STATE OF ALASKA

BILL SHEFFIELD, GOVERNOR

DEPT. OF HEALTH AND SOCIAL SERVICES

DIVISION OF PUBLIC HEALTH

February 25, 1983

POUCH H-06
JUNEAU, ALASKA 99811-9976

PHONE:

DOCUMENT NO. 83-98

The Honorable Milo Fritz, M.D.
Co-Chairman
House HESS Committee
Pouch V
Juneau, Alaska 98911

Dear Dr. Fritz:

I would like this opportunity to respond to the Health Education and Social Services Committee request for additional information concerning House Bill No. 39, "An Act relating to services to pregnant women." At the February 16, 1983 hearing, the committee requested clarification concerning the following items:

1) The committee requested a budgetary estimate for providing pregnancy related medical care to women addressed by this bill.

Assuming that the intent of this service would be to provide medical care to women who do not have access to other resources, (i.e., Medicaid, General Relief Medical, private pay, Public Health Service or other insurance) an estimated cost would be \$1,176,000 for FY 84. This estimate is based upon utilization experience by a similar service provided through a pilot project at the Fairbanks Health Center. During 1981-1982, the project provided medical care financial assistance to approximately 7 percent of the total births in the North Star Borough. Assuming that the total number of births in FY 84 will be approximately 12,000, it is estimated that 840 women would qualify for this service at an average cost of \$1,400 per client. Additional state staff would not be required if the Division of Public Assistance would perform the bill paying, and the Division of Public Health would provide client intake and eligibility certification.

2) The committee requested information concerning the state expenditures for abortions, the number provided and the criteria for those receiving state assistance.

The number of abortions provided by the General Relief Medical program during calendar year 1982 is estimated to be 276, with an approximate total expenditure of \$269,354. The criteria for General Relief Medical assistance is \$300 monthly income for one adult, plus \$100 for each additional in adult only households; and \$350 for parent plus 1 child with \$50 for each additional child in parent/child households.

February 25, 1983

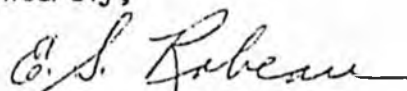

3) The committee requested identification of possible budget reductions in the social services fiscal note to be investigated.

Based upon conversations with staff for Representative Miller and Representative Martin, comments of the Booth Memorial Home staff, and Division of Family and Youth Services, the fiscal note could be reduced by a total \$587,700 in FY 84. The suggested modifications are as follows:

Line 700 - Benefits for Individuals	<u>Original</u>	<u>Reduction</u>	<u>Total</u>
<u>Foster Home Care</u>			
160 persons x \$520/mo x 6 mos.	\$481,920	<0>	\$481,920
<u>Maternity Home Care</u>			
30 persons - \$73/day x 6 mos. (50% reduction of daily cost)	788,400	<394,200>	394,200
<u>Counseling/Adoption Assistance</u>			
300 persons x \$75/hr. x 8 hr. (7 hr. reduction of counseling)	377,500	<157,500>	180,000
<u>Transportation to and from Placement</u>			
150 persons x \$360/average trip (\$240 per trip reduction)	<u>90,000</u>	<u><36,000></u>	<u>54,000</u>
Subtotal	1,697,820	<587,700>	1,110,120
<u>Associate Coordinator, Range 18</u>			
Line 100 Personal Services	35,037	<0>	35,037
Line 200 Travel	1,200	<0>	1,200
Line 300 Contractual	2,600	<0>	2,600
Line 400 Commodities	400	<0>	<u>400</u>
Subtotal			39,237
Total	\$1,737,057	<587,000>	\$1,149,357

I hope this information will be of assistance. Please advise us if you have additional concerns on this matter.

Sincerely,

E.S. Rabeau, M.D.
Director

April 29,

HB 39

~~Jan Paden~~

Mike Miller - sponsor

alternative to abortion - not compulsory - choice.
Endorsed by pro-life and pro-choice and religious groups.

provides medical and other services for women above the poverty line - perhaps similar as options for abortions must be added.

revert to original bill line 21 "other than medical services"

delete "birthing centers and midwife services"
GCM - Medicaid already get those services.

below poverty line: all services included. medical services above " " " everything except those outlined

would finance \$704. medical expenses.

Jan Paden -

support HB 39

Rick Robertson - Law - AB.

1. effective date - may cause problems
2. eligibility criteria - perhaps by reg. - should be made explicit. eligibility for other medical programs/insurance

Joe - don't want this only for those below poverty line.

Terry Martin - support unanimous passage in House.

Joe is money in budget?
- don't know.

can't Rick Robertson

Pappy what is a resident in HB 39?

last pay resource - department will suggest language.

If state provides birthing services, it must provide other side of the services.

In 1981 Cardozo wrote an opinion of GEM that they should pay both sides.

If issue is economic - those not eligible for GEM are in trouble.

PARITY

if medical is deleted - will be OK!

Joe Parity - past abortion counseling?

Don't know - finer lines not drawn - no court case

Betty Lorenson - Pregnancy Aid - volunteer agency support bill

John Pugh - H&SS

many low-income (esp. adolescent) women - esp. in rural Alaska has problems getting care in pregnancy. very important for the State to support a system

Problems w/ bill

- ✓ (1) last payer - 3rd party payer clause - may those not eligible for other services
- ✓ (2) regulations - specific authority for Department. definition "soc. & econ."
- ✓ (3) effective date - couldn't do it for at least 3 yrs.

MEMORANDUM

TO: Nancy Dietrick, PA
SENATOR JOE JOSEPHSON
Chair, H&SS

FROM: Max Gifford, AA *MG*
SENATOR JOHN SACKETT
Co-Chair, SFC

SUBJ: SB-508, supplemental appropriations for Bethel Social Services and Sitka Youth Advocates, Inc.

I suspect I need not tell you how the two non-profit groups referenced above have been short-funded as a result of the payment authorization scale adopted in Ch. 138, SLA 1982 (attached). Clearly, both Bethel and Sitka should have been higher rates, particularly when some children's homes in Anchorage are receiving as much as \$150 to \$160 per day, per child.

SB-508 is an attempt to correct the funding shortfall in Ch. 138 ('82) similar to successful legislation passed last year, SB-97.

Senator Sackett would request that SB-508 be scheduled before the Health & Social Services Committee in the near future.

Please call if you have any questions.

- * Also attached are a memo from Senator Eliason and a letter and computation sheet from Loreen Foster of Bethel Social Services pertaining to the calculation of funding short falls for the two children's homes in question.

1 period of suspension, payment for services provided by residential child care
2 facilities shall be made solely in accordance with the provisions of secs. 3
3 and 4 of this Act.

