

CHAPTER 70

AN ACT

Relating to the public school foundation program; and providing for an effective date.

(C.S.S.B. 67)

Be it enacted by the Legislature of the State of Alaska:

Section 1. AS 14.17.030(b) is amended to read:

(b) The required local tax effort for each district is the amount of revenue raised from local sources which is equivalent to the amount which would be raised from a 3.5-mill levy on the full and true value of taxable real and personal property within the district. The amount of the required local tax effort may be raised from any source available to the district and does not have to be derived from property taxes.

Sec. 2. AS 14.17.050(d) is amended to read:

(d) Each district is entitled to the number of teacher units for elementary schools which corresponds to the average daily membership for its elementary schools in the following elementary schedule. Each district is entitled to the number of teacher units for secondary schools which corresponds to the average daily membership for its secondary schools in the following secondary schedule. If a school district has two or more secondary attendance centers, it shall separately compute the allowable number of teacher units for each of its secondary attendance centers which has an average daily membership of 301 or more pupils. Each district is entitled to the number of teacher units for special education which corresponds to the average daily membership for its special education program in the following special education schedule.
