CS FOR HOUSE BILL NO. 98(HES)

IN THE LEGISLATURE OF THE STATE OF ALASKA

TWENTY-FIRST LEGISLATURE - SECOND SESSION

BY THE HOUSE HEALTH, EDUCATION AND SOCIAL SERVICES COMMITTEE

**Offered:
Referred:**

Sponsor(s): HOUSE RULES COMMITTEE BY REQUEST OF THE GOVERNOR

A BILL

FOR AN ACT ENTITLED

1 "An Act relating to contracts for the provision of state public assistance to
2 certain recipients in the state; providing for regional public assistance plans and
3 programs in the state; relating to grants for Alaska Native family assistance
4 programs; relating to assignment of child support by Alaska Native family
5 assistance recipients; to paternity determinations and genetic testing involving
6 recipients of assistance under Alaska Native family assistance programs; and
7 providing for an effective date."

8 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

9 * **Section 1.** The uncodified law of the State of Alaska is amended by adding a new
10 section to read:

11 **FINDINGS AND INTENT.** (a) The legislature finds that

12 (1) self-sufficiency for Alaska families is a statewide goal and that achieving
13 self-sufficiency is greatly influenced by local conditions, particularly in rural Alaska with its

1 unique mix of subsistence and cash economies;

2 (2) self-sufficiency efforts are more likely to succeed when local communities
3 in a region of Alaska take responsibility for reducing dependence and when those efforts
4 accurately reflect the varying conditions of that region;

5 (3) new federal welfare reform law offers Alaska Native nonprofit
6 organizations the opportunity to assume responsibility for providing public assistance and self-
7 sufficiency services throughout the state; and

8 (4) it is in the best interests of the state to promote regional responsibility for
9 the design of the state public assistance program and self-sufficiency services.

10 (b) It is the intent of the legislature

11 (1) to provide certain appropriations that would otherwise be used to provide
12 assistance and self-sufficiency services to the recipients living in a public assistance region
13 through an Alaska Native family assistance grant to the Alaska Native nonprofit organizations
14 that are assuming the responsibility for providing assistance and services in that region;

15 (2) that state public assistance plans may be approved on a regional basis in
16 appropriate circumstances and, if approved, may be administered uniformly in the region for
17 all recipients in order to achieve the maximum cost efficiencies and benefits of a regionally
18 designed program.

19 * Sec. 2. AS 25.27.045 is amended to read:

20 **Sec. 25.27.045. Determination of support obligation.** The agency may
21 appear in an action seeking an award of support on behalf of a child owed a duty of
22 support, or to enforce a spousal support order if a spousal support obligation has been
23 established and if a support obligation, established with respect to a child of that
24 spouse, is also being administered, and may also appear in an action seeking
25 modification of a support order, decree, or judgment already entered. Action under
26 this section may be undertaken upon application of an obligee, or at the agency's own
27 discretion if the obligor is liable to the state or an Alaska Native family assistance
28 program under AS 25.27.120(a) or (b).

29 * Sec. 3. AS 25.27.062(1) is amended to read:

30 (1) Unless modified or terminated by the agency or the court, an order to
31 withhold income under this chapter remains in effect, except as provided in (k) of this

1 section, until the support order is satisfied. The agency or court may not terminate or
2 modify an income withholding order solely on the ground that the obligor has paid all
3 arrearages. Upon satisfaction of a support order, if the order is

4 (1) being enforced by the agency, the agency shall, within 15 working
5 days, notify all persons served by the agency with the income withholding order that
6 withholding is no longer required; if the agency receives money from an obligor under
7 an income withholding order after the underlying support order has been satisfied and
8 the agency was enforcing the support order at the time it became satisfied, the agency
9 shall immediately return the overpayment to the obligor; if the agency fails to return
10 an overpayment as required under this paragraph, the state is liable to the obligor for
11 the amount of the overpayment, plus interest at the rate imposed under AS 43.05.225,
12 and a person or an Alaska Native family assistance program to whom the agency
13 erroneously disbursed the overpayment is liable to the state for the amount disbursed,
14 plus interest at the rate imposed under AS 43.05.225;

15 (2) not being enforced by the agency, the obligor shall file a motion
16 in court requesting termination of the withholding order and serve the motion on the
17 obligee; the court shall enter an order terminating the withholding order if the court
18 determines that the support order has been satisfied; the obligor may deliver a copy
19 of the termination order to persons who were served with the income withholding
20 order; when a termination order is entered, the obligee shall, upon request of the
21 obligor, notify the obligor of all persons who have been served with the income
22 withholding order by the obligee.

23 * Sec. 4. AS 25.27.065(b) is amended to read:

24 (b) When the right to receive child support has been assigned to a
25 governmental entity or an Alaska Native family assistance program, an agreement
26 under (a) of this section that has not been adopted as an administrative order of the
27 agency is not effective during a period when the obligee is receiving assistance under
28 AS 47.27 or from an Alaska Native family assistance program.

29 * Sec. 5. AS 25.27.080(b) is amended to read:

30 (b) The agency on behalf of the custodian, [OR] the state, or an Alaska
31 Native family assistance program shall take all necessary action permitted by law to

1 enforce child support orders so entered, including petitioning the court for orders to
2 aid in the enforcement of child support.

3 * Sec. 6. AS 25.27.120(a) is amended to read:

4 (a) An obligor is liable to the state in the amount of assistance granted under
5 AS 47.07 and AS 47.27, or to an Alaska Native family assistance program in the
6 amount of the family assistance provided by the program, to a child to whom the
7 obligor owes a duty of support except that, if a support order has been entered, the
8 liability of the obligor for assistance granted under AS 47.27 or provided by an
9 Alaska Native family assistance program may not exceed the amount of support
10 provided for in the support order, and, if a medical order of support has been entered,
11 the liability of the obligor for assistance granted under AS 47.07 may not exceed the
12 amount of support provided for in the medical order of support.

13 * Sec. 7. AS 25.27.120(c) is amended to read:

14 (c) Within 30 days after the agency knows the identity and address of an
15 obligor who resides in the state and who is liable to the state or an Alaska Native
16 family assistance program under this section, the agency shall send written
17 notification by certified mail to the obligor and the obligee of the obligor's accruing
18 liability and that the obligor shall make child support payments to the agency. The
19 notice required under this subsection must be in clear, concise, and easily readable
20 language. The notice may accompany other communications by the agency.

21 * Sec. 8. AS 25.27.120(d) is amended to read:

22 (d) If the agency fails to comply with (c) of this section, interest does not
23 accrue on the liability to the state or an Alaska Native family assistance program
24 unless a support order or medical support order, as applicable, has been entered.

25 * Sec. 9. AS 25.27.130(a) is amended to read:

26 (a) If the obligor is liable to the state or an Alaska Native family assistance
27 program under AS 25.27.120(a) or (b), the state is subrogated to the rights of the
28 obligee to

29 (1) bring an action in the superior court seeking an order of support;
30 (2) proceed under AS 25.27.160 - 25.27.270 to establish a duty of
31 support; or

1 (3) enforce by execution, in accordance with AS 25.27.230 - 25.27.270,
2 or otherwise, a support order entered in favor of the obligee.

3 * Sec. 10. AS 25.27.130(c) is amended to read:

4 (c) The recovery of any amount for which the obligor is liable that exceeds the
5 total assistance granted under AS 47.07 and AS 47.27 or under an Alaska Native
6 family assistance program shall be paid to the obligee.

7 * Sec. 11. AS 25.27.130(d) is amended to read:

8 (d) Except as provided in (f) of this section, if the obligee is not receiving
9 assistance under AS 47.07 or AS 47.27 or under an Alaska Native family assistance
10 program at the time the state recovers money in an action under this section, the
11 recovery of any amount for which the obligor is liable shall be distributed to the
12 obligee for support payments, including medical support payments, that have become
13 due and unpaid since the termination of assistance under AS 47.07, [OR] AS 47.27,
14 or an Alaska Native family assistance program under a support order in favor of the
15 obligee.

16 * Sec. 12. AS 25.27.130(e) is amended to read:

17 (e) After payment to the obligee under (d) of this section, the state may retain
18 an amount not to exceed the total unreimbursed assistance paid on behalf of the
19 obligee under AS 47.07, [OR] AS 47.27, or an Alaska Native family assistance
20 program.

21 * Sec. 13. AS 25.27.140(a) is amended to read:

22 (a) If a [NO] support order has not been entered, the agency may establish
23 paternity and a duty of support using [UTILIZING] the procedures prescribed in
24 AS 25.27.160 - 25.27.220 and may enforce a duty of support using [UTILIZING] the
25 procedure prescribed in AS 25.27.230 - 25.27.270. Action under this subsection may
26 be undertaken upon application of an obligee, or at the agency's own discretion if the
27 obligor is liable to the state or an Alaska Native family assistance program under
28 AS 25.27.120(a) or (b).

29 * Sec. 14. AS 25.27.165(a) is amended to read:

30 (a) Upon application from a mother, custodian, putative father, or legal
31 custodian of a child, or from a state or an Alaska Native family assistance program,

1 the agency may institute administrative proceedings to determine the paternity of a
2 child born out of wedlock.

3 * Sec. 15. AS 25.27.165(i) is amended to read:

4 (i) The agency may recover any costs it pays for genetic tests required by this
5 section from the putative father unless the testing establishes that the individual is not
6 the father, except that costs may not be recovered from a person who is a recipient of
7 assistance under AS 47.27 (Alaska temporary assistance program) or an Alaska
8 Native family assistance program.

9 * Sec. 16. AS 25.27.170(e) is amended to read:

10 (e) The hearing officer shall consider the following in making a determination
11 under (d) of this section:

12 (1) the needs of the alleged obligee, disregarding the income or assets
13 of the custodian of the alleged obligee;

14 (2) the amount of the alleged obligor's liability to the state or an
15 Alaska Native family assistance program under AS 25.27.120 if any;

16 (3) the intent of the legislature that children be supported as much as
17 possible by their natural parents;

18 (4) the ability of the alleged obligor to pay.

19 * Sec. 17. AS 25.27.180(b) is amended to read:

20 (b) Liability to the state or an Alaska Native family assistance program
21 under AS 25.27.120 is limited to the amount for which the obligor is found to be
22 responsible under (a) of this section.

23 * Sec. 18. AS 25.27.255(a) is amended to read:

24 (a) The agency shall pay to the obligee all money recovered by the agency
25 from the obligor under an income withholding order except for court costs and money
26 assigned to the agency or an Alaska Native family assistance program under
27 AS 25.27.120 - 25.27.130 or AS 47.27.040. However, if there is more than one
28 income withholding order under this chapter against an obligor, the agency shall
29 allocate amounts available for withholding in a manner that gives priority to current
30 support up to the limits imposed under 15 U.S.C. 1673(b) (sec. 303(b), Consumer
31 Credit Protection Act). Notwithstanding the priority given to current support, the

1 agency shall establish procedures for allocation of support among obligees so that in
2 no case will the allocation result in a withholding order for one obligee not being
3 implemented.

