one of the major objectives of this or any disclosure law is to make information available to the public at a time when it will have the most impact. Eliminating the 30-day pre-election report and changing a 7-day pre-election report to a 10-day pre-election report means that major portion of the campaign activity information will be submitted just before the election. Given the vagaries of the mail system, it is quite possible that with the proposed changes, many reports will not reach the Commissions offices until a few days prior to the election. As campaign costs increase, so will the time it takes to audit the reports and distribute the information in a meaningful fashion.

Secondly, the 30-day pre-election report gives candidates and groups the opportunity to review the requirements and learn the proper method of reporting. This knowledge and experience helps to ensure that subsequent pre-election reports contain no major errors and that therefore, the public has access to accurate information.

The Commission is aware that many arguments have been raised in opposition to the number of reports required by AS 15.13. However, it is the opinion of the Commission that such criticisms are based on the complexity of the information required rather than the number of reports required.

The Commission has discussed this problem with its staff and feels that many of these problems are of an administrative rather than a legislative nature. The Commission has instructed staff to revise the reporting forms so that the following changes will be accommodated: elimination of itemization of expenditures which are less than \$100; revision of the reporting of accrued expenditures; and revision of the reporting of repayment of loans.

The only change the Commission would suggest to Sec. 110 would be to expand the 24 hour report (i.e., amendments to 48 hours) to include the 3 day period prior to the due date of the 7-day report. This 3 day period is presently uncovered by statute.

Sec. 15.13.120 (Re: Criminal Penalties)

FCCS HB 230 would no longer consider "making a communication to support or defeat a candidate without identification of sponsorship" a criminal offense. The Commission agrees that if a candidate fails to put the words "paid for by" on a flier or leaflet, it should not be considered a criminal matter, especially if the material distributed is supportive of a candidate. However, as shown by this past election there are individuals who will circulate material in opposition to candidates; this material is often fallacious, misleading and capable of

causing irrevocable injury to the candidate. When such communications are distributed without identification, the public has no basis for making a determination regarding the validity or intent of the sponsor, or of the candidate, bond proposition or ballot issue in question.

Therefore, the Commission suggests maintaining criminal sanctions for unidentified communications whether by an individual, group or candidate, if the purpose is to oppose a candidate, ballot issue or bond proposition.

FCCS HB 230 also reduces the Statute of Limitations for prosecution of a criminal act from four years to one year. The Commission strongly objects to such a revision primarily because the Commission is not an adjudicatory body. In many instances violations do not surface until several months after a report is filed. In off-election years only one report is required at the end of the calendar year. If there is substantial reason to believe a violation has occurred, the Commission's staff must make a preliminary investigation, forward its findings to the Commission, the Commission must hold a hearing -- or in some instances two (2) hearings, and only after this process has occurred may it forward a case to the Attorney General where the decision to dismiss or prosecute is made.

Hence, the Commission recommends the Statute of Limitations remain four years.

AMENDMENTS TO AS 24.45
THE REGULATION OF LOBBYING LAW

AS 24.45.041(c) (Re: Required Photograph)

AS 24.45.041(c) makes reference to a photograph of the lobbyist which may be submitted. AS 24.45.041(e) indicates that the directory of lobbyists shall include such photographs if submitted. As few lobbyists have ever supplied a photograph, and as the directories are simply xerox copies of the registration statements -- making inclusion of any photo difficult -- the Commission suggests that all reference to lobbyist photographs be deleted.

AS 24.45.051 (Re: Reduction of Itemization)

Section 37 of FCCS HB 230 amends AS 24.45.051 to clearly state what lobbyists are required to report, although it does not expand what is currently required. The Commission recommends that this section be amended to the effect that the lobbyist need report only aggregate amounts received for the reporting period and the year, for both salary, fee or retainer and expense disbursements and reimbursements. Thus, the expense portion would not be itemized on the report, merely summarized; however, the expense total would reflect reimbursements or disbursements for the same items that now need be listed individually. This change is also suggested for employer reports required under AS 24.45.051. The Commission contends that such a change would foster simplification of the reporting requirements and thus encourage more timely compliance by those subject to the law. Further, the Commission does not feel that this proposed change would undermine the intent of the original legislation, as the most critical financial information would still be available to the public.

Sec. 24.45.081(a) (Re: Reporting Periods)

Section 24.45.081(a) as amended by FCCS HB 230 would provide for quarterly reporting periods for lobbyists whether or not the legislature were in session. The Commission recommends that the existing situation be maintained, that is, the lobbyist be required to report monthly for the period that the legislature is in session and quarterly thereafter. This suggestion is based on the fact that if lobbyists report only on a quarterly basis throughout the session, the legislative session will be well advanced (mid to late April) before any information concerning financial activity of lobbyists is available to the public. Such a situation is viewed by the Commission as counter to the intent of the Regulation of Lobbying Law.

A final recommendation by the Commission concerning changes to AS 24.45 relates to including in the law language for employers which is comparable to that which presently exists in Sec. 041 for lobbyists. Current language in .041 states that the Commission may not renew lobbying credentials until all previously required lobbyist reports have been filed. By not registering a lobbyist for any employer who did not file all previously required employer reports, the Commission would possess a reasonable yet effective tool with which to foster compliance with the Law.

