ANALYSIS:
 SB112 is a comprehensive revision of the State's Uniform Commercial Code and proposes addition of a new chapter (A.S.45.12) on leases. While the proposed lease provisions are extensive, the impact on the statewide Recorder's/UCC offices should be negligible. Although the new chapter includes extensive provisions relating to commercial leases (rights, remedies, default, warranties, etc.), only leases "intended as security" are entitled to be filed with the Recorder's/UCC offices under Chapter 9 governing secured transactions. This represents no change from existing law which already covers leases intended as security (A.S.45.09.102(b)). Contact with other jurisdictions which have enacted the comprehensive leasing provisions indicates there has been no noticeable impact on filing volumes. The Uniform Law Commissioner has confirmed that the bill as drafted should not present any perceptible burden on the Recorder's/UCC offices and that some minor language changes requested by the component in previous sessions have been incorporated. Other provisions of SB112 relating to Chapter 3 (Negotiable Instruments) and Chapter 4 (Bank Deposits and Collections) do not affect the Recorder's/UCC component.

Dear Representative Hudson:

I urge your support in scheduling Senate Bill 112 for house consideration. This lengthy bill will update the present Uniform Commercial Code to reflect what is taking place in the business market place. The code changes are made in the following three areas: 1.) Personal property leasing, 2.) Negotiable instruments, 3.) Bulk sales. By adopting these changes Alaska will join most of the other states in cleaning up older obsolete rules of commerce and provide guidelines for what is actually taking place in commerce. The Alaska Bankers Association as well as my company fully support these changes and request your assistance in passing this important bill.

Sincerely,

STATE OF ALASKA
1993 LEGISLATIVE SESSION

BILL NO. SB 112

ANALYSIS (Continued):

This bill makes substantial amendments to the state's Uniform Commercial Code (UCC) under AS 45.01- AS 45.09 and AS 45.12. This bill is a major effort to update Alaska's UCC by adding a new article (Art. 2A) on personal property leasing; amending the UCC's Arts. 3 and 4, regarding negotiable instruments and bank deposits and collections; repealing UCC Art. 6, on bulk sales; and making other changes in the UCC that are necessary to accommodate the basic changes being made in the bill. These basic changes have been proposed by the National Conference of Commissioners on Uniform State Laws (NCCUSL), and they are needed to help bring Alaska business and consumers involved in commercial transactions up to date with businesses and consumers in the rest of the country. Because the bill deals with transactions between private parties it will not have a fiscal impact for the Department of Law. To the extent that the bill impacts state-funded loan and investment programs, it should have a beneficial effect.

STATEMENT OF
SEN. JAY KERTTULA
ON
S.B. 86 AND S.B. 112
"UNIFORM COMMERCIAL CODE"
BEFORE THE
HOUSE JUDICIARY COMMITTEE
HONORABLE BRIAN PORTER, CHAIRMAN
MONDAY, APRIL 19, 1993

GOOD AFTERNOON. I'D LIKE TO THANK COMMITTEE CHAIRMAN PORTER AND THE MEMBERS OF THE HOUSE JUDICIARY COMMITTEE FOR SCHEDULING SENATE BILLS 86 AND 112 FOR PUBLIC HEARING TODAY. THE BILLS ARE COMPANION PIECES OF LEGISLATION AMENDING ALASKA'S UNIFORM COMMERCIAL CODE.

AS SPONSOR, I WILL PROVIDE AN OVERVIEW OF THE BILLS. I HAVE ALSO ASKED A REPRESENTATIVE OF THE DEPARTMENT OF LAW, AND ALASKA UNIFORM LAW COMMISSIONER ART PETERSON TO BE HERE TODAY TO EXPLAIN THE MORE TECHNICAL ASPECTS OF THE BILLS, SHOULD THE COMMITTEE DESIRE SUCH AN EXPLANATION.

I WILL BEGIN WITH SENATE BILL 86, ALSO KNOWN AS THE "FUNDS TRANSFERS' BILL.

SPONSOR STATEMENT-SB 86 AND AB 112
PAGE 2

GENERALLY SPEAKING, SENATE BILL 86 BRINGS THE FUNDS TRANSFERS PORTION OF ALASKA'S UNIFORM COMMERCIAL CODE UP TO DATE WITH REGARD TO CURRENT ELECTRONIC TECHNOLOGY AS IT APPLIES TO MODERN BUSINESS PRACTICES.

S.B. 86 WILL ENACT THE NEW ARTICLE 4A INTO THE STATE'S UNIFORM COMMERCIAL CODE. THE U.C.C. IS A COMPREHENSIVE CODIFICATION OF COMMERCIAL LAW THROUGHOUT THE COUNTRY. UNTIL 1989, HOWEVER, THE U.C.C. DID NOT DEAL WITH FUNDS TRANSFERS BETWEEN COMMERCIAL ENTITIES. AS BUSINESS PRACTICE HAS COME TO RELY MORE HEAVILY ON THE SPEED, EFFICIENCY, RELIABILITY AND RELATIVELY LOW COST OF ELECTRONIC TECHNOLOGY, IT IS APPARENT THAT ALASKA'S COMMERCIAL LAWS NEED TO BE BROUGHT UP TO DATE.

THE NEW ARTICLE 4A EMBODIED IN S.B. 86 DOES THIS. THE PROVISIONS IN S.B. 86 HAVE ALREADY BEEN ADOPTED BY 44 OTHER STATES, INCLUDING NEW YORK, ILLINOIS AND CALIFORNIA--THE MAJOR FINANCIAL CENTERS FOR AMERICA.

THE SHEER VOLUME OF COMMERCIAL FUNDING TRANSACTIONS VIA MODERN TECHNOLOGY MAKES ENACTMENT OF S.B. 86 NECESSARY. IN 1989, A RECORD THREE TRILLION DOLLARS WERE TRANSFERRED ON A SINGLE DAY--MORE MONEY THAN THE 1989 U.S. GROSS NATIONAL PRODUCT. THE AVERAGE INDIVIDUAL FUNDS TRANSFER IN 1989 WAS FIVE MILLION DOLLARS, AND THE AVERAGE DAILY TRANSFER WAS ONE TRILLION DOLLARS.

UNLESS THE PARTIES TO A TRANSACTION USE THE SAME BANK, A FUNDS TRANSFER, ON AVERAGE, INVOLVES AT LEAST FOUR ENTITIES: THE ORIGINATOR OF THE PAYMENT; THE BANK TO WHICH THE ORIGINATOR COMMUNICATES THE FIRST PAYMENT ORDER; THE BANK OF THE ENTITY RECEIVING THE ORDER; AND THE RECIPIENT OR BENEFICIARY.

BECAUSE THESE TRANSACTIONS ARE DONE ELECTRONICALLY, AND NOT IN CASH, A NUMBER OF QUESTIONS REGARDING RESPONSIBILITY AND LIABILITY ARISE. QUESTIONS SUCH AS: WHAT HAPPENS IF THE FIRST

SPONSOR STATEMENT--SB 86 AND SB 112
PAGE 4

BANK MAKES A MISTAKE ON THE AMOUNT TO BE PAID? WHAT
IF THE SECOND BANK FAILS TO NOTIFY THE RECIPIENT?
WHAT HAPPENS IF THE ORIGINAL PAYMENT ORDER IS
FRAUDULENT AND NOT ACTUALLY ISSUED BY THE
ORIGINATOR? WHO BEARS THE RISK OF LOSS AT A GIVEN
TIME IN THE TRANSACTION PROCESS? AND WHAT
CONSTITUTES ACCEPTANCE AND REJECTION OF A PAYMENT
ORDER?

THESE AND OTHER QUESTIONS ARE ANSWERED IN THE
ARTICLE 4A ENACTED BY SENATE BILL 86 WHICH,
BASICALLY, ESTABLISHES THE RULES GOVERNING THE
PAYMENT OF LARGE SUMS OF MONEY.

THE BILL PROVIDES A SIGNIFICANT IMPROVEMENT IN
ALASKA COMMERCIAL LAW. IT WILL HELP KEEP ALASKA'S
UNIFORM COMMERCIAL CODE UP TO DATE WHICH, IN TURN,
HELPS ASSURE A FAVORABLE COMMERCIAL CLIMATE IN
ALASKA--ONE THAT IS IN LINE WITH THE REST OF THE
NATION AND CAN, ACCORDINGLY, HELP ENCOURAGE
ECONOMIC DEVELOPMENT AND GROWTH IN ALASKA.

S.B. 86 HAS A ZERO FISCAL NOTE FROM THE DEPARTMENT OF LAW. IN ADDITION, FEDERAL FINANCIAL REGULATORS ARE ENCOURAGING INDIVIDUAL STATES TO ENACT THE PROVISIONS EMBODIED IN S.B. 86. TO BRING THEIR RESPECTIVE STATE LAWS INTO COMPLIANCE WITH FEDERAL LAW. UNLESS STATES ADOPT THESE PROVISIONS, THE FEDERAL GOVERNMENT WILL STEP IN AND PERFORM THE REGULATORY AND ENFORCEMENT DUTIES RELATING TO FUNDS TRANSFERS.

THE PROVISIONS IN S.B. 86 HAVE BEEN ENDORSED BY THE NATIONAL CONFERENCE OF COMMISSIONERS ON UNIFORM STATE LAWS.

SENATE BILL 112

SENATE BILL 112, IN GENERAL, ALSO MAKES AMENDMENTS TO ALASKA'S UNIFORM COMMERCIAL CODE. IN MOST INSTANCES THESE CHANGES ARE DESIGNED TO BRING THE CODE UP TO DATE WITH THE REST OF THE COUNTRY.

SPONSOR STATEMENT-SB 86 AND SB 112
PAGE 6

THE FIRST CHANGE ADDS A NEW ARTICLE 2A TO THE EXISTING LAW. WHILE THE EXISTING LAW COVERS COMMERCIAL PROPERTY LEASES, THERE IS NO LANGUAGE RELATING TO PERSONAL PROPERTY LEASING.

PERSONAL PROPERTY BEING LEASED RANGES FROM CARS, HORSES, AND MOVING VANS TO CONSTRUCTION EQUIPMENT AND OIL RIGS.

ARTICLE 2A DEALS WITH WHAT ARE CALLED "TRUE" LEASES AND "FINANCE" LEASES. THE ARTICLE PROVIDES THE STATUTORY ANSWERS TO A BROAD RANGE OF LEGAL ISSUES, COVERING SUCH MATTERS AS OFFER AND ACCEPTANCE, WARRANTIES, MISTAKE, FAILURE TO PERFORM, RISK OF LOSS AND REMEDIES.

THE CURRENT ABSENCE OF THESE RULES PROMOTES LITIGATION.

ARTICLE 3 OF S.B. 112, FOR THE MOST PART, REORGANIZES THE EXISTING MATERIAL IN THE STATE CODE TO MAKE IT MORE CLEAR AND TO ACCOUNT FOR MODERN

TECHNOLOGIES. THESE REVISIONS FIX MANY OF THE PROBLEMS THAT HAVE ARISEN OVER THE PAST 40 YEARS WITH THE UNIFORM COMMERCIAL CODE AND WITH NEGOTIABLE INSTRUMENTS. SOME OF THE CHANGES INCLUDED IN ARTICLE 3 AND ARTICLE 1 OF S.B. 112 ARE NECESSARY TO BRING THESE ARTICLES INTO COMPLIANCE WITH THE NEW LANGUAGE IN ARTICLE 4A AS IT APPEARS IN S.B. 86.

ONE IMPORTANT CHANGE IN ARTICLE 3 IS THAT THE REVISION RECOGNIZES THAT THERE ARE TWO TYPES OF INSTRUMENTS--NOTES AND DRAFTS--WHICH USUALLY PERFORM DIFFERENT FUNCTIONS AND, THEREFORE, MERIT DIFFERENT TREATMENT.

BENEFITS FROM ENACTING ARTICLE 3 OF S.B. 112 INCLUDE, BUT ARE NOT LIMITED TO, THE FOLLOWING: CERTAINTY OF THE LAW, SPEED AND RELIABILITY, LOWER COSTS, REDUCED LITIGATION, AND STRICTER STANDARDS FOR FIDUCIARIES.

SPONSOR STATEMENT-SB 86 & SB 112
PAGE 8

FINALLY, SENATE BILL 112 SEEKS TO REPEAL ARTICLE 6 OF THE PRESENT UNIFORM COMMERCIAL CODE. ARTICLE 6 DEALS WITH BULK SALES. A BULK SALE IS ONE IN WHICH A BUSINESS SELLS ALL OR A LARGE PART OF ITS INVENTORY TO A SINGLE BUYER OUTSIDE THE ORDINARY COURSE OF BUSINESS.

THE EXISTING LAW WAS DESIGNED TO PROTECT CREDITORS OF SUCH BUSINESSES FROM THE PROPRIETOR WHO ABSCONDS WITH THE PROCEEDS OF SUCH A SALE. THESE LAWS WERE ENACTED IN A CLIMATE OF SMALLER BUSINESSES.