4 * Sec. 19. AS 36.30.850(b) is amended by adding a new paragraph to read:

5 (42) contracts awarded under AS 47.27.072 for state public assistance
6 provided under a regional public assistance program.

7 * Sec. 20. AS 47.27.005 is amended to read:

8 **Sec. 47.27.005. Duties of the department.** The department shall

9 (1) administer the Alaska temporary assistance program by providing
10 assistance with basic living expenses and self-sufficiency services to needy children
11 and their families under this chapter and, if appropriate, by establishing regional
12 public assistance programs to provide effectively for varving conditions in regions
13 of the state designated by the department;

14 (2) establish, by regulation, program standards that will provide
15 incentives to work, incentives for financial planning, and opportunities to develop
16 self-sufficiency while providing assistance with basic living expenses;

17 (3) prepare, submit to the federal government, and amend, if necessary,
18 a state plan designed to ensure [ASSURE] that federal money is available to the state
19 for the operation of the program set out in this chapter to provide assistance for basic
20 living expenses and self-sufficiency services to needy children and their families
21 consistent with the state objectives identified in (2) of this subsection [SECTION];

22 (4) adopt methods of program administration to ensure consistency with
23 the federal requirements under a successor federal program that replaces the aid to
24 families with dependent children program;

25 (5) make reports regarding the program to the federal government as
26 required under federal law [ANY SUCCESSOR FEDERAL PROGRAM THAT
27 REPLACES THE AID TO FAMILIES WITH DEPENDENT CHILDREN
28 PROGRAM], in the form and containing the information required, and comply with
29 the provisions that the federal government determines are necessary to ensure correct
30 and verifiable information on the program;

31 (6) provide to the legislature an annual executive summary of the

1 information required to be reported to the federal government under (5) of this
2 subsection [SECTION];

3 (7) conduct studies and research in order to evaluate and monitor the
4 effectiveness of the state program; and

5 (8) adopt regulations and take action to implement, interpret, and
6 administer the provisions of this chapter.

7 * Sec. 21. AS 47.27.005 is amended by adding a new subsection to read:

8 (b) In implementing its duties under (a) of this section, the department may
9 adopt program standards that vary by region in the state in order to incorporate the
10 standards of an Alaska Native family assistance plan into a regional plan. The
11 program standards adopted under this subsection need not contain all of the
12 requirements of this chapter if they meet the standards set out in AS 47.27.072 and
13 contain the program elements set out in AS 47.27.071.

14 * Sec. 22. AS 47.27.040 is amended by adding new subsections to read:

15 (d) A participant in an Alaska Native family assistance program shall assign
16 to the Alaska Native family assistance program, unless the program has elected to
17 require assignment to the state under AS 47.27.071(f), all rights to ongoing child
18 support that accrues after the effective date of the assignment for the support of the
19 individuals in the family for whom assistance is provided, but not to exceed the total
20 amount of assistance paid by the Alaska Native family assistance program to the
21 family. The assignment takes effect when information required under (f) of this
22 section is provided to the child support enforcement agency of the Department of
23 Revenue, following the determination of eligibility. Except with respect to any unpaid
24 support that accrued under the assignment, the assignment terminates when the family
25 ceases to participate in the Alaska Native family assistance program. All assignments
26 to an Alaska Native family assistance program of unpaid child support obligations
27 transfer to the state upon the termination of an Alaska Native family assistance
28 program.

29 (e) An Alaska Native family assistance program participant shall cooperate
30 with the child support enforcement agency of the Department of Revenue in the
31 manner described in (b) of this section in establishing paternity or establishing,

1 modifying, or enforcing a child support order requiring the payment of support by the
2 noncustodial parent for a dependent child for whom assistance is received. The child
3 support enforcement agency shall inform the Alaska Native family assistance program
4 if it determines that the participant is not in good faith compliance with the
5 requirements of (b) of this section. The Alaska Native family assistance program shall
6 determine whether the participant has good cause for refusing to cooperate.

7 (f) An Alaska Native family assistance program that receives assignments of
8 ongoing child support must provide public assistance information concerning those
9 assignments to the child support enforcement agency of the Department of Revenue
10 in a timely manner in order to establish a valid assignment. The information must be
11 provided by electronic means and in a format acceptable to the child support
12 enforcement agency. For the purposes of this subsection, "timely manner" means
13 within the time constraints established for child support agency distributions under
14 federal law.

15 * Sec. 23. AS 47.27 is amended by adding new sections to read:

16 **Sec. 47.27.071. Alaska Native family assistance grants.** (a) Notwithstanding
17 a contrary provision of this chapter and in addition to grants awarded under
18 AS 47.27.050, the department may award and administer Alaska Native family
19 assistance grants in accordance with this section to Alaska Native organizations that
20 meet the requirements of AS 47.27.070. Only an organization that received approval
21 for, and has agreed to operate, a federally approved tribal family assistance plan in this
22 state is eligible to receive a grant under this section. An organization that receives a
23 grant under this section shall operate the plan approved under this section on a state
24 fiscal year basis.

25 (b) If an organization intends to apply for a grant under this section, the
26 organization shall first submit to the department a letter of intent along with a copy
27 of the proposed federal tribal family assistance plan that will be submitted to the
28 federal government for approval. The organization shall make its submission to the
29 department at least six months before the proposed effective date of the federal tribal
30 family assistance plan. The department shall review the submission and notify the
31 organization of significant deficiencies that would make the organization ineligible to

1 be considered for an Alaska Native family assistance grant even if federal approval is
2 received without significant changes to the federal tribal family assistance plan and
3 federal grant money is awarded for implementation of that plan. The organization may
4 make a supplemental submission to the department to resolve deficiencies noted by the
5 department. If, after departmental review and supplemental revision, an organization's
6 plan remains eligible for consideration for a grant award under this section, the
7 department shall notify the organization that the organization may submit a proposal
8 for a grant award after the organization has received notice of federal approval of the
9 federal tribal family assistance plan and the pending award of federal grant money.
10 The commissioner may waive the time deadline specified in this subsection if the
11 commissioner

12 (1) enters into a joint planning agreement between the department and
13 the organization; or

14 (2) finds good cause and the waiver is in the state's best interest.

15 (c) If the department awards a grant under this section, the grant shall be in
16 an amount that

17 (1) for the first fiscal year under the plan accepted by the department,
18 represents a fair and equitable portion of the state appropriations for the state public
19 assistance program administered under this chapter intended to serve the state residents
20 who will be served by the plan; and

21 (2) for the second and subsequent state fiscal years under the plan
22 accepted by the department, represents a fair and equitable portion of state
23 appropriations made for public assistance programs that is allocated for Alaska Native
24 family assistance grants to be awarded under this section in order to serve the state
25 residents who will be served by the plan; if the money is not allocated for these grants,
26 the amounts shall be made in the same manner as described in (1) of this subsection.

27 (d) For an organization to be eligible to be awarded a grant under this section,
28 the organization's proposal must include

29 (1) documentation that the organization

30 (A) has received federal approval of its federal tribal family
31 assistance plan to operate a tribal assistance program in this state; and

1 (B) will receive a grant directly from the federal government to
2 implement the federal tribal family assistance plan;

3 (2) a plan for operation of the Alaska Native family assistance grant
4 that meets the requirements of (e) of this section; and

5 (3) if the commissioner determines that a federally approved tribal
6 family assistance plan would be a cost-effective and efficient means of administering
7 the program established in this chapter in that region of the state and the needs of state
8 public assistance recipients receiving assistance under this chapter can be met through
9 a contract awarded under AS 47.27.072, the organization's agreement to enter into a
10 contract with the department to provide state public assistance to those eligible state
11 residents in the region who are not included in the population to be served by the
12 federally approved tribal family assistance plan.

13 (e) An organization's plan for operation of the Alaska Native family assistance
14 grant must

15 (1) be designed to facilitate self-sufficiency of assistance recipients in
16 the region specified in the federally approved tribal family assistance plan by
17 addressing the conditions specific to that region;

18 (2) provide for a reasonable pattern of service delivery from all
19 providers serving that region;

20 (3) serve a specified region that consists of a geographically cohesive
21 group of communities that share similar interests, resources, and traditions; and

22 (4) provide for administration of the grant money received under this
23 section to establish a program in accordance with the plan accepted by the department
24 and in compliance with other requirements of this section; the program must include
25 the following standards for providing assistance to eligible families:

26 (A) only families with at least one dependent child or a woman
27 in the last trimester of pregnancy are eligible for assistance paid from an
28 Alaska Native family assistance grant;

29 (B) amounts for assistance provided from an Alaska Native
30 family assistance grant to eligible families may not exceed the amounts
31 specified under AS 47.27.025(b) when combined with assistance provided

1 under the federally approved tribal family assistance grant;

2 (C) to remain eligible for assistance paid from an Alaska Native
3 family assistance grant, a minor parent of a dependent child must meet the
4 requirements of AS 47.27.027;

5 (D) families receiving assistance paid from an Alaska Native
6 family assistance grant shall comply with the provisions of AS 47.27.035(a)
7 regarding participation in work activities;

8 (E) families receiving assistance paid from Alaska Native family
9 assistance grant money shall comply with the provisions of AS 47.27.040
10 regarding assignment of support rights and cooperation with the child support
11 enforcement agency of the Department of Revenue;

12 (F) the organization has an impartial appeals process to allow
13 for affected families in the region of the state covered by the plan accepted by
14 the department to have a fair hearing.

15 (f) The department may award a grant under this section only if the department
16 determines that the proposal, including a plan for operation of the grant, meets the
17 criteria specified in (d) and (e) of this section and that an award of the grant to the
18 organization would be in the public interest. The grant agreement must state that the
19 Alaska Native family assistance program will require all program participants to assign
20 child support rights to the Alaska Native family assistance program under
21 AS 47.27.040, unless the Alaska Native organization elects to require participants to
22 assign those child support rights to the state. The department may not distribute grant
23 money until a grant agreement between the organization and the department is
24 executed that meets the requirements of this section.

25 (g) Records pertaining to recipients of assistance from an Alaska Native family
26 assistance grant awarded under this section are confidential public assistance records
27 under AS 47.05.020 and regulations adopted under AS 47.05.020. Use and misuse of
28 these records are subject to the provisions of AS 47.05.030. It is an official purpose
29 under AS 47.05.020 for an organization receiving a grant under this section and the
30 department or another agency of the state to exchange information concerning
31 recipients of assistance under this section if the information requested is for purposes

1 directly connected with the administration of a grant under this section.

2 (h) An organization receiving a grant under this section shall provide to the
3 department a copy of its quarterly report made under 42 U.S.C. 611. The organization
4 shall have its financial records audited annually by a certified public accountant
5 authorized to practice under AS 08.04. The department may prescribe the form and
6 specify the information required to document compliance with this section.

7 (i) If an organization wishes to terminate its program before the end of the
8 time period for which the grant was awarded under this section, the organization must
9 obtain the consent of the department or provide notice to the department 120 days
10 before the anticipated date of termination. At the end of a grant agreement or by early
11 termination under this section, the organization shall provide an inventory of property
12 valued at \$1,000 or over and purchased, in whole or in part, with grant money awarded
13 under this section. The department shall notify the organization of the required
14 disposition of the property listed on the inventory.

