

## HOUSE JOINT RESOLUTION NO. 5

TO THE WAR DEPARTMENT OF THE UNITED STATES AND  
THE UNITED STATES SIGNAL CORPS:

BE IT RESOLVED BY THE LEGISLATURE OF THE TERRITORY  
OF ALASKA:

WHEREAS, the Nome radio telegraph station has been profitably operated and maintained from its inception; and,

WHEREAS, even with the improved mail service, letter communication entails serious delay, rendering imperative the use of the radio service for the transaction of the major part of the business; and,

WHEREAS, we are convinced that the volume of traffic through the radio station could be greatly increased and stimulated by a lower rate thereby accelerating the industrial and economic development of the Territory,

NOW, THEREFORE, BE IT RESOLVED, that the War Department and United States Signal Corps be petitioned to grant us whatever reduction is compatible with the splendid service maintained; and,

BE IT FURTHER RESOLVED, that copies of this resolution be forward to the Honorable A. J. Dimond, Delegate to Congress from Alaska.

Passed by the House, March 14, 1941.

Passed by the Senate, March 19, 1941.