4 * Sec. 3. For fiscal year 1981, the payment authorized per day for each
5 child placed by the Department of Health and Social Services in an existing
6 residential care facility is:

7	Alaska Children's Services Receiving Home (Anchorage)	\$149.85
8	Alaska Children's Services Jesse Lee Home (Anchorage)	165.46
9	Alaska Children's Services Rabbit Creek Group Home (Anchorage)	166.40
10	Alaska Children's Services North Star Home (Anchorage)	103.55
11	Alaska Children's Services Aquarius House (Anchorage)	107.60
12	Alaska Children's Services Colletti House (Anchorage)	117.51
13	Alaska Baptist Family Service Center (Anchorage)	117.02
14	Booth Memorial Home (Anchorage)	146.90
15	Hilltop Home, Inc. (Anchorage)	85.53
16	Kenai Peninsula Community Care Center (Kenai)	91.74
17	Kodiak Baptist Mission (Kodiak)	61.61
18	Turning Point Boys Ranch (Willow)	105.37
19	North Star Children's Home (Dot Lake)	62.25
20	Presbyterian Hospitality House (Fairbanks)	111.98
21	Juneau Receiving Home (Juneau)	106.17
22	St. Jude Center, Inc. Receiving Home (Juneau)	72.33
23	Nome Receiving Home (Nome)	116.97
24	Manilaq Group Home (Kotzebue)	167.00
25	North Slope Borough Children's Receiving Home (Barrow)	168.35
26	Ketchikan Teen Home I (Ketchikan)	74.26
27	Ketchikan Teen Home II (Ketchikan)	81.61
28	Ketchikan Children's Home Intensive Treatment Unit (Ketchikan)	152.56
29	Sitka Receiving Home (Sitka)	40.66

Bethel Receiving Home (Bethel)	75.52
Bethel Group Home (Bethel)	59.06
Covenant High School (Unalakleet)	51.16

* Sec. 4. For fiscal year 1984 the payment rates for residential child
care services shall be the amounts set out in sec. 3 of this Act increased by
five percent.

* Sec. 5. For fiscal years 1983 and 1984 the Department of Health and
Social Services may contract for residential child care services with a
facility not listed in sec. 3 of this Act at a rate to be determined by the
Department.

* Sec. 6. AS 14.30 is amended by adding a new section to read:

Sec. 14.30.075. VISION AND HEARING SCREENING EXAMINATIONS. (a) A
vision and hearing screening examination shall be given to each child
attending school in the state. The examination shall be made when the
child enters school or as soon thereafter as is practicable, and at
regular intervals specified by regulation by the governing body of the
district.

(b) The Department of Health and Social Services shall

- (1) set standards for the performance of vision and hearing
screening;
- (2) train and certify public health nurses and school district
employees to conduct hearing and vision screening tests;
- (3) assist with referral and follow-up of children needing
professional examination or treatment; and
- (4) assist with maintenance and repair of screening equipment.

* Sec. 7. AS 44.29.020 is amended to read:

Sec. 44.29.020. DUTIES OF DEPARTMENT. The Department of Health
and Social Services shall administer the state programs of public health
and social services, including: (1) maternal and child health services;

MEMORANDUM

TO: Senator John Sackett
FROM: Senator Dick Eliason *Dick E*
DATE: February 21, 1984
RE: Supplemental appropriation for Sitka Receiving Home

Due to the exceptional low daily rate allowed the Sitka Receiving Home (\$42.70 per "provider day") over the last two fiscal years there is a critical, and unfair shortfall in the Home's operating budget. Sitka, like Bethel, received a small supplemental grant last session to help them over the FY 83 shortfall but we need to provide coverage for FY 84. Hopefully, legislation will pass this session which will finally correct the inequity in funding for these homes and both Bethel and Sitka will be self-sustaining on their allowed payments after this year.

It would seem reasonable to figure Sitka at the same level of funding as the Juneau Receiving Home. Sitka has been at \$42.70 while Juneau is at \$111.48. The difference per day of care is then \$68.78. In FY 83 Sitka provided 967 days of care. FY 84 is likely to be at about that same level. Therefore a reasonable supplement amount to include for the Sitka Receiving Home now for FY 84 would be \$66,510 (\$68.78, the difference between the Sitka rate and the Juneau rate, multiplied by the estimated number of days of care provided.)

I would very much appreciate any help you could provide in getting this funding in.

Bethel Social Services, Inc.

• A PRIVATE NON-PROFIT CORPORATION •

Hon. Senator John Sackett
State Capitol
Pouch V
Juneau, Alaska 99811

Dear Senator Sackett:

Here is the information your aide, Max Gifford, requested of us for the supplemental appropriation for the operation of the Bethel Receiving Home.

As you already know, there was a freeze imposed on the cost of care rates two years ago. We were not aware of this freeze and at that time were expecting our rate at the Receiving Home to increase following an audit that we requested. The audit was denied by the State, and we were told we would have to make do with the existing rate.

To prepare the figure we are requesting for the supplemental, I have taken an average of the rates paid to the residential child care centers in the State of Alaska (Anchorage, Willow, Fairbanks, Barrow, Bethel, and Nome) and subtracted our rate from the average. I then multiplied this figure by the number of child care days. As you will see we had a great number of child care days, and that in itself should show you how valuable this project is to the Delta region. The facility has been greatly utilized this past year and with this additional operational monies, we will be able to make the Bethel Receiving Home a First rate facility to house the children of the Delta.

Sincerely,

Loreen M. Foster
Administrative Director, B.S.S.

ACS Receiving Home, Anchorage	\$ 149.85
ACS Aquarius House, Anchorage	149.85
ACS Colletti House, Anchorage	117.51
ACS Jesse Lee, Anchorage	165.46
ACS North Star, Anchorage	103.55
ACS Rabbit Creek Grp. Hm., Anch.	166.40
Booth Memorial Home, Anchorage	146.90
Hilltop Home, Inc., Anchorage	85.53
Turning Point Boys Ranch, Willow	105.37
PHH-Receiving Home, Fairbanks	111.98
PHH-Treatment Unit, Fairbanks	111.98
North Slope Borough Rec. Hm., Barrow	170.80
Bethel Receiving Home, Bethel	79.30
Bethel Group Home, Bethel	59.06
Nome Receiving Home, Nome	109.20
	<hr/>
TOTAL	\$1832.74

\$1832.74 divided by 15 centers is an average rate of \$122.18 per day.

The Bethel Receiving Home's rate is \$79.30, subtracted from the average gives us a deficit of \$42.88.

The Bethel Receiving Home had a total of 2,369 provider days last FY year ('83).
2369 multiplied by \$42.88 is a total supplemental request of \$ 101,582.72

TOTAL SUPPLEMENTAL REQUEST - \$ 101,582.72

Representative Mike Miller

MEMO: January 24, 1984

TO: Senator Joe Josephson,
Senate Finance Committee

FROM: Representative Mike M. Miller *[Signature]*

SUBJECT: HB 39

I'm not sure whether the enclosed letter from the Salvation Army was sent to all members of the Legislature or not. If you have not seen it before I'd like to share it with you.

As you can see, because of lack of funding, more than 350 young, single, pregnant women had to be turned away from the Salvation Army's Booth Memorial Home last year.

Obviously, they wanted help; wanted to bring their babies to term. Because there was no money to help them, they had to be turned away. And many, perhaps most, had to turn to the other available option--state funded abortion. Abortion which was not really their choice, but which was forced on them by economic necessity. HB 39 provides an alternative for women in this circumstance. A real choice. Perhaps that is why both pro-choice and pro-life groups have endorsed this legislation.

I hope you will support this bill early on, both in committee and on the floor of the Senate.

Many Thanks.

Dear Representative Miller,

Once again as the legislature comes to session, I would like to bring to your attention the continued growing concern we have here at The Salvation Army Booth Memorial Home for unwed mothers. My letter which I shared with you nearly a year ago had statistics dealing with young pregnant girls we were unable to serve here at the Booth Home because of the lack of funding. In 1981 the figure was 228 individuals. In 1982 it rose to 274 and in 1983 the figure was at an all time high of 353.

In the month of December we held the Legislative Concern Day here at Booth for the local legislators. Some very positive remarks were made by these legislators and their assistants who attended and we feel perhaps we could provide a greater service by not only the in-house patients we could serve, but also by enlarging our out-patient service.

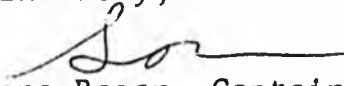

We truly appreciate all the support and concern which you have shown to us here at the Booth Home and once again at the opening of this session, ask for your continued support.

At present we are in a real dilemma of whether we will even be able to keep open our doors within the next two or three months, so any kind of support you could give us at this time would be greatly appreciated.

Please find enclosed a breakdown of the communities served by Booth in the past 10 years.

Warm personal regards.

Sincerely,

Gene Ragan, Captain
Administrator

A TEEN'S "BILL OF RIGHTS"

At Booth, we believe the troubled teen has the right to:

- learn acceptance and appreciation of herself and others as worthwhile individuals;
- share her feelings, fears and hopes with peers and trained counselors;
- be respected as an individual and as an important member of society;

Booth "family members" share their thoughts and plans with each other in the supportive living environment.

Teens in the residential program have regular activities and leisure time, as well as school and counseling.

- learn constructive, rewarding behaviors that allow her to function in healthy, and happy ways in life;
- continue her education, learn about and explore options for her future; and
- receive encouragement and assistance for her personal growth: intellectual, emotional and spiritual.

The Salvation Army's Booth Memorial Home is supported by the State of Alaska, the Municipality of Anchorage, the United Way and the Salvation Army. Its fees are on a sliding scale.

FOR MORE INFORMATION: Call the Admissions Worker at Booth Memorial Home, 279-0522 or 279-0523; or the Division of Family and Youth Services. Booth: 24-hours a day. For the future.

Residential Treatment Teenaged and troubled?

There
is
help. . .

The Salvation Army
Booth Memorial Home
3600 East 20th Ave.
Anchorage, AK 99504
279-0522

WELCOME TO BOOTH, four programs serving:

- troubled teens,
- pregnant adolescents,
- teen mothers and their infants,
- single, pregnant women and mothers.

For teens who are troubled, pregnant or new mothers — THIS IS BOOTH:

A total living environment for young women. Here, they can learn and develop healthy behavior for successful living. Here, the goal is to build up and nurture the strengths of each young woman, enabling her to function capably in both her primary living situation and out in the world. Individual and group counseling, and spiritual guidance help these teens to help themselves and each other. Community and in-house activities boost social and emotional skills. And here too, they continue their education through a special program with the Anchorage School District.

For single mothers of any age — THIS IS BOOTH:

A caring support system during pregnancy and motherhood. As outpatients, single pregnant women learn how to care for their unborn children and gain parenting skills. They receive medical assistance. Individual, group and family counseling helps them grow and share with others in similar situations. Education and/or vocational guidance offers new opportunities for a successful future. And spiritual support is always available.

RESIDENTIAL TREATMENT

Troubled teens, ages 13-18, live together at Booth, sharing and learning about themselves, and continuing their education.

WHO IS ELIGIBLE?

Adolescent girls, 13-18 years old, who are in State custody because of their history of behavior difficulties such as: poor functioning in school, problems maintaining positive relationships, past drug or alcohol abuse, running away; family abuse, neglect and/or sexual abuse.

Adolescents at Booth work toward learning new, healthy behaviors and skills for a successful future.

HOW DOES IT WORK?

Young women who are accepted into the program become part of "the family." Booth becomes their home: it's where they live, go to school, and share their hopes, fears, frustrations and laughter with other residents. They participate in counseling, both group and individual sessions, for personal and spiritual growth. They learn to change destructive behavior patterns into positive, rewarding ones. And, they develop new options for the future through educational and vocational planning. They're also exposed to other community resources and support groups, for assistance after they complete Booth's program.

Troubled teens continue their education at Booth through a special program with the Anchorage School District.

HOW LONG DOES IT LAST?

The maximum is one year, and the average stay ranges from six to nine months.

A SINGLE MOTHER'S "BILL OF RIGHTS"

At Booth, we believe the teenage woman who is pregnant has the right to:

- seek and receive information about pregnancy, childbirth and parenting;
- share her feelings, fears and hopes with peers and trained counselors;
- be respected as an individual and as an important member of society;

Teen mothers at Booth share their thoughts and experiences with each other in the supportive living environment.

In the homey atmosphere of Booth, teen mothers learn the joys and frustrations of caring for their infants.

- learn constructive, rewarding behaviors that allow her to function in healthy and happy ways in life;
- continue her education, learn about and explore options for her future; and
- receive encouragement and assistance for her personal growth: intellectual, emotional and spiritual.

The Salvation Army's Booth Memorial Home is supported by the State of Alaska, the Municipality of Anchorage, the United Way and the Salvation Army. Its fees are on a sliding scale.

FOR MORE INFORMATION: Call the Admissions Worker at Booth Memorial Home, 279-0522 or 279-0523; or the Division of Family and Youth Services. Booth: 24-hours a day. For the future.

And spiritual support is always available.

MOTHER-INFANT

Teenage mothers, ages 13-18, live at Booth while their babies are infants. They learn parenting and life-coping skills and health behavior patterns.

WHO IS ELIGIBLE?

The young mother, 13-18 years old, who has one child under six months of age, and who wants a safe environment to test her decision to be a single parent. This teenager with few coping skills is generally at high risk for becoming abusive with the helpless, dependent child.

Teen mothers at Booth learn parenting and coping skills that will help them plan for their future and those of their children.

HOW DOES IT WORK?

Young women who are accepted into the program become part of "the family." Booth becomes their home: it's where they live, go to school, and share their hopes, fears, frustrations and laughter with other residents. They participate in counseling, both group and individual sessions, for: personal and spiritual growth, family adjustment, and parenting. These young mothers have the primary responsibility for caring for their infants on a day-to-day basis. Skilled counselors provide emotional support, parenting classes, and help teens plan realistically for a healthy future.

Pregnant teens continue their education at Booth through a special program with the Anchorage School District.

HOW LONG DOES IT LAST?

Teen mothers must stay a minimum of two months, and can remain until the child reaches six months of age.

Senator Joe P. Josephson
Alaska State Legislature
Pouch V (MS 3100)
Juneau, Alaska 99817

Dear Senator Josephson,

Last year House Bill 39 was introduced in regards to "An Act Relating to Services to Pregnant Women". In the past 25 years The Salvation Army Booth Memorial Home has offered services to unwed mothers throughout the State of Alaska.

For your information, enclosed is a breakdown of the region and communities which Booth has served in the past 10 years.

We would like to ask for your support in this very important financial matter for us here at the Booth Home. We see a growing need for our services for unwed mothers, both in our in-house and our out-patient basis. In 1981, we were unable to serve 227 such cases, in 1982, it was 274, and in the year that just ended, 1983, we said "no" to 353 individuals seeking some form of our services that we provide at Booth.

As a state wide nonprofit agency we would solicit your support for this very vital matter to many young lives in the State of Alaska. If I can provide you with any other information or be of any support, please feel free to call upon me at any time.

Thank you for your time and consideration.

Sincerely,

Gene Ragan, Captain
Administrator

3

IN THE LEGISLATURE OF THE STATE OF ALASKA

4

THIRTEENTH LEGISLATURE - FIRST SESSION

5

A BILL

6

For an Act entitled: "An Act relating to services for pregnant ~~women~~ and

7

providing for an effective date."

8

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

9

* Section 1. LEGISLATIVE FINDINGS AND PURPOSE. The legislature finds

10

that there are insufficient maternal and infant care services available to

11

women experiencing social and economic difficulties associated with child-

12

bearing. As a result of these inadequate services, some children may

13

develop health conditions that require state-supported services throughout

14

their lives. In order to promote healthier generations of Alaskans, the

15

legislature wishes to invest in the state's future by providing prenatal

16

care and social services to pregnant women.

17

* Sec. 2. AS 47 is amended by adding a new chapter to read:

18

CHAPTER 42. PURCHASE OF SERVICES FOR PREGNANT WOMEN.

19

Sec. 47.42.010. PURCHASE OF SERVICES FOR PREGNANT WOMEN. The

20

Department of Health and Social Services shall pay the cost of pre-

21

natal services and medical services for a pregnant woman experiencing

22

social and economic difficulties, including the costs of birthing

23

centers, midwife services, and transportation to and from a maternity

24

home or a foster home, counseling, adoption assistance, maternity home

25

and foster home care, postnatal care, and parenting skills.

26

Sec. 47.42.020. LICENSING AND SUPERVISION. A person providing

27

services purchased by the Department of Health and Social Services

28

under this chapter shall, if required to be licensed under AS 47.35,

29

be licensed and supervised in the same manner as foster homes,

*Miller
Revised*

1 boarding homes, maternity homes, and other agencies and institutions
2 under AS 47.35.

3 * Sec. 3. This Act takes effect immediately in accordance with AS 01.-
4 10.070(c).

5

POSITION PAPER
CS FOR HOUSE BILL NO. 39 (HESS)

For a Bill entitled: "An Act relating to services for pregnant women; and providing for an effective date."

This Bill provides for expansion of pregnancy related health and social services and authorizes State funding for services to pregnant women experiencing social and economic difficulties during the prenatal and postpartum periods. These services are to include adoption assistance, counseling, transportation, care received in maternity and foster homes, and training in parenting skills, as well as medical care services during the prenatal and postpartum periods of pregnancy.

DISCUSSION

Although the Department offers a wide range of public services, many women experience difficulties and hardships in obtaining timely and adequate prenatal care. These difficulties are associated with economic barriers to medical care and unavailability of many services in rural communities. These gaps in pregnancy related services may be summarized as follows:

1. financial inability of many low income and adolescent women to purchase medical care and to pay for travel outside of their communities for pregnancy associated services;
2. fragmentation of the pregnancy care delivery system, that inhibits provision of education, counseling, referral, medical, and follow-up services required by many women;
3. unavailability of many pregnancy-related services in rural communities;
4. lack of appropriate housing near major medical centers, where certain women from rural communities must stay while obtaining out-patient maternal care services; and
5. insufficient adoption counseling and placement services.

This Bill will greatly enhance the quality of care available to women experiencing difficulties associated with childbearing. The social services will include counseling, maternity or foster home placement, training in parenting skills and adoption assistance. The medical service will include outpatient prenatal care, hospital or birthing center delivery and postpartum care. The Department anticipates that the social services would be contracted out to local community providers and the medical care would be provided by a private health professional on a fee for service basis.

RECOMMENDATION

The Bill at the present time does not include specific definitions of "economic and social difficulties associated with childbearing," but allows the Department to adopt regulations to define those terms. As part of the adoption of regulations process, the Department would plan to conduct public hearings to assist in formulating appropriate standards on which to determine eligibility for services. At this point, it is proposed that regulations would define economic need to be up to 200% of the Federal Community Services Administration's Alaska Non-Farm Poverty Guideline (attached), and social needs to include those individuals who are having psychological and emotional problems associated with the pregnancy.

POSITION

The Department recognizes the value of the needed pregnancy-related services that should be available to high risk women. We endorse the health promotion concepts of this Bill and feel that it will contribute to the comprehensiveness of pregnancy-related services throughout Alaska.

CS for HB 39 (HESS)
Fiscal Impact Note

The fiscal impact of providing pregnancy related medical care to women without other coverage (i.e. Medicaid, General Relief Medical, Public Health Service or insurance) is estimated to be \$704.0 in FY '84. This impact is based upon the following assumptions.

- (1) It is assumed that the intent of this Bill is to provide prenatal outpatient, hospital or birthing center delivery and postpartum medical care which would approximately cost \$2,200 per case (\$750 physician, \$1,450 hospital).
- (2) The projected number of births in Alaska for FY '84 is approximately 11,900 assuming an increase of 7% from 1982.
- (3) Approximately 475 of the total births would qualify for this service during FY '84. This estimate is based upon experienced of a similar service provided through a pilot project at the Fairbanks Health Center during 1981-1982. The project provided financial assistance to 7% of the total births in the North Star Borough. Adjusting the criteria for service to reflect the Departments anticipated definition of social and economic difficulties, approximately 4 % would utilize the medical services. Calculating for a 4 month delay in project start, an estimated 320 clients would utilize this service during the fiscal year.
- (4) Additional state staff would not be required since the Division of Public Assistance would perform the bill paying, and the Division of Public Health or the Division of Family and Youth Services would provide client intake and eligibility certification.

HOUSE BILL NO. 39
FISCAL NOTE

Revision Date 3/22/83
PAGE 2

IV. ANALYSIS:

A. Assumptions

Enactment of this Bill would provide for expansion of pregnancy related health and social services and authorizes State funding of the cost of non-medical service for pregnant women experiencing social and economic difficulties during the prenatal and postpartum periods.

In FY 84 it is estimated there will be 11,800 births to Alaskan residents. 1,900 or 16% will be births to unmarried women.

