AN ACT

Relating to leasing land for refuse disposal.

* Section 1. AS 38.05.315(f) is amended to read:

(f) The commissioner shall lease state land for telephone or electric transmission and distribution lines for less than the appraised value of the land if the lessee is a nonprofit cooperative association organized under AS 10.25.010 - 10.25.650. The commissioner may lease state land that is not located within the boundary of a municipality for the disposal of garbage, refuse, trash, or other waste material for less than the appraised value of the land if the lessee is a licensed public utility authorized to collect and dispose of garbage, refuse, trash, or other waste material outside the boundaries of a municipality. Before determining [HE DETERMINES] the annual rental, the commissioner shall consider the nature of the public service rendered by the nonprofit cooperative association or licensed public utility and the terms of the grant under which the land was acquired by the state. A nonprofit cooperative association may not construct improvements other than transmission or distribution lines and substations on land leased under this subsection. A licensed public utility may not construct permanent improvements on land leased under this subsection that are not related to the purpose of the lease.