15 (j) If the department awards a grant under this section, a person applying for
16 assistance under this chapter who is covered by the federally approved tribal family
17 assistance plan in that region of the state may obtain assistance from the department
18 only through the organization designated by the department to serve the region. A
19 person aggrieved by a decision made by an organization under a grant awarded under
20 this section may use the appeal procedure specified in AS 47.27.072(e).

21 **Sec. 47.27.072. Regional public assistance programs and contracts.** (a) To
22 implement AS 47.27.005(b), the department may develop a regional public assistance
23 program for the administration of this chapter in order to provide state public
24 assistance in a uniform and cost-effective manner in a region of this state if an Alaska
25 Native organization is authorized to implement a federally approved tribal family
26 assistance plan in the region and has been awarded an Alaska Native family assistance
27 grant for a program in that region for the applicable fiscal year under AS 47.27.071.
28 The regional public assistance program developed under this section must be designed
29 to serve eligible state residents in the region who are not covered by a federally
30 approved tribal family assistance program in that region.

31 (b) The department may award contracts to implement a program developed

1 under (a) of this section. A contract authorized for delivery of state public assistance
2 under a regional public assistance program under this section is exempt from the
3 competitive bid requirements of AS 36.30 (State Procurement Code). Subject to
4 appropriation, a contract under this section must be in an amount that represents a fair
5 and equitable share of the money appropriated to serve the state residents specified in
6 (a) of this section. This section provides additional authority to contract to that
7 available under AS 47.05.015 or other law.

8 (c) The department may award a contract under this section only to an
9 organization that

10 (1) has been awarded an Alaska Native family assistance grant for a
11 program in that region under AS 47.27.071;

12 (2) agrees to administer state public assistance under this chapter to
13 state residents in the region who are not served by the Alaska Native family assistance
14 grant awarded under AS 47.27.071;

15 (3) agrees to provide state public assistance identical to that provided
16 under the federally approved tribal family assistance plan for which Alaska Native
17 family assistance grant money has been awarded under AS 47.27.071; and

18 (4) agrees to implement an appeals process as described in (e) of this
19 section.

20 (d) Records pertaining to recipients of state public assistance under a contract
21 awarded under this section have the same confidential protections as are provided to
22 recipients of assistance from Alaska Native family assistance grants under
23 AS 47.27.071.

24 (e) An organization that receives a contract under this section shall provide an
25 appeals process to applicants for or recipients of state public assistance covered by the
26 contract awarded under this section. The appeals process must be the same as the
27 method available under the federally approved tribal family assistance plan, except that
28 the decision reached will be considered as a recommended decision to the department.
29 Within 30 days after receiving a recommended decision, the department shall review
30 the recommended decision and issue a decision accepting or rejecting the
31 recommended decision. If the department rejects the recommended decision, the

1 department shall independently review the record and issue its final decision. The
2 final decision of the department on the matter is appealable to the courts of this state.

3 (f) If the department establishes a regional public assistance program and
4 awards a contract to provide state public assistance under this section, a person
5 applying for state public assistance under this chapter in the region of the state covered
6 by the regional public assistance program may obtain state public assistance from the
7 department only through the organization designated by the department to serve the
8 region.

9 * Sec. 24. AS 47.27.900 is amended by adding a new paragraph to read:

10 (10) "federally approved tribal family assistance plan" means a plan
11 that meets the requirements of 42 U.S.C. 612 and has been approved for financing
12 through a tribal family assistance grant directly from the United States Department of
13 Health and Human Services.

14 * Sec. 25. The uncodified law of the State of Alaska is amended by adding a new section
15 to read:

16 APPLICABILITY. This Act does not apply to the provisions of an existing Alaska
17 Native family assistance grant agreement in effect on the effective date of this Act until the
18 earliest of the following occurs:

19 (1) the grant agreement expires;

20 (2) the grant agreement is terminated;

21 (3) a substantial modification is made to the grant agreement; routine technical
22 amendments to an existing Alaska Native family assistance grant agreement in effect on the
23 effective date of this Act do not constitute a substantial modification for purposes of this
24 paragraph.

25 * Sec. 26. The uncodified law of the State of Alaska is amended by adding a new section
26 to read:

27 INSTRUCTION TO REVISOR. Notwithstanding sec. 148(c), ch. 87, SLA 1997, and
28 secs. 53 - 54, ch. 132, SLA 1998, the new language added by the amendments made to
29 AS 25.27.120(c), and 25.27.165(a) and (i) by secs. 7, 14, and 15 of this Act shall be retained
30 if sec. 148(c), ch. 87, SLA 1997, and secs. 53 and 54, ch. 132, SLA 1998, take effect.

31 * Sec. 27. This Act takes effect January 1, 2001.

MEMORANDUM

February 21, 2000

SUBJECT: CSHB 98(HES) (Draft version "G")

TO: Representative Fred Dyson
Attn: Wes Keller

FROM: Terri Lauterbach
Legislative Counsel 

Enclosed is a draft HES CS for HB 98. This CS includes the following changes from the CRA version:

(1) Amendment D.1 has been rolled in. This puts the child support provisions in the bill.

(2) Amendment D.2 has been rolled in. This corrects D.1 by removing language in D.1 that would have limited some of the child support provisions to state grantees rather than covering all Alaska Native family assistance programs. This correction adequately addresses the second "preliminary observation" I made to you in my memo of February 16.

(3) Section 12 has been modified to address the third "preliminary observation" I made to you in my memo of February 16. The language in sec. 12 now simply allows the state to retain the child support money that is not paid to the obligee. I think that the state will need to follow federal and contract requirements for what to do with the money next, but at least the law is not vague as it was in the previous version.

(4) AS 47.27.072(a) has been clarified as being an implementation of AS 47.27.005(b), which is a new subsection added by sec. 21 of the CS.

As I see it at this point, there are two remaining issues that you and I have discussed but that have not been resolved to the point where an amendment could be drafted.

Issue 1: sharing child support collections. Does the committee wish to require more specificity in the CS about making sure that the state grant amount under AS 47.27.071 takes into consideration anticipated child support collections that would go to the Native program? In response to my first "preliminary observation" in the February 16th memo, the department staff testified on February 17 that the use of the phrase "fair and equitable" in AS 47.27.071(c)(1) and (2) was intended to give the department the flexibility to deduct money from the grant amount in order to reflect anticipated child support collections and that

the department intended to make those deductions. If the committee does not wish to rely on that statement of intent, a new subsection could be added to AS 47.27.071 that would read something like the following:

In determining what is a fair and equitable amount for a grant under (c) of this section, the department shall, among other factors, consider whether the grantee has chosen to have its assistance recipients assign their child support rights to the state or to the grantee under (f) of this section. If the grantee has chosen to have its assistance recipients assign their child support rights to the grantee, the department shall deduct from the grant that would otherwise have been awarded to the grantee an amount that reflects a portion of the anticipated child support collections accruing to the grantee because of the assignments. The portion of the anticipated child support collections that shall be deducted from the grant must yield an amount that bears substantially the same relationship to total anticipated child support collections assigned to the grantee as the state's grant bears to the total amount of money spent by the grantee on its assistance program.

The intent of this language would be to require, for instance, that when the state's grant is 30% of the total program costs of the Alaska Native program, then the grant should be reduced by 30% of the anticipated child support collections that are assigned to the Alaska Native program.

Issue 2: regional public assistance programs. In section 20 of the HES CS, there is new language added to AS 47.27.005(1) that would authorize regional variations in the state's public assistance program. If the committee does not wish to authorize regional variations, this section of the bill should be deleted. If the committee wishes to change the criteria for when regional variations are authorized, then this section should be modified. The regional variations allowed when there is a federally-approved Alaska Native program operating in a region is a separate issue from this language - regional variations that accommodate federally-approved Alaska Native programs are covered in sec. 21 and in AS 47.27.072, added by sec. 23 of the CS. The issue presented under sec. 20 is whether the legislature wishes to authorize regional variations under any other scenario.

If something in this memo is not clear, or if I can be of other assistance, please do not hesitate to let me know.

CS FOR HOUSE BILL NO. 98(HES)

IN THE LEGISLATURE OF THE STATE OF ALASKA

TWENTY-FIRST LEGISLATURE - SECOND SESSION

BY THE HOUSE HEALTH, EDUCATION AND SOCIAL SERVICES COMMITTEE

**Offered:
Referred:**

Sponsor(s): HOUSE RULES COMMITTEE BY REQUEST OF THE GOVERNOR

A BILL

FOR AN ACT ENTITLED

1 "An Act relating to contracts for the provision of state public assistance to
2 certain recipients in the state; providing for regional public assistance plans and
3 programs in the state; relating to grants for Alaska Native family assistance
4 programs; relating to assignment of child support by Alaska Native family
5 assistance recipients; to paternity determinations and genetic testing involving
6 recipients of assistance under Alaska Native family assistance programs; and
7 providing for an effective date."

8 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

9 * Section 1. The uncodified law of the State of Alaska is amended by adding a new
10 section to read:

11 **FINDINGS AND INTENT.** (a) The legislature finds that

12 (1) self-sufficiency for Alaska families is a statewide goal and that achieving
13 self-sufficiency is greatly influenced by local conditions, particularly in rural Alaska with its

L

1 unique mix of subsistence and cash economies;

2 (2) self-sufficiency efforts are more likely to succeed when local communities
3 in a region of Alaska take responsibility for reducing dependence and when those efforts
4 accurately reflect the social and economic conditions of that region;

5 (3) new federal welfare reform law offers Alaska Native nonprofit
6 organizations the opportunity to assume responsibility for providing public assistance and self-
7 sufficiency services throughout the state; and

8 (4) it is in the best interests of the state to promote regional responsibility for
9 the design of the state public assistance program and self-sufficiency services.

10 (b) It is the intent of the legislature

11 (1) to provide certain appropriations that would otherwise be used to provide
12 assistance and self-sufficiency services to the recipients living in a public assistance region
13 through an Alaska Native family assistance grant to the Alaska Native nonprofit organizations
14 that are assuming the responsibility for providing assistance and services in that region;

15 (2) that state public assistance plans may be approved on a regional basis in
16 appropriate circumstances and, if approved, may be administered uniformly in the region for
17 all recipients in order to achieve the maximum cost efficiencies and benefits of a regionally
18 designed program.

19 * Sec. 2. AS 25.27.045 is amended to read:

20 **Sec. 25.27.045. Determination of support obligation.** The agency may
21 appear in an action seeking an award of support on behalf of a child owed a duty of
22 support, or to enforce a spousal support order if a spousal support obligation has been
23 established and if a support obligation, established with respect to a child of that
24 spouse, is also being administered, and may also appear in an action seeking
25 modification of a support order, decree, or judgment already entered. Action under
26 this section may be undertaken upon application of an obligee, or at the agency's own
27 discretion if the obligor is liable to the state or an Alaska Native family assistance
28 program under AS 25.27.120(a) or (b).

