

CHAPTER 6.

AN ACT

[H. B. 13.]

To amend Sections One and Two of Chapter 29 of Session Laws of Alaska for 1913, an Act entitled "An Act to declare employment in underground mines, applied to metalliferous lode mining only, underground workings, open cut workings, open pit workings, smelting, [smelters,] reduction works, stamp mills, roller mills, concentration mills, chlorination processes, cyanide processes, to be injurious to health and dangerous to life and limb; to regulate and limit the hours of employment in said occupations. To declare the violation thereof a misdemeanor and to provide penalties for the violation thereof," approved April 24, 1913.

Be It Enacted by the Legislature of the Territory of Alaska:

Secs. 1 and 2, Ch. 29, Session Laws 1913, amended That Sections One (1) and Two (2) of Chapter Twenty-Nine (29) of the Session Laws of Alaska for 1913, entitled, "An Act to declare employment in underground mines, applied to metalliferous lode mining only, underground workings, open cut workings, open pit workings, smelting, [smelters] reduction works, stamp mills, roller mills, concentrating mills, chlorination processes, cyanide processes, to be injurious to health and dangerous to life and limb. To regulate and limit the hours of employment in said occupations; to declare the violation thereof a misdemeanor and to provide penalties for the violation thereof," approved April 24th, 1913, be amended so as to read as follows:

Employment in certain occupations injurious and dangerous.

Section 1. Employment in underground mines, underground workings, open cut, open pit workings, smelters, reduction works, stamp mills, roller mills, concentrating mills, chlorination processes, cyanide processes, gypsum mines and other quarries, coal mines and in and around coke ovens, is hereby declared to be injurious to health and dangerous to life and limb.

Period of employment therein limited

Section 2. That the period of employment of working men in underground workings, underground mines, stamp mills, roller mills, open cut and open pit workings as applied to metalliferous mining, underground placer

mining, smelters, reduction works, concentrating mills, gypsum mines and quarries, chlorination processes, cyanide processes, coal mines and in and around coke ovens shall not exceed eight (8) hours within any twenty-four (24) hours, except on such days as change of shift is made, excluding, however, any intermission of time for lunch or meals, and excluding also the time required in descending to and ascending from, or otherwise going to or from the place where the work is actually carried on, whether going to or coming from the place of work be in going on or off shift, or in going to or returning from meals or lunch; it being the intention of this Act to limit the hours of employment in any twenty-four (24) hours to eight (8) hours of actual labor at the face or other place or places where the work or labor to be done is actually performed; except in case of emergency where life or property is in imminent danger, or in case of urgent necessity, the period may be extended during the continuance of such emergency or urgent necessity providing this Act shall also apply to and include rock quarries, gypsum quarries or workings, coal mines, metalliferous lode mining, underground workings in placer mining claims, and all other kinds of underground workings of any kind or character whatsoever.
