CHAPTER 84

AN ACT

[H. B. 98]

Relating to the registration and licensing of professional engineers and architects; amending Sec. 35-2-146 ACLA 1949, Sec. 35-2-149 ACLA 1949 as amended by Ch. 111 S. L. A. 1949, and Sec. 35-2-155 ACLA 1949.

Be it enacted by the Legislature of the Territory of Alaska:

Section 1. That Sec. 35-2-146 ACLA 1949 is hereby amended to read as follows:

Sec. 35-2-146. REGISTRATION FUND: EXPENSES: PAYMENT: REPORT: LIST OF REGISTRANTS. The fees derived from the operation of this Act shall be paid into a special fund in the Territorial Treasury, to be known as the engineers and architects registration fund, which is hereby created. If, at the end of any calendar year, the total amount in said Fund shall exceed \$10,000.00, then all moneys in excess of \$10,000.00 shall be covered into the General Fund of the Territorial Treasury. Warrants for the payment of necessary expenses incurred by this board in the performance of

report.

Section 2. That Sec. 35-2-149 ACLA 1949, as amended by Ch. 111 S.L.A. 1949, is hereby amended to read as follows:

Sec. 35-2-149. CERTIFICATES OF REGISTRATION: FEE EXPIRATION: RENEWAL.

(1) (Applicant passing examination.) Upon receipt of an additional ten (\$10.00) Dollars to be known as the annual license fee, the Board shall issue to any applicant who has been certified as having passed the examination conducted by the board a certificate of registration signed by the president and the secretary of the board, whereupon such applicant shall be authorized to practice, only in the field or fields in which registered, professional engineering or professional architecture hereunder; provided, that such applicant comply with the residence pro-

visions as required for examination by this Act.

Engineer
specialist.

(2) (Engineer-Specialists). The board hereunder is authorized to provide, within the meaning and intent of this Act, for the registration of Engineer-Specialists as subordinate branches of the major fields of engineering as designated by the board. In case of such registration, the provisions of the Act relating to qualifications, examinations, fees and seal provided herein shall be applicable. The term "engineer-specialist" as used in this Act shall mean a person who can qualify for registration in a specialized field of engineering under one of the major branches as designated by the board, such as land surveyor, sanitary engineer, radio engineer, telephone engineer, etc.

Training
fee.

(3) (Engineer-in-Training: Architect-in-Training.) The board may, upon payment of the examination fee prescribed elsewhere herein, accept for examination an applicant for certification as an engineer-in-training or architect-in-training as hereinafter defined. Following the issuance of a certificate of engineer-in-training or architect-in-training, each such certificand shall pay an annual license fee of Ten Dollars during the time such certificate is in effect.

Definition
"in-training."

The term "engineer-in-training" or "architect-in-training" as used in this Act shall mean a candidate for registration as a professional engineer or professional architect who is a graduate in an approved engineering or architectural curriculum of four years or more from a school or college approved by the board as of satisfactory standing; or who has had four

years or more of experience in engineering or architectural work of a character satisfactory to the board; and who, in addition, has successfully passed the examination in the fundamental engineering or architectural subjects prior to completion of the requisite years of experience in engineering or architectural work, as provided in this Act; and who shall have received from the board, a certificate stating that he has successfully passed this portion of the professional examinations.

(4) (Holders of certificates from other state or country.) The board shall from time to time examine the requirements for the registration of professional engineers and professional architects in other states, territories and countries and shall record those in which, in the judgment of the board, standards not lower than those provided by this Act are maintained. The secretary of the board, upon the presentation to him by any person of satisfactory evidence that such person holds a certificate of registration issued to such person by proper authority in any state, territory or country so recorded, may, upon approval by an examining quorum of the board hereunder:

partnerships.

(5) (Partnerships; Individual Registration Required.) Whenever two or more individuals practice, or offer to practice as a partnership, professional engineering or professional architecture within the meaning and intent of this Act, each individual so practicing shall qualify and register separately, and individually, hereunder, provided that nothing herein shall be construed to prohibit any individual or partnership of individuals duly registered and practicing hereunder from employing or retaining the services of qualified associates, consultants or specialists in the performance of their professional services.

Replacement
fee.

(6) (Replacement certificate.) A new certificate of registration to replace any certificate lost, destroyed or mutilated, may be issued, subject to the rules and regulations of the board. A charge of Three (\$3.00) Dollars shall be made for such reissue.

Expiration
date.

(7) (Expiration and renewal.) Certificates of registration shall expire on the last day of December following the date of their issuance or renewal and shall become invalid on that date unless renewed. It shall be the duty of the secretary of the board to notify every person registered under this Act, of the date of the expiration of his certificate and the amount of the renewal fee that shall be required for its renewal for one year. Such notice shall be mailed
