Chapter No.:

90

AN ACT

Relating to obtaining approval for airport and highway construction.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 02.15 is amended by adding a new section to read:

Sec. 02.15.205. APPROVAL REQUIRED FOR AIRPORT CONSTRUCTION. (a) No person may construct, reconstruct, relocate, or extend an airport, airstrip, or private air facility within two miles of a federal-aid highway or proposed federal-aid highway without first obtaining the written approval of the commissioner of public works, as provided by regulation.

(b) The commissioner of public works shall not approve the construction, reconstruction, relocation, or extension of an airport, airstrip, or private air facility if the construction would constitute a hazard to the traveling public or if the construction would otherwise not be in the public interest.

(c) The commissioner of public works shall promulgate

rules and regulations, to effectuate the purpose of this section, which are consistent with standards established by participating federal agencies.

* Sec. 2. AS 19.20 is amended by adding a new section to read:

Sec. 19.20.090. HIGHWAY CONSTRUCTION NEAR AIRPORTS.

(a) No person may construct, reconstruct, relocate, or extend a federal-aid highway within two miles of an airport, airstrip, or private air facility without first obtaining the written approval of the commissioner of highways, as provided by regulation.

(b) The commissioner of highways shall not approve the construction, reconstruction, relocation, or extension of a highway under this section if the construction would constitute a hazard to the traveling public or if the construction would otherwise not be in the public interest.

(c) The commissioner of highways shall promulgate rules and regulations, to effectuate the purpose of this section, which are consistent with standards established by participating federal agencies.
