## Bill Analysis

This bill is the result of a study in which all agencies were requested to review reporting requirements with intent toward streamlining administration of state government. We support the concept of this bill.

All of the changes proposed in this bill are primarily designed as cost-savings measures. Sections 16, 17, 18, 19 and 34 of this bill specifically pertain to Department of Revenue.

Section 16 amends AS 43.20.014(c) to eliminate annual reporting requirements to the Legislative Budget and Audit Committee (LB&A) on education credits claimed by corporation net income taxpayers. This information will be available in annual operations reports issued by Income and Excise Audit Division.

Section 17 amends AS 43.55.019(c) to eliminate annual reporting requirements to the LB&A on education credits claimed by oil and gas production taxpayers. This information will be available in annual reports issued by Oil and Gas Audit Division.

Section 18 amends AS 43.65.018(c) to eliminate annual reporting requirements to LB&A on education credits claimed by mining license taxpayers. This information will be available in annual operations reports issued by Income and Excise Audit Division.

Section 19 amends AS 43.75.018(c) to eliminate annual reporting requirements to LB&A on education credits claimed by fisheries business taxpayers. This information will be available in annual operations reports issued by Income and Excise Audit Division.

Section 34 repeals AS 43.05.010(5) to eliminate annual reporting requirements to the governor and legislature concerning the condition, operation and functioning of the department. This information is available in the Department's budget documents submitted to the legislature. This section also repeals AS 43.50.360 to eliminate annual reporting requirements to the legislature on cigarette and tobacco tax collections. This information will be available in annual operations reports issued by Income and Excise Audit Division.

## Operating Costs

Savings as a result of eliminating annual reporting requirements will be redirected toward other projects. Savings will result through more efficient use of personnel formerly assigned to production of these reports.

Only Section 1 of the bill amending AS 05.05.030(a) affects the State Athletic Commission by amending the report requirement of studying semi-professional and professional athletic programs of the State from annually to biennially in even-numbered years. This amendment does not change the annual performance report requirement under AS 08.01.070(10) which is used to document the commission's accomplishments, activities and needs; and therefore, the division is not concerned by this change. New funds are not required to implement this bill.

Section 29. of the proposed legislation, impacts AIDEA, under AS 44.38.210, REPORTS AND PUBLICATIONS. The amendments under Sec.29 of the proposed legislation should not be included in a bill going to the Legislature for introduction. As the Alaska Industrial Development and Export Authority is a public corporation of the State of Alaska having outstanding and ongoing fiduciary responsibilities, the reporting requirements under AS 44.38.210, should remain as currently established. Specifically, because AIDEA is required under certain legal and financial contractual agreements such as bond covenants, and to other outside entities, such as bond rating agencies, to annually publish an audited financial statement, the Authority's statement of investments and other pertinent financial information, the proposed amendments to AS 44.38.210 are not recommended. Continuing to report on an annual basis would not provide for a fiscal impact.

STATE OF ALASKA  
OFFICE OF THE GOVERNOR  
JUNEAU

March 11, 1994

*The Honorable Rick Halford  
President of the Senate  
Alaska State Legislature  
State Capitol  
Juneau, AK 99801-1182*

357

*Dear Mr. President:*

*Under the authority of art. III. sec. 18, of the Alaska Constitution, I am transmitting a bill relating to certain study, publication, and reporting requirements by and to state agencies. The bill would eliminate certain reports and amend the frequency with which other reports are required to be made. The bill also relates to certain fees for reports by and to certain state agencies.*

*The bill would streamline the administration of state government by repealing the requirement for certain reports that study has revealed are unnecessary or duplicative. Additional efficiencies can be gained by changing the mandatory reporting period for certain other reports from annual to biennial in specified situations. All of these changes are primarily designed as cost-saving or efficiency measures. None of the changes would reduce the flow of information necessary to the effective execution of governmental responsibilities or the monitoring of executive branch activities by the legislature or the public.*

*Finally, some of the reports duplicate information already submitted as part of the state budget process. Savings will result through more efficient use of state personnel formerly assigned to the production of these reports.*

*This bill is good for efficient government, and I urge your consideration and support of it.*

Sincerely,

A handwritten signature in cursive script that reads "Walter J. Hickel".

The Honorable Loren Leman  
Chair  
Senate State Affairs Committee  
State Capitol  
Juneau, Alaska 99811-1182

Dear Senator Leman:

I want to correct and clarify information provided in today's Senate State Affairs Committee hearing on SB 357.

**Regarding Section 11 amending AS 24.45.031(a) to require the APOC report of activities be done biennially instead of annually:**

Contrary to my testimony, this report has not been published for several years due to lack of staff. Since staff reductions made it impossible to fulfill all statutory reporting requirements, the focus of the Commission has been to maintain the more critical reports to the public including the quarterly Summary of Lobbying Activity report and the Directory of Lobbyists, which is published early each session with updates throughout the session as needed. General activities of the Commission are reported to the Legislature during the operating budget deliberations.

