ARTICLE 4. GENERAL PROVISIONS.

Sec. 41.23.900. DEFINITION. In this chapter, "commissioner" means the commissioner of natural resources.

* Sec. 2. Until a management plan has been adopted for a recreation river corridor under AS 41.23.220(a) as enacted in sec. 1 of this Act, interim management shall be consistent with AS 41.23.200. The commissioner of natural resources shall adopt management plans for the three most extensively used rivers by July 1, 1989.

* Sec. 3. This Act takes effect immediately under AS 01.10.070(c).

1 IN THE HOUSE

BY THE RESOURCES COMMITTEE

2 CS FOR HOUSE BILL NO. 93 (Resources)

3 IN THE LEGISLATURE OF THE STATE OF ALASKA

4 FIFTEENTH LEGISLATURE - FIRST SESSION

5 A BILL

6 For an Act entitled: "An Act establishing six recreation rivers; and pro-
7 viding for an effective date."

8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

9 * Section 1. FINDINGS. The legislature finds that the special values
10 and uses of certain river corridors in Southcentral Alaska justify their
11 retention for public use. The river corridors can support many public
12 uses, including some that will enhance the local economy as well as improve
13 access to retained public land. The designation of these corridors as
14 recreation rivers recognizes the value of the described land and is not
15 intended to become an undue impediment to the use and enjoyment of adjacent
16 land or to the development of access within, across, and around the rivers.

17 * Sec. 2. AS 41.23 is amended by adding new sections to read:

18 ARTICLE 3. RECREATION RIVERS.

19 Sec. 41.23.200. PURPOSES. The purpose of AS 41.23.200 - 41.23.-
20 290 is to establish as recreation rivers the land and water now owned
21 by the state and the land and water acquired in the future by the
22 state that lies within the boundaries described in AS 41.23.290(b).
23 The primary purposes for the establishment of the recreation rivers
24 are

25 (1) the protection and maintenance of the fish and wildlife
26 populations and habitat on a sustained-yield basis;

27 (2) conservation of the scenic and natural integrity of the
28 recreation river corridor and continued recreational and economic use
29 and enjoyment by the public including hunting, fishing, trapping,

1 boating, hiking, snowmachining, skiing, dog mushing, and wildlife
2 viewing;

3 (3) management of upland activities within the recreation
4 river corridor for the protection and maintenance of water quality and
5 stream flow; and

6 (4) accommodation of access for recreation, tourism, and
7 other compatible economic uses of the river corridor.

8 Sec. 41.23.210. COMPATIBLE ACTIVITIES. (a) The commissioner
9 shall allow and may regulate activities within a recreation river
10 corridor as allowed in a management plan adopted under AS 41.23.230,
11 including, but not limited to

12 (1) use of aircraft, powerboats, snowmachines, all-terrain
13 vehicles, and other motorized transportation;

14 (2) harvest of wood products;

15 (3) mining leasing and oil and gas leasing;

16 (4) sand and gravel extraction for public use; and

17 (5) public use facilities.

18 (b) The commissioner shall allow the continuation of commercial
19 or private activities occurring on the effective date of this Act
20 under a valid permit for use of state-owned land within the boundaries
21 of a recreation river corridor so long as the commissioner determines
22 that the activity is compatible with AS 41.23.200.

23 Sec. 41.23.220. GENERAL MANAGEMENT OF RECREATION RIVER CORRI-
24 DORS. (a) The state-owned land and water within the area established
25 as a recreation river corridor under AS 41.23.290(b) is assigned to
26 the commissioner for management consistent with the purposes of
27 AS 41.23.200 - 41.23.290.

28 (b) The commissioner shall reserve to the state under AS 46.15.-
29 145 an instream flow or level for the water in the rivers described in

1 AS 41.23.290(b) that is adequate to achieve the purposes of AS 41.23.-
2 200 - 41.23.290.

3 (c) The provisions of AS 41.23.200 - 41.23.290 do not affect the
4 authority of

5 (1) the Department of Fish and Game, the Board of Fisher-
6 ies, the Board of Game, or the Guide Licensing and Control Board under
7 AS 08.54, AS 16, or AS 41.99.010;

8 (2) the Department of Environmental Conservation under
9 AS 46.03; or

10 (3) state agencies and municipalities under AS 44.19.145-
11 (a)(11) and AS 46.40.100.

12 (d) The commissioner may not restrict the use of weapons, in-
13 cluding firearms, within a recreation river corridor except in sites
14 of high public use such as picnic areas, boat ramps, camping grounds,
15 and parking areas when the commissioner determines that the use of
16 weapons constitutes a threat to public safety. Except as provided in
17 this subsection, the commissioner may not restrict fishing, hunting,
18 or trapping within a recreation river corridor.

