Relating to construction of the Bradley Lake hydroelectric project.

### BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:

WHEREAS the United States Army Corps of Engineers is completing the design and specifications on the Bradley Lake hydroelectric project; and

WHEREAS the United States Congress has authorized construction of the Bradley Lake hydroelectric project; and

WHEREAS the Alaska State Legislature would like work to begin on the Bradley Lake hydroelectric project as early as possible; and

WHEREAS the Bradley Lake hydroelectric project is an economically, environmentally, and technically feasible renewable energy project which should be constructed as early as possible;

BE IT RESOLVED that the Alaska State Legislature respectfully requests that the United States Congress provide for a system to permit the United States Army Corps of Engineers to design and construct the Bradley Lake hydroelectric project as a project of the Alaska Power Authority provided that the financial responsibility for this project shall solely be the responsibility of the State of Alaska and the Alaska Power Authority.

COPIES of this resolution shall be sent to the Honorable Strom Thurmond, President Pro Tempore of the U.S. Senate; the Honorable Thomas P. O'Neill, Jr., Speaker of the U.S. House of Representatives; the Honorable Ted Stevens and the Honorable Frank Murkowski, U.S. Senators, and the Honorable Don Young, U.S. Representative, members of the Alaska delegation in

Congress; to Colonel Lee Nunn, Chief of Alaska District, United States Army Corps of Engineers; to Mr. John Katz, Special Counsel to the Governor; and to Mr. Eric Yould, Executive Director, Alaska Power Authority.
