* Sec. 2. The amounts of such bonds to be issued from time to time and the time or times of their issuance shall be fixed by the State Bond Committee (created by AS 37.15.110), and the specific uses of the proceeds of such bonds shall be determined by the governor in accordance with the following general terms and conditions:

* Sec. 3. In the event the issuance of such bonds is authorized by the qualified voters of the state, the sum of \$40,000 or so much thereof as shall be found necessary is appropriated from the general fund of the state to carry out the provisions of this Act and to pay expenses incident to the sale and issuance of the bonds authorized herein. The amounts expended from the appropriation authorized by this section shall be reimbursed to the general fund from the proceeds of the sale of the bonds authorized by this Act.

There is hereby appropriated from the "1968 School Construction Fund" to the Department of Education the sum of \$5,200,000.

* Sec. 5. In the event the issuance of such bonds is authorized by the qualified voters of the state, a special fund of the state to be known as the "1968 School General Obligation Bond Redemption Fund" shall be created, to the credit of which there shall be set aside such amounts of money as may be necessary to pay the principal of and interest on the outstanding bonds of the issue described in sec. 1 of this Act, and which fund shall be used for the sole purpose of paying and securing the payment of such principal and interest as the same shall become due.
