AN ACT

Establishing an Alaska Silver Anniversary Commission; and providing for an effective date.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

THE ACT FOLLOWS ON PAGE 1, LINE 9

Approved by the Governor: July 11, 1981
Actual Effective Date: July 12, 1981

AN ACT

Establishing an Alaska Silver Anniversary Commission; and providing for an effective date.

* Section 1. PURPOSE. The year 1984 will mark the 25th anniversary of Alaska statehood. The same year will also be the bicentennial of the first permanent Russian settlement in Alaska established by Gregory Shelikof at Kodiak and the centennial of the passage of the Alaska Organic Act. These historical anniversaries, especially the commemoration of Alaska's first quarter century as a member of the United States, combine to present Alaska with a unique opportunity to both celebrate and inform others about our history and our unique and diverse cultures. A coordinated planned effort culminating in 1984 will improve the general understanding of Alaska and foster a sense of unity and community among all Alaskans. A statewide celebration will provide a vehicle to increase Alaska tourism and develop new markets and products for the renewable and nonrenewable resources of Alaska. The celebration, together with pre-celebration publicity and activities, will focus positive national and international attention on Alaska and its increasing role and position in the Pacific Rim. The creation of an Alaska Silver Anniversary Commission is important to the realization of these goals.

* Sec. 2. ALASKA SILVER ANNIVERSARY COMMISSION. (a) There is established in the Department of Commerce and Economic Development an Alaska Silver Anniversary Commission.

(b) The commission consists of seven members appointed by the governor.