29 * Sec. 3. AS 25.27.062(l) is amended to read:

30 (l) Unless modified or terminated by the agency or the court, an order to
31 withhold income under this chapter remains in effect, except as provided in (k) of this

1 section, until the support order is satisfied. The agency or court may not terminate or
2 modify an income withholding order solely on the ground that the obligor has paid all
3 arrearages. Upon satisfaction of a support order, if the order is

4 (1) being enforced by the agency, the agency shall, within 15 working
5 days, notify all persons served by the agency with the income withholding order that
6 withholding is no longer required; if the agency receives money from an obligor under
7 an income withholding order after the underlying support order has been satisfied and
8 the agency was enforcing the support order at the time it became satisfied, the agency
9 shall immediately return the overpayment to the obligor; if the agency fails to return
10 an overpayment as required under this paragraph, the state is liable to the obligor for
11 the amount of the overpayment, plus interest at the rate imposed under AS 43.05.225,
12 and a person or an Alaska Native family assistance program to whom the agency
13 erroneously disbursed the overpayment is liable to the state for the amount disbursed,
14 plus interest at the rate imposed under AS 43.05.225;

15 (2) not being enforced by the agency, the obligor shall file a motion
16 in court requesting termination of the withholding order and serve the motion on the
17 obligee; the court shall enter an order terminating the withholding order if the court
18 determines that the support order has been satisfied; the obligor may deliver a copy
19 of the termination order to persons who were served with the income withholding
20 order; when a termination order is entered, the obligee shall, upon request of the
21 obligor, notify the obligor of all persons who have been served with the income
22 withholding order by the obligee.

23 * Sec. 4. AS 25.27.065(b) is amended to read:

24 (b) When the right to receive child support has been assigned to a
25 governmental entity or an Alaska Native family assistance program, an agreement
26 under (a) of this section that has not been adopted as an administrative order of the
27 agency is not effective during a period when the obligee is receiving assistance under
28 AS 47.27 or from an Alaska Native family assistance program.

29 * Sec. 5. AS 25.27.080(b) is amended to read:

30 (b) The agency on behalf of the custodian, [OR] the state, or an Alaska
31 Native family assistance program shall take all necessary action permitted by law to

1 enforce child support orders so entered, including petitioning the court for orders to
2 aid in the enforcement of child support.

3 * Sec. 6. AS 25.27.120(a) is amended to read:

4 (a) An obligor is liable to the state in the amount of assistance granted under
5 AS 47.07 and AS 47.27, or to an Alaska Native family assistance program in the
6 amount of the family assistance provided by the program, to a child to whom the
7 obligor owes a duty of support except that, if a support order has been entered, the
8 liability of the obligor for assistance granted under AS 47.27 or provided by an
9 Alaska Native family assistance program may not exceed the amount of support
10 provided for in the support order, and, if a medical order of support has been entered,
11 the liability of the obligor for assistance granted under AS 47.07 may not exceed the
12 amount of support provided for in the medical order of support.

13 * Sec. 7. AS 25.27.120(c) is amended to read:

14 (c) Within 30 days after the agency knows the identity and address of an
15 obligor who resides in the state and who is liable to the state or an Alaska Native
16 family assistance program under this section, the agency shall send written
17 notification by certified mail to the obligor and the obligee of the obligor's accruing
18 liability and that the obligor shall make child support payments to the agency. The
19 notice required under this subsection must be in clear, concise, and easily readable
20 language. The notice may accompany other communications by the agency.

21 * Sec. 8. AS 25.27.120(d) is amended to read:

22 (d) If the agency fails to comply with (c) of this section, interest does not
23 accrue on the liability to the state or an Alaska Native family assistance program
24 unless a support order or medical support order, as applicable, has been entered.

25 * Sec. 9. AS 25.27.130(a) is amended to read:

26 (a) If the obligor is liable to the state or an Alaska Native family assistance
27 program under AS 25.27.120(a) or (b), the state is subrogated to the rights of the
28 obligee to

29 (1) bring an action in the superior court seeking an order of support;

30 (2) proceed under AS 25.27.160 - 25.27.270 to establish a duty of

31 support; or

1 (3) enforce by execution, in accordance with AS 25.27.230 - 25.27.270,
2 or otherwise, a support order entered in favor of the obligee.

3 * Sec. 10. AS 25.27.130(c) is amended to read:

4 (c) The recovery of any amount for which the obligor is liable that exceeds the
5 total assistance granted under AS 47.07 and AS 47.27 or under an Alaska Native
6 family assistance program shall be paid to the obligee.

7 * Sec. 11. AS 25.27.130(d) is amended to read:

8 (d) Except as provided in (f) of this section, if the obligee is not receiving
9 assistance under AS 47.07 or AS 47.27 or under an Alaska Native family assistance
10 program at the time the state recovers money in an action under this section, the
11 recovery of any amount for which the obligor is liable shall be distributed to the
12 obligee for support payments, including medical support payments, that have become
13 due and unpaid since the termination of assistance under AS 47.07, [OR] AS 47.27,
14 or an Alaska Native family assistance program under a support order in favor of the
15 obligee.

16 * Sec. 12. AS 25.27.130(e) is amended to read:

17 (e) After payment to the obligee under (d) of this section, the state may retain
18 an amount not to exceed the total unreimbursed assistance paid on behalf of the
19 obligee under AS 47.07, [OR] AS 47.27, or an Alaska Native family assistance
20 program.

21 * Sec. 13. AS 25.27.140(a) is amended to read:

22 (a) If a [NO] support order has not been entered, the agency may establish
23 paternity and a duty of support using [UTILIZING] the procedures prescribed in
24 AS 25.27.160 - 25.27.220 and may enforce a duty of support using [UTILIZING] the
25 procedure prescribed in AS 25.27.230 - 25.27.270. Action under this subsection may
26 be undertaken upon application of an obligee, or at the agency's own discretion if the
27 obligor is liable to the state or an Alaska Native family assistance program under
28 AS 25.27.120(a) or (b).

29 * Sec. 14. AS 25.27.165(a) is amended to read:

30 (a) Upon application from a mother, custodian, putative father, or legal
31 custodian of a child, or from a state or an Alaska Native family assistance program.

1 the agency may institute administrative proceedings to determine the paternity of a
2 child born out of wedlock.

3 * Sec. 15. AS 25.27.165(i) is amended to read:

4 (i) The agency may recover any costs it pays for genetic tests required by this
5 section from the putative father unless the testing establishes that the individual is not
6 the father, except that costs may not be recovered from a person who is a recipient of
7 assistance under AS 47.27 (Alaska temporary assistance program) or an Alaska
8 Native family assistance program.

9 * Sec. 16. AS 25.27.170(e) is amended to read:

10 (e) The hearing officer shall consider the following in making a determination
11 under (d) of this section:

12 (1) the needs of the alleged obligee, disregarding the income or assets
13 of the custodian of the alleged obligee;

14 (2) the amount of the alleged obligor's liability to the state or an
15 Alaska Native family assistance program under AS 25.27.120 if any;

16 (3) the intent of the legislature that children be supported as much as
17 possible by their natural parents;

18 (4) the ability of the alleged obligor to pay.

19 * Sec. 17. AS 25.27.180(b) is amended to read:

20 (b) Liability to the state or an Alaska Native family assistance program
21 under AS 25.27.120 is limited to the amount for which the obligor is found to be
22 responsible under (a) of this section.

23 * Sec. 18. AS 25.27.255(a) is amended to read:

24 (a) The agency shall pay to the obligee all money recovered by the agency
25 from the obligor under an income withholding order except for court costs and money
26 assigned to the agency or an Alaska Native family assistance program under
27 AS 25.27.120 - 25.27.130 or AS 47.27.040. However, if there is more than one
28 income withholding order under this chapter against an obligor, the agency shall
29 allocate amounts available for withholding in a manner that gives priority to current
30 support up to the limits imposed under 15 U.S.C. 1673(b) (sec. 303(b), Consumer
31 Credit Protection Act). Notwithstanding the priority given to current support, the

1 agency shall establish procedures for allocation of support among obligees so that in
2 no case will the allocation result in a withholding order for one obligee not being
3 implemented.

4 * **Sec. 19.** AS 36.30.850(b) is amended by adding a new paragraph to read:

5 (42) contracts awarded under AS 47.27.072 for state public assistance
6 provided under a regional public assistance program.

7 * **Sec. 20.** AS 47.27.005 is amended to read:

8 **Sec. 47.27.005. Duties of the department.** The department shall

9 (1) administer the Alaska temporary assistance program by providing
10 assistance with basic living expenses and self-sufficiency services to needy children
11 and their families under this chapter **and, if appropriate, by establishing regional**
12 **public assistance programs to provide effectively for varying economic conditions**
13 **in regions of the state designated by the department;**

14 (2) establish, by regulation, program standards that will provide
15 incentives to work, incentives for financial planning, and opportunities to develop
16 self-sufficiency while providing assistance with basic living expenses;

17 (3) prepare, submit to the federal government, and amend, if necessary,
18 a state plan designed to **ensure** [ASSURE] that federal money is available to the state
19 for the operation of the program set out in this chapter to provide assistance for basic
20 living expenses and self-sufficiency services to needy children and their families
21 consistent with the state objectives identified in (2) of this **subsection** [SECTION];

22 (4) adopt methods of program administration to ensure consistency with
23 the federal requirements under a successor federal program that replaces the aid to
24 families with dependent children program;

25 (5) make reports **regarding the program** to the federal government as
26 required under **federal law** [ANY SUCCESSOR FEDERAL PROGRAM THAT
27 REPLACES THE AID TO FAMILIES WITH DEPENDENT CHILDREN
28 PROGRAM], in the form and containing the information required, and comply with
29 the provisions that the federal government determines are necessary to ensure correct
30 and verifiable information on the program;

31 (6) provide to the legislature an annual executive summary of the

1 information required to be reported to the federal government under (5) of this
2 subsection [SECTION];

3 (7) conduct studies and research in order to evaluate and monitor the
4 effectiveness of the state program; and

5 (8) adopt regulations and take action to implement, interpret, and
6 administer the provisions of this chapter.

7 * Sec. 21. AS 47.27.005 is amended by adding a new subsection to read:

8 (b) In implementing its duties under (a) of this section, the department may
9 adopt program standards that vary by region in the state in order to incorporate the
10 standards of an Alaska Native family assistance plan into a regional plan. The
11 program standards adopted under this subsection need not contain all of the
12 requirements of this chapter if they meet the standards set out in AS 47.27.072 and
13 contain the program elements set out in AS 47.27.071.

14 * Sec. 22. AS 47.27.040 is amended by adding new subsections to read:

15 (d) A participant in an Alaska Native family assistance program shall assign
16 to the Alaska Native family assistance program, unless the program has elected to
17 require assignment to the state under AS 47.27.071(f), all rights to ongoing child
18 support that accrues after the effective date of the assignment for the support of the
19 individuals in the family for whom assistance is provided, but not to exceed the total
20 amount of assistance paid by the Alaska Native family assistance program to the
21 family. The assignment takes effect when information required under (f) of this
22 section is provided to the child support enforcement agency of the Department of
23 Revenue, following the determination of eligibility. Except with respect to any unpaid
24 support that accrued under the assignment, the assignment terminates when the family
25 ceases to participate in the Alaska Native family assistance program. All assignments
26 to an Alaska Native family assistance program of unpaid child support obligations
27 transfer to the state upon the termination of an Alaska Native family assistance
28 program.

