MEMO

To: Tape Log Book

From: Chottie Angst
Committee Secretary
House Judiciary

The tape (Side 2) for the Judiciary Committee hearing on 4/26/77 relating to SB 89 was accidentally erased.

It was erased on the morning of 4/27/77 by the Rules Committee. The Rules Committee was in the Judiciary Committee room for their meeting. When reaching for a tape on which to tape their meeting, our tape was taken and when their meeting was recorded, the Judiciary hearings from the previous day which were on that tape were erased.

Side 1 of the tape of the Judiciary meeting (tape #35) from 4/26/77 was not erased. It was duplicated at the state library so that we could keep a copy here and then return the other tape to the Rules Committee.