19 Sec. 41.23.230. MANAGEMENT PLAN. (a) After consultation with
20 local authorities and state agencies, including the commissioner of
21 fish and game, the commissioner shall adopt a management plan for a
22 recreation river corridor. During the planning process the commis-
23 sioner shall comply with the notice requirements of AS 38.05.945 and
24 shall hold at least two public hearings in municipalities and commu-
25 nities near the recreation river corridor. The management plan shall
26 establish long-range guidelines and management practices consistent
27 with AS 41.23.200 to

28 (1) protect, maintain, or enhance the fish and wildlife
29 habitat and the free-flowing nature of the river;

1 (2) identify special recreational values and manage the
2 level of intensity and types of recreational uses;

3 (3) designate compatible land uses and management guide-
4 lines for associated development;

5 (4) manage commercial activities or development, including
6 recreational services such as guiding;

7 (5) provide for necessary public services, such as trans-
8 portation and utility corridors, public safety, and law enforcement;

9 (6) allow reasonable and necessary access to public land
10 and private inholdings, including municipal land that is offered for
11 sale or lease, and to land beyond the recreation river corridor;

12 (7) establish criteria and timelines to review future
13 proposed uses for compatibility with AS 41.23.200;

14 (8) establish guidelines and setback restrictions for an
15 activity occurring under AS 41.23.210, including mining leasing and
16 oil and gas leasing under AS 41.23.260(b) - (d).

17 (b) The commissioner may adopt regulations necessary to imple-
18 ment the plan.

19 (c) A management plan adopted by the commissioner under (a) of
20 this section shall be submitted to the legislature for review within
21 the first 10 days of the first regular session of the legislature to
22 convene after its adoption by the commissioner.

23 Sec. 41.23.240. MANAGEMENT OF MUNICIPAL LAND. If a municipality
24 commits land for inclusion in a recreation river corridor established
25 under AS 41.23.290(b), the commissioner shall obtain the concurrence
26 of the municipality to the management plan proposed under AS 41.23.230
27 as it applies to municipal land. The commissioner shall cooperate, at
28 the request of a municipality, in planning for municipal land adjacent
29 to a recreation river corridor.

1 Sec. 41.23.250. ACQUISITION OF ADDITIONAL LAND. (a) The com-
2 missioner may acquire in the name of the state land that is adjacent
3 to or located within the land described in AS 41.23.290(b) by pur-
4 chase, lease, gift, or exchange for inclusion within a recreation
5 river corridor.

6 (b) The commissioner may not acquire land for inclusion in a
7 recreation river corridor by eminent domain.

8 Sec. 41.23.260. APPLICATION OF PUBLIC LAND LAWS. (a) Except to
9 the extent that a provision is inconsistent with a provision of
10 AS 41.23.200 - 41.23.290, the provisions of AS 38.04, AS 38.05,
11 AS 38.35, and AS 38.95 apply to land described in AS 41.23.290(b).

12 (b) The state-owned land and water within a recreation river
13 corridor is closed to mineral entry by location under AS 38.05.195 and
14 to disposal of leasable minerals under AS 38.05.150 - 38.05.175.

15 (c) Except on state-owned land below ordinary high-water or mean
16 high tide, the commissioner may, upon a mineral discovery validated by
17 the commissioner, permit mining leasing under AS 38.05.205 in an area
18 within a recreation river corridor if leasing is allowed under a
19 management plan that has been adopted by the commissioner. The com-
20 missioner shall establish appropriate conditions for permits, operat-
21 ing plans, and leases to protect the environment and prevent degrada-
22 tion of the recreational uses of the river.

23 (d) The state-owned land and water within a recreation river
24 corridor is available for oil and gas leasing subject to conditions in
25 an adopted management plan.

26 (e) To enhance public use and enjoyment of a recreation river
27 corridor under a management plan adopted under AS 41.23.230, the
28 commissioner may provide for the construction and operation of commer-
29 cial facilities such as lodges, campgrounds, and boat launches by

1 (1) leasing land including competitive leasing to a pre-
2 qualified bidder under AS 38.05.070; and

3 (2) contracting for the construction or operation of a
4 facility under AS 36.30.

5 (f) The commissioner of administration shall separately account
6 for funds collected under this section and deposited in the general
7 fund. The annual estimated balance in the account may be appropriated
8 by the legislature to the department to carry out the purposes of this
9 chapter.

10 Sec. 41.23.270. COOPERATIVE MANAGEMENT AGREEMENTS. (a) The
11 commissioner may enter into a cooperative management agreement for the
12 management of land and water described in AS 41.23.290(b) or of other
13 adjacent land and water with a federal agency, a municipality of the
14 state, another agency of the state, or a private landowner.

15 (b) The commissioner may transfer the management of a specific
16 site within a recreation river corridor described in AS 41.23.290(b)
17 to a state agency to assist in the development of a facility or to
18 carry out a program authorized by law.

19 (c) The commissioner may not manage a recreation river corridor
20 described in AS 41.23.290(b) as a unit of the state park system. The
21 commissioner may assign management of a recreation facility or site
22 such as a campground or a boat launch to the division of parks and may
23 adopt regulations allowing the division of parks to manage recreation
24 activities in a recreation river corridor.

25 Sec. 41.23.280. ESTABLISHMENT OF RECREATION RIVER CORRIDORS.
26 State-owned land and water may be established as a recreation river
27 corridor only by the legislature.

