HOUSE CONCURRENT RESOLUTION NO. 54

Relating to preparation and dissemination of materials relating to the antitrust law.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:

WHEREAS the legislature has enacted a law prohibiting monopolies and combinations in restraint of trade; and

WHEREAS this law has substantial importance to and impact upon the business community of the state, creating important rights and duties; and

WHEREAS this law is technical, dealing with a complex subject in an area of law where much of the material consists of terms of art refined by extensive litigation; and

WHEREAS general explanatory material in lay terms would be of great service to the public and in particular the business community of the state; and

WHEREAS such material is not readily available;

BE IT RESOLVED by the Alaska State Legislature that the Department of Commerce and the Department of Law, in cooperation with the Alaska State Chamber of Commerce, are requested to prepare and disseminate informational material, in lay terms so far as possible, concerning the prohibition of monopolies and restraint of trade law, stressing the rights, duties and remedies under that law.
