Senate

Resolve No.

5

Commending the accomplishments of the Bob Reeve High School "Eaglettes" from Adak.

BE IT RESOLVED BY THE SENATE:

The students at the Bob Reeve High School at Adak are accustomed to the distinction of having the westernmost high school in the United States and hailing from a site described as "the birthplace of the winds". The great distance and the expense of travel from the Aleutians to the mainland precludes pre-tournament engagements with other schools having competition in sports. This year the "Eaglettes" from Adak earned special recognition at the Alaskan Girls Region III Basketball Tournament at Cordova which does credit to the "Eaglettes" team members collectively and individually and their coach.

BE IT RESOLVED by the Senate that this special commendation is offered to the Bob Reeve High School "Eaglettes" of Adak, to co-captains Laurie Sims and Linda York who won the Sportsmanship Trophy at the tournament, players Angela Painter and Cheryl Marlin who were selected members of the All-Tournament Team, and Coach Willie Theis for the recognition earned for their team at the Alaskan Girls Region III Basketball Tournament at Cordova in 1977.
