

HOUSE MEMORIAL NO. 22

TO THE CONGRESS OF THE UNITED STATES; TO THE BUREAU OF THE BUDGET; AND THE HONORABLE E. L. BARTLETT, DELEGATE TO CONGRESS FROM ALASKA:

Your Memorialist, the House of Representatives of the Legislature of the Territory of Alaska, Twenty-first Session assembled, respectfully represents:

WHEREAS, the U. S. Army Engineers have approved twelve or more Harbor Projects in Alaska during the past several years; and

WHEREAS, these Harbor projects have not been completed because of lack of sufficient appropriations; and

WHEREAS, many of these harbors are fast becoming overcrowded by our fishing fleets; and

WHEREAS, this Harbor Improvement Program has a direct bearing on the Defense Program not only as its affects food production but also because the improved harbor facilities would not only provide sufficient safe anchorage for fishing vessels but would also provide good and adequate harbors for the many government vessels in Alaskan waters:

NOW THEREFORE, your Memorialist, the House of Representatives of the Legislature of the Territory of Alaska, respectfully prays that Congress make a sufficient appropriation to complete those Harbor Projects which have already been approved for Alaska by the U. S. Army Engineers.

AND YOUR MEMORIALIST WILL EVER PRAY.

Passed by the House March 26, 1953.