28 Sec. 41.23.290. DESIGNATED RIVERS. (a) Subject to valid exist-
29 ing rights, the state-owned land and water established as a recreation

1 river corridor under (b) of this section is reserved as a special
2 purpose area under art. VIII, sec. 7, Constitution of the State of
3 Alaska, and is not subject to grant under AS 38.

4 (b) The land and water presently owned by the state and all land
5 and water acquired by the state in the future, including shore and
6 submerged land, that lies within the following described parcels are
7 established as recreation rivers:
8

17 (b) The commissioner ^{shall} ~~may~~ adopt regulations necessary to imple-
18 ment the plan.

19 (c) A management plan adopted by the commissioner under (a) of
20 this section shall be submitted to the legislature for review within
21 the first 10 days of the first regular session of the legislature to
22 convene after its adoption by the commissioner.

23 Sec. 41.23.240. MANAGEMENT OF MUNICIPAL LAND. If a municipality
24 commits land for inclusion in a recreation river corridor established
25 under AS 41.23.290(b), the commissioner shall obtain the concurrence
26 of the municipality to the management plan proposed under AS 41.23.230
27 as it applies to municipal land. The commissioner shall cooperate, at
28 the request of a municipality, in planning for municipal land adjacent
29 to a recreation river corridor.

1 Sec. 41.23.250. ACQUISITION OF ADDITIONAL LAND. (a) The com-
2 missioner may acquire in the name of the state land that is adjacent
3 to or located within the land described in AS 41.23.290(b) by pur-
4 chase, lease, gift, or exchange for inclusion within a recreation
5 river corridor.

6 (b) The commissioner may not acquire land for inclusion in a
7 recreation river corridor by eminent domain.

8 Sec. 41.23.260. APPLICATION OF PUBLIC LAND LAWS. ~~(a)~~ Except to
9 the extent that a provision is inconsistent with a provision of
10 AS 41.23.200 - 41.23.290, the provisions of AS 38.04, AS 38.05,
11 ~~AS 38.35,~~ and AS 38.95 apply to land described in AS 41.23.290(b).

12 (b) Except for land within the Talkeena State Recreation River
13 north and east of Iron Creek, the state-owned land and water within a
14 recreation river corridor described in AS 41.23.290(b) is closed to
15 mineral entry by location under AS 38.05.195 and to disposal of leas-
16 able minerals under AS 38.05.150 - 38.05.175.

17 (c) Except on state-owned land below ordinary high-water or mean
18 high tide, the commissioner may, upon a mineral discovery, permit
19 mining leasing under AS 38.05.205 in an area within a recreation river
20 corridor if leasing is allowed under a management plan that has been
21 adopted by the commissioner. The commissioner shall establish appro-
22 priate conditions for permits, operating plans, and leases to protect
23 the environment and prevent degradation of the recreational uses of
24 the river.

25 (d) The state-owned land and water within a recreation river
26 corridor is available for oil and gas leasing subject to conditions in
27 an adopted management plan.

28 (e) To enhance public use and enjoyment of a recreation river
29 corridor under a management plan adopted under AS 41.23.230, the

1 commissioner may provide for the construction and operation of commer-
2 cial facilities such as lodges, campgrounds, and boat launches by

3 (1) leasing land including competitive leasing to a pre-
4 qualified bidder under AS 38.05.070; and

5 (2) contracting for the construction ^{and/or} or operation of a
6 facility under AS 36.30.

7 (f) The commissioner of administration shall separately account
8 for funds collected under this section and deposited in the general
9 fund. The annual estimated balance in the account may be appropriated
10 by the legislature to the department to carry out the purposes of this
11 chapter.

12 Sec. 41.23.270 COOPERATIVE MANAGEMENT AGREEMENTS. (a) The
13 commissioner may enter into a cooperative management agreement for the
14 management of land and water described in AS 41.23.290(b) or of other
15 adjacent land and water with a federal agency, a municipality of the
16 state, another agency of the state, or a private landowner.

17 (b) The commissioner may transfer the management of a specific
18 site within a recreation river corridor described in AS 41.23.290(b)
19 to a state agency to assist in the development of a facility or to
20 carry out a program authorized by law.

21 (c) The commissioner may not manage a recreation river corridor
22 described in AS 41.23.290(b) as a unit of the state park system. The
23 commissioner may assign management of a recreation facility or site
24 such as a campground or a boat launch to the division of parks and may
25 adopt regulations allowing the division of parks to manage recreation
26 activities in a recreation river corridor.

27 Sec. 41.23.280. ESTABLISHMENT OF RECREATION RIVER CORRIDORS.
28 State-owned land and water may be established as a recreation river
29 corridor only by the legislature.

