Chapter No.

96

AN ACT

Relating to art work in public buildings and facilities.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 35.27.020 is amended by adding new subsections to read:

(f) The artist who executes these works of art in the public schools shall be selected by the superintendent of a school district in which a public school is to be built with the approval of the school board. Should the department find in the best interest of the state that the selection of the artist who executes these works of art by the superintendent may result in a cost overrun to the state or delay of construction, the department shall make the selection of the artist in consultation with the superintendent.

(g) The architect, superintendent, department, and the Alaska State Council on the Arts shall encourage the use of state cultural resources in these art works and the selection of Alaska resident artists for the commission of these art works.

* Sec. 2. AS 35.27.020(c) is amended to read:

(c) At least one per cent or, in the case of a rural school facility, at least one-half of one per cent of the construction cost of a building or facility approved for construction by the legislature after the enactment date of this chapter will be reserved for the following purposes: the design, construction, mounting and administration of works of art in the public building or public facility.

Chapter 96

* Sec. 3. AS 35.27.030(2) is amended to read:

(2) "public facilities" includes schools, office buildings, court buildings and other facilities which are designed for substantial public use, as well as the vessels of the state ferry system.

* Sec. 4. AS 35.27.030 is amended by adding a new paragraph to read:

(3) "construction cost" is that cost expended for the actual construction of the facility, exclusive of the costs of land acquisition, site investigation, design services, administrative costs, equipment purchases and any other costs not specifically incurred within the construction contract or contracts awarded for the construction of the facility.
