Chapter No.

72

AN ACT

Relating to hospitals.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 18.20.130(1) is amended to read:

(1) "hospital" means an institution or establishment, public or private, devoted primarily to providing diagnosis, treatment, or care over a continuous period of 24 hours each day for two or more nonrelated individuals suffering from illness, physical or mental disease, injury or deformity, or any other condition for which medical or surgical services would be appropriate;