The Commission is hopeful that it could meet a biennial requirement even with reduced staffing levels.

**Regarding the repeal of AS 39.50.050(d) which requires APOC to publish all conflict of interest reports filed to assist those who must file under this chapter in preparation of their reports:**

The intent of this section was apparently to assist lobbyists in preparing their reports. Although available to anyone, this report was not intended for public use. The Commission has not been able to comply with this requirement for many years and it has not appeared to have been missed.

The Honorable Loren Leman -2-

MEMORANDUM

April 21, 1994

**SUBJECT:** Enclosed CS incorporating amendment related to police protection in certain municipalities (CSSB 365(FIN))

**TO:** Senator Steve Frank  
Co-Chair, Senate Finance Committee

**FROM:** David R. Dierdorff   
Revisor of Statutes

Enclosed is the CS that you requested. I believe you may have been alerted to the single subject problems of CSSB 365(FIN), but I also wanted to stress to you that the enclosed CS contributes further to the risk that the bill would be held to violate the state's constitution.

Under the state constitution, bills must be limited to a single subject. Article II, sec. 13.<sup>1/</sup> The only subject that is common to all present provisions of CSSB 365(FIN) is "reduction of state government expenditures." As I have stated in previous opinions, I believe that a court would be very likely to find that the bill violates the single subject rule.<sup>2/</sup>

The principal subject of the amendment you have asked us to incorporate is municipal service areas. It deals with the formation of a service area in one type of

---

<sup>1/</sup> Article II, section 13 provides, in part:

Every bill shall be confined to one subject \* \* \*. The subject of each bill shall be expressed in the title.

<sup>2/</sup> My previous opinions are based on the California case of Harbor v. Deukmejian, 742 P.2d 1290 (Cal. 1987), in which the court stated that "statutory adjustments" to effect savings in the budget was excessively general and "violates the purpose and intent of the single subject rule." I believe that the Harbor case will be followed by an Alaska court if a challenge to bills like CSSB 365(FIN) and last year's SB 99 are brought. The rule in California has been interpreted almost exactly like Alaska's; all previous California decisions were like ours--quite generous in their interpretation. But our court has not yet been asked to consider an enactment with contents as broad as CSSB 365(FIN) and its relatives.

Senator Steve Frank

municipality for a specific purpose. It also provides for the levy of an assessment if approved. Only secondarily does it affect state government, in that only if the municipal area is formed do the troopers have an obligation to provide service, and only then would the state be reimbursed for the cost of those services. Whether the net revenue to the state would cover more than the additional services provided by the state is an open question--in other words it is impossible to know whether these provisions would in fact reduce state expenditures. For that reason, I believe that the added provisions are not within even the unconstitutionally broad subject of reducing state expenditures. It is true that the title of the bill mentions several specific areas of law that are affected by the bill, but each of those is not a "subject" in the constitutional sense. Each of them is a subject area that is involved in the common goal of reduction of expenditures.

If I may be of further assistance please advise.

OFFICE OF THE GOVERNOR

365

March 23, 1994

*The Honorable Rick Halford  
President of the Senate  
Alaska State Legislature  
State Capitol  
Juneau, AK 99801-1182*

*Dear Mr. President:*

*Under the authority of art. III, sec. 18, of the Alaska Constitution, I am transmitting a bill relating to the improvement of state finances and fiscal accountability by increasing fees, collecting additional revenues, reducing certain program expenditures, and changing state agency functions or procedures to achieve certain savings or efficiencies. A section-by-section description of this bill is forthcoming.*

*In this time of great financial concern, we must look for ways of streamlining state government and find ways for agencies to defray a greater portion of their costs through the imposition or increase of fees. If there are ways to access other kinds of funds for the services the state provides, then we must be willing to seek those funds. If there are ways to cut the expenses of the state administration, we must be open to the changes necessary to achieve them.*

*This bill is only one example of this administration's continued efforts to keep the costs of state government in check. It, along with the bills I have introduced that change required reports of state agencies (HB 530 - SB 357) and eliminate some state multimember bodies (HB 531 - SB 358), can go a long way to improving the operation and expense of the state.*

*I urge your favorable consideration of the bill.*

Sincerely,

A large, handwritten signature in cursive script that reads "Walter J. Hickel".

