

pathology, hygiene, surgery, obstetrics, and such other branches as the Board shall deem advisable. Said Board shall cause said examination to be practical and sufficient to test the candidate's fitness to practice medicine and surgery. In grading the answers of said examination the applicant shall be given a credit of one per cent in each subject for each year of actual practice after the first two years. Said examination with the answers thereto shall be in writing and in the English language and the same shall be preserved in filed of record in the office of the Secretary of the Board. After examinations, if the same be satisfactory, said Board shall grant a license to such applicant to practice medicine and surgery in the State of Alaska, which said license can only be granted by and with the consent of not less than five members of said Board, and each license shall be signed by the Secretary and President of said Board, and attested by the Seal thereof. If said examination shall be unsatisfactory to the Board or if the applicant shall fail to pay the fee herein prescribed or shall otherwise fail to comply with any of the other requirements

of this Act, the Board shall refuse to grant the license.

In all cases where an applicant for a license under this Act shall produce and exhibit to the Board of Examiners, a license from a Board of Medical Examiners appointed under the laws of any State of the United States or Province of Canada, said Board recognizing licenses from this State and issuing reciprocal licenses therewith, and a certificate to the fact that the said person presenting said license is duly and well qualified to practice medicine and surgery in the States or Provinces, issuing said license, and that said license was issued after a thorough examination to ascertain this fact, he or she may, at the discretion of the Board of Medical Examiners, upon payment of the fee herein prescribed and otherwise complying with all the requirements of this Act receive a license to practice medicine and surgery as if the examination of said applicant was held in Alaska.

That no license shall be granted to practice medicine or surgery unless the applicant therefor be a citizen of the United States or Canada.

## CHAPTER 23

### AN ACT

**Establishing a Governor's Committee on Employment of the Handicapped for Alaska; providing the duties and powers of such committee; and repealing Ch. 77, SLA 1957.**

(H.B. 289)

**Be it enacted by the Legislature of the State of Alaska:**

Section 1. The purpose of this Act is to create a Governor's Committee on Employment of the Handicapped for Alaska, to carry on a continuing program to promote the employment of the handicapped citizens of Alaska by creating statewide interest in the rehabilitation and employment of the handicapped, and by obtaining and maintaining cooperation with all public and private groups and individuals in this field. The Governor's Committee shall work in close cooperation with local committees and with the President's Com-

mittee on Employment of the Physically Handicapped to more effectively carry out the purpose of this Act, and with State and Federal agencies having responsibilities for employment and rehabilitation of the handicapped.

Sec. 2. The Governor's Committee shall consist of not more than twelve members composed of state leaders of industry, business, agriculture, labor, veterans, women, religious, educational, civic, fraternal, welfare, scientific, military, medical and other professions, or as many of these and like categories as may be feasibly represented, who shall be appointed

by the Governor for a term not to exceed three years, provided that the initial members of the board shall be appointed for terms of one, two, and three years as designated by the Governor. Members may be reappointed and vacancies shall be filled by the Governor. A chairman shall be appointed by the Governor and shall serve for a term of one year or until a successor is named. Members of the Committee shall receive no compensation for services on the Committee but shall be reimbursed for necessary expenses in accordance with existing law. The Committee shall meet annually, but at the request of the Governor special meetings may be called.

Sec. 3. The State vocational rehabilitation agency, the State Employment Service, the State Department of Health and Welfare, and such other State agencies as the Committee may name, shall each designate an appropriate staff member who shall meet with the Committee and act in an advisory capacity. The Federal Veteran's Employment Service and the Veteran's Administration shall each be invited to designate a member of their respective staffs to serve in a like capacity with the Committee. Agencies of the State shall provide such assistance to the Committee as may be requested by the Committee to aid it in accomplishing the purposes of this Act.

Sec. 4. The Governor shall each year issue a suitable proclamation designating the first full week in October as National Employ the Physically Handicapped Week. During said week, appropriate ceremonies are to be held throughout the State of Alaska, the purpose of which will be to enlist public support for, and interest in the employment of, the physically handicapped. The mayors of cities, and heads of other instrumentalities of government, as well as leaders of industry and business, educational and religious groups, labor, veterans, women, farm, scientific and professional, and all other interested organizations and individuals shall be invited to participate.

Sec. 5. Funds to carry out the provisions of this Act shall be appropriated, expended and accounted for through the same procedures as funds for operation of the State Department of Labor.

Sec. 6. The Governor's Committee is authorized to receive property by gift, devise, bequest or otherwise to carry out the purposes of this Act.

Sec. 7. The Committee shall report annually to the Governor its activities during the preceding year.

Sec. 8. Chapter 77, SLA 1957 is hereby repealed.

Approved March 4, 1960