BUT THE CREDIT ENVIRONMENT HAS CHANGED DRASTICALLY OVER THE YEARS, SO THAT THE RISK OF THE ABSCONDING PROPRIETOR IS NO LONGER VERY GREAT. IT IS NOW EASIER FOR BUSINESSES TO ESTABLISH THE CREDITWORTHINESS OF A PROPRIETOR OR MERCHANT, AND EASIER TO PURSUE THOSE FEW WHO DO "TAKE THE MONEY AND RUN".

IN ADDITION, UNDER ARTICLE 9 OF THE EXISTING CODE, PROTECTIONS FOR CREDITORS ARE MORE SIGNIFICANT THAN IN THE PAST.

BECAUSE OF THESE FACTORS, THE NATIONAL CONFERENCE OF COMMISSIONERS ON UNIFORM STATE LAWS, AND A GROUP OF 16 ALASKA BUSINESS LAW ATTORNEYS, HAVE RECOMMENDED THAT ARTICLE 6 BE REPEALED. AS OF 1991, 14 STATES HAD APPROACHED THIS ISSUE AND TEN OF THEM OPTED FOR THE REPEAL APPROACH ENACTED IN SENATE BILL 112.

THIS BILL RECEIVED A ZERO FISCAL NOTE FROM THE DEPARTMENT OF LAW'S DIVISION OF LEGAL SERVICES. ACCORDING TO THE DEPARTMENT'S ANALYSIS ACCOMPANYING THIS FISCAL NOTE, THE BASIC CHANGES PROPOSED IN S.B. 112 ARE--AND I QUOTE:

". . .NEEDED TO HELP BRING ALASKA BUSINESSES AND CONSUMERS INVOLVED IN COMMERCIAL TRANSACTIONS UP TO DATE WITH BUSINESSES AND CONSUMERS IN THE REST OF THE COUNTRY." (END QUOTE).

SPONSOR STATEMENT-SB 86 AND SB 112
PAGE 10

BECAUSE OF THIS, AND THE OTHER REASONS I HAVE
OUTLINED IN MY STATEMENT, IT IS MY HOPE THAT THIS
COMMITTEE WILL LOOK FAVORABLY ON BOTH SENATE BILL 86
AND SENATE BILL 112, GIVING IT A "DO PASS"
RECOMMENDATION.

Re: SB 149; Recodification of the Alaska Banking Code

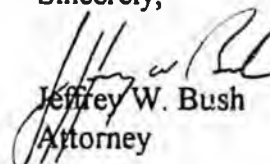

Dear Representative Hudson:

I am the attorney hired by the Division of Banking, Securities and Corporations to draft the recodification of the Alaska Banking Code. The bill was introduced by the Senate Labor & Commerce Committee, as SB 149, and passed the Senate last week. It has now been referred to your committee. The purpose of this letter is to provide the committee with some back-up materials and to request that you consider scheduling a hearing on this important piece of legislation, which is supported not only by the Administration, but also by the financial institutions.

Enclosed for your reference is a sectional analysis of the current bill. Also enclosed is a draft set of regulations, which would be adopted by the department once the new code is enacted.

This information was provided to each committee of referral in the Senate, and you may already have much of it in your file. If so, I apologize for the duplication of paper. If you have any questions about the bill, the sectional analysis, or the draft regulations, please feel free to contact me or Willis Kirkpatrick (465-2521). Thank you for your consideration of this request.

Sincerely,

Jeffrey W. Bush

Summary of Senate Bill 149
Recodification of Alaska Banking Code

REVISIONS AND EXPANSIONS OF BANK POWERS

1. Creates an entirely new article on interstate and international banking, to allow foreign and other US banks to enter the Alaska marketplace. Section 87, beginning on page 52.

A. Either an interstate (a US bank headquartered outside Alaska) or international bank can purchase an Alaska state or national bank. Proposed AS 06.05.550(a), page 52.

B. An international bank may establish a new branch in Alaska; an interstate bank cannot, but rather must purchase an existing Alaska bank or branch. Proposed AS 06.05.550(b), page 52.

C. For an interstate bank, reciprocity with the bank's home state will be required. Proposed AS 06.05.555(d)(1), pages 53-54. This will hopefully open up the availability of other state markets for our banks.

D. Also for an interstate bank, FDIC insurance will be required. Proposed AS 06.05.550(a). An international bank, instead, will have to maintain assets in the state at least equal to 100% of its Alaska deposits. Proposed AS 06.05.560, pages 54-55.

E. Any branches of interstate or international banks will be subject to examination by the department, which also is authorized to examine the home office of the bank to the extent necessary to protect Alaska depositors. Proposed AS 06.05.565(c) and (d), pages 55-56.

2. Provides for banks to have subsidiaries. Proposed AS 06.05.272, section 47, page 24. The new code specifically authorizes subsidiaries engaged in real estate ownership, development and leasing; insurance; and securities brokerage. Other activities for subsidiaries are subject to department approval, and the plan, as set out in the draft regulations (see draft 3 AAC 02.200, at page 28), is to analyze other activities on a case-by-case basis for now.

3. Revamps the bank lending statutes.

A. Adopts general lending limits, i.e. the amount a bank can loan to any one person or entity, that are similar to those used by the Comptroller of the Currency (OCC); these limits have applied in Alaska for several years anyway by regulation adopted under AS 06.01.020, the "wildcard" statute. Proposed AS 06.05.205(b), section 25, page 14. Thus, if adopted, the statutes will be brought into conformity with current practice.

B. Provides that the department may adopt regulations (see draft 3 AAC 02.125(b) and (c), at page 19) to determine when a loan to one person will be attributed to another, for purposes of calculating the lending limits of AS 06.05.205(b). Proposed AS 06.05.205(g), section 28, page 15.

C. Eliminates all loan-to-value and term restrictions for real estate lending, requiring instead that lending comply with sound bank policies, subject to examination. Proposed AS 06.05.207, section 29, page 15.

D. At the request of the banks, the new code proposes a change to AS 06.05.215 to provide personal liability for directors or officers for loans made in violation of law or bank policies only when gross negligence is proven. Section 33, page 17.

REVISIONS TO DEPARTMENT'S REGULATION OF BANKS

1. Changes the capital and reserve requirements for banks.

A. With respect to reserve requirements, the new code provides that these will be set by regulation. Proposed AS 06.05.200(a), section 23, page 13. Current law provides for reserves of 20% of demand deposits and 8% of time and savings deposits. The draft regulations propose a new figure of 15% of all deposits. See draft 3 AAC 02.110(a), at page 15. Although this figure is arguably higher than the old numbers, the department also proposes greatly expanding the list of assets that can be considered for reserve purposes. Draft 3 AAC 02.110(b), at page 15. According to department calculations, the new proposal will not significantly raise or lower current requirements; the department's intention is to simply try to find a single figure, for ease of calculation, that approximates current requirements.

B. With respect to capital requirements, the new code raises minimum capital requirements to \$1 million in general, and \$2 million for banks in Anchorage and Fairbanks. Proposed AS 06.05.305, section 50, page 25. These are minimums -- the department will set the actual requirements in each case. At present, the smallest Alaska state bank has \$7.9 million in capital.

2. Makes the Alaska Corporations Code, AS 10.06, generally applicable to banks. Proposed AS 06.05.301, section 4^c, page 25. This will eliminate the essentially duplicative statutory scheme with respect to bank formation, corporate actions, and filing requirements.

3. Sets up a permitting system for bank holding companies. Proposed AS 06.05.235(b), section 38, page 19, and AS 06.05.570(a), section 87, page 56.

4. Makes FDIC insurance optional, although only with a waiver from the department. Proposed AS 06.05.355(a), section 61, page 32. If waived, presumably there will need to be some alternative protection for depositors, like the asset requirements for international banks (see, e.g., proposed AS 06.05.560, section 87, pages 54-55).

5. Repeals Alaska's Savings Association Act, AS 06.30. Section 96, page 59. At present, there are no existing state S&L's, and if formed, a new one would be subject to duplicative state and federal regulation. Therefore, it would be better to repeal this authorization, and if an organization wishes to form a savings bank, it can do so either under a federal charter, or under the state Mutual Savings Bank Act, AS 06.15.

CHANGES TO THE DEPARTMENT'S ENFORCEMENT POWERS

1. The bill consolidates all penalty provisions of Title 06 into one section. Proposed AS 06.01.035, section 7, pages 5-7. The new code also grants the department the authority to assess administrative penalties for violations of the code, regulations or department orders. Proposed AS 06.05.035(e)-(g). See the sectional analysis, page 2, for a description of what other states and the FDIC do in this area.
2. Revises sections relating to bank liquidations. Proposed AS 06.05.466-474, sections 81-85, pages 40-47. During the 1980's when several banks closed, the department discovered that its liquidation statutes were generally pretty good, but needed a few changes. In particular, the Supreme Court held in Hoffman v. State that although the constitution might not require a hearing before the department takes possession of a bank, the statutes do. The changes proposed will clarify that this hearing may be closed to the public (proposed AS 06.01.030(e), section 6, page 4); in fact, it is the department's intention to hold a closed hearing with the board in these cases at a board meeting called by the department.
3. Provides that the department may remove a director from a bank's board under certain, enumerated conditions, generally where the director's actions are threatening the soundness of the bank. Proposed AS 06.05.435(g), section 68, page 36. Also, provides that the department can recommend that a board fire an officer or employee, and if the board refuses, it risks liability for negligent or intentional actions of that employee that cause losses. Proposed AS 06.05.437(c), section 70, page 37.

COMMITTEE SUBSTITUTE FOR SENATE BILL 149 (FIN)
RECODIFICATION OF THE ALASKA BANKING CODE
SECTIONAL ANALYSIS

Section 1. Technical change. Alaska no longer issues a "charter," so references to that term are eliminated throughout the statutes.

Section 2. Technical change.

Section 3. This is current AS 06.05.025 and 06.05.040, mostly with minor technical changes. Recognizing that examiners should not be precluded from merely investing in banks, we have changed the provisions to allow an examiner to own up to 5% of the voting stock of another institution; this will allow simple investments but will not permit an examiner to have a controlling ownership interest in a bank.

Since the department examines all financial institutions, not just banks, the provisions relating to exams have been moved to AS 06.01, the chapter that applies to all financial institutions.

Section 4. Changed to bring the section up to date, given that the list of federal agencies in the current statute is inaccurate. The change will make the statute apply regardless of what changes occur in the future to the names of the federal agencies.

Also, at the banks' request, "corresponding" was removed in (2) to allow the department to equalize competition between financial institutions regardless of what they are called.

Section 5. Current AS 06.05.060(a) and (b). Only change is to clarify that this section applies only to records relating to financial institutions, not all records of DCED.

Section 6. (a) - (d). New cease and desist provisions, to more accurately set out the procedure used by the department; existing law has been confusing. These new subsections are generally taken from the FDIC Act (12 USC 1818(b)(1)) and the Alaska Securities Act (AS 45.55.200(a)), both of which have proven track records. (d) will permit the department to issue temporary orders before a hearing, to ensure preservation of the status quo (like a TRO).

(d) Current (b), amended to make it clear that public hearings need not be held in cease and desist proceedings.

(e) Current (c) & part of (d), without substantive change; the rest of (d) has been moved to Section 8 of the bill.

(f) Current (e).

(g) Defines "unsafe or unsound practice."

Section 7. This section consolidates all penalty provisions from AS 06 relating to financial institutions. Existing penalty provisions, scattered throughout the code, are repealed in this bill.

(a). The criminal sentences on individuals are generally kept

the same as in current law. However, this will raise the potential corporate sentences from the current \$20,000 (\$1000 for trust companies) to \$200,000, under AS 12.55.035(c)(B). This subsection supersedes current AS 06.05.065(e), 06.05.090(c), 06.05.210(b), 06.05.235(d), 06.05.520, AS 06.20.320(b), and AS 06.25.320.

(b). Supersedes current AS 06.40.160(b).

(c). This is consistent with current AS 06.05.380(c), 06.05.500, and AS 06.25.060; current AS 06.05.510 seems to make it only a misdemeanor for the same violations, but a single consistent penalty is more appropriate in all these cases. Supersedes current AS 06.05.380(c), 06.05.500, 06.05.510, AS 06.25.060, 06.25.070, and AS 06.45.320.

(d). Penalizes receiving a deposit after being notified by the state or federal regulators that the institution is insolvent. Under the Credit Union Act, this is currently a Class A felony (AS 06.45.370). The general criminal law makes defrauding creditors a misdemeanor for up to \$500, a Class C felony for \$500 to \$25,000, and a Class B felony for more than \$25,000 (AS 11.46.730(c)). We have decided to go with the Class C felony for these cases. Supersedes AS 06.05.490 and AS 06.45.330.

(e) and (f). For intentional violations of the code or the department's orders; taken from Securities Act, AS 45.55.200(b). Note that (e) also applies to people who cause others to violate the code or department orders. A person assessed an administrative penalty would have a right to a hearing under AS 06.01.030. The differential rates for institutions as opposed to individuals is common in other states. See FL and OR below. For point of reference, here is a summary of what some other states allow for administrative fines:

IN allows up to \$15,000 per violation (sec. 28-11-4-9).

