RESUME: Terral P. Wanzer  
P.O. Box 8460  
Ketchikan, AK 99901

BORN: March 6, 1947, Port Angeles, WA

EDUCATION: High School, graduated 1965  
Peninsula College, majored in History  
goal of becoming a teacher

MILITARY: U.S. Naval Reserve, honorable discharge 1969

Single, in good health, interested in sports and hobbies. They include: figure ice skating, boxing (5 years amateur), swimming, hunting, fishing, hiking, reading, traveling, antique car collection and most of all, working.

Came to Alaska the first time in 1963, when I was 16 years old and worked as a boat puller on the troller, Rocket. Came back again in 1967, and worked on seine boats for the season. Moved to Alaska in 1970, worked as a logger at Port Alice as a choker setter and heavy duty tire man.

1972 I purchased my first property and still own today. I was involved in several businesses in Ketchikan over the years and then worked the pipeline from 1974 to 1976. In 1977 I studied for my real estate license, and went to work for John Benson at Capital Investment Realty.

Kay Sims, my partner, and I purchased the real estate business from John & Dorothy Benson in 1982. I have been the Broker for 10 years and have 5 licensed sales people that work for me. I am proud to say my office has never been a defendant in a lawsuit nor have we had a violation issued against us by the commission.

I have invested, over the years, in the hotel business. First: Knickbocker Hotel, then the Gilmore Hotel, The Best Western/Landing Hotel and now the Prospector Hotel in Juneau. We have built some very unique restaurants, within these hotels and have put most of our money back into them because we are extremely customer oriented.

COMMUNITY INVOLVEMENTS:

- a. Member of the Chamber of Commerce
- b. Past president of Ketchikan Visitors Bureau, 1986 and Board Member
- c. Open water swim to Pemock Island for Seafest, to raise money for senior citizens 1985-1987
- d. Chairman of Visitor Advisory Board, University of Alaska Southeast- 1990
- e. Historic Ketchikan Board member, present Secretary-Treasure since 1988
- f. Past Ketchikan Theater Ballet Board member
- g. Past Southeast Center Board member, an organization to promote a convention center for Ketchikan
- h. Past Rotarian
- i. Elks member for 21 years
- j. Moose member for 13 years
- k. Eagles member for 10 years
- l. Alaska Loggers affiliate member

I feel I could be an asset to the commission as a board member. With my varied background and being able to work with people on a one-on-one basis or in a committee.

Objective: Continue to provide a professional leadership role in government, industry, private, non-private corporations as best meets their needs commensurate with my experience and background.

Synopsis: Over forty-five years of employment and volunteer comprehensive involvement in Alaska with notable accomplishments. Example:

Federal Aviation Administration -- Selection of sites and the budgeting and allocation of millions of dollars for the construction of airports, aviation communications, and air traffic control facilities, housing, and hiring of personnel, including Alaska Natives, to provide appropriate aviation services in rural and urban Alaska. In a further complex role was Liaison/Special Assistant to Commanding General Alaskan Command/NCRAD Region, assisted with strategic planning National Defense and Air Defense activities, Top Secret/Crypto Clearance.

Civil Air Patrol - Auxiliary U. S. Air Force -- Coordinated and organized an all volunteer Search and Rescue effort consisting of some 450 private and commercial aircraft owners throughout Alaska (Neighbors Helping Neighbors) thus saving the U. S. Government millions of dollars in the allocation of aircraft and personnel to Alaska. Trained selected youth in Aerospace/Aviation matters. History tells us these efforts were successful gaining considerable National and State recognition.

Kenai Peninsula Borough -- Temporary Special Assistant to Mayor during change of Administration, major objective: to determine if there was a satisfactory management organization in place; elimination, change in personnel; amend or develop administrative and policy statements; restructure some management activities and personnel.

Kenai Peninsula Economic Development District, Inc. (EDD) -- Successful in obtaining approval from Federal/State/Borough in organizing the EDD, only such organization in Alaska, Board of Directors 51% public, 49% private, objective to obtain federal assistance for public projects, creation of new jobs and/or job retention focusing on developing new or strengthening existing businesses, promote through varied means the development of undeveloped and underutilized resources in the Borough and State, bringing foreign interest and tourism to the Peninsula; the State ARDOR program was patterned in part after the EDD mandates.

Cook Inlet Regional Citizens Advisory Council, Inc. (CIRCAC) -- Immediate past President and Principal in forming CIRCAC as required under Section 5002, Title V, Oil Pollution Act of 1990 - Active in bringing local public and special interest citizen involvement where crude oil tankers operate and offshore and onshore oil facilities are located in Cook Inlet, in reviewing contingency plans, make recommendations as pertains to spill prevention, safety, and response and environmental issues, promoting a forum of obtaining consensus between industry and citizens rather than confrontation, obtain in an atmosphere of cooperation appropriate funding of CIRCAC from industry as provided for in the Law - definitely some of the most challenging work.

