## JOINT RESOLUTION

Relating to experimental plants for manufacturing fish protein concentrate.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA :

WHEREAS the Honorable E. L. Bartlett, United States Senator from Alaska, has introduced in the United States Senate a bill which would authorize the Secretary of the Interior to contract with private firms to construct and operate large scale experimental plants manufacturing fish protein concentrate; and

WHEREAS fish concentrate provides far more protein than other foods and can be produced at less cost; and

WHEREAS lack of protein is a prime cause of malnutrition; and

WHEREAS fish protein concentrate therefore promises to be exceptionally effective in overcoming the malnutrition and the effects of malnutrition which afflict a large portion of the world population;

BE IT RESOLVED that the Alaska Legislature endorses Senator Bartlett's bill and urges the United States Congress to act favorably on it.

COPIES of this resolution shall be sent to the Honorable Carl Hayden, President Pro Tempore of the Senate, the Honorable John W. McCormack, Speaker of the House, the Honorable Henry M. Jackson, Chairman, Senate Committee on Interior and Insular Affairs, the Honorable Wayne N. Aspinall, Chairman, House Committee on Interior and Insular Affairs, and to the Honorable E. L. Bartlett and the Honorable Ernest Gruening, U. S. Senators, and the Honorable Ralph J. Rivers, U. S. Representative, members of the Alaska delegation in Congress.