GA allows \$1000 per day per violation, until corrected (sec. 7-1-91).

OR allows \$2500 per violation for individuals, \$50,000 for institutions (sec. 708.980).

FL allows \$10,000 per day if the violation is due to recklessness; and \$50,000 per day for individuals and \$500,000 per day for institutions if the violation is intentional (sec. 655.041).

By the way, the FDIC penalties are also very high -- \$25,000 per day for reckless actions, up to \$1 million per day for intentional violations (12 CFR 308.116).

(g). For non-intentional violations, taken from AS 45.55.200(c); also applies to those who cause others to commit a violation.

(h). Supersedes AS 06.01.010(c) and AS 06.05.505. These figures seem consistent with those used in other states. However, for late call reports the FDIC uses a sliding scale based on the size of the institution and whether the conduct is repetitious, charging from \$100 to \$2000 per day (12 CFR 308.132).

(i). Current AS 06.05.065(e).

Section 8. This is part of current AS 06.01.030(d), which is moved

because it did not belong as part of the section on departmental orders.

Section 9. This section lists most of the department's powers with respect to banks. To the extent the list refers to powers contained elsewhere in the code, the reference here is unnecessary, but it does offer a relatively comprehensive laundry list. In addition, (b)(13) and (14) give the department essentially unlimited authority to issue orders to get compliance with the code.

Current AS 06.05.005(3) has been repealed; neither the department nor the banks could determine what it meant or what was its purpose. Some current sections have been repealed elsewhere and included in this section. They are

(a)(2). AS 06.05.070 is repealed, and here it simply states that the department will provide for bank records retention through regulations.

(b)(1). Current AS 06.05.030, although we have removed the authority of the department to relieve a bank from the examination fee; this seemed appropriate given that fees for specific exams have been replaced with an assessment system. See AS 06.01.010(d).

(b)(6). Current AS 06.05.005(2).

(b)(7). Includes current AS 06.05.015. In (J), we have added authority to require loan loss reserves for loans classified as "doubtful." We also eliminated reference to "FDIC" exams and substituted "federal" exams, to include the Federal Reserve Bank.

Section 10. Amended to make the reporting requirements as to signatures consistent with FDIC requirements, so that the same reports can be used by the banks for both state and federal agencies.

Section 11. Here and in Section 12 of the bill, references to state "charter" have been removed as obsolete. Also, we removed reference to "lending institutions" to make the terminology consistent with that used in the rest of the code.

Section 12. Adds an exemption for mortgage loans existing at the time of hire. This section will no longer disqualify a person from working as a bank examiner if the person has a home mortgage loan with a state bank.

Section 13. Amended to clarify that all actions of the department under this chapter, not just the adoption of regulations, are designed to promote a sound banking system.

Section 14. These changes are primarily stylistic, to clarify the section's meaning.

Section 15. Amended to provide that the notice of charges for new accounts need only be provided where accounts are opened; for example, there is no reason to require this at a bank's automated

teller machine (ATM).

We will also clarify in regulation that "clearly post" can include using pamphlets or brochures, provided they are easily accessible and there is some notice or sign indicating their location.

Section 16. The phrase in current statute, "the extent necessary to meet the needs of customers," might be interpreted either to mean "to meet existing orders" or "to meet anticipated demands." This change, proposed by the banks, clarifies the meaning.

Section 17. The repealed language is all contained in other subsections -- the three day maximum closure is now contained in (e); the branch bank variance is now in (f). See Section 19, below. The reduction of necessary prior notice of a holiday closure, from 15 to 7 days, was done at the request of Northrim Bank.

Section 18. Many stylistic changes. We changed the notice requirement to be before closure, if possible, and otherwise as soon as possible after closure. Also, we removed the requirement that the Comptroller of the Currency be notified of these closures -- that is a matter that should be left to the comptroller and federal regulation. Finally, at the suggestion of First Bank, we clarified the final sentence in the subsection.

Section 19. (d). This is new, to cover the Key Bank "neighborhood day" situation.

(e). Currently in (a). The three day maximum closure applies not only to holidays, but also to board declared closures, but it does not apply to branch banks operating under a department approved different schedule.

(f). Currently the last sentence in (a).

Sections 20 & 21. At the request of the banks, we have changed this statute to clarify that bank records need not be released pursuant to subpoena. Given that subpoenas can be obtained routinely from the court clerk without judicial review, to permit release of the info in response to a subpoena would amount to an elimination of any customer confidentiality, and has resulted in a huge burden on the banks.

Section 22. This is new, also at the request of the banks. The current cost of responding to information requests is very high, and it is reasonable to provide the banks with reimbursement for these costs.

Section 23. First, the subsection is modified to apply to all banks -- the distinction of "commercial" banks is meaningless in Alaska law, and there was no reason for the exception for members of the federal reserve system. Second, the subsection has also been changed to provide that reserve requirements will be set by

regulation be based on the bank's liquidity needs (rather than as a means of protecting against capital impairment). There has been confusion in the past over the purpose of the reserve requirements. It should be noted that the Comptroller sets reserve requirements in federal law, but those requirements are not based on a bank's liquidity needs, but rather as a method to manipulate the supply of money in the U.S. Finally, we have changed "reserves" to "reserve fund" to avoid confusion with loan loss reserves.

Section 24. This change will give the department more discretion in regulating problem banks. If a bank falls below the reserve requirements, it will not automatically be prohibited from making loans or paying dividends -- that will be up to the department.

Section 25. This adopts the general lending limits used by the Office of the Comptroller of the Currency (OCC). The definition of "fully secured" will be put in regulation, probably requiring collateral equal to 100% of loan balance. The list of transactions not included in these calculations is generally taken from current subsection (b), with an addition in (3) of loans collateralized with assigned deposit accounts. This list is generally more liberal than OCC regulations, except for the requirement that cannery products and products in transit be insured to be exempt. The definition of "products in transit" in (4) is taken directly from current regulation and is not a change in current law.

Section 26. Amended to make loans unconditionally guaranteed by the state, such as AIDEA, also not count toward the loans to one borrower limitations.

Section 27. Expands the prohibition for bank loans to include loans collateralized by stock of any of the bank's holding companies, unless the stock is publicly traded, and to unsecured loans used to purchase stock of either the bank or its holding companies. Adds an exception to this rule for situations of bank acquisitions or mergers, with department approval.

Section 28. (g). New provision allowing the department to adopt regulations defining when a loan made in the name of one person or entity will be attributed to another for purposes of calculating the lending limits in this section. This is taken from the recommendations of Montana's advisory committee that reviewed that state's banking code.

Section 29. (a). Combines existing (a), (c), and (d). Specific loan-to-value (LTV) and term restrictions have been eliminated and replaced with a requirement that real estate loans be made consistent with sound bank policies. Also, the section's application is expanded to apply to all loans where the primary security for the loan is real estate, not just those on improved real estate; thus, current (e) and (f) were eliminated along with AS 06.05.206 and AS 06.05.211. Existing (g) has been eliminated as

obsolete.

(b). From current subsection (b); changed to apply to all junior liens, not just seconds.

Section 30. Several changes are proposed to this subsection. First, we clarify that all normal lending restrictions apply to loans to directors, officers and bank employees, in addition to the specific limitations of this section. Second, directors are added to those subject to this section. Third, the threshold for application of the section is raised to \$100,000 in the aggregate, and up to \$250,000 for personal primary residences of directors, officers and employees. We have also repealed the final sentence, since loans are defined in AS 06.05.540 to include overdrafts, making this sentence unnecessary.

There has been some confusion in the past whether a bank's board of directors could act through a committee for the approval of these loans. AS 10.06.468, incorporated under this act, would allow this, except for loans to directors which would still require full board approval.

Section 31. This subsection has been amended to remove specific LTV and term restrictions, and make these loans generally subject to the same restrictions as all real estate loans under AS 06.05.207.

Section 32. Changed to make this merely a prohibition; penalties are provided in AS 06.01.035 for all violations of the code, including this section.

Section 33. This section has been confusing and somewhat controversial in the past. We have rewritten it to make sense. The standard adopted here - knowingly or with gross negligence - is strongly supported by the banks, because they feel that a simple negligence standard might discourage people from becoming bank directors.

Section 34. This section probably could be repealed, since federal law arguably preempts the state law. (We have repealed AS 06.05.220 for this reason.) However, for clarity, this section is left in. The reference to AS 06.05.220 has been changed to refer directly to the applicable federal statute.

Section 35. The section currently is incorrect in its reference to "real estate," since it actually applies to both real and personal property, so this has been fixed. Also, the section has been broadened in several respects, to allow a bank to hold

1) property used for promotional purposes, such as a boat; of course, any asset so held will have to be used exclusively for bank purposes;

2) a building in which bank offices are located, even if only a portion of the building is used for the bank (this is already being done by several Alaska banks, arguably in violation of present law); and

3) real estate for future expansion, subject to prior department approval.

As for the reference to bank building corporations, these are now covered under the section relating to subsidiaries, AS 06.05.272.

Section 36. Conforming amendment only.

Section 37. Conforming amendment, since provisions relating to out-of-state bank holding companies (BHC's) have been moved to new AS 06.05.570.

Section 38. We have added a permitting system for all bank holding companies that wish to purchase a bank or bank holding company doing business in Alaska.

Section 39. Conforming amendment.

Section 40. New subsection, taken from current 3 AAC 02.910(b). This provides for an exemption to the normal rules applicable to BHC's, and it is more appropriate for the exemption to be in statute, rather than regulation.

Section 41. Technical changes to make it clearly consistent with AS 06.05.205.

Section 42. Technical changes to make the language consistent with AS 06.05.230.

Section 43. There are several proposed changes to this section. The amendments add an exemption from borrowing limits for repurchase agreements; raise borrowing limits without necessary department approval from 100% of capital and 50% of surplus to 15% of assets -- this will be an approximately 50% increase in the limit for most banks (this new standard, 15% of assets, is currently used in the Mutual Savings Bank Act, AS 06.15.180(2)); remove a redundancy regarding borrowings approved by the department; and finally, the adjective "unimpaired" is meaningless and confusing, and is therefore removed.

Section 44. In (2), the change clarifies that when a bank pledges property for a mortgage, the pledged property must be the subject of the purchase transaction. Also adds a new paragraph (3), as suggested by several banks, to permit a bank to pledge assets to a federal reserve bank or a federal home loan bank. This language was taken from WY, sec. 13-3-203. (However, such borrowings will still be subject to limitations of AS 06.05.255.)

Section 45. This is current AS 06.05.485. The second sentence was added to clarify that this section does not prohibit a bank from issuing warranty deeds.

Section 46. This bill repeals the list of specific permissible bank investments in statute. These specific investments, as well as others that may be appropriate, will now be set out in the regulations. This is important, because new investment opportunities seem to come up frequently, and requiring the department to get legislation passed each time has proven burdensome and unpredictable.

Section 47. (a). Adds a provision to permit banks to have subsidiaries, in most cases subject to department approval. The department intends to approve limited underwriting activities, probably on a case-by-case basis. "Subsidiary" is defined in AS 06.05.540 to be corporation more than 50% owned by the bank.

(b). Sets a limit on the amount a bank may invest in subsidiaries, and clarifies that a bank may not use its lending authority to avoid the investment limits.

(c). Makes it clear that subsidiaries are subject to examination.

Section 48. Clarifies that these are alternative requirements.

Section 49. (a). Makes the Alaska Corporations Code applicable to banks.

(b). Sections of the Corporations Code that are inapplicable to banks are as follows:

AS 10.06.010(4-8). General corporate powers, specifically limited here and elsewhere for banks.

AS 10.06.105(a). Requires a corporation to have "inc.," "ltd." etc. in its name.

AS 10.06.325, 10.06.385 - 10.06.388, & 10.06.420(i). Deal with redemption of shares; This revised banking code sets up specific provisions for stock redemption in AS 06.05.320.

AS 10.06.356. Permits shares to be held by nominees. This is inconsistent with the philosophy behind AS 06.05.450, that all shareholders and the department have a right to know all shareholders of a bank.

AS 10.06.358 - 10.06.360. Dividends; covered by AS 06.05.440 - 06.05.445.

AS 10.06.370. Specifically applies only to regulated investment companies.

AS 10.06.430. Provides that the "books and records of account" of a corporation must be available for inspection by shareholders. To avoid anyone misinterpreting the code to allow a shareholder to see a bank examination, this was excluded.

AS 10.06.453. Provides that the number of directors may be one or more, and if not designated, three. Current banking code (AS 06.05.435) requires at least five directors, and we have retained that in this recodification.

AS 10.06.460(b). Restricts reasons a director may be removed. We have provided for removal of bank directors by the department.

AS 10.06.485. Loans to directors, officers and employees; already covered in AS 06.05.210.

AS 10.06.522 - 10.06.526. Reorganization of corporations in bankruptcy; this is covered for banks under liquidation provisions.

Article 8 (AS 10.06.530 - 10.06.582). Organic change (mergers, etc). These are covered under AS 06.05.462.

Article 9 (AS 10.06.605 - 10.06.678). Dissolution; covered under the liquidation article.