Prime activities required parallel contacts and meetings to include Congressional Delegation, U. S. Coast Guard, U. S. Department of Transportation, Alaska State Agencies, Alaska State Legislatures, U. S. Economic Development Administration, Local Borough and various municipal governments, U. S. Air Force and others.

Have always strived to be informed, to be professional, to have a positive rapport at all levels of contact, to provide responsible management including personnel supervision, budgeting and the like.

Recognition:

Bronze Bust (Wall), Hall of Honor, U. S. Air Force Museum, Wright Patterson Air Force Base, Ohio.  
Air Force Secretary-Civilian Exceptional Service Award

FEDERAL AVIATION ADMINISTRATION (FAA)

MORE DEFINITIVE EXPLANATION OF BUSINESS ADMINISTRATION EXPERIENCE

It was in the capacity of Chief, Plans, Programs, Evaluations and Chief, Air Space, Procedures of the FAA Alaskan Region that, in my opinion, qualifies me to apply for the "five years experience in Business Administration in lieu of degree" for the October 1992 potential vacancy on the APUC Commission.

The FAA management positions afforded me the opportunity to administer a wide range of the Agency's business, some of which were:

A. Developed the FAA Alaska Region, Air Traffic, annual budget submission for staffing, both administrative and operational; for a full-range of transportation needs from airport facilities requirements and aircraft needs for air traffic system checks to that of forecasting costs for personnel travel; for equipment requirements from long line to wireless communication systems and sophisticated radar computers to automated weather monitors; and other resources required for the FAA to provide a safe and efficient operation in Alaska.

B. Managed a team of technical personnel; plan, organize, direct, control and coordinate the work of the team engaged in executing various programs. On call assignments could consist of updating long-range goals/planning, revising personnel and equipment needs due to a reduced fiscal note or determining the need to close a facility, re-assignment of personnel and the like.

C. Managed an evaluation process designed to provide a complete and updated analysis of the quality of services provided to the public from the many FAA facilities in the State. A team of evaluators travelled the Region on a continuous basis.

D. Managed an ongoing Public Relations program throughout the State with major industry users as well as individual users of FAA services. Objective was to seek input as to how we might better serve them. Their influence and input were always most useful in making system improvements.

A. List any professional licenses, certifications, or registrations and dates obtained that may be used as qualifications for this position.

PLEASE SEE RESUME ATTACHED

C. List any community service positions, municipal government positions, race positions held, and list any awards received. These include both compensated and uncompensated positions (for example, president of a service organization or a mayor). Also include length of time served in the positions.

PLEASE SEE RESUME ATTACHED

D. Employment work history: paid, unpaid or voluntary: (Use additional space if necessary)

from State University of New York at Albany

Married June 1970, 3 children  
Teresa 21, David 18, Robin 15

Since moving to Alaska in 1972, I have lived in the Delta Junction area, Eagle River, Juneau, and Anchorage. I have always been an active parent in the school system wherever I lived, and an active member of the community as well. We have lived in Palmer now for over 10 years, our longest residence in any single place.

Community Service- Anchorage, 1977-81

Volunteer for Cooperative Extension Service with Wayne Vandre and Susan Halbert.

Qualified as a "Master Gardener," I participated in a 4-H program where volunteers worked with teachers in the Anchorage school district to teach gardening and landscape skills to students.

Organized a community 4-H group in Sand Lake area

Helped organize a cooperative preschool in Sand Lake area

Palmer, 1981-91

Continued community 4-H activities in a leader capacity Superintendent Alaska State Fair, and member of State Fair Association.

Judge at Tanana Valley Fair in Fairbanks

Active parent volunteer at Swanson and Sherrod schools

1983-began working as substitute teacher in Mat-su schools

I have worked at all grade levels, k-12

I have worked at Swanson, Sherrod, Iditarod, Pioneer Peak, Colony and Palmer Middle schools, and both Palmer and Wasilla high schools.

A.A. Degree in Agriculture, Dec. 1986, from Matanuska-Susitna Community College.

1989-present- secretary/treasurer for Alaska Farmers & Stockgrowers association, Mat-su chapter

1990-present- secretary for Vocational advisory council for Mat-su school district.

1991- secretary for Agriculture In The Classroom advisory committee, University of Alaska.

Partner in homestead farm business: We raise and sell hogs and turkeys. We also cut and sell hay during the summer. In addition, I grow salad vegetables for local resaurants. I also market wholesale Alaska grown meat products to local restaurants as well.

Free-lance writer: I write mostly short pieces, often dealing with rural life and the humorous side to farm business. I also have done some personal interviews for the Anchorage Daily News.
