Senate
Resolve No.

14

Relating to the duties of the Alaska Statehood Commission.

BE IT RESOLVED BY THE SENATE:

WHEREAS legislation was enacted during the Second Session of the Eleventh Legislature providing for the creation of the Alaska Statehood Commission contingent upon an affirmative vote of the people of Alaska at the 1980 primary election; and

WHEREAS a majority of the people voting in the 1980 primary election voted to create the commission; and

WHEREAS the commission has been constituted; and

WHEREAS the legislation creating the commission includes a specification of its duties; and

WHEREAS the commission purportedly has devoted a disproportionately large amount of attention to "other matters" it may consider germane to its purposes;

BE IT RESOLVED by the Senate that the Alaska Statehood Commission refocus its attention, and perform the specific duties assigned to it in the legislation creating the commission.
