HOUSE JOINT MEMORIAL NO. 11.

To the Senate and House of Representatives of the United States of America, in Congress assembled:

We, your memorialists, the Legislature of the Territory of Alaska, do most earnestly and respectfully request that

Whereas, during the past ten years or more the wolves in Alaska have been steadily and rapidly increasing in number and during the winter months the deer, moose and caribou are an easy prey to them, and such inroads have been made on the supply of deer, moose, reindeer and caribou that it is only a question of a short time when these valuable game animals will become extinct unless steps are taken to kill off this enemy, and

Whereas, it is becoming a matter of serious consideration that the said wolves, as the deer, moose and caribou are thinned out, will become a menace to human life,

Therefore be it resolved, by the Legislature of the Territory of Alaska, that we most respectfully and earnestly petition the Senate and House of Representatives of the United States of America, in Congress assembled, that Congress offer and pay a bounty of at least

Ten Dollars (\$10.00) for each wolf killed in the Territory of Alaska.

Be it lastly resolved, that a copy hereof be sent to the President of the United States Senate and to the Speaker of the United States House of Representatives, and the Honorable James Wickersham, Delegate to Congress from Alaska, and we, your memorialists, will ever pray.

Passed the House, April 17, 1913.

Passed the Senate, April 19, 1913.

HOUSE JOINT MEMORIAL NO. 12.

To the Senate and House of Representatives of the United States of America, in Congress Assembled:

We, your memorialists, the Legislature of the Territory of Alaska, do most earnestly and respectfully request that

Whereas the Kougarak Mining District is rich in placer gold and other resources, and that from the nature of the country between the said district and the ocean, the transportation charges on freight are almost prohibitive, and

Whereas, it is feasible to construct a road from Davidson's Landing on the Mary's River to Taylor Creek in the center of the active mining now being carried on, and

Whereas, the said wagon road will be a trunk line for the whole Kougarak Mining District, we, your memorialists, do ever pray that Congress appropriate the sum of fifty thousand (\$50,000) dollars for the construction of said wagon road, the same to be under the supervision of the Alaska Road Commission; and that copies of this memorial be sent to the President of the United States Senate, the Speaker of the United States House
