Senate

Resolve No.

9

AN ACT

Relating to the Future Problem Solving Competition.

**BE IT RESOLVED BY THE SENATE:**

WHEREAS the achievement of a quality education by young Alaskans enriches Alaska's human resources; and

WHEREAS extra effort on the part of students, teachers, parents, and communities are an essential part of the achievement of a superior education; and

WHEREAS an important purpose of education is to provide skills to young people enabling them to deal rationally with a rapidly changing world; and

WHEREAS the International Future Problem Solving Program provides a forum for students from throughout the United States and from Canada to compete with their solutions to dealing with issues relating to the future; and

WHEREAS the Senior Division and the Intermediate Division students from Gambell, Alaska placed First in the International Future Problem Solving Competition held in Cedar Rapids, Iowa on May 28 - 31, 1984; and

WHEREAS the Junior Division students from Cordova, Alaska placed Fifth in the International Future Problem Solving Competition held in Cedar Rapids, Iowa on May 28 - 31, 1984;

BE IT RESOLVED that the Senate commends the following students and coaches from Gambell and Cordova for their insights into the future and their approach to dealing with related issues; Merle Apassingok, Gambell; Lorena Koonooka, Gambell; Ron Apangalook, Gambell; Joel James, Gambell; Merideth Guthridge, Gambell; Alvin Aningayou, Gambell; Rena Boolowon, Gambell; Romona

Ungwiluk, Gambell; George Guthridge, Coach from Gambell; Bruce Currie, Coach from Gambell; Sonja Van Hala, Cordova; Gwynn Thomas, Cordova; Mikie McHone, Cordova; and Donna Church, Coach from Cordova.