29 (e) An Alaska Native family assistance program participant shall cooperate
30 with the child support enforcement agency of the Department of Revenue in the
31 manner described in (b) of this section in establishing paternity or establishing,

1 modifying, or enforcing a child support order requiring the payment of support by the
2 noncustodial parent for a dependent child for whom assistance is received. The child
3 support enforcement agency shall inform the Alaska Native family assistance program
4 if it determines that the participant is not in good faith compliance with the
5 requirements of (b) of this section. The Alaska Native family assistance program shall
6 determine whether the participant has good cause for refusing to cooperate.

7 (f) An Alaska Native family assistance program that receives assignments of
8 ongoing child support must provide public assistance information concerning those
9 assignments to the child support enforcement agency of the Department of Revenue
10 in a timely manner in order to establish a valid assignment. The information must be
11 provided by electronic means and in a format acceptable to the child support
12 enforcement agency. For the purposes of this subsection, "timely manner" means
13 within the time constraints established for child support agency distributions under
14 federal law.

15 * Sec. 23. AS 47.27 is amended by adding new sections to read:

16 **Sec. 47.27.071. Alaska Native family assistance grants.** (a) Notwithstanding
17 a contrary provision of this chapter and in addition to grants awarded under
18 AS 47.27.050, the department may award and administer Alaska Native family
19 assistance grants in accordance with this section to Alaska Native organizations that
20 meet the requirements of AS 47.27.070. Only an organization that received approval
21 for, and has agreed to operate, a federally approved tribal family assistance plan in this
22 state is eligible to receive a grant under this section. An organization that receives a
23 grant under this section shall operate the plan approved under this section on a state
24 fiscal year basis.

25 (b) If an organization intends to apply for a grant under this section, the
26 organization shall first submit to the department a letter of intent along with a copy
27 of the proposed federal tribal family assistance plan that will be submitted to the
28 federal government for approval. The organization shall make its submission to the
29 department at least six months before the proposed effective date of the federal tribal
30 family assistance plan. The department shall review the submission and notify the
31 organization of significant deficiencies that would make the organization ineligible to

1 be considered for an Alaska Native family assistance grant even if federal approval is
2 received without significant changes to the federal tribal family assistance plan and
3 federal grant money is awarded for implementation of that plan. The organization may
4 make a supplemental submission to the department to resolve deficiencies noted by the
5 department. If, after departmental review and supplemental revision, an organization's
6 plan remains eligible for consideration for a grant award under this section, the
7 department shall notify the organization that the organization may submit a proposal
8 for a grant award after the organization has received notice of federal approval of the
9 federal tribal family assistance plan and the pending award of federal grant money.
10 The commissioner may waive the time deadline specified in this subsection if the
11 commissioner

12 (1) enters into a joint planning agreement between the department and
13 the organization; or

14 (2) finds good cause and the waiver is in the state's best interest.

15 (c) If the department awards a grant under this section, the grant shall be in
16 an amount that

17 (1) for the first fiscal year under the plan accepted by the department,
18 represents a fair and equitable portion of the state appropriations for the state public
19 assistance program administered under this chapter intended to serve the state residents
20 who will be served by the plan; and

21 (2) for the second and subsequent state fiscal years under the plan
22 accepted by the department, represents a fair and equitable portion of state
23 appropriations made for public assistance programs that is allocated for Alaska Native
24 family assistance grants to be awarded under this section in order to serve the state
25 residents who will be served by the plan; if the money is not allocated for these grants,
26 the amounts shall be made in the same manner as described in (1) of this subsection.

27 (d) For an organization to be eligible to be awarded a grant under this section,
28 the organization's proposal must include

29 (1) documentation that the organization

30 (A) has received federal approval of its federal tribal family
31 assistance plan to operate a tribal assistance program in this state; and

1 (B) will receive a grant directly from the federal government to
2 implement the federal tribal family assistance plan;

3 (2) a plan for operation of the Alaska Native family assistance grant
4 that meets the requirements of (e) of this section; and

5 (3) if the commissioner determines that a federally approved tribal
6 family assistance plan would be a cost-effective and efficient means of administering
7 the program established in this chapter in that region of the state and the needs of state
8 public assistance recipients receiving assistance under this chapter can be met through
9 a contract awarded under AS 47.27.072, the organization's agreement to enter into a
10 contract with the department to provide state public assistance to those eligible state
11 residents in the region who are not included in the population to be served by the
12 federally approved tribal family assistance plan.

13 (e) An organization's plan for operation of the Alaska Native family assistance
14 grant must

15 (1) be designed to facilitate self-sufficiency of assistance recipients in
16 the region specified in the federally approved tribal family assistance plan by
17 addressing the conditions specific to that region;

18 (2) provide for a reasonable pattern of service delivery from all
19 providers serving that region;

20 (3) serve a specified region that consists of a geographically cohesive
21 group of communities that share similar interests, resources, and traditions; and

22 (4) provide for administration of the grant money received under this
23 section to establish a program in accordance with the plan accepted by the department
24 and in compliance with other requirements of this section; the program must include
25 the following standards for providing assistance to eligible families:

26 (A) only families with at least one dependent child or a woman
27 in the last trimester of pregnancy are eligible for assistance paid from an
28 Alaska Native family assistance grant;

29 (B) amounts for assistance provided from an Alaska Native
30 family assistance grant to eligible families may not exceed the amounts
31 specified under AS 47.27.025(b) when combined with assistance provided

under the federally approved tribal family assistance grant;

(C) to remain eligible for assistance paid from an Alaska Native family assistance grant, a minor parent of a dependent child must meet the requirements of AS 47.27.027;

(D) families receiving assistance paid from an Alaska Native family assistance grant shall comply with the provisions of AS 47.27.035(a) regarding participation in work activities;

(E) families receiving assistance paid from Alaska Native family assistance grant money shall comply with the provisions of AS 47.27.040 regarding assignment of support rights and cooperation with the child support enforcement agency of the Department of Revenue;

(F) the organization has an impartial appeals process to allow for affected families in the region of the state covered by the plan accepted by the department to have a fair hearing.

(f) The department may award a grant under this section only if the department determines that the proposal, including a plan for operation of the grant, meets the criteria specified in (d) and (e) of this section and that an award of the grant to the organization would be in the public interest. The grant agreement must state that the Alaska Native family assistance program will require all program participants to assign child support rights to the Alaska Native family assistance program under AS 47.27.040, unless the Alaska Native organization elects to require participants to assign those child support rights to the state. The department may not distribute grant money until a grant agreement between the organization and the department is executed that meets the requirements of this section.

(g) Records pertaining to recipients of assistance from an Alaska Native family assistance grant awarded under this section are confidential public assistance records under AS 47.05.020 and regulations adopted under AS 47.05.020. Use and misuse of these records are subject to the provisions of AS 47.05.030. It is an official purpose under AS 47.05.020 for an organization receiving a grant under this section and the department or another agency of the state to exchange information concerning recipients of assistance under this section if the information requested is for purposes

1 directly connected with the administration of a grant under this section.

2 (h) An organization receiving a grant under this section shall provide to the
3 department a copy of its quarterly report made under 42 U.S.C. 611. The organization
4 shall have its financial records audited annually by a certified public accountant
5 authorized to practice under AS 08.04. The department may prescribe the form and
6 specify the information required to document compliance with this section.

7 (i) If an organization wishes to terminate its program before the end of the
8 time period for which the grant was awarded under this section, the organization must
9 obtain the consent of the department or provide notice to the department 120 days
10 before the anticipated date of termination. At the end of a grant agreement or by early
11 termination under this section, the organization shall provide an inventory of property
12 valued at \$1,000 or over and purchased, in whole or in part, with grant money awarded
13 under this section. The department shall notify the organization of the required
14 disposition of the property listed on the inventory.

15 (j) If the department awards a grant under this section, a person applying for
16 assistance under this chapter who is covered by the federally approved tribal family
17 assistance plan in that region of the state may obtain assistance from the department
18 only through the organization designated by the department to serve the region. A
19 person aggrieved by a decision made by an organization under a grant awarded under
20 this section may use the appeal procedure specified in AS 47.27.072(e).

21 **Sec. 47.27.072. Regional public assistance programs and contracts.** (a) To
22 implement AS 47.27.005(b), the department may develop a regional public assistance
23 program for the administration of this chapter in order to provide state public
24 assistance in a uniform and cost-effective manner in a region of this state if an Alaska
25 Native organization is authorized to implement a federally approved tribal family
26 assistance plan in the region and has been awarded an Alaska Native family assistance
27 grant for a program in that region for the applicable fiscal year under AS 47.27.071.
28 The regional public assistance program developed under this section must be designed
29 to serve eligible state residents in the region who are not covered by a federally
30 approved tribal family assistance program in that region.

31 (b) The department may award contracts to implement a program developed

1 under (a) of this section. A contract authorized for delivery of state public assistance
2 under a regional public assistance program under this section is exempt from the
3 competitive bid requirements of AS 36.30 (State Procurement Code). Subject to
4 appropriation, a contract under this section must be in an amount that represents a fair
5 and equitable share of the money appropriated to serve the state residents specified in
6 (a) of this section. This section provides additional authority to contract to that
7 available under AS 47.05.015 or other law.

8 (c) The department may award a contract under this section only to an
9 organization that

10 (1) has been awarded an Alaska Native family assistance grant for a
11 program in that region under AS 47.27.071;

12 (2) agrees to administer state public assistance under this chapter to
13 state residents in the region who are not served by the Alaska Native family assistance
14 grant awarded under AS 47.27.071;

15 (3) agrees to provide state public assistance identical to that provided
16 under the federally approved tribal family assistance plan for which Alaska Native
17 family assistance grant money has been awarded under AS 47.27.071; and

18 (4) agrees to implement an appeals process as described in (e) of this
19 section.

20 (d) Records pertaining to recipients of state public assistance under a contract
21 awarded under this section have the same confidential protections as are provided to
22 recipients of assistance from Alaska Native family assistance grants under
23 AS 47.27.071.

24 (e) An organization that receives a contract under this section shall provide an
25 appeals process to applicants for or recipients of state public assistance covered by the
26 contract awarded under this section. The appeals process must be the same as the
27 method available under the federally approved tribal family assistance plan, except that
28 the decision reached will be considered as a recommended decision to the department.
29 Within 30 days after receiving a recommended decision, the department shall review
30 the recommended decision and issue a decision accepting or rejecting the
31 recommended decision. If the department rejects the recommended decision, the

1 department shall independently review the record and issue its final decision. The
2 final decision of the department on the matter is appealable to the courts of this state.

