**Article 2. Commission Investigation and Hearing**

The executive director may file a complaint in like manner when an alleged discrimination comes to his attention.

**Sec. 18.80.110. Investigation and Conciliation.** The executive director or a member of the commission's staff designated by the executive director shall informally investigate the matters set out in a filed complaint, promptly and impartially. If the investigator determines that the allegations are supported by substantial evidence, he shall immediately try to eliminate the discrimination complained of by conference, conciliation, and persuasion.

**Sec. 18.80.120. Hearing.** If the informal efforts to eliminate the alleged discrimination are unsuccessful, the executive director shall inform the commission of the failure, and the commission shall serve written notice requiring the person charged in the complaint to answer the allegations of the complaint at a hearing before the commission. The case in support of the complaint shall be presented before the commission by the executive director. The order shall include findings of fact, and may prescribe conditions on the accused's future conduct which the commission determines are relevant to the cessation of the discrimination. A copy of the order shall be delivered in all cases to the attorney general of Alaska.

**Sec. 18.80.140. Effect of Compliance with Order.** Immediate and continuing compliance with all the terms of a commission order is a bar to criminal prosecution for the particular instances of discriminatory conduct described in the accusation filed before the commission.