1 Sec. 41.23.290. DESIGNATED RIVERS. (a) Subject to valid exist-
 2 ing rights, the state-owned land and water established as a recreation
 3 river corridor under (b) of this section is reserved as a special
 4 purpose area under art. VIII, sec. 7, Constitution of the State of
 5 Alaska, ~~and is not subject to grants under AS 29 or AS 29.~~
 6 *shall be retained by the state.*

7 (b) The general grant land, acquired land, and the water pres-
 8 ently owned by the state and all land and water acquired by the state
 9 in the future, including shore and submerged land and land redesi-
 10 gnated after the effective date of this Act as general grant land, that
 11 lie within the following described parcels are established as recrea-
 12 tion rivers:

13 (1) Alexander Creek State Recreation River

ARTICLE 4. GENERAL PROVISIONS.

Sec. 41.23.900. DEFINITION. In this chapter, "commissioner" means the commissioner of natural resources.

* Sec. 3. Until a management plan has been adopted for a recreation river corridor under AS 41.23.230(a) as enacted in sec. 2 of this Act, interim management shall be consistent with AS 41.23.200. The commissioner of natural resources shall adopt a management plan for each river by July 1, 1992.

* Sec. 4. This Act takes effect immediately under AS 01.10.070(c).

1 IN THE HOUSE

BY THE RESOURCES COMMITTEE

2 CS FOR HOUSE BILL NO. 93 (Resources)

3 IN THE LEGISLATURE OF THE STATE OF ALASKA

4 FIFTEENTH LEGISLATURE - FIRST SESSION

5 A BILL

6 For an Act entitled: "An Act establishing six recreation rivers; and pro-
7 viding for an effective date."

8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

9 * Section 1. FINDINGS. The legislature finds that the special values
10 and uses of certain river corridors in Southcentral Alaska justify their
11 retention for public use. The river corridors can support many public
12 uses, including some that will enhance the local economy as well as improve
13 access to retained public land. The designation of these corridors as
14 recreation rivers recognizes the value of the described land and is not
15 intended to become an undue impediment to the use and enjoyment of adjacent
16 land or to the development of access within, across, and around the rivers.

17 * Sec. 2. AS 41.23 is amended by adding new sections to read:

18 ARTICLE 3. RECREATION RIVERS.

19 Sec. 41.23.200. PURPOSES. The purpose of AS 41.23.200 - 41.23.-
20 290 is to establish as recreation rivers the land and water now owned
21 by the state and the land and water acquired in the future by the
22 state that lies within the boundaries described in AS 41.23.290(b).
23 The primary purposes for the establishment of the recreation rivers
24 are

25 (1) the protection and maintenance of the fish and wildlife
26 populations and habitat on a sustained-yield basis;

27 (2) conservation of the scenic and natural integrity of the
28 recreation river corridor and continued recreational [and economic] use
29 and enjoyment by the public including hunting, fishing, trapping,

negot.
allen in house not

Allen's intent

1 boating, hiking, snowmachining, skiing, dog mushing, and wildlife
2 viewing;

3 (3) management of upland activities within the recreation
4 river corridor for the protection and maintenance of water quality and
5 stream flow; and

6 (4) accommodation of access for recreation, tourism, and
7 other compatible recreation-oriented economic uses of the river
8 corridor.

9 Now Sec. 41.23.210. COMPATIBLE ACTIVITIES. (a) The commissioner
10 shall allow and may regulate compatible activities within a recreation
11 river corridor as allowed in a management plan adopted under
12 AS 41.23.230, including, but not limited to

13 (1) use of aircraft, powerboats, snowmachines, all-terrain
14 vehicles, and other motorized transportation;

15 (2) harvest of wood products;

16 (3) sand and gravel extraction for public use; and

17 (4) public use facilities.

18 (b) The commissioner shall allow the continuation of commercial
19 or private activities occurring on the effective date of this Act
20 under a valid permit for use of state-owned land within the boundaries
21 of a recreation river corridor so long as the commissioner determines
22 that the activity is compatible with AS 41.23.200.

23 Sec. 41.23.220. GENERAL MANAGEMENT OF RECREATION RIVER CORRI-
24 DORS. (a) The state-owned land and water within the area established
25 as a recreation river corridor under AS 41.23.290(b) is assigned to
26 the commissioner for management consistent with the purposes of
27 AS 41.23.200 - 41.23.290.

28 (b) The commissioner shall reserve to the state under AS 46.15.-
29 145 an instream flow or level for the water in the rivers described in

1 AS 41.23.290(b) that is adequate to achieve the purposes of AS 41.23.-
2 200.

3 (c) The provisions of AS 41.23.200 - 41.23.290 do not affect the
4 authority of

5 (1) the Department of Fish and Game, the Board of Fisher-
6 ies, the Board of Game, or the Guide Licensing and Control Board under
7 AS 08.54, AS 16, or AS 41.99.010;

8 (2) the Department of Environmental Conservation under
9 AS 46.03; or

10 (3) state agencies and municipalities under AS 44.19.145-
11 (a)(11) and AS 46.40.100.

12 (d) The commissioner may not restrict the use of weapons, in-
13 cluding firearms, within a recreation river corridor except in sites
14 of high public use such as picnic areas, boat ramps, camping grounds,
15 and parking areas when the commissioner determines that the use of
16 weapons constitutes a threat to public safety. Except as provided in
17 this subsection, the commissioner may not restrict fishing, hunting,
18 or trapping within a recreation river corridor.