3 (f) If the department establishes a regional public assistance program and
4 awards a contract to provide state public assistance under this section, a person
5 applying for state public assistance under this chapter in the region of the state covered
6 by the regional public assistance program may obtain state public assistance from the
7 department only through the organization designated by the department to serve the
8 region.

9 * **Sec. 24.** AS 47.27.900 is amended by adding a new paragraph to read:

10 (10) "federally approved tribal family assistance plan" means a plan
11 that meets the requirements of 42 U.S.C. 612 and has been approved for financing
12 through a tribal family assistance grant directly from the United States Department of
13 Health and Human Services.

18 earliest of the following occurs:

19 (1) the grant agreement expires;

20 (2) the grant agreement is terminated;

21 (3) a substantial modification is made to the grant agreement; routine technical
22 amendments to an existing Alaska Native family assistance grant agreement in effect on the
23 effective date of this Act do not constitute a substantial modification for purposes of this
24 paragraph.

25 * **Sec. 26.** The uncodified law of the State of Alaska is amended by adding a new section

MEMORANDUM

February 16, 2000

SUBJECT: Alaska Native Family Assistance Programs/Child Support
(Amendment 1 -GH1011\D.1)

TO: Representative Fred Dyson
Attn: Wes Keller

FROM: Terri Lauterbach
Legislative Counsel *Terri Lauterbach*

Enclosed is the amendment you requested for CSHB 98(CRA). The amendment is based on language you submitted, adapted to proper drafting style.

Under the bill, the state may give grants to Alaska Native family assistance programs (ANFAP's) that have been approved by the federal government to operate welfare programs for their tribal members. Under the amendment, these grantees are required to obtain an assignment of child support from assistance recipients; the grantee may require that the assignment be either to the ANFAP or to the State of Alaska. Regardless of which way the assignment runs, the amendment authorizes the child support enforcement agency to establish, modify, and enforce a child support order on behalf of the ANFAP assistance recipient. Child support recovered by the state on behalf of the ANFAP assistance recipient is returned to the Alaska Native family assistance program (unless the right to child support was assigned to the state).

A few preliminary observations:

I do not see anything in the amendment that would give the state any share of the child support recovered by CSED on behalf of an ANFAP assistance recipient, even though the state is providing some of the funds for the Alaska Native family assistance program. This is not necessarily bad; it is just a policy choice probably. It may be too administratively difficult, inefficient, or costly to split up recovered child support between the state and the Alaska Native program. There may or may not be much money at stake to make the split worthwhile.

I do not see anything in the amendment that affects Alaska Native family assistance programs that have been approved by the federal government but that have not chosen to get a state grant under AS 47.27.071. Only state grantees are covered by the enclosed amendment, as I understand it.

Page 2

The language in the sec. 12 that would be added by the amendment looks a little too discretionary or vague to me. That is, it says that if the person to whom child support is supposed to be paid is no longer on welfare when CSED recovers some child support, the state first pays the money to that person to cover the time since leaving welfare and then "may" either retain the rest of the money for the state or pay it to the Alaska Native family assistance program if support was assigned to the program. There is no priority established for whether the state gets its share first (assuming the person receiving welfare previously received assistance from the state and then moved into an Alaska Native program) or whether the Alaska Native program gets its share first. Administrative and litigation costs might be avoided if this section were clarified.

I hope these preliminary observations are helpful. Since time constraints applied to my preparation of this amendment, my observations may reflect merely a poor understanding of the language chosen for the amendment by its original author. I recommend that the original author be consulted on these issues. I would be happy to work jointly on clarifications if some are considered necessary.

Please let me know if I can be of further assistance.

6 **"* Sec. 2.** AS 25.27.045 is amended to read:

7 **Sec. 25.27.045. Determination of support obligation.** The agency may
8 appear in an action seeking an award of support on behalf of a child owed a duty of
9 support, or to enforce a spousal support order if a spousal support obligation has been
10 established and if a support obligation, established with respect to a child of that
11 spouse, is also being administered, and may also appear in an action seeking
12 modification of a support order, decree, or judgment already entered. Action under
13 this section may be undertaken upon application of an obligee, or at the agency's own
14 discretion if the obligor is liable to the state or an Alaska Native family assistance
15 program under AS 25.27.120(a) or (b).

16 *** Sec. 3.** AS 25.27.062(l) is amended to read:

17 (l) Unless modified or terminated by the agency or the court, an order to
18 withhold income under this chapter remains in effect, except as provided in (k) of this
19 section, until the support order is satisfied. The agency or court may not terminate
20 or modify an income withholding order solely on the ground that the obligor has paid
21 all arrearages. Upon satisfaction of a support order, if the order is

22 (1) being enforced by the agency, the agency shall, within 15 working
23 days, notify all persons served by the agency with the income withholding order that
24 withholding is no longer required; if the agency receives money from an obligor under

1 an income withholding order after the underlying support order has been satisfied and
 2 the agency was enforcing the support order at the time it became satisfied, the agency
 3 shall immediately return the overpayment to the obligor; if the agency fails to return
 4 an overpayment as required under this paragraph, the state is liable to the obligor for
 5 the amount of the overpayment, plus interest at the rate imposed under AS 43.05.225,
 6 and a person or an Alaska Native family assistance program to whom the agency
 7 erroneously disbursed the overpayment is liable to the state for the amount disbursed,
 8 plus interest at the rate imposed under AS 43.05.225;

9 (2) not being enforced by the agency, the obligor shall file a motion
 10 in court requesting termination of the withholding order and serve the motion on the
 11 obligee; the court shall enter an order terminating the withholding order if the court
 12 determines that the support order has been satisfied; the obligor may deliver a copy
 13 of the termination order to persons who were served with the income withholding
 14 order; when a termination order is entered, the obligee shall, upon request of the
 15 obligor, notify the obligor of all persons who have been served with the income
 16 withholding order by the obligee.

17 * **Sec. 4.** AS 25.27.065(b) is amended to read:

18 (b) When the right to receive child support has been assigned to a
 19 governmental entity or an Alaska Native family assistance program, an agreement
 20 under (a) of this section that has not been adopted as an administrative order of the
 21 agency is not effective during a period when the obligee is receiving assistance under
 22 AS 47.27 or from an Alaska Native family assistance program.

23 * **Sec. 5.** AS 25.27.080(b) is amended to read:

24 (b) The agency on behalf of the custodian, [OR] the state, or an Alaska
 25 Native family assistance program shall take all necessary action permitted by law
 26 to enforce child support orders so entered, including petitioning the court for orders
 27 to aid in the enforcement of child support.

28 * **Sec. 6.** AS 25.27.120(a) is amended to read:

29 (a) An obligor is liable to the state in the amount of assistance granted under
 30 AS 47.07 and AS 47.27, or to an Alaska Native family assistance program that
 31 receives a state grant under AS 47.27.071 in the amount of the family assistance
 32 provided by the program, to a child to whom the obligor owes a duty of support

1 except that, if a support order has been entered, the liability of the obligor for
 2 assistance granted under AS 47.27 or provided by an Alaska Native family
 3 assistance program that is receiving a state grant under AS 47.27.071 may not
 4 exceed the amount of support provided for in the support order, and, if a medical
 5 order of support has been entered, the liability of the obligor for assistance granted
 6 under AS 47.07 may not exceed the amount of support provided for in the medical
 7 order of support.

8 * **Sec. 7.** AS 25.27.120(c) is amended to read:

9 (c) Within 30 days after the agency knows the identity and address of an
 10 obligor who resides in the state and who is liable to the state or an Alaska Native
 11 family assistance program under this section, the agency shall send written
 12 notification by certified mail to the obligor and the obligee of the obligor's accruing
 13 liability and that the obligor shall make child support payments to the agency. The
 14 notice required under this subsection must be in clear, concise, and easily readable
 15 language. The notice may accompany other communications by the agency.

16 * **Sec. 8.** AS 25.27.120(d) is amended to read:

17 (d) If the agency fails to comply with (c) of this section, interest does not
 18 accrue on the liability to the state or an Alaska Native family assistance program
 19 unless a support order or medical support order, as applicable, has been entered.

20 * **Sec. 9.** AS 25.27.130(a) is amended to read:

21 (a) If the obligor is liable to the state or an Alaska Native family assistance
 22 program under AS 25.27.120(a) or (b), the state is subrogated to the rights of the
 23 obligee to

24 (1) bring an action in the superior court seeking an order of support;

25 (2) proceed under AS 25.27.160 - 25.27.270 to establish a duty of
 26 support; or

27 (3) enforce by execution, in accordance with AS 25.27.230 -
 28 25.27.270, or otherwise, a support order entered in favor of the obligee.

29 * **Sec. 10.** AS 25.27.130(c) is amended to read:

30 (c) The recovery of any amount for which the obligor is liable that exceeds
 31 the total assistance granted under AS 47.07 and AS 47.27 or under an Alaska Native
 32 family assistance program shall be paid to the obligee.

1 * **Sec. 11.** AS 25.27.130(d) is amended to read:

2 (d) Except as provided in (f) of this section, if the obligee is not receiving
3 assistance under AS 47.07 or AS 47.27 or under an Alaska Native family assistance
4 program at the time the state recovers money in an action under this section, the
5 recovery of any amount for which the obligor is liable shall be distributed to the
6 obligee for support payments, including medical support payments, that have become
7 due and unpaid since the termination of assistance under AS 47.07, [OR] AS 47.27,
8 or an Alaska Native family assistance program under a support order in favor of
9 the obligee.

10 * **Sec. 12.** AS 25.27.130(e) is amended to read:

11 (e) After payment to the obligee under (d) of this section, the state may retain
12 or pay to the Alaska Native family assistance program to which support has been
13 assigned an amount not to exceed the total unreimbursed assistance paid on behalf
14 of the obligee under AS 47.07, [OR] AS 47.27, or an Alaska Native family
15 assistance program.

16 * **Sec. 13.** AS 25.27.140(a) is amended to read:

17 (a) If a [NO] support order has not been entered, the agency may establish
18 paternity and a duty of support using [UTILIZING] the procedures prescribed in
19 AS 25.27.160 - 25.27.220 and may enforce a duty of support using [UTILIZING] the
20 procedure prescribed in AS 25.27.230 - 25.27.270. Action under this subsection may
21 be undertaken upon application of an obligee, or at the agency's own discretion if the
22 obligor is liable to the state or an Alaska Native family assistance program under
23 AS 25.27.120(a) or (b).

24 * **Sec. 14.** AS 25.27.165(a) is amended to read:

25 (a) Upon application from a mother, custodian, putative father, or legal
26 custodian of a child, or from a state or an Alaska Native family assistance
27 program, the agency may institute administrative proceedings to determine the
28 paternity of a child born out of wedlock.

29 * **Sec. 15.** AS 25.27.165(i) is amended to read:

30 (i) The agency may recover any costs it pays for genetic tests required by this
31 section from the putative father unless the testing establishes that the individual is not
32 the father, except that costs may not be recovered from a person who is a recipient

1 of assistance under AS 47.27 (Alaska temporary assistance program) or an Alaska
2 Native family assistance program.

3 * **Sec. 16.** AS 25.27.170(e) is amended to read:

4 (e) The hearing officer shall consider the following in making a determination
5 under (d) of this section:

6 (1) the needs of the alleged obligee, disregarding the income or assets
7 of the custodian of the alleged obligee;

8 (2) the amount of the alleged obligor's liability to the state or an
9 Alaska Native family assistance program under AS 25.27.120 if any;

10 (3) the intent of the legislature that children be supported as much as
11 possible by their natural parents;

12 (4) the ability of the alleged obligor to pay.

13 * **Sec. 17.** AS 25.27.180(b) is amended to read:

14 (b) Liability to the state or an Alaska Native family assistance program
15 under AS 25.27.120 is limited to the amount for which the obligor is found to be
16 responsible under (a) of this section.

17 * **Sec. 18.** AS 25.27.255(a) is amended to read:

18 (a) The agency shall pay to the obligee all money recovered by the agency
19 from the obligor under an income withholding order except for court costs and money
20 assigned to the agency under AS 25.27.120 - 25.27.130 or to an Alaska Native
21 family assistance program under AS 47.27.040. However, if there is more than one
22 income withholding order under this chapter against an obligor, the agency shall
23 allocate amounts available for withholding in a manner that gives priority to current
24 support up to the limits imposed under 15 U.S.C. 1673(b) (sec. 303(b), Consumer
25 Credit Protection Act). Notwithstanding the priority given to current support, the
26 agency shall establish procedures for allocation of support among obligees so that in
27 no case will the allocation result in a withholding order for one obligee not being
28 implemented."

3 (d) A participant in an Alaska Native family assistance program that is
4 receiving a state grant under AS 47.27.071 shall assign to the Alaska Native family
5 assistance program, unless the program has elected to require assignment to the state
6 under AS 47.27.071(f), all rights to ongoing child support that accrues after the
7 effective date of the assignment for the support of the individuals in the family for

11 support enforcement agency of the Department of Revenue, following the
12 determination of eligibility. Except with respect to any unpaid support that accrued
13 under the assignment, the assignment terminates when the family ceases to participate

16 upon the termination of an Alaska Native family assistance program.

17 (e) An Alaska Native family assistance program participant shall cooperate
18 with the child support enforcement agency of the Department of Revenue in the
19 manner described in (b) of this section in establishing paternity or establishing,
20 modifying, or enforcing a child support order requiring the payment of support by the
21 noncustodial parent for a dependent child for whom assistance is received. The child
22 support enforcement agency shall inform the Alaska Native family assistance program
23 if it determines that the participant is not in good faith compliance with the
24 requirements of (b) of this section. The Alaska Native family assistance program
25 shall determine whether the participant has good cause for refusing to cooperate.

26 (f) An Alaska Native family assistance program that receives assignments of
27 ongoing child support must provide public assistance information concerning those
28 assignments to the child support enforcement agency of the Department of Revenue
29 in a timely manner in order to establish a valid assignment. The information must be

STATE OF ALASKA
OFFICE OF THE GOVERNOR
JUNEAU

February 18, 1998

The Honorable Brian Porter
Speaker of the House
Alaska State Legislature
State Capitol
Juneau, AK 99801-1182

Brian
Dear Speaker Porter:

The bill I transmit today continues Alaska's efforts to implement effective and responsible welfare reform, particularly in rural areas. This bill builds on the provision in federal welfare reform law that allows regional non-profit Native corporations to develop and implement independent welfare programs promoting local responsibility for program success by tying program assistance to local economic and social conditions. Under this bill, the Department of Health and Social Services (DHSS) will be able to award grants to regional Native organizations operating tribal family assistance plans that differ from the Alaska Temporary Assistance Program plan because they are designed to meet regional circumstances.

The federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996 provided that specifically named Alaska Native organizations could propose to operate tribal temporary assistance plans, independent of the state plan, to serve the Alaska Native and Indian populations within a specific geographical region. A state- and federally-approved tribal family assistance plan will receive, directly from the federal government, a portion of Alaska's allocation of the Temporary Assistance for Needy Families block grant money. The federal money, however, is only about half of the money that has historically been appropriated to serve this population. This bill establishes clear statutory standards under which the state would provide grants to Alaska Native organizations with federally-approved tribal plans that differ from the state's plan.

As of October 1, 1998, Tanana Chief's Conference, Inc. (TCC) received approval from the federal government to operate its own tribal temporary assistance program for needy families. The DHSS developed a plan with TCC to serve tribal program recipients.

Governor

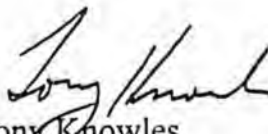

The Honorable Brian Porter
February 18, 1999
Page 2

Under current state law, however, the program must be identical to the state's temporary assistance program. As a consequence, the state loses the opportunity to shape regional programs to meet regional conditions. This bill will make it possible for regional programs to be designed to specifically address local circumstances.

Regional tribal plans are expected to be custom designed to meet the economic conditions and needs of the region. This bill also would allow the DHSS to adopt a regional plan for non-tribal members if such a plan appears more suitable to address regional conditions. Therefore, program standards under a regional plan could differ from some otherwise generally applicable standards of the state's plan, but would always contain specifically identified program elements.

This bill will contribute to making our public assistance programs more effective by considering regional conditions in plan developments. I urge your support of this measure.

Sincerely,

Tony Knowles

ANALYSIS: (Attach a separate page if necessary)

Under federal law, 12 Alaska Native regional non-profits and the village of Metlakatla are authorized to receive federal funds for the administration of tribal family assistance programs. This legislation authorizes the department to grant and contract with Alaska Native regional non-profit organizations for the operation of tribal family assistance programs providing temporary assistance and supportive services to recipients living in regions served by the regional non-profits and the village of Metlakatla. The legislation also provides for the approval of regional public assistance programs, serving both Native and non-Native families, designed to achieve administrative efficiency and cost effectiveness.

Passage of this legislation will have profound impacts both on the delivery of temporary assistance and supportive services to needy Alaskan Natives and others served by regional assistance programs and on general DPA operations. (Continued)

ANALYSIS (cont.):

Effects will be felt in various areas of DPA program administration and operation. Fiscal impacts, however, are contingent upon which organizations actually pursue implementation of tribal assistance programs and the approval of regional assistance programs.

A new component has been added to the DPA budget that will accommodate the inclusion of tribal family assistance programs and regional assistance programs in the agency's planning process. In the future, agency budget requests will reflect the financial impact resulting from the development and implementation of these programs.

**Proposed Amendment to
CSHB 98 (CRA)**

All families who apply for the Alaska Temporary Assistance Program must assign any rights to child support payments to the state. The Child Support Enforcement Division (CSED) collects these payments to offset the cost of the family's public assistance benefits.

Currently, Alaska statute does not allow assignment of child support payments to any entity but the state. This amendment would change the law to add Alaska Native family assistance programs as entities to which child support payments can be assigned. The amendment requires that families who participate in an Alaska Native family assistance program assign any rights to child support payments to that program. The Alaska Native family assistance program must then notify CSED of the assignment. The amendment also clarifies that a participant in an Alaska Native family assistance program must cooperate with CSED in establishing paternity for all children in the family.

ANALYSIS: (Attach a separate page if necessary)

This is not a zero fiscal note. There will be a cost associated with this program but the department is unable to determine the amount at this time.

CS HB113 will establish a program that will allow high school students in grades 11 and 12 and students that have not passed the high school qualifying exam to attend a state operated postsecondary school free of tuition. This legislation will require school districts to pay tuition to the postsecondary school with existing foundation funds.

7 of the school year, or [AND] who [IS UNDER THE AGE OF 20 AND] has not
8 completed the 12th grade, is of school age.

9 * **Sec. 2.** AS 14.03.080(b) is repealed and reenacted to read:

10 (b) A person who is 20 years of age or older may be admitted to the public
11 school in the school district of which the person is a resident only if the governing
12 body determines that the person has the mental, physical, and emotional capacity to
13 perform satisfactorily for the educational program being offered.

14 * **Sec. 3.** AS 14.30 is amended by adding new sections to read:

1 **Article 10. Postsecondary Enrollment Options Program.**

2 **Sec. 14.30.760. Postsecondary enrollment program.** (a) A student enrolled
3 in a secondary school in a school district or otherwise receiving an 11th or 12th grade
4 education as described in AS 14.30.010(b)(1) or (10) - (12) may also apply for
5 enrollment in courses at a state-operated postsecondary institution. If a postsecondary
6 institution accepts a secondary school student, the institution shall send written notice
7 to the student, the student's school district, and the department within 10 days after
8 acceptance. The notice must include the student's courses and hours of enrollment.

9 (b) A school district shall make counseling services regarding the risks and
10 possible consequences of enrolling in postsecondary courses available to students and
11 a student's parents or guardian. Upon request, the department shall provide assistance
12 to a school district in developing counseling programs.

13 (c) A student may not enroll in postsecondary courses (1) if the same class is
14 offered at the student's secondary school or (2) for secondary credit for more than the
15 equivalent of one school year. A student who has graduated from high school may not
16 participate in the postsecondary program established under this section, but a student
17 who has completed course requirements for graduation but has not received a diploma
18 may participate.

19 (d) Students who have graduated from high school may receive enrollment
20 priority over secondary school students in a postsecondary institution. A
21 postsecondary institution may provide program information but may not recruit or
22 solicit secondary school student participation. A governing body may not prohibit a
23 secondary school student from participating in extracurricular activities if the
24 prohibition results from enrollment in a postsecondary course as described under this
25 section.

26 **Sec. 14.30.770. Calculation of academic credit.** (a) A student who enrolls
27 in and successfully completes a postsecondary course shall receive secondary school
28 credit as provided under (b) of this section and postsecondary school credit as provided
29 by the postsecondary institution.

30 (b) The department shall determine the secondary school academic credit to
31 be granted to a student who successfully completes a postsecondary course. As

1 determined by the department, a governing body shall grant academic credit towards
2 graduation requirements and subject area requirements. The completion of a
3 postsecondary course must be included in the student's academic record.

4 (c) A postsecondary institution may not charge a tuition fee for the award of
5 credit described in this section.

6 **Sec. 14.30.780. Funding for postsecondary institutions.** (a) Subject to
7 appropriation, the district shall make payments required under this section for
8 postsecondary courses taken for secondary school credit. The district may not make
9 payments for a course from which a student withdraws during the first 14 days of the
10 quarter or semester.

11 (b) A postsecondary institution operated by the state that enrolls a secondary
12 school student shall receive the lowest of the following amounts:

13 (1) for an institution granting

14 (A) quarter credit, the reimbursement per credit hour is equal
15 to 88 percent of the per student amount represented by that student in that
16 school district under AS 14.17, multiplied by 1.3 and divided by 45; or

17 (B) semester credit, the reimbursement per credit hour is equal
18 to 88 percent of the per student amount represented by that student in that
19 school district under AS 14.17, multiplied by 1.3 and divided by 30; or

20 (2) the amount agreed to between the governing body of that district
21 and the postsecondary institution.

22 (c) The district shall pay the amounts described under (b) of this section within
23 30 days after receiving initial enrollment information for each quarter or semester.
24 Any changes in enrollment information shall be reported by the postsecondary
25 institution at the time for reporting enrollment information in the following quarter or
26 semester. If the district determines that an overpayment has occurred, the institution
27 shall promptly remit the amount overpaid to the district.

28 **Sec. 14.30.790. Funding for school districts.** Subject to appropriation and
29 in addition to funding received under AS 14.17, the department shall make payments
30 to a school district for a student who is enrolled in a postsecondary institution in order

1 (1) for a student not attending classes in the school district, the school
2 district shall receive 12 percent of the per student amount represented by that student
3 in that school district under AS 14.17, multiplied by 65 percent, and that product
4 multiplied by 1.3; or

5 (2) for a student attending classes in the school district on a part-time
6 basis, the school district shall receive the per student amount represented by a student
7 of school age attending the same classes in that school district under AS 14.17,
8 multiplied by 65 percent, that product multiplied by 1.3, and that product multiplied

20 college, or university operated by the state primarily offering academic, vocational, or

REGULATION CHANGE ON AGENDA

(From "Information Exchange", Alaska DOE, April 2, 1999)

The State Board of Education will meet in Anchorage on April 15 to decide whether to open comment on a proposed regulation that would allow high schools to continue services to students who do not pass the High School Graduation Qualifying Examination by the time they finish their high school course work until they turn 20. A long-standing law, AS 14.03.079, defines school age to be age 6 to under the age of 20 if a student has not completed the 12th grade. The new high school qualifying exam, that takes effect with the Class of 2002, raises questions about the meaning of the word "completed." This is because a different state law will deny a high school diploma to students who do not pass the exam. Those who do not pass will receive a certificate of attendance. The question that arises is: "Has a student 'completed' the 12th grade if he or she has not passed the test and received a diploma?" If adopted, the proposed regulation would answer 'No' to that question, which would in turn allow public schools to continue serving students until they were 20 or until they passed the exam. When a student receives a diploma, he or she has "completed" high school. Students are allowed to take the exam for up to three years after they leave high school.

The board also will discuss a selection process for a new commissioner of education. The meeting will be at the Talking Book Center, 344 West Third, Anchorage starting at 9 a.m.

Alaska Adult Education Assn

FACT SHEET: Did You Know That...

- The yearly target population for ABE programs is 54,000 people over the age of 16 who do NOT have high school diplomas. With current funding, we only can serve 7,000 of these people yearly.
- 20-28% of Alaska's high school diplomas yearly are awarded through Adult Basic Education (ABE) programs! That's 1 in 5. Some years it is as high as 28% - that's more than 1 in 4 which are GED diplomas.
- All ABE programs serve welfare-to-work clients who had taken jobs and found they lacked the skills needed to retain their jobs.
- ABE programs are partners in the welfare-to-work efforts. We are often the last line of defense before people slip into a life of crime.
- All ABE programs take referrals from the Division of Public Assistance so that unemployed workers and teen parents could get help in specific reading, writing and math skills so they could become productive wage earners and taxpayers.
- At least 560 Alaskans obtain jobs and 350 are removed from public assistance yearly as a direct result of their increased education through Alaska's ABE programs.
- Each ABE teacher serves 58 full time students (showing how we're extremely efficient).
- Funding ABE programs now saves the State in the long run, because we get people off welfare. NOT funding ABE programs fully in the future will cost the State more in the future because more illiterate drop outs will go on welfare.

17 statewide programs provide GED instruction, costing only \$332 per student each year! These programs are:

- 1. Aleutian Chain Regional Adult Education Program**
- 2. Anchorage Adult Learning Center**
- 3. Anchorage ATAP/ABE Program: Nine Star Enterprises**
- 4. Anchorage Literacy Project**

Harold was a 24-year old who moved to Alaska from Idaho. He had worked as a laborer and as a checkout clerk at Safeway, but he couldn't support his wife and daughter on his meager wages. He almost went on welfare. But instead, he started going to evening GED classes three times a week, and spent his weekends doing homework. After four months, Harold earned his GED diploma, with scores in the 80th percentile range. He was accepted into a union apprenticeship program and now earns \$17 per hour. Without the services of his local GED Program, he would have slipped onto the welfare rolls. Congratulations, Harold—yours is indeed a true success story!

The College Connection

Memorandum of Agreement between University of Alaska Southeast and Juneau School District

1. Program Description

The Juneau School District (JSD) and the University of Alaska Southeast (UAS) here jointly create the College Connection program. The purpose of this program is to allow qualified JSD students to simultaneously earn both high school and college academic credit. Evidence shows that highly able learners can greatly benefit from the subject-specific acceleration offered in this type of program. Twenty-one other states now offer dual enrollment for highly able, motivated students. Specifically, the program will allow:

- A. Selected seniors and juniors to take up to two courses per semester.
- B. Selected freshman and sophomores to take one course per semester.
- C. Selected, rare & highly able middle school students to take a particular course.

2. Student Eligibility

- A. **Application Process** - The interested JSD student must submit:
 - (1.) Transcript with a 3.0 GPA or higher;
 - (2.) Application signed by both JSD and UAS program advisors;
 - (3.) As part of the application form, a Statement of Understanding signed by student & guardian. Attests to recognition of the rigors of college work and of the adult themes often endemic to college materials and discourse;
 - (4.) A short, type-written explanation that describes why student wants to participate;
- B. **JSD Endorsement** - Signature by JSD College Connection Advisor requires:
 - (1.) Assessment of the student's social and academic maturity;
 - (2.) Referral by department head or building principal;
 - (3.) Student has and maintains a "B" (3.0) JSD grade-point-average;
 - (4.) If student has taken prior UAS CC courses, then grade of "C" (2.0) from each UAS course is required;
 - (5.) Student has exhausted course sequence at high school, or there are unresolvable scheduling conflicts, or there are other substantive reason(s) (e.g. inclusion in IEP).
 - (6.) For the rare middle school student, he/she must also have a support letter from the building principal, Special Ed. Director, or school's counselor.

C. Right to Refuse -

- (1.) UAS and JSD reserve the right to deny enrollment in the College Connection if the applicant does not meet the here-listed eligibility requirements.
- (2.) Each program participants must earn at least the grade of "C" (2.00) in each course that he/she registers for. Failure to do so will disallow further participation in the College Connection program.

3. Course Credit

- A. **Dual Credit** - Admission to the College Connection program means that UAS college course work will generate "dual credit". This means that successful completion of a UAS college course (grade of "C" or better) will allow for both college and high school course credit.
- B. **Equivalency** - One 3-or-more credit UAS course is equivalent to one JDHS "credit". This equivalency is applicable for all College Connection program students regardless of grade-level.

4. Records & Data

- A. **Confidentiality** - All student-specific records will remain confidential and handling of such records will be in keeping with the Buckley Amendment. Release of information about any particular program student must be authorized by prior signature of that student and/or his legal guardian. JSD and UAS College Connection staffs are authorized to communicate about each student via student submission of a signed program application. A parents' signature block will be added to the application for endorsing the authorization of JSD-UAS communication.
- B. **Grades and Transcripts** - UAS will maintain academic records in the manner that it does for all other university students. Students must request academic transcripts in writing. The JSD Registrar will be officially notified of course completion(s) via direct mailing of transcripts from UAS following written student request.
- C. **Database** - JSD and UAS will jointly maintain a confidential database that retains data on use, impact, and costs of the program. The participation of each and every program student will be noted. A report of aggregated information will be issued to the Program Advisory Team and other stakeholders at least once per semester.
- D. **Report of Experience** - The program will issue periodic reports of data and progress to stakeholders. These reports will present aggregated information only and will not identify any given student unless that student provides prior written consent.

5. Payment of Costs

- A. **Tuition** - The cost of tuition and the associated expenses of fees and books will be paid by JSD upon billing by UAS following Semester Week-3.
- B. **Grade Requirement** - JSD is responsible for tuition and associated costs only if the student earns the final grade of "C" in each given course.
- C. **Only Accepted Students** - JSD will make payment only for UAS tuition and costs of accepted College Connection program students.
- D. **Transportation by Student** - Neither JSD nor UAS will cover the costs of transportation between JSD, UAS and/or the student's home. Rather, transportation and associated costs will remain the student's responsibility.

6. Faculty Participation

- A. **Participation** - The administrations of JSD and UAS will inform respective faculties of the CC program. UAS faculty will accept and teach CC students just as other UAS students are accepted and taught.
- B. **Referral** - JSD faculty are encouraged to refer potential student candidates to respective department heads and to the CC Adviser(s) for possible consideration.

7. Communication

- A. **Program Advisory Team** - The Program Advisory Team (PAT) will meet at least once per semester to review the use, impact, costs of, and possible improvements for College Connection. PAT membership will consist of: (a.) one JEA union representative, (b.) one JSD representative, (c.) one UAS representative, and (d.) one Extend Learning PAC representative.
- B. **Utilization Review** - The PAT program review process will be open to all stakeholders. Utilization review of course enrollment and other data will be done, in part, to help guide JSD administrators and faculty in decisions about the need for further AP high school course development.
- C. **IEP Process** - Students who are identified by JSD as "gifted and talented" (G/T) may be particularly apt to apply for entry into the College Connection. Each G/T student is required to have an Individual Education Plan (IEP) and the student's Child Study Team may elect to specify program participation as part of student's Individual Education Plan.

D. Catalogues & Materials - JSD and UAS will jointly develop language and promotional materials which describe the College Connection program. These descriptions will be included in both institutions' catalogues.

8. Appeal Process

A. Process: Appeal of College Connection program decision(s) regarding (1.) entrance, or (2.) denial of program participation, or (3.) the allowed maximum number of CC courses per semester, is made via a two-step process. The first required step is to seek resolution through the informal step of directly contacting the CC Adviser(s). If resolution is not attained, the next step is to pose the request to the CC Appeal Body. All decisions of the Appeal Body are final within JSD, UAS and the Extended Learning Parents Action Committee (EL-PAC). Questions are called once only.

B. Appeal Body: The Appeal Body consists of: (1.) the UAS Chancellor or his/her designee, (2.) the JSD Superintendent or his/her designee, and (3.) the EL-PAC President or his/her designee

Sponsor Statement for HB 113

Postsecondary Enrollment Options Program

This legislation is intended to allow eleventh and twelfth grade students attending a secondary school to have the option of taking postsecondary classes at a nearby college campus.

Modeled after a program already in effect in Minnesota, HB 113 gives high school students the opportunity to take more advanced classes within the university system and count them toward their requirements for graduation from high school. The bill further recognizes that secondary students are part of the public education foundation formula and provides for tuition assistance whenever the secondary student chooses to count college courses toward his or her high school graduation requirements.

HB 113 will give our public school students more options in planning their curriculum. Instead of being limited to those classes offered by the local high school, this bill, if enacted, would give our public school students a wider variety of options by including courses available at the local college campus.

We are all looking for ways to improve our educational system. Expanding the opportunities for our young people is one way we can accomplish that. HB 113 takes a step in that direction.
