SENATE JOINT MEMORIAL NO. 15.

To the Honorable, the President of the United States
United States in Congress assembled:

We, your memorialists, the Senate and House of Representatives of the Territory of Alaska, in legislative session assembled, do most respectfully and earnestly represent that

Whereas, the Congressional appropriation for the payment of mileage to members of this Legislature amounts to sixty-five hundred dollars (\$6500.00); and

Whereas, payment at 15 cents per mile, for the actual number of miles covered by said members in coming to Juneau, Alaska, the Capital, and to be travelled by them in returning to their respective homes in Alaska, after the close of the session, as fully and accurately set forth in the mileage tables prepared by the Governor of the Territory, will exceed said appropriation by twenty-two hundred and sixty seven dollars and twenty cents (\$2267.20);

Now therefore, we, your memorialists, respectfully pray that the Congress of the United States enact a deficiency appropriation bill covering the said deficiency.

Passed the House, April 12, 1913.
