

(a) to investigate and study the desirability, necessity and feasibility of various capital improvements needed by the State on a long-term basis and to hire or contract for technical personnel to aid in the investigations and studies;

(b) to investigate methods and compile data on the financing or such projects by bond issue;

(c) to travel within the State upon the approval of the Governor;

(d) to make a report of their findings to the Legislature and the Governor upon the convening of the 1960 session of the Legislature. The report shall deal with, among other things, estimates of costs, methods of financing and priorities of needs on a long-range basis.

(e) The foregoing enumeration of duties shall not be exclusive; and the Commission shall have such additional necessary and related duties and powers

and such additional areas of investigation as may be designated by the Governor.

Sec. 3. The Commission shall have the aid and cooperation of all agencies of the State or its political subdivisions in performing its duties.

Sec. 4. Monies to cover travel and per diem as allowed by law and other expenditures hereunder shall be provided in the Bill setting out appropriations for the activities of the Executive Branch of State Government.

Sec. 5. Unless otherwise provided by law, the Commission as created by this Act shall cease to exist after the adjournment of the Second Regular Session of the First State Legislature.

Sec. 6. This Act shall take effect immediately upon its passage and approval or upon its becoming law without such approval.