Walter J. Hickel  
Governor

STATE OF ALASKA  
1994 LEGISLATIVE SESSION

BILL NO. CSSB 365 (Fin)

### ANALYSIS:

Section 24 increases the length allowed for lease extensions authorized under SB 129 during the last legislative session from five years to ten years. We anticipate that some lessors who are not willing to negotiate lease rate reductions and ADA modifications in exchange for a five-year lease extension will be willing to extend leases for ten years because of more favorable financing opportunities and longer amortization periods. There are up to 24 leases that offer the potential for savings in exchange for a ten-year extension. The actual amount of savings is dependent upon negotiations, lessor's ability to refinance existing obligations, and costs for ADA improvements. A rough review of leases suggests a potential in the range of \$165.0 - \$325.0. Since the leasing budget is historically under funded, any savings achieved through negotiations would reduce the amount requested in a supplemental appropriation.

Section 25 amends the small procurement section of the Procurement Code to include leases that do not exceed 2,500 square feet or \$5,000 per month. This will allow for informal and therefore less cumbersome procurements for certain leases. The Division of General Services (DGS) believes that this change will allow for greater efficiencies in lease acquisition which will permit DGS contracting officers to concentrate their efforts on the backlog of lease renewals and bids--thereby reducing the amount of premium payments for unplanned lease extensions and evictions. The current inventory of leases shows 144 leases that fit in this category.

**ANALYSIS:**

\* This change would allow the Division of Fire Prevention to charge a fee for the permits the Division issues. The fees proposed are based on the average charged by other states with similar permit programs. The increased revenue would go into the general fund in the form of program receipts that could be used to support the Division's programs. There will be little or no change in FY 95 because regulations will have to be changed to implement the fees.

### MEMORANDUM

April 25, 1994

**SUBJECT:** Subjects Contained in SB 365 am (8-GS1049\R)

**TO:** Representative Ramona Barnes  
Speaker of the House  
Attn: Melva Krogseng

**FROM:** David R. Dierdorff   
Revisor of Statutes

You have asked for a brief review of the subjects contained in the Senate-passed version of the governor's "state finance improvement" bill, SB 365. This sectional describes briefly the operative provisions and suggests appropriate subjects, in the context of the constitutional single subject requirement, that describe the contents of the section or sections discussed. I assume that you have seen my memo to Representative Larson or another of my memos regarding single subject problems in SB 365 as introduced, so I won't repeat any of the legal discussions in this memo.

Sections 1 - 3 and 28 - 29 amend laws relating to transportation planning. Proper subjects might include "transportation planning" or "duties of the Department of Transportation and Public Facilities".

Sections 4 - 6 amend the workers' compensation statutes. According to a memo dated April 6 from Commissioner Mahlen to Nancy Slagle, the amendments in secs. 4 and 6 update publication references to make them "current" and "reduce the need for administrative hearings." Section 5's amendment clarifies the board's authority to delegate to staff the authority to arrange independent medical evaluations, allowing the board to concentrate more on adjudicative duties and less on administrative matters. The obvious subject is "workers' compensation." The changes in secs. 4 and 6 don't really fit under any other subject.

Sections 7 - 22 all deal with various aspects of the regulation of motor vehicles (records, notices, hearings, permits, registration, security deposits, accident reports, and insurance). The proper subject is "motor vehicles."

Representative Ramona Barnes

April 25, 1994

Page 2

Section 23 relates to medical care for prisoners. Proper subjects might include "corrections" or "medical care for prisoners."

Sections 24 and 25 authorize the extension of certain state leases and categorize certain other lease procurements as small procurements. Proper subjects might include "state leases" or "procurement procedures."

Sections 26 and 27 relate to planning for capital improvement programs. Proper subjects might include "capital improvement construction programs" or "capital improvement planning."

Sections 30 and 31 relate to review and approval of water and sewer systems. Proper subjects might include "water and sewer systems" or "sanitation."

Section 32 repeals statutes relating to motor vehicles. The proper subject is, obviously "motor vehicles."

Section 33 simply allows agencies that need to adopt new regulations because of changes made in the Act to start right away even though the changed law is not yet in effect.

Sections 34 and 35 are effective date sections.

I have previously expressed my belief that even though SB 365 am (in its earlier incarnation as a draft CS) is an improvement over SB 365 as introduced, there are still single subject questions that could be raised. For that reason, it is important that the waters not be muddied further by adding in new material (such as the "Hillside police" amendments) that would make it even easier for a constitutional challenge to succeed. Note also that the title describes each of the operative subject areas by reference to and in the context of "the purpose of reducing state government expenditures," which is the only "single subject" under which the bill can be defended (and which I believe is likely to be difficult to defend).