<u>Estimated Births to Unmarried Women</u>	
<u>Age of Mother</u>	<u>Number of Births</u>
13 - 19	626
20 - 24	720
25 - 29	380
30 - 34	115
35 - 39	40
40 - 45	9
	<u>1,890</u>

B. Program Summary

1. Positions - An associate Coordinator, Range 18, would be established to initiate the program on a statewide basis for the initial two years, after which it would be phased out and the duties would be assumed by the regional offices of the Division.

2. Other Expenditures

The Department assumes that the services delineated in this Bill would be utilized mostly by unmarried women. Using this pool as the target group, the Department would further assume that the more youthful unmarried women (ages 13-24) would be more likely to utilize maternity and foster home care; whereas the older group (ages 25-45) would utilize the community services, such as counseling and adoption assistance.

The younger age group consists of 1,346 women. The Department estimates that approximately 190 of this group would avail themselves of the services of a maternity home or foster home (30 maternity and 160 foster), and a total of 300 would utilize available counseling and adoption assistance.

C. Computations

The entire range of services would be contracted out from the Benefits to Individuals Line Item 700 as follows:

	<u>Original</u>	<u>Reduction</u>	<u>Total</u>
<u>Foster Home Care</u>			
160 persons x \$502/mo x 5 mos. (\$18/mo. and 1 mo. reduction)	\$481,920	(\$80,320)	\$401,600
<u>Maternity Home Care</u>			
30 persons - \$73/day x 5 mos. (152 days) (50% reduction of daily cost)	788,400	(455,520)	\$32,880
<u>Counseling/Adoption Assistance</u>			
300 persons x \$75/hr. x 8 hr. (7 hr. reduction of daily cost)	377,500	(157,500)	\$180,000
<u>Transportation to and from Placement</u>			
120 persons x \$360/average trip (\$240 per trip reduction and 30 person reduction)	<u>90,000</u>	<u>(46,800)</u>	<u>43,200</u>
Total	\$1,697,820	(\$740,140)	\$957,680

A 6% inflation factor has been assumed for FY 85-88, and the position costs are for the 12-month period for FY 85.

D. Economic Impact

Providing adequate services would prevent the development of health problems and defects in children and reduce the need for other services later on.

E. Impact on Local Governments

There would be no impact on local governments.

TEEN'S WILL OF RIGHTS"

at Booth, we believe the troubled teen
is entitled to:

• an acceptance and appreciation of herself
and others as worthwhile individuals;
• to express her feelings, fears and hopes with
supportive and trained counselors;
• to be respected as an individual and as an im-
portant member of society;

• "family members" share their thoughts and plans
with each other in the supportive living environment.

*Teens in the residential program have regular activities
and leisure time, as well as school and counseling.*

- learn constructive, rewarding behaviors that allow her to function in healthy and happy ways in life;
- continue her education, learn about and explore options for her future; and
- receive encouragement and assistance for her personal growth: intellectual, emotional and spiritual.

The Salvation Army's Booth Memorial Home is supported by the State of Alaska, the Municipality of Anchorage, the United Way and the Salvation Army. Its fees are on a sliding scale.

FOR MORE INFORMATION: Call the Admissions Worker at Booth Memorial Home, 279-0522 or 279-0523; or the Division of Family and Youth Services. Booth: 24-hours a day. For the future.

Residential Treatment

*Teenaged
and
troubled?*

*There

WELCOME TO BOOTH, four programs serving:

- troubled teens,
- pregnant adolescents,
- teen mothers and their infants,
- single, pregnant women and mothers.

For teens who are troubled, pregnant or new mothers —

THIS IS BOOTH:

A total living environment for young women. Here, they can learn and develop healthy behavior for successful living. Here, the goal is to build up and nurture the strengths of each young woman, enabling her to function capably in both her primary living situation and out in the world. Individual and group counseling, and spiritual guidance help these teens to help themselves and each other. Community and in-house activities boost social and emotional skills. And here too, they continue their education through a special program with the Anchorage School District.

For single mothers of any age —
THIS IS BOOTH:

A caring support system during pregnancy and motherhood. As outpatients, single pregnant women learn how to care for their unborn children and gain parenting skills. They receive medical assistance. Individual, group and family counseling helps them grow and share with others in similar situations. Education and/or vocational guidance offers new opportunities for a successful future. And spiritual support is always available.

RESIDENTIAL TREATMENT

Troubled teens, ages 13-18, live together at Booth, sharing and learning about themselves, and continuing their education.

WHO IS ELIGIBLE?

Adolescent girls, 13-18 years old, who are in State custody because of their history of behavior difficulties such as: poor functioning in school, problems maintaining positive relationships, past drug or alcohol abuse, running away; family abuse, neglect and/or sexual abuse.

Adolescents at Booth work toward learning new, healthy behaviors and skills for a successful future.

HOW DOES IT WORK?

Young women who are accepted into the program become part of "the family." Booth becomes their home: it's where they live, go to school, and share their hopes, fears, frustrations and laughter with other residents. They participate in counseling, both group and individual sessions, for personal and spiritual growth. They learn to change destructive behavior patterns into positive, rewarding ones. And, they develop new options for the future through educational and vocational planning. They're also exposed to other community resources and support groups, for assistance after they complete Booth's program.

Troubled teens continue their education at Booth through a special program with the Anchorage School District.

HOW LONG DOES IT LAST?

The maximum is one year, and the average stay ranges from six to nine months.

A SINGLE MOTHER'S "BILL OF RIGHTS"

At Booth, we believe the teenage woman who is pregnant has the right to:

- seek and receive information about pregnancy, childbirth and parenting;
- share her feelings, fears and hopes with peers and trained counselors;
- be respected as an individual and as an important member of society;

Teen mothers at Booth share their thoughts and experiences with each other in the supportive living environment.

In the homey atmosphere of Booth, teen mothers learn the joys and frustrations of caring for their infants.

- learn constructive, rewarding behaviors that allow her to function in healthy and happy ways in life;
- continue her education, learn about and explore options for her future; and
- receive encouragement and assistance for her personal growth: intellectual, emotional and spiritual.

The Salvation Army's Booth Memorial Home is supported by the State of Alaska, the Municipality of Anchorage, the United Way and the Salvation Army. Its fees are on a sliding scale.

FOR MORE INFORMATION: Call the Admissions Worker at Booth Memorial Home, 279-0522 or 279-0523; or the Division of Family and Youth Services. Booth: 24-hours a day. For the future.

Individual, group and family counseling helps them grow and share with others in similar situations. Education and/or vocational guidance offers new opportunities for a successful future. And spiritual support is always available.

MOTHER-INFANT

Teenage mothers, ages 13-18, live at Booth while their babies are infants. They learn parenting and life-coping skills and health behavior patterns.

WHO IS ELIGIBLE?

The young mother, 13-18 years old, who has one child under six months of age, and who wants a safe environment to test her decision to be a single parent. This teenager with few coping skills is generally at high risk for becoming abusive with the helpless, dependent child.