19 Sec. 41.23.230. MANAGEMENT PLAN. (a) After consultation with
20 local authorities and state agencies, including the commissioner of
21 fish and game, the commissioner shall adopt a management plan for a
22 recreation river corridor. During the planning process the commis-
23 sioner shall comply with the notice requirements of AS 38.05.945 and
24 shall hold at least two public hearings in municipalities and commu-
25 nities near the recreation river corridor. The management plan shall
26 establish long-range guidelines and management practices consistent
27 with AS 41.23.200 to

28 (1) protect, maintain, or enhance the fish and wildlife
29 habitat and the free-flowing nature of the river;

1 (2) identify special recreational values and manage the
2 level of intensity and types of recreational uses;

3 (3) designate compatible land uses and management guide-
4 lines for associated development;

5 (4) manage commercial activities or development, including
6 recreational services such as guiding;

7 (5) provide for necessary public services, such as trans-
8 portation and utility corridors, public safety, and law enforcement;

9 (6) allow reasonable and necessary access to public land
10 and private inholdings, including municipal land that is offered for
11 sale or lease, and to land beyond the recreation river corridor;

12 (7) establish criteria and timelines to review future
13 proposed uses for compatibility with AS 41.23.200;

14 (8) establish guidelines and setback restrictions for an
15 activity occurring under AS 41.23.210, including mining leasing and
16 oil and gas leasing under AS 41.23.260(b) - (d).

17 (b) The commissioner may adopt regulations necessary to imple-
18 ment the plan. *of the commission shall*

19 (c) A management plan adopted by the commissioner under (a) of
20 this section shall be submitted to the legislature for review within
21 the first 10 days of the first regular session of the legislature to
22 convene after its adoption by the commissioner.

23 Sec. 41.23.240. MANAGEMENT OF MUNICIPAL LAND. If a municipality
24 commits land for inclusion in a recreation river corridor established
25 under AS 41.23.290(b), the commissioner shall obtain the concurrence
26 of the municipality to the management plan proposed under AS 41.23.230
27 as it applies to municipal land. The commissioner shall cooperate, at
28 the request of a municipality, in planning for municipal land adjacent
29 to a recreation river corridor.

1 Sec. 41.23.250. ACQUISITION OF ADDITIONAL LAND. (a) The com-
2 missioner may acquire in the name of the state land that is adjacent
3 to or located within the land described in AS 41.23.290(b) by pur-
4 chase, lease, gift, or exchange for inclusion within a recreation
5 river corridor.

6 (b) The commissioner may not acquire land for inclusion in a
7 recreation river corridor by eminent domain.

8 Sec. 41.23.260. APPLICATION OF PUBLIC LAND LAWS. (a) Except to
9 the extent that a provision is inconsistent with a provision of
10 AS 41.23.200 - 41.23.290, the provisions of AS 38.04, AS 38.05,
11 AS 38.35, and AS 38.95 apply to land described in AS 41.23.290(b).

12 (b) Except for land within the Talkeetna State Recreation River
13 north and east of Iron Creek, the state-owned land and water within a
14 recreation river corridor described in AS 41.23.290(b) is closed to
15 mineral entry by location under AS 38.05.195 and to disposal of leas-
16 able minerals under AS 38.05.150 - 38.05.175. 305

17 (c) Except on state-owned land below ordinary high-water or mean
18 high tide, the commissioner may, upon a mineral discovery, permit
19 mining leasing under AS 38.05.205 in an area within a recreation river
20 corridor if leasing is allowed under a management plan that has been
21 adopted by the commissioner. The commissioner shall establish appro-
22 priate conditions for permits, operating plans, and leases to protect
23 the environment and prevent degradation of the recreational uses of
24 the river.

25 (d) The state-owned land and water within a recreation river
26 corridor is available for oil and gas leasing subject to conditions in
27 an adopted management plan.

28 (e) To enhance public use and enjoyment of a recreation river
29 corridor under a management plan adopted under AS 41.23.230, the

1 commissioner may provide for the construction and operation of commer-
2 cial facilities such as lodges, campgrounds, and boat launches by

3 (1) leasing land including competitive leasing to a pre-
4 qualified bidder under AS 38.05.070; and

5 (2) contracting for the ~~construction~~ ^{and} ~~operation~~ ^{of} of a
6 facility under AS 36.30.

7 (f) The commissioner of administration shall separately account
8 for funds collected under this section and deposited in the general
9 fund. The annual estimated balance in the account may be appropriated
10 by the legislature to the department to carry out the purposes of this
11 chapter.

12 Sec. 41.23.270. COOPERATIVE MANAGEMENT AGREEMENTS. (a) The
13 commissioner may enter into a cooperative management agreement for the
14 management of land and water described in AS 41.23.290(b) or of other
15 adjacent land and water with a federal agency, a municipality of the
16 state, another agency of the state, or a private landowner.

17 (b) The commissioner may transfer the management of a specific
18 site within a recreation river corridor described in AS 41.23.290(b)
19 to a state agency to assist in the development of a facility or to
20 carry out a program authorized by law.

