Resolve No.

12

Relating to the North Slope Haul Road.

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES:

WHEREAS construction of the trans-Alaska oil pipeline is almost completed; and

WHEREAS, upon cessation of construction activities, the haul road to the North Slope could be operated by the state as a public highway; and

WHEREAS enacting legislation granting authority and providing appropriations may be necessary before the state can operate the haul road as a public highway;

BE IT RESOLVED by the House of Representatives that it respectfully requests the Governor to (1) include in his recommended budget for fiscal year 1979 any amounts needed for maintenance and patrolling of the North Slope Haul Road on a year-round basis; (2) introduce in the Second Session of the Tenth Legislature, no later than February 1, 1978, any legislation required to enable the state to open the haul road to the public and maintain it on a year-round basis; and (3) identify any restrictions imposed on state governmental activity vis-a-vis the haul road as a result of federal involvement in construction of the road.