Teen mothers at Booth learn parenting and coping skills that will help them plan for their future and those of their children.

HOW DOES IT WORK?

Young women who are accepted into the program become part of "the family." Booth becomes their home: it's where they live, go to school, and share their hopes, fears, frustrations and laughter with other residents. They participate in counseling, both group and individual sessions, for: personal and spiritual growth, family adjustment, and parenting. These young mothers have the primary responsibility for caring for their infants on a day-to-day basis. Skilled counselors provide emotional support, parenting classes, and help teens plan realistically for a healthy future.

Pregnant teens continue their education at Booth through a special program with the Anchorage School District.

HOW LONG DOES IT LAST?

Teen mothers must stay a minimum of two months, and can remain until the child reaches six months of age.

A SINGLE MOTHER'S "BILL OF RIGHTS"

At Booth, we believe the teenage woman who is pregnant has the right to:

- seek and receive information about pregnancy, childbirth and parenting;
- share her feelings, fears and hopes with peers and trained counselors;
- be respected as an individual and as an important member of society;

Booth "family members" share their thoughts and plans with each other in the supportive living environment.

Teens awaiting their babies have regular activities and leisure time, as well as school and counseling.

- learn constructive, rewarding behaviors that allow her to function in healthy and happy ways in life;
- continue her education, learn about and explore options for her future; and
- receive encouragement and assistance for her personal growth: intellectual, emotional and spiritual.

MATERNITY

Pregnant teens, ages 13-18, live together at Booth, sharing, and learning about parenting, themselves, and continuing their education.

WHO IS ELIGIBLE?

Pregnant teens, 13-18 years old, with a history of behavior difficulties such as: poor functioning in school, problems maintaining positive relationships, past drug or alcohol abuse, running away; family abuse, neglect and/or sexual abuse.

Adolescents at Booth prepare for motherhood and their futures in a structure of supportive living environment.

HOW DOES IT WORK?

Young women who are accepted into the program become part of "the family." Booth becomes their home: it's where they live, go to school, and share their hopes, fears, frustrations and laughter with other residents. They participate in counseling, both group and individual sessions, for: maternity planning, personal and spiritual growth, family adjustment. They receive regular medical attention and take classes to prepare for childbirth.

Pregnant teens continue their education at Booth through a special program with the Anchorage School District.

HOW LONG DOES IT LAST?

Teens can enter anytime during their pregnancy and remain for a minimum of two weeks after their delivery.

A SINGLE MOTHER'S "BILL OF RIGHTS"

At Booth, we believe the single woman who is pregnant or a new mother has the right to:

- seek and receive information about pregnancy, childbirth and parenting;
- share her feelings, fears and hopes with peers and trained counselors;
- be respected as an individual and important member of society;

Outpatients grow in self-awareness and coping skills.

Outpatients gain skills during pregnancy to help prepare them for Baby's arrival.

- receive encouragement and assistance in developing healthy attitudes and expectations for successful living;
- learn about options in education and vocations, to better plan her future; and
- continue to grow: intellectually, emotionally and spiritually.

The Salvation Army's Booth Memorial Home is supported by the State of Alaska, the Municipality of Anchorage, the United Way and the Salvation Army. Its fees are on a sliding scale.

FOR MORE INFORMATION: Call the Admissions Worker at Booth Memorial Home, 279-0522 or 279-0523; or the Division of Family and Youth Services. Booth: 24-hours a day. For the future.

And here too, they continue their education through a special program with the Anchorage School District.

MATERNITY OUTPATIENT

Single, pregnant women come together for support at Booth's Outpatient Maternity program.

WHO IS ELIGIBLE?

Any single pregnant woman or new mother of any age. Participants in Booth's Outpatient Maternity program range from age 12 to 45. Each woman has something to gain from the program — each has something to give.

Single pregnant women and new mothers learn new skills and options through the Outpatient program.

HOW DOES IT WORK?

Women who are accepted into the program come to Booth during the week for classes, counseling and medical checkups. They learn prenatal health care, and how to prepare for childbirth and parenting. Through counseling, they increase their decision-making skills and awareness of family dynamics. They provide support to their peers and develop new options for the future through educational and vocational planning. They are also exposed to other community resources and support groups, for assistance after they complete Booth's program.

Booth's Maternity Outpatients receive a full range of medical, educational and support services.

HOW LONG DOES IT LAST?

Most women come during the latter part of their pregnancy. They must participate for a minimum of two months. The average is about four months, though women may continue counseling as long as they need the support.

MEMORANDUM

TO: House Finance Committee Members

FROM: Al Adams, Chair *APA*

SUBJ: CS SS HB 58 (Judiciary), An Act relating to a prisoner serving a sentence in full or having probation revoked for refusing to participate in counseling or treatment required by the court.

Section 1. Provides that a court may impose a full sentence if the defendant refuses to participate in alcohol, drug, sex offender or other mental health treatment required by the sentencing judge.

Section 2. If the court suspends a person's sentence, it may require alcohol, drug, sex offender or other mental health treatment as a condition of probation.

Section 3. Provides that parole can be revoked if the parolee refuses to participate in treatment required by the sentencing judge.

Section 4. Provides that treatment may be a requirement of probation.

Section 5. Allows for revocation of a suspended sentence if treatment is refused.

Section 6. Provides that parole will not be granted if a judge requires treatment that a prisoner refuses.

Section 7. Provides that a work furlough will not be granted if a prisoner refuses treatment required by a judge.

Since there is no effective date clause, the Act would go into effect 90 days after passage.

SUMMARY OF COMMITTEE SUBSTITUTE FOR SSB 58

Denial of Parole or Furlough

Section 7 - The Parole Board may not parole a prisoner who refuses to participate in alcohol, drug, sex offender or other mental health treatment.

Section 8 - The Division of Corrections may not furlough a prisoner who refuses to participate in treatment.

Revocation of Suspension of Sentence

Sections 2, 3 and 5 - A judge may impose available alcohol, drug, sex offender or other mental health treatment as a condition of probation.

Section 6 - A sentence will be revoked if the defendant refuses to participate in treatment that is required by the judge.

House Finance Committee

LETTER OF INTENT ON CSSH 58

The House Finance Committee has considered CSSH 58 which was referred from the House Judiciary Committee.

The intent of this bill is not in any way to affect good time allowances as provided for in A.S. 33.20.010. Rather, the intent is that an offender who refuses to participate in available treatment would be ineligible for parole, furlough, or continued probation.

DATE: April ____, 1983.

April 12, 1983

TO: House Finance Committee

FROM: Representative John Lind *JL*

RE: House Bill #58: "An Act requiring certain prisoners to serve full sentence."

The purpose of this Act is to motivate convicts to accept counseling or other rehabilitation programs required or recommended by the sentencing judge.

Presently, convicts may refuse to accept counseling or rehabilitation and then may be released early by the Commissioner on the premise that the convict will not be rehabilitated if he or she stays in jail.

CSSSHB 58 (Judiciary)
Fiscal Note
Analysis

Violation of conditions for release on probation is already grounds for revocation of probation. Likewise, prisoners released on parole are not considered for parole until they have completed those rehabilitative and counseling programs deemed appropriate and made available by Corrections. Prisoners on work release furloughs also must participate in such rehabilitative programs, when appropriate, as a condition of work release. Consequently, this bill will not have a fiscal impact on the Department of Law.

POSITION PAPER

CS for SS for House Bill No. 58 (Finance)

"An Act relating to a prisoner serving a sentence in full or having probation revoked for refusing to participate in counseling or treatment required by the court."

Section I

Sec. 12.55.080 Suspension of sentence and probation is amended by giving the court the authority to require available alcohol, drug, sex offender or other mental health treatment as a condition of probation.

Section II

AS 12.55.085 Suspending imposition of sentence (b) is amended by giving probation officers and the court the authority to re-arrest a person on probation status in instances of where the probationer refuses to participate in treatment required by the sentencing judge.

Section III

AS 12.55.100 Conditions of probation (a) is amended by adding "(5) to participate in available alcohol, drug, sex offender or other mental health treatment" as a condition of probation which may be required.

Section IV

AS 12.55.110 Notice and grounds for revocation suspension is amended to include refusal by a defendant to participate in available alcohol, drug, sex offender or other mental health treatment required by the court as a condition of probation as good cause for revocation of a suspended sentence.

Section V

AS 33.15.080 Granting of parole is amended by including the provision that parole may not be granted to a prisoner who has refused available alcohol, drug, sex offender or other mental health treatment recommended by the sentencing judge.

Section VI

AS 33.30.250 Work Furlough (g) as amended would prohibit prisoners who refuse to participate in available alcohol, drug, sex offender or other mental health treatment required by the Division of Adult Corrections from being granted work furlough.

Summary

It is understood that the intent of this legislation is to help assure that offenders participate in treatment programs as determined by the court and professional correctional staff.

The Department supports the concept of the CS for SS for House Bill No. 58.

FISCAL NOTE

CS for SS for House Bill No. 58 (Judiciary)

Page 2

IV. ANALYSIS

The earlier fiscal note prepared on House Bill No. 58 assumed a loss of good time by inmates refusing to participate in counseling or treatment. Subsequent testimony at the House Judiciary Committee indicated that it was not the intent of the legislation to take away good time. This is also the opinion of the Office of the Attorney General. Therefore, enactment of this bill would have no fiscal impact on the Division of Adult Corrections.

From: Karla L. Forsythe *Karla L. Forsythe*
General Counsel
Alaska Court System

Subject: SSHB 58

Thank you for this opportunity to comment on SSHB 58.

This bill amends existing law to preclude the release, parole or furlough of any prisoner who refuses to participate in programs recommended or required by the court, unless the prisoner at a court hearing shows good cause for failure to participate. The prisoner is entitled to be represented by counsel.

Since the length of prisoners' sentences will be at stake, and since prisoners can be expected to raise the issue of lack of available programs, the bill will result in increased contested hearings. Any new hearings add to the already considerable workload of the courts. Although this bill taken by itself does not require additional manpower, continued caseload increases will require additional judicial resources.

In Anchorage alone, the police force has increased 169% since 1976, from 174 officers covering 31 square miles to 294 officers covering 110 square miles in 1983. DWI arrests have increased by 276% from 1977, from 651 to 1797. Small claims in Anchorage are

up 172% from 1977. Search warrant requests have also increased, up 538% from 1975 (99 search warrants in 1975; 532 in 1982). In-court deputies for the Anchorage district court accrued a total of 787 hours of overtime last year. Alcohol screening statistics point to a 34% increase in new cases since 1977. These cases are a continuing responsibility for the court, because non-compliance affidavits are filed in about 25% of the cases, requiring court hearings and bench warrants.

In general, as legislative action continues to increase penalties, attorneys litigate longer and harder to protect their clients' interest.

The effectiveness of legislation which involves the justice system is directly related to the ability of the courts to process cases efficiently. As with other bills which provide for additional court hearings, the benefits of SSHB 58 should be analyzed in this context.

LEGISLATIVE AFFAIRS AGENCY

MEMORANDUM

March 20, 1984

SUBJECT: Smoking in public places
(SCS CSHB 84 (Finance)) (draft)

TO: Senator Joe Josephson

FROM: Edward H. Hein *EHA*
Legislative Counsel

The enclosed draft Finance Committee CS makes the following changes to SCS CSHB 84 (Rules): (page and line references are to the Rules CS)

Section 5 Sec 18.35.330 is amended to exempt taxis and limousines from the requirement of posting a no smoking sign. Signs that must be posted in other places and vehicles covered under the bill must list \$50 as the maximum penalty for smoking in a no smoking area.

Section 6 Sec. 18.35.340 is amended to allow the commissioner of environmental conservation to file a civil complaint or to dispatch an employee to issue a citation in accordance with Sec. 18.35.341. Civil complaints will be filed in district court to allow for a small claims procedure.

Section 7 Sec 18.35.341 is amended to incorporate references to AS 12.25 providing for the form and processing of citations and directing peace officers to arrest persons who refuse to provide proper identification or to accept the citation. Violations of Sec 18.35.300 may be cited by a peace officer only if they occur in the officer's presence. A new subsection (b) is inserted to provide authority to designated DEC employees to issue citations. The subsection specifically prohibits DEC employees from making arrests. A new Sec. 18.35.342 is inserted to prevent a person from being charged for violating the smoking law with both a civil complaint and the issuance of a citation.

Senator Joe Josephson
Page 2
March 20, 1984

Section 10 The directive to the Department of Environmental Conservation to adopt regulations to implement the smoking law is changed from "shall" to "may" at page 6, line 10.

Section 11 The definition of "peace officer" is deleted at page 6, lines 22 - 26. Peace officers are defined in AS 02.10.060(6). DEC employees are not peace officers under this bill.

Section 11 This section is renumbered section 13 and a new section 12 is inserted to provide that citations issued under AS 18.35.341 need not be signed by the offender.

POSITION PAPER

CS FOR HOUSE BILL NO. 84 (Judiciary)

"An Act Relating to smoking in public places and vehicles."

BACKGROUND INFORMATION:

First, there is mounting evidence in the medical literature that passive smoking by children, particularly young children, and adults with heart or lung ailments cause them to suffer physiological and eventually anatomic consequences that adversely affect their health status. Second, there is a mounting public awareness of the annoyance caused by persons smoking indoors in public areas. Third, and this is the fact of greatest significance, in 1981, there were 92 deaths in Alaska due to cancer of the respiratory system and 145 premature deaths due to coronary disease. Smoking undoubtedly contributed heavily to these numbers.

WHAT THE BILL DOES:

This bill strengthens the rights of persons who choose not to damage their lungs and cardiovascular systems by smoking - either active or passive smoking. It recognizes several features of indoor air quality that are not adequately recognized by the present statute.

Starting on page 4 through the end of the bill there is considerable discussion adding and amending items regarding size of no smoking signs, civil complaints/penalties, citations/penalty, injunctions, enforcement authority, public education and definitions which delineate the context of the subject.

SUGGESTION FOR IMPROVEMENT:

On page 3, line 14: Due to the difficulty of defining a "smoker" this line could be more effectively stated; "(4) a place of employment if all the employees consent to the designation in entirety,".

On page 3, line 27: Addition of "per Alaska statute 18.35.300" would make the sign more effective.

DEPARTMENT POSITION:

This bill is an enlightened public health policy statement and is strongly endorsed by this department.

House Bill No. 84

"An Act Related to Smoking in Public Places and Vehicles"

BACKGROUND INFORMATION:

First, there is mounting evidence in the medical literature that passive smoking by children, particularly young children, and adults with heart or lung ailments cause them to suffer physiological and eventually anatomic consequences that adversely affect their health status. Second, there is a mounting public awareness of the annoyance caused by persons smoking indoors in public areas. Third, and this is the fact of greatest significance, in 1981, there were 92 deaths in Alaska due to cancer of the respiratory system and 145 premature deaths due to coronary disease. Smoking undoubtedly contributed heavily to these numbers.

WHAT THE BILL DOES:

This bill strengthens the rights of persons who choose not to damage their lungs and cardiovascular systems by smoking - either active or passive smoking. It recognizes several features of indoor air quality that are not adequately recognized by the present statute.

SUGGESTION FOR IMPROVEMENT:

On page 3 line 13: Due to the difficulty of defining a "smoker" this line could be more effectively stated; "(4) a place of employment if all the employees consent to the designation in entirety,".

On page 3, line 27: Addition of "per Alaska statute 18.35.300" would make the sign more effective.

On page 4, Section 6 would add a potential case load to already over-crowded district and superior courts. The personal injury sustained by a violation, or even a brief series of violations, of this statute would be minimal and difficult to prove. The remedies contained in Sections 7 and 8 of this bill set forth adequate avenues for correction of violations.

DEPARTMENT POSITION:

This bill is an enlightened public health policy statement and is strongly endorsed by this department.

III. ANALYSIS (See Fiscal Note Preparation Instruction, Section III)
 This bill extends the state's current mandatory prohibition of smoking in public places to include public meetings of municipalities and most places of business such as retail stores, restaurants, banks, offices, factories, warehouses, and other places of employment. Under existing statute, this extended prohibition is at the option of the person having control of such places of employment. The bill would also make the existing mandatory requirement to provide reasonable smoking areas, in most prohibited areas, optional. Because of the very broad changes to the existing law, requiring mandatory compliance by nearly every place of business in the state, except for cocktail lounges, taverns and tobacco shops, it is anticipated that the department will have to devote additional resources to provide the enforcement actions required by the bill such as seeking injunctions and the collection of fines and penalties.

OFFICE OF THE MINORITY

POUCH V
JUNEAU, ALASKA 99811

House of Representatives

MEMO: Feb. 14, 1983
TO: Rep. Mike Miller
FROM: Bob Speed, /A.A.
RE: Penalties in existing law and regulations in regard to smoking in public places and display of "smoking prohibited" signs.

You asked that I research the existing penalties for smoking in areas where smoking is prohibited, in reference to HB 84.

In existing law, there are penalties as follows:

- 1) for smoking in areas where smoking is prohibited; and
- 2) for not displaying "no smoking" signs in public places where smoking is prohibited.

Penalty provisions are in AS 18.35.340 (copy attached). Briefly, statute calls for a civil fine of not less than \$5 nor more than \$25 for violation of AS 18.35.300, which prohibits smoking in designated areas (.340(a)). Subsection (b) provides for a civil fine of not less than \$10 nor more than \$100 for failure to conspicuously display a "smoking prohibited" sign in areas where smoking is prohibited.

Punishment under these penalties is initiated only by civil complaint or citation. The courts may establish procedures for payment of fines by mail.

Enforcement authority is by the Department of Environmental Conservation. DEC has promulgated regulations regarding penalties under AAC 55.040, as follows.

Penalties for smoking in areas where smoking is prohibited by law are as follows:

First offense: civil fine of \$15.
Subsequent offenses: civil fine of \$25 for each subsequent offense.

Penalties for not displaying a "no smoking" sign in a public place as required by AS 18.35.330 are as follows:

First offense: \$ 50.
Subsequent offenses: \$100 for each subsequent offense.
However, the first offense complaint may be dismissed without payment of a fine if the defendant demonstrates that the required sign has been posted.

STATUTE re penalties/smoking

§ 18.35.310

ALASKA STATUTES

§ 18.35.350

(4) the public waiting room of laboratories associated with health care or the healing arts;

(5) the waiting room, restroom, lobby or hallway of a hospital, nursing home, rest home or other health care institution or facility; or

(6) a place of business in which the owner, manager, proprietor, or other person who has control of the premises posts a sign conveying the message that smoking is prohibited by law. (§ 1 ch 125 SLA 1975)

Sec. 18.35.310. Exemptions. Smoking in the places or vehicles set out in AS 18.35.300 is permitted if

(1) the smoking is confined to areas which are specifically designated as smoking areas;

(2) the place, vehicle, or passenger carrier is being used for a private gathering or affair which is privately sponsored and is not open to the general public;

(3) the smoking is done by performers upon the stage as part of a theatrical production; or

(4) the state, or a department or agency of the state, has exempted the building or room over which it has control on the basis that the building or room is sufficiently well-ventilated by natural or mechanical means. (§ 1 ch 125 SLA 1975)

Sec. 18.35.320. Smoking areas provided. (a) In a building covered by AS 18.35.300(2), (3) or (5), reasonable smoking areas must be provided, unless prohibited for the protection of the public safety or the protection and preservation of the building and its contents.

(b) To the extent practicable, the state shall require its lessees or sublessees to provide separate smoking areas. (§ 1 ch 125 SLA 1975)

Sec. 18.35.330. Display of smoking prohibited signs. Every owner, manager, proprietor or other person who has control of a place or vehicle set out in AS 18.35.300(1) -- (5) shall conspicuously display in the place or vehicle a sign reading "Smoking Prohibited by Law." (§ 1 ch 125 SLA 1975)

Sec. 18.35.340. Penalties. (a) A person who wilfully violates the provisions of AS 18.35.300 is punishable by a civil fine of not less than \$5 nor more than \$25 for each offense.

(b) A person who wilfully violates AS 18.35.330 is punishable by a civil fine of not less than \$10 nor more than \$100 for each offense.

(c) Punishment under this section shall be initiated only by civil complaint or citation. The court may establish procedures for payment of fines by mail. (§ 1 ch 125 SLA 1975)

Sec. 18.35.350. Enforcement authority. The commissioner of environmental conservation or his designee is responsible for enforcing the provisions of AS 18.35.300 -- 18.35.340 and the regulations adopted under AS 18.35.360. This section does not limit the authority of peace officers. (Executive Order No. 51, § 37 (1981))