If I may be of further assistance, please advise.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

6 \* Section 1. AS 04.11.010(b) is amended to read:

7 (b) A person may not solicit or receive orders for the delivery of an alcoholic  
8 beverage in an area that has adopted a local option under AS 04.11.491. If the  
9 area has adopted a local option under AS 04.11.491(a)(1), (2), or (3), or (b)(1) or  
10 (2), a package store licensee outside of that local option area may receive orders  
11 as provided under AS 04.11.150 but may not solicit in that area or receive orders  
12 through an agent or employee in that area. This subsection does not apply to a  
13 package store licensee who operates a package store in an area that has adopted  
14 a local option under AS 04.11.491(a)(2)(C) or (3)(C) or (b)(2)(C) [WHERE THE

1 RESULTS OF A LOCAL OPTION ELECTION HAVE, UNDER AS 04.11.490 -  
2 04.11.500, PROHIBITED THE BOARD FROM ISSUING, RENEWING OR  
3 TRANSFERRING ONE OR MORE TYPES OF LICENSES OR PERMITS UNDER  
4 THIS TITLE, UNLESS THE PERSON IS LICENSED UNDER THIS TITLE AND  
5 THE ORDER IS ACTUALLY RECEIVED BY THAT PERSON FROM THE  
6 PURCHASER OF THE ALCOHOLIC BEVERAGE]. A person who violates this  
7 subsection is punishable upon conviction as provided under AS 04.16.200(a) or (b).

8 \* Sec. 2. AS 04.11.010(c) is amended to read:

9 (c) In a criminal prosecution for possession of alcoholic beverages for sale in  
10 violation of (a) of this section, the fact that a person possessed more than 12 liters of  
11 distilled spirits, 24 liters or more of wine, or 12 gallons [45 LITERS] or more of malt  
12 beverages in an area where the sale of alcoholic beverages is restricted or prohibited  
13 under AS 04.11.491 [AS 04.11.490, 04.11.492, 04.11.496, OR 04.11.500] creates a  
14 presumption that the person possessed the alcoholic beverages for sale.

15 \* Sec. 3. AS 04.11.135(b) is amended to read:

16 (b) Except as provided under AS 04.11.360(10) [AS 04.11.360(12)], the  
17 brewpub license is not transferable, shall remain the property of the state, and is not  
18 subject to any form of alienation.

19 \* Sec. 4. AS 04.11.150(a) is repealed and reenacted to read:

20 (a) Except as provided under (h) of this section, a package store license  
21 authorizes the licensee to sell alcoholic beverages to a person present on the licensed  
22 premises or to a person known to the licensee who makes a written solicitation to that  
23 licensee for shipment. A licensee, agent, or employee may only ship alcoholic  
24 beverages to the person who is purchasing the alcoholic beverages being shipped.  
25 Before commencing the practice of shipping alcoholic beverages, and with a  
26 subsequent application to renew the license, a licensee shall notify the board in writing  
27 of the licensee's intention to ship alcoholic beverages in response to a written  
28 solicitation. The package store licensee, agent, or employee shall include written  
29 information on fetal alcohol syndrome and fetal alcohol effects resulting from a woman  
30 consuming alcohol during pregnancy in a shipment of alcoholic beverages sold in  
31 response to a written solicitation.

1 \* Sec. 5. AS 04.11.150(h) is repealed and reenacted to read:

2 (h) If a shipment is to an area that has restricted the sale of alcoholic  
3 beverages under AS 04.11.491(a)(1), (2), or (3) or (b)(1) or (2), a package store  
4 licensee, agent, or employee may not ship to a purchaser more than 12 liters of  
5 distilled spirits, 24 liters or more of wine, or 12 gallons or more of malt beverages in  
6 a calendar month.

7 \* Sec. 6. AS 04.11.160 is amended by adding new subsections to read:

8 (f) A person who applies for issuance or renewal of a license under this  
9 section shall file, on forms provided by the board, the following information regarding  
10 each brand of alcoholic beverage that the person intends to purchase, offer for sale, or  
11 sell: (1) the full and correct brand or trade name; (2) the nature and type of the brand;  
12 (3) the name of the distiller, brewer, vintner, or importer of the brand; and (4) a  
13 certification by the distiller, brewer, vintner, or importer of the brand that the person  
14 is a primary source of supply for the brand. In addition to the fees imposed under (a)  
15 and (b) of this section, a person filing under this subsection shall pay a biennial filing  
16 fee of \$50 for each brand of alcoholic beverage the person intends to purchase, offer  
17 for sale, or sell. In this subsection, "distiller, brewer, vintner, or importer" includes  
18 an exclusive agent of the distiller, brewer, vintner, or importer if the agent's name  
19 appears on the label of the brand approved by the Federal Bureau of Alcohol, Tobacco  
20 and Firearms.

21 (g) A person licensed under this section shall notify the board within 10 days  
22 of a change in a primary source of supply designation required under (f) of this  
23 section.

24 \* Sec. 7. AS 04.16 is amended by adding a new section to read:
