MEMORANDUM

March 23, 2002

SUBJECT: Repeal of the salmon marketing tax (CSSB 282(L&C))

TO: Senator Ben Stevens

FROM: George Utermohle *GU*
Legislative Counsel

This memorandum is in response to your query regarding the repeal of the salmon marketing tax and sec. 3 of CSSB 282(L&C).

The salmon marketing tax imposed under AS 43.76.110 - .130 will be repealed on June 30, 2003. See, sec. 9, ch. 55, SLA 1993, as amended by sec. 1, ch. 111, SLA 1998. After June 30, 2003 the tax will not be collected because the authority to impose the tax will have been repealed. Taxes are repealed on the date set out in law. The salmon marketing tax does not sunset.¹ There is no wind down year for the salmon marketing tax.

Similarly the related provisions of AS ^{16,51,100}~~16,43,100~~(7) - (9) which pertain to certain salmon marketing activities of the Alaska Seafood Marketing Institute are repealed on June 30, 2004.

Under sec. 3 of CSSB 282(L&C) the salmon marketing tax is continued until June 30, 2008 at which time it will be repealed. And under sec. 4 of CSSB 282(L&C) certain salmon marketing activities of the Alaska Seafood Marketing Institute are continued until June 30, 2009 at which time they will be repealed.

If I may be of further assistance, please advise.

GU:lmb
02-046.lmb

¹ Sunsets are a special procedure that is applied to specified state programs, such as occupational licensing and regulation programs. State taxes are not subject to sunsets.

| Part-time | | | | | | |
| Temporary | | | | | | |

ANALYSIS: (Attach a separate page if necessary)
The Receipt Supported Services fund source stated here is derived from the collection of the 1% Salmon Marketing Tax. The 1% Salmon Marketing Tax is calculated on the actual Annual Harvest ex-vesse! value of all salmon harvested in Alaska in any given year. Because of the varying cyclic nature of the salmon harvests from year to year, an average salmon ex vessel harvest value of \$180,000,000 per year of which 1% Salmon Marketing Tax equals \$ 1,800,000 has been used as the estimated collectable revenue for ASMI.

The estimated expenditures are based on a percentage ratio .