Article 10 (AS 10.06.705 - 10.06.788). Foreign corporations; covered under new article on interstate and international banking.

Article 11 (AS 10.06.805 - 10.06.868). Biennial reports and corporate tax. Banks pay an assessment under AS 06.01.010 and are subject to annual examination and frequent reporting requirements.

AS 10.06.863. Appeal of foreign corporation to Superior Court for revocation of certificate of authority; all appeal processes for banks will be handled under AS 06.01.

AS 10.06.865 & 10.06.915. Appeal to commissioner for refusal or cancellation of certificate of authority; all appeal processes for banks will be handled under AS 06.01.

AS 10.06.960. Applies only to native corps.

AS 10.06.990(30) & (36). Definitions for "paid in capital" and "retained earnings"; we have provided definitions for all aspects of a bank's capital accounts in AS 06.05.540.

Section 50. (a). Raises minimum capital requirements to \$2 million for banks in Anchorage and Fairbanks, \$1 million for other communities (to allow possible formation of small community banks). However, this clarifies that these are absolute minimums, and that the actual requirements will be set in each case by the department. (At present, all Alaska banks have capital amounts far greater than these minimums.)

(b). To the extent this may be interpreted as inconsistent with AS 06.05.320, we have amended that section to allow stock redemptions if approved by the department. Otherwise, technical amendments only.

(c). Technical amendments only.

Section 51. Present AS 06.05.310 provides for an assessment of shareholders procedure that the department may purportedly order when a bank's capital is impaired. Since this process is essentially unenforceable and, in our experience, unreasonable, this assessment procedure is repealed here and replaced with a simple process for the department to order a bank to increase capital, in whatever manner the bank chooses. This new section is taken from Indiana (sec. 28-13-4-7).

Section 52. Changed to permit bank stock redemptions with departmental approval.

Section 53. Changed to require prior department approval before any significant change in bank ownership or before a change in bank control.

Section 54. Clarified to ensure that all stock sales are subject to

this requirement, not just those at the corporate formation stage. [Note to Revisor: Please amend section title accordingly.]

Section 55. Present AS 06.05.345 is split; new AS 06.05.344 deals with the application for approval process, while AS 06.05.345 retains the provisions relating to articles of incorporation.

(a). Current AS 06.05.345(c). Clarifies that prior approval of director for bank plan is required before articles of incorporation will be issued. Also eliminates requirement for triplicate filing of articles (also changed in (h)).

(b). Current AS 06.05.345(d). The amount that an applicant must submit to the department has been doubled to \$2000; this will afford the department a bit more protection, assuring a better chance of repayment of its costs. Current amounts charged have been in statute at least since 1978 and need raising. By way of comparison, OR charges a non-refundable \$2500 (sec. 707.070).

(c). Current AS 06.05.345(e).

(d). Current AS 06.05.345(f).

(e). Current AS 06.05.345(g).

(f). Current AS 06.05.345(h). Change to (4) is designed to clarify that the capital requirements are those set by the department. Otherwise, one technical change, and one other change to not duplicate the Corporations Code.

(g). Current AS 06.05.345(i).

(h). Current AS 06.05.345(j).

Section 56. Changed to incorporate the Corporations Code, and then eliminates requirements already covered by that code. Also, (2) is clarified to make sure that no-par stock is not allowed, and (3) is clarified to allow articles to say "5 to 25" directors, instead of giving a specific number.

Section 57. Allows amendment of articles by a majority of shareholders, or more -- this is consistent with the Corporations Code, AS 10.06.504 - 10.06.508. As for filing amendments to articles, these will be done in the manner provided in the Corporations Code.

Section 58. Amended to clarify that certificate of incorporation comes first, certificate of authority later. Incorporation allows a bank corporation to set up a facility and get subscriptions paid in, but not to do any banking business. AS 06.05.395 has been merged with this subsection.

Section 59. (b)(1). This is the same as AS 06.05.380(b); the latter has been repealed. Also, the department does not require a bank to carry a specific amount for undivided profits, so that has been removed.

Current (b)(4). This is repealed because we will no longer be requiring FDIC insurance in all cases. See Section 61.

Section 60. Current AS 06.05.480.

Section 61. Changed to make FDIC insurance optional, at the department's discretion. This is primarily designed to allow for the formation of small community banks, and to allow other banks to use alternative insurance if it becomes available. [Note to Revisor: Please correct title to this section.]

Section 62. Conforming amendment.

Section 63. (a). Most of the requirements of this section that are deleted are covered in the Corporations Code, particularly AS 10.06.223.

(b). Provides that the executive offices of the bank must be designated in the articles or bylaws, and a current copy of the bylaws must be kept on file with the department. We are eliminating any definition of executive or managing officers from the code.

Section 64. These are almost all technical changes, except for (f)(3), which is eliminated because we are eliminating the requirement for FDIC insurance. As for (a), the amounts have been raised for processing an application -- see comments to new AS 06.05.344 in section 55 of the bill. The definition for "mobile facility branch bank" is taken from 3 AAC 02.910(a)(5).

Section 65. ATM's will no longer be subject to general branching laws; there is no reason that the lengthy application process for a branch should apply to a bank's opening of an ATM.

(a). Permits banks to set up wholly-owned ATM's in bank offices without department approval; these machines may be exclusively for use of the bank's customers.

(b). Permits a bank to establish a wholly-owned ATM outside the bank with prior approval of the department; these machines must be made available to other banks.

(c). Simplified application process for ATM's that are off bank premises, generally taken from Arkansas sec. 23-32-1304.

(d). Permits bank to invest in an ATM corporation (like Options). These operations will not be directly regulated by the department, although the investments themselves will still be subject to safety and soundness considerations upon examination.

Section 66. Repealed language will permit staggered terms for bank directors like that provided in the Corporations Code, AS 10.06.455.

Section 67. Added language will allow the qualifying minimum amount of stock that a director must own to be jointly held, and will allow the department to approve other situations when a director need not meet the minimum ownership requirements, such as where the bank is wholly owned by a bank holding company.

Section 68. (f). From current AS 06.05.437(b).

(g). New, to give department authority to remove or object to

certain persons as directors. Taken generally from FL and GA.

Section 69. (a). Repealed language is covered by AS 10.06.483(b). Second sentence is amended to allow the board to pick the best possible person for CEO of the bank, even if that person is not on the board; if the bank chooses a non-board member as CEO, that person becomes an ex officio member of the board, to make sure he/she is kept aware of what the board is thinking and doing.

(b). We moved the requirement to report changes in directors to the previous section, which deals specifically with directors.

Section 70. Although the department cannot actually order that an employee of a bank be fired -- that is the sole responsibility of the board -- this subsection will allow the department to essentially recommend an employee's removal, if necessary; if the board refuses, the directors risk personal liability should damages occur thereafter due to the fault of the employee. This change was recommended by the Conference of State Bank Supervisors (CSBS).

Section 71. Minor change to clarify that board meetings are held for many purposes, not just to investigate the affairs of the bank.

Section 72. (e). Allows teleconference board meetings; taken from the Corporations Code, AS 10.06.475(a).

(f). Present AS 06.05.238.

Section 73. Clarifies that dividend distributions are subject to possible restrictions under AS 06.05.307(c).

Section 74. Generally just technical changes; clarifies that requirements of this section are in addition to those in AS 06.05.442.

Section 75. Changed to allow a bank, with department approval, to carry a negative balance in the undivided profits (U.P.) account, and prohibits dividends until this negative U.P. account balance is replaced and the surplus account is fully restored.

Section 76. This section has been combined with AS 06.05.443.

(a). Currently the first part of sec. 443.

(b) (1). Current sec. 443(1) and (2); there was no reason for a one-year provision for judgments, so this was eliminated. This is consistent with departmental powers in AS 06.05.005(b)(8)(K).

(2). Current sec. 445(1); the reference to "debt" is changed to make it clear that this refers to money owed to the bank, not by the bank.

(3). Current sec. 445(2).

(4). Current sec. 443(3).

(5). Current sec. 445(3); under this proposal, stock may also be carried at market value, rather than par.

(6). Current sec. 443(4).

Section 77. Modernized to allow for the maintenance of this record of shareholders in a form other than a book. Also, clarifies that inspection of the record is available for the department, while shareholders will have access to a list of current shareholders. Before each annual meeting, the bank will also need to comply with AS 10.06.413, which requires preparation of a list of shareholders, including names, addresses and numbers of shares owned.

Section 78 - 80. Technical amendments only.

Section 81. AS 06.05.466 currently set out a procedure for dissolution of a bank before issuing a certificate of authority. The proposed revisions to this section retain the same grounds for dissolution in these situations, but permit such a dissolution to be effected as with any other corporation under the Corporations Code.

Section 82. (a). This is generally taken from current AS 06.05.470(a), although it has been expanded to clarify that the department may close and take possession of a bank for violations of the banking laws or orders of the department.

(b) - (c). This clarifies the process for bank takeovers by the department. Under the Supreme Court's decision in Hoffman v. State, ___ P.2d ___, No. 3845 (Alaska May 29, 1992), an opportunity for hearing must be provided to interested parties before a bank may be liquidated by state or federal authorities. Since, as a general rule, it is in the best interest of the public and depositors to minimize the time a bank is closed when it is being liquidated/transferred, the procedure set out in these subsections provides for hearing at the time the department first identifies the bank's problems and confronts the board with them.

(d). This is present AS 06.05.470(d); however, we have reduced the time allowed to request a hearing to two days, to expedite the process and enhance the chances that the bank will be reopened.

Section 83. Repealed language is now contained in sec. 468(c).

Section 84. Clarifies that transfers in anticipation of department takeover for whatever reason, not just due to insolvency, are voidable. New language is taken from current AS 06.05.495, which is repealed.

Section 85.

AS 06.05.471. This section is essentially just a recodification of current AS 06.05.470(f), (j) and (k).

AS 06.05.472. Recodification of current sec. 470(1) - (n). In (a)(1) and (2), the values were raised from \$10,000 to \$100,000, because the FDIC has complained that the lower amount requires frequent, unnecessary court appearances. In (a)(3), also at the request of the FDIC, the provision was changed to allow a receiver to make partial distributions before a final accounting is prepared.

AS 06.05.473. Existing sec. 470(j) - (y), generally with only technical amendments.

(c). Present sec. 470(p) and 465(f), but modified to allow the department to turn over unclaimed property and safe deposit box contents to the Department of Revenue under the Unclaimed Property Act at the conclusion of the liquidation, rather than having to hold the property for five years.

(g). Clarifies that secured claims based on pledged assets under sec. 260 fall behind the general depositor preference.

AS 06.05.474. Current sec. 470(z).

Section 86. Many of these definitions are taken from the existing code. Ones that have been changed, or are new, are

(1). Taken from 3 AAC 910(a)(1).

(3). Changed to make the definition primarily focus on accepting deposits (the first part of the definition was generally taken from OR and ID); the rest of the section was updated to remove archaic language.

(4). Changed to take out internal references to "branch" that make the existing definition circuitous, and exempts ATM's from the definition.

(5). All aspects of a bank's capital are defined in this section, to remove the ambiguities that exist in current law. This definition of "capital" is generally taken from IN.

(6). From 3 AAC 02.910(a)(9).

(10). From current AS 06.05.235(h)(1).

(12). From AS 06.01.050(3).

(14). From OR, sec. 711.305 and AS 06.05.305(a).

(15). Loosely adapted from OR, sec. 711.405; (A) and (C) are the two traditional definitions for insolvency - see Annot. 81 ALR 1160.

(16). Defines "international bank" as a bank that is from outside the United States.

(17). Defines "interstate bank" to include any bank chartered in a state other than Alaska and national banks operating outside Alaska.

(18). From IN, sec. 28-1-13-1.2, with some modifications; note that it includes guarantees, overdrafts, letters of credit and loan commitments.

(19). From WY, sec. 13-1-101(a)(xii).

(20). Current AS 06.05.235(h)(2), amended to exclude international bank holding companies from the requirement that they be registered with the federal government.

(21). Current AS 06.05.235(h)(3).

(22). Changed to remove the reference to charters, which no longer exist in Alaska.

(24). In conjunction with new AS 06.05.272, proposed in this bill, this will allow banks to operate subsidiaries that are not directly in the banking business. This definition is taken from the Alaska Corporations Code and is the same as that used by the FDIC.

(25). Current law does not define the essential elements of

capital, which has caused some confusion in the past. This bill simplifies the terminology and makes it consistent throughout, and then all terms used are defined here.

(27). Defines when a bank will be deemed to be in trouble.

Section 87.

The new article on interstate and international banking is loosely inspired by NY, IL and GA law. However, we have tried to think of what is specifically needed and desired in Alaska.

AS 06.05.550. (a). Authorizes international and insured non-Alaska banks to branch by purchasing existing Alaska institutions. "Interstate," "international," and "recently formed" banks are defined in AS 06.05.540. Note the FDIC requirement for non-Alaska US banks; OR has a similar requirement. For international banks, there is provided an in-state asset requirement -- see next section. Much of this is taken from IL and NY.

(b). Authorizes international banks, but not interstate banks, to de novo branch.