AMENDMENTS TO AS 39.50
THE CONFLICT OF INTEREST LAW

FCCS HB 230 contained only two sections amending AS 39.50. One of those amendments had been suggested by the Commission in prior years and continues to merit support; the other amendment is of dubious value. Beyond those two amendments, there are other areas of AS 39.50 which could be addressed and the Commission hopes will be addressed, particularly if it is the desire to develop an omnibus bill enacting a comprehensive review of the State's disclosure laws.

There is some "housekeeping" which will not be discussed here, except for general comments about the statute and the type of legislation it represents. Public expectation concerning the scope and jurisdiction of AS 39.50 is often disappointed because the title is a misnomer. AS 39.50 is a financial disclosure statute, not a "Conflict of Interest Law." Simply stated, AS 39.50 does not define a Conflict of Interest, it doesn't prohibit Conflicts of Interest, and it doesn't provide any guidance to public officials specifying the actions necessary to remedy a Conflict of Interest. The title gives rise to expectations that are not met and which would be less likely if the title were accurate. As a financial disclosure law, AS 39.50 provides the public with access to information concerning the financial and business interests of key decision-makers on both the state and municipal level. The following discussion of amendments focuses on improvements to the existing financial disclosure law.

Sec. 39.50.070(a) (Re: Applicability)

In addition to concurring with the amendments proposed in FCCS HB 230 which would assure that all candidates will have Statements on file covering the same preceding year, there should be additional language requiring a Termination Statement by those who leave a position which requires them to file. Presently, the public official who leaves government is not required to disclose financial and business interests for any part of the period he or she was in office since the previous Statement was filed. Thus, an official who resigns prior to the April 15th deadline for Statements covering the preceding calendar year can work a maximum of fifteen months for which financial disclosure is not required.

Two brief additions should be made to FCCS HB 230 concerning the fact that the requirement to file a municipal statement does not apply to the candidate for elective municipal office who has a current statement on file with the municipality in which he or she seeks office and that a state public official who files for state elective office is not required to file a statement at the time of becoming a candidate if he or she has a current statement on file with the Commission. The inclusion of such explicit language should be helpful in preventing the unfortunate situation of a candidate's declaration being invalidated due to simple confusion over the need to file a COI Statement.

Sec. 39.50.030(a) (Re: Contents of Statements)

Sec. 030(a) states that "...an asset or liability under \$500, household goods, and personal effects need not be identified." The Commission recommends that this threshold be raised to \$1,000 as current economic conditions make assets or liabilities under \$1,000 of minimal value for public disclosure purposes. Further, this higher threshold is consistent with the "source of income" threshold the Commission is addressing in a later section of this discussion paper.

Sec. 39.50.030(b) (Re: Contents of Statements)

Section 46 of FCCS HB 230 eliminated requirements that public officials include in their Statements information concerning a non-dependent child. On the surface, that might appear to be sensible; however, the complete phrase in the statute is "a non-dependent child who is living with him," and, if only the words "or non-dependent child of his" are removed, the phrase "who is living with him" then modifies spouse or dependent child. The Commission is of the opinion that the financial concerns of an official's spouse or dependent child should be reported notwithstanding permanent residency status. Thus the Commission recommends that the entire phrase "or non-dependent child of his who is living with him" be removed from Sec. 030(b) where it appears.

Sec. 39.50.030(b) (1) (Re: Reporting Income over \$100)

Currently, public officials or candidates must report the source of all income over \$100, including capital gains, whether or not taxable, received by him or his spouse or children during the preceding calendar year. The Commission contends that this low threshold makes the reporting very burdensome for some individuals subject to the law without actually providing critical financial information. Further, the Commission asserts that by increasing the threshold to \$1,000, truly significant sources of income would not be obfuscated by the inclusion of income sources of limited value.

Sec. 39.50.030(b)(6) (Re: Loans or Loan Guarantees)

This subsection presently requires the reporting of only personal loans to the official and family members as indicated. Given the emphasis on the need to report business interests (i.e., partnership, professional corporation, and corporation in which there is controlling interest) in other sections of this law dealing with sources of income, contracts, and leases, this subsection should be amended to include the requirement to report the same information about business loans, loan guarantees, and creditors.

Sec. 39.50.030(b)(7) (Re: Contracts)

Subsection (7) as presently written requires State and municipal officers to report contracts they hold with the state, but not contracts they hold with the municipality. One could hardly believe that this

situation was intended; it must have been a drafting oversight. A municipal official's contract relationship (if any) with the municipality he or she serves is critical to adequate disclosure. Such could also be the case in situations in which a state official makes state funding allocation decisions regarding municipalities with which he or she has a contract. Therefore, the Commission suggests that the definition of "instrumentality of the state" be amended to include municipalities.

Sec. 39.50.050(d) (Re: Publishing of Reports)

In six years of experience there has never been a request for a copy of all the contents of all Statements; "publishing" all 500 plus Conflict of Interest Statements would only be wasteful. If a section concerning accessibility of the Statements is desirable, it should reflect the current practice of making copies of particular Statements upon request for the regular copying charge.

New Section Needed (Re: Municipal Officers)

As 39.50 does not provide for penalties for failure to report by municipal officers as it does for state public officials in sections .070, .089, .110, .120 and .130. The only penalty provision which applies to municipal officials provides a civil penalty for late filing. Short of the potential dangers of a charge of "wilful violation" under section .050, it would appear that a municipal official who doesn't file at all is in less jeopardy than one who simply files late.
