Requesting the Governor to declare April 15, 1982, Journalistic Achievement Day.

BE IT RESOLVED BY THE SENATE:

WHEREAS journalistic excellence and accuracy in reporting are qualities to be aspired to by all members of the news media; and

WHEREAS those who most passionately seek achievement of that most coveted and commendable freedom of the press -- freedom from falsehood -- deserve special recognition; and

WHEREAS, in the course of their profession, journalists here in Alaska must sometimes confront enormous odds in trying to move closer to the above objectives;

BE IT RESOLVED that the Alaska State Senate commends these laudable journalistic efforts and wishes further to encourage them and those who aspire to them by respectfully requesting the Governor to declare April 15, 1982, as Journalistic Achievement Day.