(c). Guarantees that interstate and international bank branches enjoy the same rights as other Alaska financial institutions; taken from NY.

AS 06.05.555. Application process for interstate and international banks. These provisions are generally taken from AS 06.05.399, the department's procedure for branch bank applications. Thus, these applications would be handled in the same general manner as other branch applications.

(d). Requires reciprocity for banks from other states, but not for international banks (taken from NY).

AS 06.05.560. (a) and (b). Requires an international bank operating a branch in Alaska to maintain assets in this state sufficient to cover all depositors. This section is taken from OR sec. 713.025.

(c). Provides that if the department takes over one of these branches, the in-state assets will be liquidated under the general liquidation statutes; inspired by IL law.

AS 06.05.565. (a). Essentially same as current AS 06.05.367, which is repealed.

(b). Requires branch to meet general reserve requirements applicable to state banks under AS 06.05.200, but allows appropriate assets held for purposes of the minimum asset requirements of preceding section to be applied to this requirement as well.

(c). Provides that these branches will be subject to normal assessments for exams, but the assessment will be based on the branch's deposits, rather than its assets (since it is impossible to determine how much of the assets of a multi-state or multi-national bank are attributable to the Alaska branch).

(d). Provides that the parent interstate or international bank may be examined to protect Alaska's interests, in much the same manner as an out-of-state BHC can be examined.

AS 06.05.570. This is presently part of AS 06.05.235.

(a). Currently sec. 235(e). We have added a permitting system

for all bank holding companies that wish to purchase a bank or bank holding company doing business in Alaska.

(b). Currently sec. 235(f).

(c). Taken from 3 AAC 02.910(b).

Section 88. This amends the exemption from the small loan act for pawnbrokers from \$200 to \$500. The current figure dates back at least to 1981, and inflation makes a higher limit now appropriate.

Section 89. This has been changed to clarify that the provisions of the banking code apply to trust companies engaged in the business of banking.

Section 90. Technical amendment.

Section 91. Allows credit unions to designate executive offices in bylaws. (Added in Finance Committee.)

Section 92. Allows board of directors to appoint credit committee, instead of requiring the committee to be elected at annual meeting. (Added in Finance Committee.)

Section 93. Allows credit union to designate titles and offices of the executive officers. (Added in Finance Committee.)

Section 94. Requires board of credit union to appoint a CEO, called the president, to be in charge of operations. (Added in Finance Committee.)

Section 95. Technical amendments, consistent with Section 92. (Added in Finance Committee.)

Section 96. Allows more than one loan officer to serve on the credit committee. (Added in Finance Committee.)

Sections 97 and 98. Makes the Corporation Code applicable to banks.

Section 99. Conforming amendment.

Section 100. Clarifies that the Consumer Protection Act, while exempting transactions regulated under AS 06.05, applies to all other bank transactions, and in particular those between banks and their customers.

Section 101. Technical amendment.

Section 102. Repealers:

AS 06.01.010(c). Now covered by AS 06.01.035(h).

AS 06.05.015. Included in new AS 06.05.005(b)(7).

AS 06.05.020. (a). All covered elsewhere in the code.

(b). The first sentence is already covered by AS 06.01.030 (in this bill, subsection (f)). The rest duplicates common law, except

for the last sentence, which is a labor law issue and should not be in the code.

AS 06.05.025. All provisions relating to examinations are now in AS 06.01. This section is contained in AS 06.01.015.

AS 06.05.030. Moved to AS 06.05.005(b)(1); see notes to that provision.

AS 06.05.035. Already covered by AS 06.01.010.

AS 06.05.040. Moved to AS 06.01.015(a).

AS 06.05.055. Some of the information ((1) and (2)) is already essentially done, through the governor's legislative requests, and the rest either is unnecessary for legislators or is public information. This is an expensive annual exercise for the division (estimate is 30 person-days) that is unnecessary.

AS 06.05.060. (a) and (b). Moved to AS 06.01.025, to apply to all financial institutions.

(c). Already covered in AS 09.25.110.

AS 06.05.065. (d) and (e). Included in comprehensive penalties section, AS 06.01.035.

(f). Definition no longer used in the code.

AS 06.05.070. Most of this section is obsolete. We have repealed it and simply provided in AS 06.05.005 that the department will adopt regulations for records retention (which it has already done in current 3 AAC 02.010).

AS 06.05.080. Already established in Alaska case law.

AS 06.05.085. Already covered by Alaska case law.

AS 06.05.090(c). This is included in comprehensive penalties section, AS 06.01.035.

AS 06.05.130. This section is essentially superseded in substance by the UCC, AS 45.04.406.

AS 06.05.175(c). This is already covered; any violation of the code is subject to discipline and/or enforcement action under AS 06.01.

AS 06.05.185. The sections relating to trust companies (AS 06.05.185 - 06.05.195) are obsolete and are therefore repealed. These provisions are already covered in the trust company act, specifically AS 06.25.085.

AS 06.05.190. See note to previous section.

AS 06.05.195. See note to repeal of AS 06.05.185.

AS 06.05.200(b) and (c). These are procedural matters that will be put in regulations. Also, the permissible list of deposits will be expanded to include deposits held by the Federal Reserve Bank and the Federal Home Loan Bank, to make the regulations consistent with current practice.

AS 06.05.205. (a). By regulation adopted under AS 06.05.438(c), a requirement will be inserted that when lending reports are made to the board, all loans over a specified amount (higher than \$25,000 - probably \$100,000) will be specifically identified.

(e). Already covered under sound lending practices.

(f). Obsolete.

AS 06.05.206. All special statutory restrictions on real estate loans are repealed in this draft of the code, except those

still remaining in AS 06.05.207. Leasehold and development loans are now covered by that section.

AS 06.05.208. This section is covered by AS 45.10.120(c).

AS 06.05.210(b). This is repealed and the substance moved to the comprehensive penalties section, AS 06.01.035.

AS 06.05.220. Already covered by federal law.

AS 06.05.232. The code has been drafted to provide that only a bank's subsidiary can enter into these types of leases. Thus, the section is repealed here, and a broad authority to enter into leases is included in new AS 06.05.272.

AS 06.05.235. (c). Already covered in powers of the department to adopt regulations.

(d). Covered by comprehensive penalties section.

(e) and (f). We have split this section in half, moving the provisions relating to out-of-state bank holding companies to new AS 06.05.521, in the article on interstate banking.

(h). Definitions have been moved to the general definitions section, AS 06.05.540.

AS 06.05.238. This section belongs with the provisions relating to meetings of the board. Thus, it has been moved to AS 06.05.438(f).

AS 06.05.255(c). This subsection was ambiguous and unnecessary.

AS 06.05.260(b). This subsection was probably unenforceable, definitely unclear and ambiguous, and arguably inconsistent with the state's depositor preference.

AS 06.05.270(b). Specific permissible investments for banks have been repealed and will now be set out in regulations. See comments to bill section 46.

AS 06.05.275. (a). Deleted as unnecessary and obvious.

(c). Deleted as unnecessary. For clarity, if desired, we will put it into regulation.

AS 06.05.280(a) and (b). These are sufficiently handled by market forces, and they are unnecessary.

AS 06.05.300. Covered by AS 10.06.010.

AS 06.05.307. (d). Already covered by AS 06.05.205(b).

(e). Repealed as obsolete.

AS 06.05.325. Covered by the Corporations Code.

AS 06.05.330. Covered by AS 10.06.205. However, the Corporation Code provides that there can be only one incorporator, and this will now be allowed for banks as well.

AS 06.05.345. (b). Covered by the Corporations Code.

(c) - (j). Moved to new AS 06.05.344.

(k). Beginning of corporate existence is already covered in the Corporations Code.

AS 06.05.360. Foreign banks are permitted to engage in banking under new article 9.

AS 06.05.367. Most of this section is incorporated into new AS 06.05.565. Paragraph (2) is removed because we are no longer going to require FDIC insurance.

AS 06.05.380. (a) and (b). are the same as 350(b)(1).

(c). This is included in the comprehensive penalties section.

AS 06.05.390. Covered, with minor variations, by AS 10.06.490.
AS 06.05.395. Substance moved to and incorporated in AS 06.05.350(a).

AS 06.05.430. Covered by AS 10.06.405 and 10.06.415.

AS 06.05.435. (b). Covered by AS 10.06.223.

(e). Covered by AS 10.06.465.

AS 06.05.443. Combined with AS 06.05.445.

AS 06.05.465. Voluntary liquidations will now be covered under the same procedure as involuntary ones, i.e. under the control of the department. See AS 06.05.468(a) in Section 82 of the bill. Of course, if a bank wishes to voluntarily dissolve and there is no reason for the department to get significantly involved, the department can appoint the existing board as receiver.

AS 06.05.470. This section has been split up to make it more manageable. The substance of this section remains essentially unchanged.

(a). Substance moved to sec. 468(a).

(d). Now sec. 468(d).

(f). Now sec. 471(a).

(j) and (k). Now sec. 471(b) and (c).

(l) - (n). Now sec. 472.

(o) - (y). Now sec. 473.

(z). Now sec. 474.

AS 06.05.480. Moved to sec. 350(d).

AS 06.05.485. Moved to new sec. 262.

AS 06.05.490. Included in comprehensive penalties section, AS 06.01.035.

AS 06.05.495. Duplicative; same as sec. 470(g)(2).

AS 06.05.500 - 06.05.520. Covered by comprehensive penalties section.

AS 06.05.525. Covered by AS 06.01.030.

AS 06.05.530. Obsolete.

AS 06.20.320(b). Covered by new comprehensive penalties section, AS 06.01.035.

AS 06.25.060. Covered by comprehensive penalties section.

AS 06.25.070. Also covered by comprehensive penalties section.

AS 06.25.320. Also covered by comprehensive penalties section.

AS 06.30. Repeals state Savings Association Act.

AS 06.40.160(b). Covered by comprehensive penalties section.

AS 06.45.320. Covered by comprehensive penalties section.

AS 06.45.330. Also covered by comprehensive penalties section.

Section 103. Transitional provisions.

(a) Makes sure that the new Corporations Code applies to all banks.

(b) Requires existing banks to amend their articles to conform to the new code at the next regular annual meeting, and then file the amended articles with the department.

Section 104. Notes possible Court Rule change.

Section 105. Effective date 1/1/94.

Re: SB 86 -- Uniform Commercial Code, Article 4A (Funds Transfers)

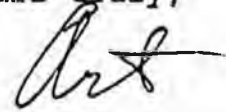

Dear Bill:

SB 86 passed the Senate, and is now in your committee. Like CSSB 112 (Jud), this bill is essential in Alaska's effort to keep its Uniform Commercial Code up to date and to facilitate doing business in Alaska by using modern technology and business practices. Therefore, I urge your committee to schedule it for an early hearing, to catch up with the 44 other states that have already enacted it.

You will find attached a two-page explanatory statement that I prepared for this bill. In addition, I have prepared a fairly detailed section-by-section description that I would be happy to furnish you if you wish. (Perhaps you already have it.)

Thank you.

Yours truly,

STATEMENT ON SB 86

UNIFORM COMMERCIAL CODE, ARTICLE 4A
(FUNDS TRANSFERS)

THIS BILL, ADDRESSING THE ELECTRONIC TECHNOLOGY REVOLUTION AND MODERN BUSINESS PRACTICES, WILL ENACT THE NEW ARTICLE 4A OF THE UNIFORM COMMERCIAL CODE (UCC). IT IS AN ESSENTIAL PIECE OF THE CURRENT COMMERCIAL LAW OF THIS COUNTRY, WITH 44 ENACTMENTS AS OF DECEMBER 1992 (INCLUDING NEW YORK, ILLINOIS, AND CALIFORNIA -- THE MAJOR FINANCIAL CENTERS). IT PROVIDES STATE LEGISLATIVE ANSWERS TO THE MANY ISSUES INVOLVED IN FUNDS TRANSFERS (THE BULK OF WHICH ARE CALLED "WHOLESALE WIRE TRANSFERS").

THE UCC IS A COMPREHENSIVE CODIFICATION OF COMMERCIAL LAW. HOWEVER, UNTIL PROMULGATION OF ARTICLE 4A IN 1989, IT DID NOT DEAL WITH FUNDS TRANSFERS BETWEEN COMMERCIAL ENTITIES. AS BUSINESS PRACTICE HAS COME TO RELY MORE HEAVILY ON THE SPEED, EFFICIENCY, RELIABILITY, AND COMPARATIVELY LOW COST OF ELECTRONIC TECHNOLOGY, THE MANY QUESTIONS THAT ARISE FROM THAT RELIANCE DEMAND ANSWERS.

IN 1989, A RECORD THREE TRILLION DOLLARS WERE TRANSFERRED ON A SINGLE DAY -- MORE MONEY THAN THE 1989 GROSS NATIONAL PRODUCT OF THE UNITED STATES -- AND THE 1989 AVERAGE WAS ONE TRILLION DOLLARS A DAY. IN THE AVERAGE SINGLE "FUNDS TRANSFER," \$5,000,000 CHANGE HANDS.

