(S.C.S.H.B. 4)

**Be it enacted by the Legislature of the State of Alaska:**

Section 1. Any person who possesses an authentic Native article of handicraft made in Alaska may obtain, in the manner provided by this Act, an identification seal to identify the article as being the product of an authentic Alaska Native handicraft. The identification seal may be affixed only

to authentic Native articles of handicraft made in Alaska.

Sec. 2. The commissioner of commerce is responsible for the administration of this Act, including the design, method of affixing, preparation, issuance, and control of identification seals; the issuance of permits to agents to distribute the seals; the supervision of the use of the seals; and the

enforcement of the civil and criminal provisions of this Act.

Sec. 3. The commissioner of commerce shall prepare and design the identification seal with a distinctive design bearing (1) the words "An Authentic Alaskan Native Craft Made in Alaska," (2) a letter symbol to designate the area within the state in which the article was produced, and (3) a number to designate the agent in the area who authorized the use of the label.

Sec. 4. Any resident of the state may apply to the commissioner of commerce for a permit as agent to issue identification seals within the state only. The commissioner of commerce may examine or investigate an applicant to determine whether the applicant has sufficient knowledge of the handicrafts, customs, and populace of the area in which he resides to identify authentic articles of handicraft, and may issue permits to qualified applicants. Permits shall be issued without charge. The commissioner of commerce shall prescribe the form of the application and permit, the period for which the permit is to be valid, and the procedure for renewal of the permit. He may suspend or revoke the permit in the manner provided in Chapter 2, Alaska Administrative Procedure Act.

Traditional Native handicrafts include but are not limited to weaving, carving, stitching, lacing, beading, drawing, and painting.

Sec. 7. a. Any person who knowingly or wilfully affixes or attaches the identification seal provided for in this Act to an article, knowing that it is not an authentic Native article of handicraft, is guilty of a misdemeanor, and upon conviction is punishable by a fine not to exceed \$1,000.00, or imprisonment for a term not to exceed one year, or by both the fine and imprisonment.

b. Any person who knowingly or wilfully sells or offers for sale an article with the seal affixed or attached, knowing that the article is not an authentic Native article of handicraft, is guilty of a misdemeanor, and upon conviction is punishable by a fine not to exceed \$1,000.00, or imprisonment for a term not to exceed one year, or by both the fine and imprisonment.

c. Any person who wilfully alters, changes, or counterfeits the identification seal is guilty of a misdemeanor, and upon conviction is punishable by a fine not to exceed \$1,000.00, or imprisonment for a term not to exceed one year, or by both the fine and imprisonment.
