Relating to the transfer of federal agency schools; and providing for an effective date.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 14.20.147 is amended by adding a new subsection to read:

(b) When a school operated by a federal agency is transferred to or absorbed into a new or existing school district the teachers shall also be transferred if mutually agreed by the teacher or teachers and the school board of the new or existing district. A teacher transferred from a federal agency school, which does not have an official salary schedule or teacher tenure in the same manner as a public school district in the state, shall be placed on a position on the salary schedule of the absorbing district; the salary may not be less than the teacher would have received in the federal agency school. If the teacher taught two or more years in the federal agency school and, at the time of transfer, had a valid Alaska teaching certificate, that teacher shall be placed on tenure in the absorbing district.

(c) On the first day of service in the absorbing school district, a teacher transferred from a federal agency school shall be allowed the actual number of days of accumulated sick leave that the teacher has earned while teaching in Alaska. Consistent with the established district policy the absorbing district may allow credit for any other type of leave. Credit for retirement shall be allowed in accordance with AS 14.25.060.