THE NEW ARTICLE WILL NOT CHANGE THE RULES IN ARTICLES 3 AND 4 DEALING WITH SIGNATURES AND ENDORSEMENTS ON PIECES OF PAPER (CHECKS) AS THE BASIS FOR DETERMINING LIABILITY.

UNLESS THE PARTIES TO A TRANSACTION USE THE SAME BANK, A FUNDS TRANSFER INVOLVES AT LEAST FOUR ENTITIES: THE ORIGINATOR OF THE PAYMENT; THE BANK TO WHICH THE ORIGINATOR COMMUNICATES THE FIRST PAYMENT ORDER; THE BENEFICIARY'S BANK THAT RECEIVES THE FINAL PAYMENT ORDER; AND THE BENEFICIARY. NUMEROUS PROBLEMS AND QUESTIONS CAN ARISE.

WHAT HAPPENS IF THE FIRST BANK MAKES A MISTAKE AS TO THE AMOUNT TO BE PAID? WHAT HAPPENS IF THE SECOND BANK DOESN'T NOTIFY THE BENEFICIARY? WHAT HAPPENS IF THE PAYMENT ORDER IS FRAUDULENT AND NOT ACTUALLY ISSUED BY THE ORIGINATOR? WHAT HAPPENS IF THERE IS A BANK FAILURE? WHAT ARE THE REMEDIES IF SOMEONE TAKES A LOSS? WHO BEARS THE RISK OF LOSS AT A GIVEN TIME IN THE TRANSACTIONAL PROCESS? WHAT CONSTITUTES ACCEPTANCE AND REJECTION (BOTH RIGHTFUL AND WRONGFUL) OF A PAYMENT ORDER, AND WHAT MUST BE DONE TO AMEND A PAYMENT ORDER? THESE ARE SOME OF THE QUESTIONS ANSWERED IN ARTICLE 4A.

THIS BILL PROVIDES FOR A SIGNIFICANT IMPROVEMENT IN ALASKA LAW. IT WILL HELP KEEP ALASKA'S UNIFORM COMMERCIAL CODE UP TO DATE, THUS TENDING TO ASSURE A FAVORABLE COMMERCIAL CLIMATE HERE -- ONE THAT IS IN LINE WITH THE REST OF THE COUNTRY.

Re: CSSB 112(Jud) -- Uniform Commercial Code, misc. changes

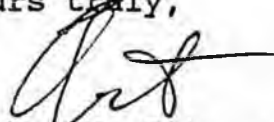

Dear Bill:

CSSB 112(Jud) passed the Senate, and is now in your committee. Like SB 86, this bill is a vital part of the effort to keep Alaska's Uniform Commercial Code (UCC) up to date. To promote a favorable business climate here, we need to keep our law -- especially the UCC -- moving in line with the rest of the country. Please schedule this bill for an early committee hearing.

You will find attached a two-page description that I prepared for this bill. You will note that it deals with three aspects of the UCC: (1) the new art. 2A (AS 45.12), on personal property leasing; (2) the revised art. 3 (AS 45.03), on negotiable instruments (with compatibility amendments in art. 4 [AS 45.04], on bank deposits and collections, and art. 1 [AS 45.01], on general provisions); and (3) the repeal of art. 6 [AS 45.06], on bulk sales.

If you have any questions, please let me know. Thank you.

Yours truly,

SB 112

2/4/93
RHP

DESCRIPTION OF BILL ON
UNIFORM COMMERCIAL CODE CHANGES:
PERSONAL PROPERTY LEASING, NEGOTIABLE INSTRUMENTS,
AND BULK SALES

With all other U.S. jurisdictions (except Louisiana, which has enacted parts of it), Alaska enacted the Uniform Commercial Code (UCC), promulgated by the National Conference of Commissioners on Uniform State Laws (NCCUSL). This bill reflects a major effort to update the UCC. The bill has three basic parts: (1) a new art. 2A on personal property leasing (sec. 125 of the bill), (2) amendments to the UCC's arts. 3 and 4, regarding negotiable instruments and bank deposits and collections (secs. 14 through 117 and 127 of the bill); (3) repeal of UCC art. 6, on bulk sales (sec. 127 of the bill). (The other bill sections contain changes to accommodate those basic parts of the bill.) Benefits to Alaska of keeping its UCC up to date are enormous. These proposed changes, promulgated by the NCCUSL, are essential to business and consumers involved in commercial transactions; they will encourage a predictable and favorable business climate here.

Personal Property Leasing

UCC art. 2 (AS 45.02) deals with sales. Article 9 (AS 45.09) deals with secured transactions. But nothing currently deals with leasing of personal property, a multi-billion dollar industry. The new art. 2A (proposed AS 45.12) fills the gap.

Personal property being leased ranges from horses, cars, and moving vans, to heavy construction equipment and oil rigs. The new article deals with what are called "true" leases and "finance" leases. It tailors some concepts from the current art. 2. It provides statutory answers to a broad range of legal issues, covering such matters as offer and acceptance, warranties, mistake, failure to perform, risk of loss, and remedies. The current absence of these rules promotes litigation.

Negotiable Instruments and Bank Deposits and Collections

In the UCC, arts. 3 and 4 (AS 45.03 and 45.04, respectively) are companion articles. Article 3 provides for all negotiable instruments, including checks and certificates of deposit. Most checks are drawn upon bank accounts, and certificates of deposits are banking instruments. Amendments in this bill pertaining to these two articles are made primarily to recognize modern electronic technology and banking practices. In revising art. 3, some companion amendments to art. 4 (bank deposits and collections) and to art. 1 (general provisions) have been necessary. It has been said that "Negotiable instruments make the

economy go around." That is why it is important for Alaska to keep its law on the subject up to date.

Much of the language in present art. 3 is unnecessarily technical and archaic. This bill's revision reorganizes the material into a more logical sequence and significantly clarifies and modernizes the law, thus fixing numerous problems that have arisen over the past 40 years of experience with the UCC and negotiable instruments. One especially important feature is that the revision recognizes that there are two types of instruments -- notes and drafts -- which usually perform different functions and merit different treatment.

The revised art. 3 (with conforming amendments in arts. 1 and 4) provide numerous benefits to the public interest, to users of negotiable instruments, and to banks. Among the benefits are the following: certainty of the law; speed and reliability, by addressing new technologies; lower costs; reduced litigation, by removing troublesome issues; expansion of the definition of "good faith"; stricter standards for fiduciaries; improvements to the acceptability of bank obligations such as cashier checks; and a variety of other improvements of the law.

Bulk Sales

A "bulk sale" is one in which a business sells all or a large part of its inventory to a single buyer outside the ordinary course of business. Such a sale has also been called a "bulk transfer." One goal of the laws on this subject had been to protect creditors of such businesses from the proprietor who absconds with the proceeds of the sale. UCC art. 6 replaced a variety of earlier bulk sales laws in the states. All of them were enacted in a climate of smaller businesses that were localized in scope. But the credit environment has changed, so that the risk of the absconding merchandiser is no longer very great. Business creditors can evaluate creditworthiness far better than was the case when the UCC was first promulgated, and they can pursue absconding sellers with much less difficulty. New laws have partially overlapped art. 6, and more sophisticated and wide-spread inventory financing under art. 9 of the UCC has provided even more significant protections for creditors. Therefore, the NCCUSL recommended repeal of art. 6, but, as an alternative for states where this would be appropriate, also offered a thorough revision of art. 6. As of 1991, 14 states had addressed the issue, and 10 of them opted for the repeal approach. A group of 16 Alaska business law attorneys has written to say that they unanimously support the repeal approach offered in this bill.

3/08/93 DRAFT OF BANKING REGULATIONS, TO BE ADOPTED
AFTER THE NEW BANKING CODE TAKES EFFECT

3 AAC 01.010. ADJUDICATORY HEARINGS. (a) Setting Hearings. When the department intends to issue or has issued an order directing a person to stop an act or practice considered by the department to be unsafe or unsound, or in violation of or likely to violate either an order of the department, the provisions of AS 06, or regulations adopted under AS 06, the department will hold a hearing on the order or proposed order, on the department's own motion or upon timely written request by

(1) any person subject to the order or proposed order; or

(2) any person having a contractual relationship with a [THE] person subject to the order and who is directly affected by the order or proposed order, except that a person does not obtain standing to request a hearing solely due to the person's status as a depositor.

(b) Time of Hearing. Upon receipt of written request for a hearing, the department will, within 30 days, schedule a hearing date on the subject matter of the order or proposed order.

(c) Notice of Hearing. Except for an emergency hearing under AS 06.05.468(d), notice [NOTICE] of hearing will be given not less than 10 days before the hearing date [AND MUST BE GIVEN] to those persons named in the department's order or proposed order. The notice of hearing must contain

(1) the name of the person who is the subject of the order or proposed order;

(2) the time and place of the hearing;

(3) a statement of matters to be considered;

(4) a statement of the legal authority and jurisdiction under which the hearing is to be held;

(5) references to the particular statutes [SECTIONS OF THE ACT] and regulations involved.

(d) All hearings on orders under this section shall be private unless the department, in its sole discretion after considering the views of the party afforded the hearing, determines that a public hearing is necessary to protect the public interest.

(e) Witnesses. Any party who is subject to the order or proposed order of the department has the right to have subpoenas issued by the department on the party's behalf to any witness [ON HIS BEHALF].

(f) [(e)] Right to Counsel. Any party named in the order or proposed order has the right to appear in person and by counsel; counsel may be present during the presentation [GIVING] of evidence and must be given a reasonable opportunity to examine and inspect all documentary evidence made a part of the record.

(g) [(f)] Rules of Evidence. The following rules of evidence apply in hearings held under this section:

(1) oral evidence may be taken only on oath or affirmation;

(2) each party or party's counsel, but not both, may call and examine witnesses, introduce exhibits, cross-examine

opposing witnesses on matter [MATTERS] relevant to the issues even though that matter was not covered in the direct examination, impeach a witness regardless of which party first called the witness to testify, and rebut [THE] adverse evidence [AGAINST HIMSELF];

(3) any party [IF A PARTY DOES NOT TESTIFY IN HIS OWN BEHALF, HE] may be called by any other party and examined as if under cross-examination;

(4) the hearing need not be conducted according to technical judicial rules relating to evidence and witnesses; however, relevant evidence shall [MUST] be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of a common law, statutory [PROVISION], or court rule which makes improper the admission of the evidence over objection in a civil action; hearsay evidence may be used to supplement or explain direct evidence but is not sufficient by itself to support a finding unless it would be admissible over objection in a civil action; the rules of privilege are effective to the same extent that they are recognized in a civil action; irrelevant and unduly repetitious evidence shall [MUST] be excluded;

(5) nothing in this section alters the ordinary rules of burden of proof of judicial proceedings in the state.

(h) [(g)] Transcript of Hearing. All [A RECORD OF ALL] hearings will be recorded [MADE]. Upon written request by a party and at the party's [HIS] expense, a full stenographic record of the hearing will be made by the department.

(i) [(h)] Contents of Record. The record in any hearing will include the following:

(1) all pleadings, motions and intermediate rulings considered by the hearing officer;

(2) arguments of parties or their representatives and all evidence received and considered including a statement of matters of which official notice is taken by the hearing officer;

(3) questions or offers of proof, objections, and rulings on them by the hearing officer;

(4) proposed findings of fact and conclusions of law prepared by the parties if requested by the hearing officer;

(5) the decision, opinion, and order of the hearing officer.

(j) [(i)] Final Orders. A final order must be in writing and stated in the record. A final order must include findings of fact and conclusions of law. All findings of fact must be based exclusively on the evidence presented at the hearing and on matters officially noticed. Findings of fact must be accompanied by a concise and explicit statement of the underlying facts supporting the findings. A copy of a final order must be delivered or mailed to all parties and to their counsel of record, if any, within 10 days after the termination of the hearing.

(k) [(j)] Rehearings.

(1) At the discretion of the department, a rehearing will be granted to any aggrieved party if a written request is made for it within 10 days after the final order is mailed to the person entitled to receive it. In requesting a rehearing, the party shall set out one or more of the following grounds:

(A) newly discovered evidence or newly available evidence relevant to the issues;

(B) need for additional evidence to develop the facts essential to proper decision;

(C) probable error committed in the proceeding or in the hearing officer's decision which would be grounds for reversal on judicial review of the order; or

(D) need for further consideration of the issues and the evidence in the public interest.

(2) Nothing in this section prohibits the department from rehearing, reopening, or reconsidering any matter in accordance with other applicable statutory provisions or on the ground of fraud by the prevailing party or of procurement of the order by perjured testimony or fictitious evidence.

(3) All rehearings shall [MUST] be confined to those grounds upon which the rehearing was requested or granted. The decision on [ALL DECISIONS, OPINIONS, AND ORDERS RESULTING FROM A] rehearing shall [MUST] be delivered or mailed to each party and to each party's attorney of record, if any, within 10 days of the termination of the rehearing. AUTHORITY

AS 06.01.030

AS 06.05.005(a)(2)

NOTES:

(a) Made consistent with new AS 06.01.030. The exclusion of standing for depositors is to avoid a rash of hearing requests by people who have no real interest in the proceeding.

