### BE IT RESOLVED BY THE SENATE:

WHEREAS there has been dissatisfaction with various aspects of the Teachers' Retirement System; and

WHEREAS the present inequities are complex and need to be studied in some depth to insure that they are adequately remedied;

BE IT RESOLVED that the Department of Administration is requested to conduct an interim study to determine a fair and equitable base rate for the Teachers' Retirement System and make a full report to the Fifth Legislature, Second Session including recommendations regarding state legislative action which may be required to meet the needs of the Alaska teacher.
