HOUSE CONCURRENT RESOLUTION NO. 123

Relating to a coastal zone management program.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:

WHEREAS the coastal area of Alaska is rich in natural resources and aesthetic qualities; and

WHEREAS public and private demands on the coastal zone could endanger these resources and aesthetic qualities; and

WHEREAS there already exists considerable statutory authority within the several departments of the state to deal with coastal zone matters; and

WHEREAS this authority is often exercised in a diverse and conflicting manner resulting in unrelated resource allocation within the coastal zone; and

WHEREAS, in order to protect the coastal resources of the state, comprehensive legislation may be necessary;

BE IT RESOLVED by the Alaska State Legislature that the Legislative Affairs Agency, in cooperation with the Office of the Governor, codify all laws and regulations pertaining to coastal zone management for submission to the First Session of the Tenth Legislature; and be it

FURTHER RESOLVED that two members of the Senate and two members of the House, as appointed by the President of the Senate and Speaker of the House, meet with a like group appointed by the Governor to review all public testimony submitted to the legislature and the administration on the subject of Alaska coastal

zone management to coordinate further public procedures as considered necessary; and to coordinate activities leading to the development of a sound coastal zone management program during the First Session of the Tenth Legislature; and be it

FURTHER RESOLVED that the Governor is requested to submit to the First Session of the Tenth Legislature a proposed program for coastal zone management in general compliance with the Federal Coastal Zone Management Act of 1972.