21 (c) The commissioner may not manage a recreation river corridor
22 described in AS 41.23.290(b) as a unit of the state park system. The
23 commissioner may assign management of a recreation facility or site
24 such as a campground or a boat launch to the division of parks and may
25 adopt regulations allowing the division of parks to manage recreation
26 activities in a recreation river corridor.

27 Sec. 41.23.280. ESTABLISHMENT OF RECREATION RIVER CORRIDORS.
28 State-owned land and water may be established as a recreation river
29 corridor only by the legislature.

1 Sec. 41.23.290. DESIGNATED RIVERS. (a) Subject to valid exist-
 2 ing rights, the state-owned land and water established as a recreation
 3 river corridor under (b) of this section is reserved as a special
 4 purpose area under art. VIII, sec. 7, Constitution of the State of
 5 Alaska and shall be retained by the state.

6 (b) The general grant land, acquired land, and the water pres-
 7 ently owned by the state and all land and water acquired by the state
 8 in the future, including shore and submerged land and land redesi-
 9 gnated after the effective date of this Act as general grant land, that
 10 lie within the following described parcels are established as recrea-
 11 tion rivers:

20 Section 36

21 (6) Talkeetna State Recreation River: the water column of
 22 the Talkeetna River from mean high water mark to mean high water mark
 23 from the point at which it crosses the line dividing Townships 28 and
 24 29 North, Seward Meridian, downstream to its confluence with the
 25 Susitna River; the water column of Chuniina Creek from mean high water
 26 mark to mean high water mark from the point at which it crosses the
 27 line dividing Townships 27 and 28 North, Seward Meridian, downstream
 28 to its confluence with the Talkeetna River; and

29 (A) Township 26 North, Range 3 West, Seward Meridian

1 Sections 1 - 2: north of the left bank of the
2 Sheep River

3 Section 3: all land north of the left bank of
4 the Talkeetna River and Tract B of ASLS 81 -
5 196

6 Section 4: all land north of the left bank of
7 the Talkeetna River and Tract A of ASLS 81 -
8 196

9 Section 5: all land north of the left bank of
10 the Talkeetna River and Tract C of ASLS 80 -
11 94

12 Section 6: all land north of the left bank of
13 the Talkeetna River and Tract A of ASLS
14 30 - 84

15 (B) Township 26 North, Range 4 West, Seward Meridian

16 Sections 1 - 3: exclusive of ASLS 79 - 149

17 Section 4: E1/2, SW1/4 exclusive of ASLS 79 -
18 149

19 Section 7: S1/2

20 Section 8: S1/2 exclusive of ASLS 79 - 149

21 Section 9: E1/2, E1/2W1/2

22 Section 17: that portion north of the left bank
23 of the Talkeetna River

24 Section 18: exclusive of DCT 200642

25 (C) Township 26 North, Range 5 West, Seward Meridian

26 Section 12: E1/2SE1/4

27 Section 13: E1/2, E1/2SW1/4, SW1/4SW1/4

28 Section 23: that portion northeast of the left
29 bank of the Susitna River

1 Section 24: that portion east of the left bank
2 of the Susitna River and west of the right
3 bank of the main channel of the Talkeetna
4 River (that channel of the river that runs
5 diagonally through the NE 1/4 and SW1/4 of
6 Sec. 24)

7 (D) Township 27 North, Range 1 West, Seward Meridian

8 Section 1

9 Section 2: S1/2, NE1/4, S1/2NW1/4

10 Section 3: S1/2, S1/2NE1/2

11 Section 4: SE1/4

9 ARTICLE 4. GENERAL PROVISIONS.

10 Sec. 41.23.900. DEFINITION. In this chapter, "commissioner"
11 means the commissioner of natural resources.

12 * Sec. 3. Until a management plan has been adopted for a recreation
13 river corridor under AS 41.23.230(a) as enacted in sec. 2 of this Act,
14 interim management shall be consistent with AS 41.23.200. The commissioner
15 of natural resources shall adopt a management plan for each river by
16 July 1, 1992.

17 * Sec. 4. This Act takes effect immediately under AS 01.10.070(c).

1 IN THE HOUSE

BY THE RESOURCES COMMITTEE

2 CS FOR HOUSE BILL NO. 93 (Resources)

3 IN THE LEGISLATURE OF THE STATE OF ALASKA

4 FIFTEENTH LEGISLATURE - FIRST SESSION

5 A BILL

6 For an Act entitled: "An Act establishing six recreation rivers; and pro-
7 viding for an effective date."

8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

9 * Section 1. FINDINGS. The legislature finds that the special values
10 and uses of certain river corridors in Southcentral Alaska justify their
11 retention for public use. The river corridors can support many public
12 uses, including some that will enhance the local economy as well as improve
13 access to retained public land. The designation of these corridors as
14 recreation rivers recognizes the value of the described land and is not
15 intended to become an undue impediment to the use and enjoyment of adjacent
16 land or to the development of access within, across, and around the rivers.