(d) New subsection. This is adopted from the former FDIC statute, 12 USC 1818(h)(1).

(g) This is taken directly from the APA, AS 44.62.460. The changes are technical and make the section closer to its APA counterpart.

[*REPEALED & REENACTED*] 3 AAC 01.020. FACT-FINDING HEARINGS. (a) The department will, in its discretion, hold a fact-finding hearing, if the department receives timely written opposition to

(1) an application for a proposed financial institution or branch under AS 06.05.344(g), 06.05.399(e) or 06.05.491(e);

(2) to a financial institution merger, consolidation or conversion; or

(3) to a licensure under AS 06.20 or AS 06.40.

(b) A hearing conducted under this section will generally [MUST] follow the procedures set out in 3 AAC 01.010(c)-(i) [(h)],

and a written determination will be issued by the department taking into consideration evidence in the department's records and evidence submitted at the hearing. (Eff. 4/4/79, Register 70; am / / ; Register __)

AUTHORITY

AS 06.01.030

NOTE: Amended to clarify that these hearings apply only to applications and licensures, and are always subject to the dept's discretion.

3 AAC 01.030. NOTICE OF FACT-FINDING ACTION BY THE DEPARTMENT.
Repeal.

NOTES: This section was arguably in conflict with the procedures set out in the preceding section and applicable statutes, and was certainly unnecessary.

3 AAC 01.905. RECORDS; DISCLOSURE AND LIMITATION ON DISCLOSURE. (a) The records, reports, and correspondence files of the division with respect to financial institutions are not public documents, are not subject to subpoena, and are not open for inspection by the public. Neither the commissioner, the director, nor any member of their respective staffs may disclose any information obtained in the discharge of official duties to any person not connected with the division, except that the commissioner will, in his discretion, disclose that information

(1) to representatives of federal agencies insuring accounts in the financial institution;

(2) to representatives of federal agencies, other states, and foreign countries having supervisory authority over the activities of the financial institution or enterprises or similar financial institutions or enterprises if those representatives are permitted to and do, upon request of the commissioner, disclose similar information respecting those financial institutions under their supervision;

(3) to the attorney general of this state; and

(4) for records, reports or correspondence that apply to a particular person or financial institution, to that person or financial institution.

(b) The commissioner will, in his discretion

[(1) DISCLOSE THE FACT OF FILING APPLICATIONS BY FINANCIAL INSTITUTIONS AND GIVE NOTICE OF HEARINGS, IF ANY, ON THOSE APPLICATIONS AND OF HIS ACTIONS ON THEM, AS PROVIDED BY LAW;]

(2) prepare and circulate reports reflecting the assets and liabilities of financial institutions in the state as a whole, or other [WHICH INCLUDE INFORMATION CONSIDERED PERTINENT TO THE PURPOSE OF EACH REPORT FOR] general statistical information; and

(3) prepare and circulate reports as provided by law.

(c) [NOTHING IN THIS SECTION PREVENTS ANY PERSON OR [A] FINANCIAL INSTITUTION COVERED BY THIS CHAPTER FROM HAVING ACCESS TO RECORDS, REPORTS, AND CORRESPONDENCE WHICH APPLY TO HIM OR THE INSTITUTION TO THE EXTENT THAT THE PORTIONS OF THE RECORDS, REPORTS, AND CORRESPONDENCE WHICH DO APPLY MAY BE SEGREGATED FROM THE PORTIONS OF THE RECORDS, REPORTS, AND CORRESPONDENCE WHICH DO NOT APPLY TO HIM OR THE INSTITUTION.

(d)] No records, reports, or correspondence that are prohibited from disclosure under federal law may be disclosed to any person or institution [WHICH ARE NOT SUBJECT TO DISCLOSURE UNDER FEDERAL LAW].

(d) The board of directors of a bank may release a report of examination, prepared by the department, to an independent auditor under contract to produce a report of the bank's condition under AS 06.05.438(d). (Eff. 6/6/82, Register 82; am / / , Register __)

NOTES:

(b)(1) Repealed; this is already covered under sections 010 and 020.

(b)(2) This was poorly written. I have tried to clarify that it authorizes the release of general statistical or cumulative info only, and not specific info on specific institutions.

(b)(4) This, combined with the repeal of former (c), means that records relating to a particular person or institution may be kept confidential and not released to the affected party, if the department desires.

Former (c) Repealed; see comments above.

(d) New subsection, to authorize a bank to release a copy of the department's exam to the bank's auditors.

3 AAC 01.910. DEFINITIONS. In this chapter, unless the context requires otherwise

(1) "communicating" means conveying information regarding a debt, directly or indirectly, to any person through any medium;

(2) "creditor" means a financial institution with a certificate of authority or license issued by the department under AS 06 to conduct business as a financial institution in this state including, but not limited to, commercial and mutual savings banks, savings associations, trust companies,

finance company licensees, and premium finance company licensees;

(3) "debt" means any obligation or alleged obligation to pay money, whether or not the obligation has been reduced to judgment;

(4) "debtor" means any person obligated or allegedly obligated to pay any debt and, in the case where the debtor is a minor, includes the guardian, executor, administrator, or parent of the debtor;

(5) "department" means the Department of Commerce and Economic Development;

(6) "director" means the director of banking, securities [, SMALL LOANS] and corporations or his designee;

(7) "division" means the division of banking, securities [, SMALL LOANS] and corporations. (Eff. 4/4/79, Register 70; am 6/6/82, Register 82; am / / , Register __)

[*NEW SUBSECTION*] (b) Any record required to be retained by a bank under (a) of this section may be retained on microfilm, microfiche, or in any other form that preserves a true and accurate reproduction of the original document. (Eff. 12/13/70, Register 36; am / / , Register _)

AUTHORITY

[AS 06.05.070(b)]

AS 06.05.005(a)(2)

NOTES:

(a) The current regulation (the retention schedule) will become subsection (a). The few changes generally shorten some of the unnecessarily long retention requirements.

(b) To permit banks to retain records by microfilm/fiche.

[*NEW SECTION*] 3 AAC 02.020. REPORTS TO THE DEPARTMENT. (a) The quarterly reports of condition required under AS 06.05.045(a) shall be prepared on the FFIEC Consolidated Reports of Condition and Income form and, if the bank is required to file the form with the FDIC or the Federal Reserve Bank, the report to the department shall be a copy of the form filed with that agency.

(b) If compatible and with the approval of the department, a bank may file any reports required by the department by means of electronic transfer of information, or by telephone facsimile. If a signature is otherwise required, the department may accept a facsimile or an electronic signature in lieu of an original.

(c) In performing its annual examination of a state bank to be submitted to the department, as required under AS 06.05.438(d), the board shall have the books and records of the bank examined and a report prepared by an independent certified public accountant that has no interest, financial or otherwise, in the bank. (Eff. / / , Register __)

AUTHORITY

AS 06.05.005(a)(2)
AS 06.05.045
AS 06.05.438(d)

NOTES:

(a) Specifies that FDIC call reports are the appropriate forms for quarterly bank reports.

(b) Provides for electronic and fax filings.

(c) Requires annual bank audit. Key Bank has indicated concern that this may not allow them to use the audit of their BHC, which is done by an independent CPA. I think this provision accomodates their situation.

[*NEW SECTION*] 3 AAC 02.030. EXAMINATIONS. The examinations required under AS 06.01.015 may be conducted in alternate years, as appropriate, if the department determines that an examination of the financial institution conducted by the FDIC or other federal agency during the intervening year carries out the purposes of the statute. (Eff. / / , Register __)

AUTHORITY

AS 06.01.015
AS 06.05.005(a)(2)

NOTES: A new provision that the dept. can accept an FDIC exam instead of conducting its own exam, at dept's discretion. This is a paraphrase of the FDIC's statute, 12 USC 1820(d).

[*NEW SECTION - SUBJECT TO AMENDMENT OF BILL TO PROVIDE FEES BY REGULATION*] 3 AAC 02.040. FEES. (a) The following fees, which are nonrefundable, must accompany applications filed with the department under AS 06.05:

(1) for processing a bank holding company permit application (AS 06.05.235 and 06.05.570).....\$1000;

(2) for approval of a new state bank (AS 06.05.344).....\$2000;

(3) for a certificate of authority for a branch bank or a change of location (AS 06.05.399).....\$1000;

(4) for approval to operate an automated teller machine (AS 06.05.426).....\$500;

(5) for approval of the merger or consolidation of two Alaska state banks, or a national bank located in Alaska and an Alaska state bank (AS 06.05.462).....\$2000;

(6) for conversion of a national bank to a state bank (AS

06.05.462).....\$2000; and

(7) for an international or interstate bank to acquire or establish a branch bank (AS 06.05.555).....\$2000.

(b) If the cost to the department for processing an application exceeds the amount paid by the institution under (a) of this section, the department may assess the institution for the additional costs incurred. (Eff. / / , Register __)

AS 06.05.462
AS 06.05.491
AS 06.05.570

NOTES: New section, outlining fees to be assessed for various department activities. The department proposes an amendment to the recodification bill to remove the specific fee references from the proposed statutes, which will then grant the department the authority to set all fees by regulation.

3 AAC 02.110. RESERVES AGAINST DEPOSITS.

[*NEW SUBSECTION*](a) In order to protect liquidity, each state bank shall maintain a reserve fund equal to 15 percent of the bank's total deposits, exclusive of deposits of the United States, the State of Alaska, borough and municipal governments, and other deposits of public money that are secured as required by law.

[*NEW SUBSECTION*](b) Only the following may be used in computing the reserves required under (a) of this section

- (1) vault cash;
- (2) deposits of the bank held by a federal home loan bank or federal reserve bank;
- (3) certificates of deposit that mature in less than six months;
- (4) unencumbered government securities under 3 AAC 02.205(a)(1)-(6); and
- (5) the amount due from good and solvent banks located in the state or within the United States, the deposits of which are insured by the FDIC.

[*NEW SUBSECTION*] (c) The computation of reserves shall be made on the basis of average daily net deposit balances covering biweekly (14-day) periods.

(d) [(a)] For the purpose [PURPOSES] of maintaining a record of required reserves against deposits, the bank shall use the forms prescribed by the department and shall daily, according to the instructions furnished by the department, record the reserves required and the daily reserves maintained. As of the last day of the 14-day period the bank shall compute and record the average reserve required for the period and the average reserve maintained for the period. When a deficiency in the average reserves

maintained is shown, no new loans or investments may be made or dividends paid, without the prior approval of the department, until the reserves have been restored. The deficiency is considered to be restored if during the first three days of the next reserve period, using a moving 14-day average, the average reserve maintained does not result in a continuation of the deficiency. Forms reflecting the record of reserves required and maintained for a continuous period of one year shall be kept by the bank and made available to the department or a duly appointed examiner upon request.

[(b) THE REPORT OF RESERVE CONDITION IS THE UNIFORM FORMAT TO BE USED BY ALL STATE BANKS IN MAINTAINING A RECORD OF RESERVES AGAINST DEPOSIT AND REPORTING THESE RESERVES TO THE DEPARTMENT.

(1) THE DEPOSIT BASE SECTION OF THE REPORT IS TO BE USED IN RECORDING DEPOSITS AND ADJUSTMENTS FOR THE BIWEEKLY (14-DAY) PERIOD. DEPOSITS LESS ADJUSTMENTS ARE RECORDED IN THE 14 COLUMNS RUNNING FROM LEFT TO RIGHT ACROSS THE FORM.

(2) THE RESERVE COMPUTATION SECTION OF THE REPORT IS TO BE USED IN RECORDING THE RESERVE COMPUTATION, DAILY RESERVE REQUIREMENT, DAILY RESERVE MAINTAINED AND AVERAGE RESERVE REQUIRED FOR THE PERIOD. EACH DAILY COMPUTATION IS MADE BY POSTING IN THE APPROPRIATE COLUMN FROM LEFT TO RIGHT ACROSS THE FORM.

(3) THE FOLLOWING ARE BRIEF STEP-BY-STEP INSTRUCTIONS FOR MAKING DAILY COMPUTATIONS:

(A) GROSS DEMAND AND GROSS SAVINGS AND TIME DEPOSITS AS DEFINED IN (C) OF THIS SECTION ARE RECORDED UNDER THE APPROPRIATE DATE COLUMN IN THE DEPOSIT BASE SECTION OF THE REPORT;

(B) GROSS DEPOSITS ARE ADJUSTED BY SECURED DEPOSITS AS DEFINED IN (C) OF THIS SECTION;

(C) NET DEPOSITS ARE TRANSFERRED TO COLUMNS 1 AND 3 OF THE RESERVE COMPUTATION SECTION OF THE REPORT;

(D) 20 PERCENT OF COLUMN 1 IS RECORDED IN COLUMN 2. EIGHT PERCENT OF COLUMN 3 IS RECORDED IN COLUMN 4 AND THE TOTAL OF COLUMNS 2 AND 4 RECORDED IN COLUMN 5. THIS FIGURE REPRESENTS THE TOTAL REQUIRED RESERVE FOR THAT PARTICULAR DAY;

NOTES:

(z). New subsection, to set the reserve requirements. Current statute sets the amounts at 20% of demand deposits and 8% of time and savings. This proposal simplifies this requirement to 15% of all deposits.

For your information, here is a short review of what some other states are doing:

Other States:

OR and GA set minimum reserves at 15% of demand deposits, 5% of time deposits. By reg, however, OR has lowered these numbers to 12% and 4%.

ID requires 10% of demand deposits and 4% of time and savings, but these can be waived if the bank meets fed requirements.

FL sets its reserves at 15% of all deposits, similar to this proposal (658.68).

Ark. and MT use the federal requirements (MT actually can be set below fed requirements - the OCC amounts are the maximum amount the state can set in its regs).

(b). Current AS 06.05.200(b), repealed in our bill. Short-term CD's, deposits with the FHLB and FRB, and government securities (which presumably are readily marketable) have been added as permissive for calculating reserves, which will make it much easier for the banks to meet these requirements. The 6-month time limit for CD's was suggested by Northrim Bank.

(c). Also part of current AS 06.05.200(b).

(d). Current (a), amended to allow the department to authorize new loans or dividends even if reserve requirements are not met; this is consistent with our changes to AS 06.05.200(d) in the bill.

Current (b & c). Repealed. These essentially are instructions for Reserve Reports. These don't need to be here - they can simply be included with the report forms.

Current (f & g). Repealed. We will no longer accept federal reserve requirements, although the state requirements should be easy to meet, given the expansion of the types of assets we will accept.

[*NEW SECTION*] 3 AAC 02.112. DISCLOSURE OF ACCOUNT CHARGES. In meeting the requirement of AS 06.05.120 that it post a schedule of charges for certain accounts, a bank may make available upon request pamphlets, brochures, or other documents that clearly set out the required information and post a sign, readily visible, indicating the existence of these pamphlets, brochures or documents. [*REPEALED AND REENACTED*] 3 AAC 02.120. REPORTING LOANS OVER \$100,000. In each report to the board of directors under AS 06.05.438(c), the reporting officer shall specifically identify each loan made since the last report that exceeds \$100,000. It is not the purpose of this section to require the reporting of the aggregate liability of a borrower, but to encourage directors to review larger loans to ensure that lending practices are consistent with the bank's established lending policies. [*NEW SECTION*] 3 AAC 02.122. LENDING STANDARDS. A bank may not make a loan unless the bank has determined and documented, in the loan file, the type, amount, purpose, and repayment provisions of the loan and an analysis of the credit worthiness of the borrower. (Eff. / / . Register __)

(b) A loan made to one borrower will be attributed to and combined with loans to another, for purposes of the lending limits in AS 06.05.205(b), when

(1) the proceeds of the loan to one borrower are to be used for the direct benefit of the other;

(2) the expected source of repayment of the loans is the same;

(3) there is substantial financial interdependence between the two borrowers, including where a majority of one's income is derived from sales or other transactions with the other;

(4) the proceeds of the loans to each person will be used to purchase a business enterprise in which the borrowers will have a majority interest.

(c) A loan made to a partnership, joint venture, or association will be considered a loan, under AS 06.05.205(b), to each member of that entity that may be held liable for the debts of the entity. (Eff. 5/2/84, Register 90; am / / / , Register __)

NOTES: The current regulation merely states that banks can lend in parity with national banks. We want to eliminate use of the wildcard statute and adopt our own standards, which we have done in the recodification.

(a) Defines "fully secured." Some states use a figure higher than 100% secured (as high as 115%, as I recall), but the consensus is that this figure seems right.

(b) & (c) There are many possible ways to define loans to one borrower, but the OCC regulations seem pretty good. This

regulation attempts to paraphrase the OCC's, although in the process there has necessarily been some simplification of them. Please see 12 C.F.R. sec. 32.5.

3 AAC 02.130. IMPROVED REAL ESTATE. Repeal.

NOTES: The recodification repeals all distinctions between loan types (like between improved and unimproved property), and therefore this section is currently meaningless.

[*NEW SECTION*] 3 AAC 02.132. BANK FINANCIAL RECORDS. A bank shall maintain its financial books and records in accordance with the FFIEC Instructions for the Consolidated Reports of Condition and Income form.

NOTE: Will make examination of a bank's books easier.

3 AAC 02.135. DISPOSITION OF PROPERTY NOT NEEDED FOR BANKING BUSINESS. (a) The [AS REFERRED TO IN AS 06.05.245, THE] time limit for disposing of real estate [and personal property] not necessary for the convenient transaction or promotion of a banking business, including any property acquired to satisfy loans, is two years from the date [OF] the bank receives [bank's receiving] title to the property. Real property [PROPERTY] not disposed of within two years shall be written down annually at the rate of 20 percent of the book value at the time of acquisition until the book value is reduced to \$10. The book value of the property shall remain at \$10 until disposed of by the bank.

(b) The time limit for disposing of personal property not necessary for the convenient transaction or promotion of a banking business, including property acquired to satisfy loans, is one year from the date of the bank receives title to the property, unless the department approves a longer time limit in a particular case. Personal property not disposed of within the time limit of this subsection shall be charged off in its entirety. NOTES:

(a) Clarifies that the provision applies to OREO. Northrim and Key Bank both object to the required write downs of OREO, but the department thinks this is good and should be retained. The language is clarified -- the 20% write down is 20% of original book

value, not remaining value. FYI: ID requires total write-off of any property not disposed of within 2 years.

(b) This is a new rule for personal property, which generally requires a faster resale than real property.

Former (b) Repealed; the leasing provisions upon which this is based are repealed in the recodification, and now only subsidiaries can lease property.

3 AAC 02.141. ALTERNATIVE MORTGAGE INSTRUMENTS. Repeal.

NOTE: Repealed. Under Garn-St. Germain (1982), the feds have pretty much preempted the field by specifically authorizing all depository institutions and other housing lenders to "make, purchase, and enforce alternative mortgage transactions," as long as the transactions comply with federal guidelines. Under that language, it is not even clear if the dept. could demand compliance with AS 45.45.

3 AAC 02.145. AUTHORIZED ACTIVITIES FOR CERTAIN DOMESTIC BANK HOLDING COMPANIES [COMPANY]. (a) Where substantially all of the assets of a domestic bank holding company consist of interests in Alaska state banks, the [A] domestic bank holding company may engage only in activities of a financial or [,] fiduciary [OR INSURANCE] nature, or other activities permitted for subsidiaries of banks under AS 06.05.272 and this chapter, and it may invest, without limitation, in the shares of subsidiaries which engage in these activities, subject to the requirements of (c) of this section. The following are considered to be financial or [,] fiduciary [OR INSURANCE] activities: mortgage banking, factoring, leasing of equipment, property management, data processing services, armored car or messenger services, and operation of a credit bureau, travel agency, personal finance company, commercial finance company or trust company.

(b) Upon application to and approval of the department, a domestic bank holding company described in (a) of this section may diversify its holdings or activities, if the department determines that the diversification

- (1) serves the needs and convenience of the public;
- (2) is not detrimental to the company's banking subsidiary;
- (3) the activity or investment is closely related to the business of banking or of managing or controlling banks; and
- (4) the company demonstrates that it has capable and sufficient management personnel to provide the new service or manage the new subsidiary.

(c) A domestic bank holding company or subsidiary may not engage in an activity for which qualifications or licensing requirements are established by law, without first demonstrating those qualifications or obtaining the license and obtaining the written approval of the activity [OR MOVEMENT] from the department.

A permit will be issued if the department determines that its issuance will not disadvantage the public and is not inconsistent with the maintenance of a competitive, safe and sound banking system.

(b) [(a)] Before obtaining a permit, and at [AT] the close of its accounting year, a [DOMESTIC] bank holding company shall submit a report to the department clearly reflecting its [YEAR-END] financial condition as of the end of its last accounting year, and a profit-and-loss statement covering operations for the preceding accounting year [12 MONTHS]. The report must disclose the holding company's relationship with and investment in all subsidiaries as well as the nature and financial condition of their respective operations. (b) A bank may establish offices which [DO NOT ENGAGE IN BANKING AND WHICH ARE NOT BRANCH BANKS. THESE OFFICES MAY] engage in the following activities without a certificate of authority issued under AS 06.05.350 or AS 06.05.399:

(1) local representation and assistance to the public concerning banking services performed at the bank;

(2) loan production activities as described in (c) of this section; and

(3) other services or activities related to the bank's business such as tax preparation, insurance evaluation, accounting, data processing, and public relations.

(c) A loan production office may engage in the following loan production activities which do not constitute "lending money" within the meaning of AS 06.05.540(3) or (4):

(1) soliciting loans on behalf of a bank or a branch

bank;

- (2) assembling credit information;
- (3) making property inspections and appraisals;
- (4) securing title information;
- (5) preparing applications for loans, including making any recommendations to the bank for action;
- (6) soliciting investors to purchase loans from the bank and seeking to have these investors contract with the bank for servicing of those loans; and
- (7) other similar services or activities which may be allowed by the commissioner.

(d) If loans are approved and funds disbursed solely at the main office or a branch of a bank, a loan production office which engages in only the activities listed in (c) of this section is not a "place at which money is lent" within the meaning of AS 06.05.540(4).

(e) An office which operates as a representative office or a loan production office under this section must conduct its activities in such a manner that neither the public nor customers will be deceived as to the limited services available from the office.

(2) activities authorized under (a) of this section, when the subsidiary is not wholly-owned by the bank; and

(3) any other activity approved in advance by the department.

(c) Each bank subsidiary shall conduct business and operations in a safe and sound manner, observe separate corporate formalities, and maintain separate accounting procedures and corporate records.

(d) A bank may not require a customer to utilize the services of the bank's subsidiary as a condition of engaging in a service of the bank.

(e) The department may revoke or restrict the authority of a bank to hold stock in any subsidiary, if the department determines that the holding of the subsidiary stock is contributing or is likely to contribute to the deterioration of the condition of the bank. (Eff. / / , Register __)

AS 06.05.272

NOTES:

(a) Provides that a bank may set up wholly-owned subsidiaries to perform any activity the bank could do on its own, and such a subsidiary can be located on the bank's premises and run by bank personnel. No prior approval of the department will be necessary for these.

(b) Other permissible activities for subsidiaries. These activities, however, are subject to prior department approval and any restrictions that the department deems necessary or appropriate, such as requiring a separate entrance or separate employees. For activities other than those specifically authorized in AS 06.05.272, the department will analyze each proposal on a case-by-case basis.

(c) Taken from South Dakota, sec. 20:07:16:04.

[*NEW SECTION*] 3 AAC 02.205. BANK INVESTMENTS. (a) In addition to loans, subsidiaries, and acquisitions expressly authorized by AS 06.05 and this chapter, a state bank may deal in, underwrite, and invest in for its own account

[*NEW SECTION*] 3 AAC 02.209. APPLICATION FOR CERTIFICATE OF INCORPORATION. (a) Required Application Material. The incorporators of a proposed bank shall initially submit to the division the following documents, together with supporting materials:

- (1) a notice of intent to incorporate a bank;
- (2) an application for a certificate of incorporation;

and

(3) a request to use written solicitation materials to solicit bank stock subscribers as provided in 3 AAC 02.212.

(b) Notice of Intent. The incorporators of a proposed bank shall submit to the division a written notice of intent to organize the bank, which

- (1) is signed by each incorporator;
- (2) contains the proposed name to be reserved for the proposed bank;
- (3) specifies the proposed location of the bank;
- (4) indicates the residence address, mailing address, and occupation of each incorporator; and
- (5) indicates the individual selected by the incorporators to accept notice from the department on behalf of all incorporators.

(c) Application for Certificate of Incorporation. The following information and fee must be submitted to the division in support of the application for a certificate of incorporation:

- (1) all information required under AS 06.05.344(a);
- (2) a completed FDIC new bank application, which may be obtained directly from the FDIC, or a request that the department waive FDIC insurance;
- (3) a copy of the proposed bylaws;
- (4) a check or money order for the fee required under 3 AAC 02.040 made payable to the State of Alaska as a partial prepayment of investigation expenses incurred by the department in accordance with AS 06.01.010;
- (5) a list of the services to be offered by the proposed bank;
- (6) the names and addresses of potential large commercial customers of the proposed bank;
- (7) an economic analysis to support the need and feasibility of the proposed bank;
- (8) a proposed list of the amounts of stock to be subscribed and paid for by each incorporator; and
- (9) any additional information requested by the department.

(d) Interim Banks. The information to be submitted to the division in support of an application for a certificate of incorporation of a bank that will never function under the proposed articles as an operating bank must include a written notice of intent as specified in (b) of this section and all of the information required by (c) of this section, except that (c) (5)-(7) of this section need not be included.

(e) Expense Fund. An expense fund over which the department has withdrawal control must be established by the incorporators. All organizational expenses incurred in establishing the proposed bank will be paid out of the expense fund, after being approved by the department. The expense fund must be established with the minimum balance required by the department before any withdrawals for pre-incorporation or other expenses are made. (Eff. / / , Register __)
