

who voted in the last general election. However, each borough is entitled to at least \$25,000.

(b) The Local Affairs Agency shall determine, within 60 days after the date of incorporation of an organized borough, the number of qualified voters in the

borough who voted in the last election.

(c) Within 30 days after the completion of its findings, the Local Affairs Agency shall transmit to each organized borough from money appropriated to it the total amount of money to which the borough is entitled.

Approved April 12, 1963

CHAPTER 53

AN ACT

Relating to the election of members of the borough assembly.

(H.B. 214)

AN ACT

Be it enacted by the Legislature of the State of Alaska:

Section 1. AS 07.10.120(b) is amended to read:

(b) Qualification of voters. Any person who is a qualified voter in Alaska and is a resident of the area within the proposed organized borough is qualified to vote in the election. However, if sections have been established as provided for by AS 07.30.100, the election of assemblymen is governed by the provisions of that section.

Sec. 2. AS 07.30.100 is amended to read:

Sec. 07.30.100. **Borough Sections.** (a) The members of the borough assembly representing the area outside the first-class cities may establish, alter, or abolish sections for the election of assemblymen in order to provide representation to separate and distinct areas within the borough. If the assembly establishes sections, members representing the area outside the first-class cities shall be elected from the sections in which they reside. Qualified voters resident outside first-class cities may vote upon the can-

didacy of all the candidates, but candidates from each section run only against other candidates from the same section. The number of sections shall equal the number of assemblymen representing the area outside the first-class cities. Section boundaries shall be established in such a way as to provide, insofar as possible, clarity of boundaries, compactness of area, equal voter representation among different sections, and homogeneity of interest within the section. No section may have a number of voters which is less than one-half that of any other section, as determined from the records of the last general election.

(b) If more than 40,000 people, as determined by the Local Affairs Agency on the basis of the best available information, reside in the area to be included in the proposed organized borough, the Local Affairs Agency shall, as soon as possible, and in no event later than 60 days before the initial election of borough officers, establish sections for the election of assemblymen, as provided in (a) of this section. The first election of assemblymen shall be from the sections established by this subsection.

Approved April 12, 1963

CHAPTER 54

AN ACT

Relating to the pay of teachers and school administrators; and providing for an effective