17 * Sec. 2. AS 41.23 is amended by adding new sections to read:

18 ARTICLE 3. RECREATION RIVERS.

19 Sec. 41.23.200. PURPOSES. The purpose of AS 41.23.200 - 41.23.-
20 290 is to establish as recreation rivers the land and water now owned
21 by the state and the land and water acquired in the future by the
22 state that lies within the boundaries described in AS 41.23.290(b).
23 The primary purposes for the establishment of the recreation rivers
24 are

25 (1) the management, protection, and maintenance of the fish
26 and wildlife populations and habitat on a sustained-yield basis;

27 (2) conservation of the scenic and natural integrity of the
28 recreation river corridor and continued recreational and economic use
29 and enjoyment by the public including hunting, fishing, trapping,

1 boating, hiking, snowmachining, skiing, dog mushing, and wildlife
2 viewing;

3 (3) management of upland activities within the recreation
4 river corridor for the protection and maintenance of water quality and
5 stream flow; and

6 (4) accommodation of access for recreation, tourism, and
7 other compatible recreation-oriented economic uses of the river
8 corridor.

9 Sec. 41.23.210. COMPATIBLE ACTIVITIES. (a) The commissioner
10 shall allow and may regulate compatible activities within a recreation
11 river corridor as allowed in a management plan adopted under
12 AS 41.23.230, including, but not limited to

13 (1) use of aircraft, powerboats, snowmachines, all-terrain
14 vehicles, and other motorized transportation;

15 (2) harvest of wood products;

16 (3) sand and gravel extraction for public use; and

17 (4) public use facilities.

18 (b) The commissioner shall allow the continuation of commercial
19 or private activities occurring on the effective date of this Act
20 under a valid permit for use of state-owned land within the boundaries
21 of a recreation river corridor so long as the commissioner determines
22 that the activity is compatible with AS 41.23.200.

23 Sec. 41.23.220. GENERAL MANAGEMENT OF RECREATION RIVER CORRI-
24 DORS. (a) The state-owned land and water within the area established
25 as a recreation river corridor under AS 41.23.290(b) is assigned to
26 the commissioner for management consistent with the purposes of
27 AS 41.23.200 - 41.23.290.

28 (b) The commissioner shall reserve to the state under AS 46.15.-
29 145 an instream flow or level for the water in the rivers described in

1 AS 41.23.290(b) that is adequate to achieve the purposes of AS 41.23.-
2 200.

3 (c) The provisions of AS 41.23.200 - 41.23.290 do not affect the
4 authority of

5 (1) the Department of Fish and Game, the Board of Fisher-
6 ies, the Board of Game, or the Guide Licensing and Control Board under
7 AS 08.54, AS 16, or AS 41.99.010;

8 (2) the Department of Environmental Conservation under
9 AS 46.03; or

10 (3) state agencies and municipalities under AS 44.19.145-
11 (a)(11) and AS 46.40.100.

12 (d) The commissioner may not restrict the use of weapons, in-
13 cluding firearms, within a recreation river corridor except in sites
14 of high public use such as picnic areas, boat ramps, camping grounds,
15 and parking areas when the commissioner determines that the use of
16 weapons constitutes a threat to public safety. Except as provided in
17 this subsection, the commissioner may not restrict fishing, hunting,
18 or trapping within a recreation river corridor.

19 (e) The commissioner may not regulate under AS 41.23.200 -
20 41.23.290 an activity that occurs on a river that has not been desig-
21 nated as a recreational river under AS 41.23.290(b). Where the water
22 of a river that has been designated under AS 41.23.290(b) flows into
23 the water of a larger river that has not been designated under AS 41.-
24 23.290(b), the authority of the commissioner under AS 41.23.200 -
25 41.23.290 ceases where the water joins the larger river and the com-
26 missioner may not regulate activities on the larger undesignated river
27 under AS 41.23.200 - 41.23.290.

28 Sec. 41.23.230. MANAGEMENT PLAN. (a) After consultation with
29 local authorities, representatives of groups who will use the

1 recreation rivers, and state agencies, including the commissioner of
2 fish and game, the commissioner shall adopt a management plan for a
3 recreation river corridor. During the planning process the commis-
4 sioner shall comply with the notice requirements of AS 38.05.945 and
5 shall hold at least two public hearings in municipalities and commu-
6 nities near the recreation river corridor. The management plan shall
7 establish long-range guidelines and management practices consistent
8 with AS 41.23.200 to

9 (1) protect, maintain, or enhance the fish and wildlife
10 habitat and the free-flowing nature of the river;

11 (2) identify special recreational values and manage the
12 level of intensity and types of recreational uses;

13 (3) designate compatible land uses and management guide-
14 lines for associated development;

15 (4) manage commercial activities or development, including
16 recreational services such as guiding;

17 (5) provide for necessary public services, such as trans-
18 portation and utility corridors, public safety, and law enforcement;

19 (6) allow reasonable and necessary access to public land
20 and private inholdings, including municipal land that is offered for
21 sale or lease, and to land beyond the recreation river corridor;

22 (7) establish criteria and timelines to review future
23 proposed uses for compatibility with AS 41.23.200;

24 (8) establish guidelines and setback restrictions for an
25 activity occurring under AS 41.23.210, including mining leasing and
26 oil and gas leasing under AS 41.23.260(b) - (d).

27 (b) The commissioner shall adopt regulations necessary to imple-
28 ment the management plan. The commissioner may adopt regulations
29 before a management plan is adopted.

1 (c) A management plan adopted by the commissioner under (a) of
2 this section shall be submitted to the legislature for review within
3 the first 10 days of the first regular session of the legislature to
4 convene after its adoption by the commissioner.

5 Sec. 41.23.240. MANAGEMENT OF MUNICIPAL LAND. If a municipality
6 commits land for inclusion in a recreation river corridor established
7 under AS 41.23.290(b), the commissioner shall obtain the concurrence
8 of the municipality to the management plan proposed under AS 41.23.230
9 as it applies to municipal land. The commissioner shall cooperate, at
10 the request of a municipality, in planning for municipal land adjacent
11 to a recreation river corridor.

12 Sec. 41.23.250. ACQUISITION OF ADDITIONAL LAND. (a) The com-
13 missioner may acquire in the name of the state land that is adjacent
14 to or located within the land described in AS 41.23.290(b) by pur-
15 chase, lease, gift, or exchange for inclusion within a recreation
16 river corridor.

17 (b) The commissioner may not acquire land for inclusion in a
18 recreation river corridor by eminent domain.

19 Sec. 41.23.260. APPLICATION OF PUBLIC LAND LAWS. (a) Except to
20 the extent that a provision is inconsistent with a provision of
21 AS 41.23.200 - 41.23.290, the provisions of AS 38.04, AS 38.05,
22 AS 38.35, and AS 38.95 apply to land described in AS 41.23.290(b).

23 (b) Except for land within the Talkeetna State Recreation River
24 north and east of Iron Creek, the state-owned land and water within a
25 recreation river corridor described in AS 41.23.290(b) is closed to
26 mineral entry by location under AS 38.05.195 and to disposal of leas-
27 able minerals under AS 38.05.150 - 38.05.175.

28 (c) Except on state-owned land below ordinary high-water or mean
29 high tide, the commissioner may, upon a mineral discovery, permit

1 mining leasing under AS 38.05.205 in an area within a recreation river
2 corridor if leasing is allowed under a management plan that has been
3 adopted by the commissioner. The commissioner shall establish appro-
4 priate conditions for permits, operating plans, and leases to protect
5 the environment and prevent degradation of the recreational uses of
6 the river.

7 (d) The state-owned land and water within a recreation river
8 corridor is available for oil and gas leasing subject to conditions in
9 an adopted management plan.

10 (e) To enhance public use and enjoyment of a recreation river
11 corridor under a management plan adopted under AS 41.23.230, the
12 commissioner may provide for the construction and operation of commer-
13 cial facilities such as lodges, campgrounds, and boat launches by

14 (1) leasing land including competitive leasing to a pre-
15 qualified bidder under AS 38.05.070; and

16 (2) contracting for the construction and operation of a
17 facility under AS 36.30.

18 (f) The commissioner of administration shall separately account
19 for funds collected under this section and deposited in the general
20 fund. The annual estimated balance in the account may be appropriated
21 by the legislature to the department to carry out the purposes of this
22 chapter.

23 Sec. 41.23.270. COOPERATIVE MANAGEMENT AGREEMENTS. (a) The
24 commissioner may enter into a cooperative management agreement for the
25 management of land and water described in AS 41.23.290(b) or of other
26 adjacent land and water with a federal agency, a municipality of the
27 state, another agency of the state, or a private landowner.

28 (b) The commissioner may transfer the management of a specific
29 site within a recreation river corridor described in AS 41.23.290(b)

1 to a state agency to assist in the development of a facility or to
2 carry out a program authorized by law.

3 (c) The commissioner may not manage a recreation river corridor
4 described in AS 41.23.290(b) as a unit of the state park system. The
5 commissioner may assign management of a recreation facility or site
6 such as a campground or a boat launch to the division of parks and may
7 adopt regulations allowing the division of parks to manage recreation
8 activities in a recreation river corridor.

9 Sec. 41.23.280. ESTABLISHMENT OF RECREATION RIVER CORRIDORS.
10 State-owned land and water may be established as a recreation river
11 corridor only by the legislature.

12 Sec. 41.23.290. DESIGNATED RIVERS. (a) Subject to valid exist-
13 ing rights, the state-owned land and water within one-half mile of
14 either ordinary high water or mean high tide on a recreation river
15 designated in (b) of this section that is established as a recreation
16 river corridor under (b) of this section is reserved as a special
17 purpose area under art. VIII, sec. 7, Constitution of the State of
18 Alaska and shall be retained by the state.

19 (b) The general grant land, acquired land, and the water pres-
20 ently owned by the state and all land and water acquired by the state
21 in the future, including shore and submerged land and land redesi-
22 gnated after the effective date of this Act as general grant land, that
23 lie within the following described parcels are established as recrea-
24 tion rivers and shall be managed under AS 41.23.200 - 41.23.290:
