SUBJECT: HCR 44, requesting a speed zone on the
Seward Highway

Attached is back-up information for your committee on HCR 44, legislation that would study the possibility of a speed zone on the portion of the Seward Highway that passes through the community of Bird/Indian.

This legislation has been identified by the Bird/Indian Community Council as a priority concern of the residents of this community.

I appreciate your prompt attention to this measure.

Dear Mike Szymanski,

I would like to express to you the great need to have the speed limit lowered in Bird-Indian between Indian Road and the Bird House.

Now that we have our wonderful bike trail (which we dearly love) our children have to cross the highway to get on the trail. Personally, I am very concerned for my daughter's safety as where she crosses (near Tesoro) is a straight-away where vehicles speed up and pass.

I really don't think people will mind slowing down here; they will most probably be glad to be made aware that it is a residential area with children present and crossing the highway, and bus stops at designated areas.

I have calculated that by slowing down to 45 mph for the $3\frac{1}{2}$ mile stretch between Indian Road and the Bird House, a driver will lose 17.2 seconds. I feel that we can all easily donate these few seconds for the sake of safety.

Thank you for your on-going concern and support.

Yours truly,
Rance Wilkerson

POSITION PAPER - HCR 44

Support

January 31, 1984

HCR 44 - "An act relating to requesting a speed zone on (the) Seward Highway."

Our initial indications reveal that the lowering of the speed limit on this portion of the Seward Highway would not be in the overall best interest of the public. However, since the resolution requests that Department of Transportation "investigate the possibility" of lowering the speed limit in this area, we concur that this would be a worthwhile effort.

Robert J. Sundberg
Commissioner

DEPARTMENT OF PUBLIC SAFETY

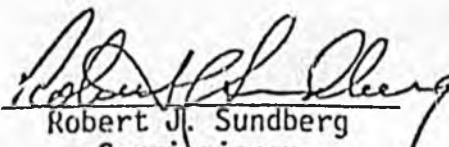

POSITION PAPER - HCR 44

Support

January 31, 1984

HCR 44 - "An act relating to requesting a speed zone on (the) Seward Highway."

Our initial indications reveal that the lowering of the speed limit on this portion of the Seward Highway would not be in the overall best interest of the public. However, since the resolution requests that Department of Transportation "investigate the possibility" of lowering the speed limit in this area, we concur that this would be a worthwhile effort.

Robert J. Sundberg
Commissioner
